The July meeting of the Franklin Garden Club has been postponed. Mrs. Rose Elwood and Mrs. Helen Erlenbush will have charge of flowers for the church on July 19 and 26, and Mrs. Helen Fisher and Mrs. Eva Hunt on August 2 and 9.

Mr. and Mrs. Joseph Slater of Casadaga, Fla., were guests the past week of Mr. and Mrs. F. N. Baldwin.

Miss Irene Wisner and her Sunday School class enjoyed a party Wednesday afternoon at the home of Richard Kahle. Games were played and refreshments served.

BRITTON

The Victory 4-H Club met Tuesday evening at the home of Betty Smith. Mrs. Nellie Barrett is the leader and the topics discussed included control of cabbage worms, potato diseases and midseason planting by Gordon Barrett and Madeline Dowding.

The South Britton workers for Victory met yesterday afternoon with Phyllis Seidel. Discussions were on flowers arrangement by Miss Seidel and on the drying of fruits and vegetables by Leola Marks. The boys of the group worked on the poster. Games were enjoyed and refreshments served.

Mrs. Martha Gorham left last Wednesday for Fort Riley, Kansas to visit her son, Pvt. Charles Gorham.

The Congregational Ladies Aid Society has chosen October 9 as the date for the Annual Church Fair.

REUNIONS

BEASLEY FAMILY

The Beasley family held its first reunion at the Britton Park with 30 in attendance from Milan, Saline, Ypsilanti, Adrian, Tecumseh, Monroe, Northville, Detroit, and Britton. Officers elected for the coming year are: Ben Beasley of Britton, president; Florence Shurtz of Saline, vice president; Dorothy Brablec of Britton, secretary and treasurer; Ethel Kanous of Britton, historian. Next years reunion will be held at the home of Ben Beasley in Britton.

LANNING SCHOOL

The Lanning School reunion will be held August 22, at the school. Howard Matthews is president and Mrs. Iva Van Valkenburg, secretary.

PRAIRIE SCHOOL

The seventh annual reunion of the Pairie school district No. 9, Ridgeway township, was held July 4, at the school building. Sixty-five attended from Detroit, Wyandotte, Trenton, Romulus, Adrian, Spring Arbor, Deerfield, and Britton. It was decided to hold the 1943 reunion on the Saturday before Labor Day, and all officers were re-elected. They are Mrs. Martha Gorham, president; Mrs. Ida Kingsbury, vice president; Mrs. Lillian Burkolph, recording secretary; Mrs. Pansy Love, corresponding secretary; Garfield Gray, treasurer and Mrs. Jessie Van Nest, historian.

HUGE TAX MAILING

Many hands are working overtime in the state department of revenue these days preparing for the annual mailing of 95,000 books of returns to sales tax licensees for the fiscal year 1942-43. The mailing will be made about July 20 and will weigh 11 tons. Postage will cost the State of Michigan $2,850.

The envelopes will also contain the official licenses for which sales taxpayers have paid one dollar. Old licenses will be honored until the new licenses are received. This is said to be the largest mailing made by any Michigan state department.

This year sales tax returns will also include provision for use tax returns by retailers which are fully explained. Commissioner Nims requests all sales tax licensees to study carefully the requirements for declaring use tax purchases. Act No. 94 of 1937, the use tax law, will be strictly enforced. Taxpayers in the Detroit and Upper Peninsula areas are reminded that hereafter all monthly sales tax returns are to be addressed to the Lansing office of the Department of Revenue.

HOMELY SPECIMEN

Aunty—Precious, what did you do in school today?

Precious—We had a nature study. Each pupil had to bring a specimen from home.

Aunty—And what did you bring, precious?

Precious—I brought a bedbug in a bottle.

The boys of Lenawee County are responding to the call of the nation and the least that we can do at home is to uphold them and their cause.

Pageant Story

(Continued from Page 1)

turned out to build businesses, factories, and work for all.

Episode Twelve: "Coronation of Princess Lenawee"—A colorful episode during which, on the initial performance, the winner of the "Princess Lenawee" Popularity Contest, will receive her crown. The other girls competing in this contest will also receive prizes and recognition and will take part in the pageant enactments.

Episode Thirteen: "Drill of the Victory Vegetable"—will be a novel bit of figure work done by girls dressed as vegetables important to the nation's drive for victory. Co-operation and community spirit will symbolically be portrayed as the keynote of victory.

Episode Fourteen: "Tecumseh Today"—will show the salvage demonstrations, the air raid wardens, the home nursing units, Red Cross activities, defense workers, jeeps, military units, and Civilian Defense units, all culminating in the presentation of the Navy "E" banner.

Episode Fifteen: "Guardians of the Future"—The small girls, representing the girls of the U. S. A. are shown in a patriotic drill and musical number as they march and sing "Here's to Uncle Sammy."

Episode Sixteen: "Salute to Victory"—will bring the entire cast of over 400 in quick review. 28 girls, as representatives of the Allied Nations, carrying the banners of those nations, with the entire cast in the figures of the U. S. A., mass singing of the "Star Spangled Banner" and a united pledge of further effort and continuous effort toward our eventual victory, will bring the spectacle to a fitting climax.

The "Tecumseh Echoes" headquarters in the Ford Building is becoming a "bee hive" of activity, as the tempo of the pageant progress is stepped up day by day.

The talent committee, with Mrs. Chas. Howe, as chairman, is both drafting talent, and accepting volunteers. On this committee who have the job of securing the number of men, women, and children needed in their particular scene, are Danny Dinells; Cora Plans; Fred Dickinson, Jr.; Mrs. Naomi Williamson and the DAR; Mrs. Alice Schneider; Reverend Escolme, Mrs. Comfort, and Mrs. Beth Satterwhaite and the Friend's Church; Miss Joan Barrett; Miss Sally Humphrey; Ivan Parker and Elmer Chapman; Mrs. Paul Keyser and the American Legion Post; Keith Baron and the Products Union; Rev. O. V. Robinson; Bertha LaPoint; Mrs. Carmichael (Holloway); Florence Gripton (Britton); Mrs. Howard Evans (Tipton); and Ivan Parker (Macon).

The construction committee, with Al Bagshaw as chairman, has started to work securing materials for the field stage. Actual construction is slated to begin today. The field stage planned will utilize some 110 feet from entrance to entrance and nearly 90 feet from the footlights to the front of the raised insert stage. It was unanimously agreed that this outdoor spectacular stage would be the most unusual and the largest ever seen in this section of Michigan. Special outdoor scenery will be used to cover the framework erected and special lighting (utilizing flood lamps, box lamps, foot lamps), is being furnished for the production. Duncan Oliphant is in charge of arranging the electrical effects.

IT is not without some good reason that men have been so finicky about their pants crease... for this line down the trouser leg has a slimming effect that women should appreciate. Men will applaud your respect of this detail of pants-wearing!

DON'T
Let Your Furnace Down
And Your Furnace Will Not Let You Down

A furnace is not different than any other piece of equipment in your home or your store. All equipment requires attention at some time or another—some more often than others.

Your furnace takes a lot of abuse, it serves you day after day, month after month with but very little attention.

But your furnace will not continue to give such service unless it receives a little adjustment and repair every year or two. And may we suggest that you let this be the year.

Don't neglect your furnace until cold weather and then expect immediate repairs if they are necessary. Repair parts, you know, are hard to get, due to the war.

Let us inspect your furnace now and put it in condition to serve you all next winter.

Smallest Wheat Crop Harvested by Cradle In Local Experiment

Although the hum of airplane motors overhead and the zipping of motor cars on a nearby concrete highway were absent in 1826, still there was much in common between the wheat harvest in 1826 and the one in 1942 at Tecumseh, Michigan.

One hundred and sixteen years ago Jesse Osborn cut his wheat crop by sickle—the first in Lenawee—and brought it to the first mill in the county—on the south bank of the Raisin opposite the present Consumer Power plant in Brownsville—where it was ground into flour. The flour was later baked into biscuits and eaten. All of this on the same day.

In 1942 a crowd, estimated at about 250 people witnessed four wheat cradlers, one of them 92 years of age cut the second wheat crop of the Hayden Flour Mills.

The first planting of one cubic inch in September of 1940 was inspired by a sermon in the Tecumseh Friend's Church, "Verily, verily, unless a corn of wheat fall into the ground and die, it abideth alone, but if it die, it bringeth forth much fruit (John 12:24)".

With the assistance of the Henry Ford organization and local and county agricultural agents, 360 kernals of wheat were planted that year.

In 1941 there was a crop of 18,000 kernals. One tenth of these went to the Friend's Church, and the remaining 16,200 into the ground opposite the present Ford Mill in Tecumseh.

Desiring not only to prove the truth of a verse of scripture, and the benefits of tithing, and to produce a good wheat crop, Perry Hayden, president of the local milling firm felt it would be interesting to harvest the wheat crop from year to year in a manner typical of the progress made in wheat harvesing.

Consequently the services of old time cradlers was invited. Those who actually cut the wheat by cradle were Harmon Russ of Adrian, aged 92 years, Emmet McCoolum of Clinton, Francis Stone of Tecumseh, and C. D. Finkbeiner, of Saline.

Others who had cradled wheat in the past and were on hand to offer their services had there been enough old fashioned wheat cradles to go around were: A. Gilbert Beevers, D. L. Burleson, R. W. Mead, Charles Beevers, John Hanna, Wm. H. Powell, of Tecumseh; J. W. Friedly of Jasper; Charles S. Foote, Harvey Hindes of Ridgeway; Earnest H. Oliver of Britton, and Wm, Kurth ,of Blissfield.

So interested was the Michigan State College that they sent to the scene of the crudling E. B. Swingle, to take photos, and to write up the event.

Mr. Hayden stated that the yield of the 1942 crop would not be known until it was threshed by special machine at Michigan State College.

"Please send me 10c worth of electricity—today"

IF YOU had to order your day's supply of electricity fresh every morning, you'd appreciate even more how *little* it costs and how *much* it does for you.

Actually, about two-thirds of all American families light their homes and run radios, cleaners, toasters, percolators, clocks and washers for *a dime a day — or less!*

What's more, that dime buys just about *twice as much electricity* for the average family as it did 10 to 15 years ago!

These bargains don't just happen. They come from the electric industry's constant effort to give you good service at low rates. *They are made possible by practical, efficient business management.*

That's the American way — and it works!

It works so well that even though America is pouring record-breaking amounts of electric power into the world's greatest production of planes, tanks, ships and guns — *you still get low-cost current at the flick of a switch in your home!*

U. S. Faces Task of Freeing the World, C. S. Board Holds

BOSTON, Mass.—The great task now confronting a liberated America, which more than three-quarters of a century ago fought a four-years' war to free the slaves, is to aid in working out the freedom of the whole world from slavery, the Christian Science board of directors told several thousand Christian Scientists gathered in annual meeting in Boston June 8.

Declaring that this would be the sentiment expressed by the Nation's martyred President, Abraham Lincoln, were he here today, the directors pointed out that "through the ages tyrants have endeavored to govern and control men by engendering fear," and quoting from Mary Baker Eddy's work, "Miscellany" (p. 191), they further say, "Persecution is the weakness of tyrants engendered by their fear, and love will cast it out."

The directors' statement was the high light of the annual meeting of the mother church, the First Church of Christ, Scientist, in Boston, which annually draws thousands of visitors from all parts of the world. This year, however, the audience was more localized due to unprecedented world conditions that keynoted most of the reports to the meeting. The directors emphasized the world-wide emergency as presaging a more universal turning to spiritual enlightenment as the pathway to future world peace.

Meeting in their mother church under the world-developing shadow of what is probably the gravest threat to political and religious freedom since the advent of Christianity, the visitors were reminded in a report by the board of lectureship that the union of Britain and America was foreseen 44 years ago by Mary Baker Eddy as the instrument through which the rights of free peoples everywhere might be permanently established and protected.

This welding together of the two great democracies, under the impact of an international crisis, said the lecture board, is the consummation of the fond hopes of all Christian Scientists.

The directors also announced the election of Mrs. Elisabeth F. Norwood of Brookline, Mass., as president of the mother church for the ensuing year. The chief duty of the president is to preside at the annual meeting.

The new president is the daughter of Isaac Paul Gragg, who served throughout the Civil War and was given the rank of captain by brevet for gallant and meritorious services. Her mother, Mrs. Eldora G. Gragg, C.S.D., was one of 12 students of Mrs. Eddy's chosen by her to form the mother church. She was also the first woman reader in the church.

To the incoming president the times appeared to constitute a challenge to Christian Scientists to face unflinchingly "a duty beyond anything they have ever before been called upon to face." Yet in the face of this duty, she said, there is the authority of the Bible that "the Lord's hand is not shortened that it cannot save" and that "Christ's Christianity will free mankind from the bondage in which it is being held."

With this comforting assurance, the incoming president appraised world conditions in the light of another Red Sea of human doubts and fears through which mankind must be guided to higher spiritual ground by the power of divine intelligence. It is true, she said, that it seems necessary in the present-day conflict to resort to human means and methods against evil aggressors, yet the march forward can be taken safely and with confidence by putting on the breastplate of righteousness, the armor of God.

John Randall Dunn, retiring president, also referred to the times as an opportunity to prove that "the healing Christ is here, and that the light of truth not only banishes the darkness of disease and sin, but can nullify all the hypnotic suggestions of the carnal mind, which seem to be working such mischief among the sons of men."

The report of the board of lectureship, read by Gavin W. Allan, referred to the recent tatement of Winston Churchill, prime minister of Great Britain, "Never in the field of human conflict was so much owed by so many to so few," as a perfect phrasing. But lifting this phrasing out of the setting of war, the board felt that it could aptly apply to Mrs. Eddy and her small group of followers who, a half-century or more ago, worked for the establishment of a vision that sought to bless all mankind.

Today the board found that the establishment of Christian Science in some countries was being limited by the dictators, that some churches and institutions were being closed and confiscated. "But wherever multitudes of plain people in ordinary, everyday living cherish and practice the truths of their religion," the board said, "its resurrection is assured."

The frequent reports of increasing wartime interest in religion as the streams of in dependence upon material systems run low mere accentuated by the announcement of the trustees of the Christian Science Publishing Society that the sales of Bibles this year "are the largest in the history of the society." Increased circulation of the Christian Science Journal, Sentinel and Monitor was also reported for the last 12 months. Literature of the society was said still to be going to many parts of the world, arriving sometimes on delayed schedules, but nevertheless reaching Switzerland, Spain, unoccupied France, Portugal, the British Isles South America, New Zealand, Ceylon and India.

The report of the treasurer for the fiscal year ending April 30, 1942 showed that the finances of the mother church were in sound condition, that aside from current bills and accrued taxes there was no indebtedness.

Other reports made to the meeting stressed the theme of greater opportunity in the emergency to base the future peace of the world upon a higher platform of human rights, one dictated by recourse to divine rather than to human intelligence.

OFFICIAL U. S. TREASURY WAR BOND QUOTAS FOR JULY

The above map of Michigan shows the War Bond quotas, by counties, for the month of July, 1942. Total War Bond quota for the state is $39,466,000. With the National quota total placed at a billion dollars, the nation goes into high gear in its support of the War financing and to give our fighting forces adequate implements of war which will bring ultimate Victory. American Soldiers, Sailors, Marines and Airmen are on every front. They are giving 100 percent for their country. What are we doing here on the home front? Are we lending at least ten percent of income to help them? It's very little. But to fight this war successfully our country needs a billion dollars in War Bonds every month from us—the People. Let's Go, America.

NOTICE

At a regular Meeting of the Common Council of the Village of Tecumseh, held on the 15th day of June, A. D. 1942:

The following resolution was offered by Trustee VanVleet, and supported by Trustee Smith:

WHEREAS, Henry Ford and Clara J. Ford have petitioned this Council for the vacation, discontinuance and abandoning of that part of Eastern Street in the Village of Tecumseh, Michigan, from the northerly line of Chicago Street Street, subject to the rights of said Village to maintain, repair, renew and enlarge the water pipes now in said part of Eastern Street and subject to the rights of the owners of the electric plant now located on the Globe Mill Pond;

THEREFORE, BE IT RESOLVED That this Common Council of the Village of Tecumseh, County of Lenawee and State of Michigan, now in regular session, does hereby declare it advisable and a public necessity that that part of Eastern Street from the northerly line of Chicago Street to the southerly line of East Logan Street be vacated, discontinued and abandoned, subject to the rights of the Village to maintain, repair, renew and enlarge the water pipes now in said part of Eastern Street and subject also to the rights of the owner or owners of the electric power plant now located on the Globe Mill Pond; that this Common Council will meet at the Council Building in said Village of Tecumseh at 7:30 P. M. on the 20th day of July, A. D. 1942, to hear objections, if any, to such action in the vacation of such street, and that the Clerk of said Village is hereby directed to give notice of such meeting, containing a copy of this resolution by publication of the same in the Tecumseh Herald, a newspaper published in said village, once each week hereafter and until said 20th day of July A. D. 1942.

Moved and supported that resolution be adopted.

Aye: Van Vleet, Turnbull, Winter, Truesdale, Smith. Nays: None. Motion carried.

WADE L. JONES,
Village Clerk.

NOTICE

An Ordinance Prohibiting the Use of Bicycles on the Sidewalks within the Fire Limits of the Village of Tecumseh and Regulating the Use of the Same in the Public Streets and Highways in said Village, and Providing Penalties for Violations of this Ordinance.

The Village of Tecumseh ordains:

Section 1. It shall be unlawful for any person or persons to ride any bicycle upon the sidewalks on North and South Ottawa Streets, North and South Evans Streets and North and South Pearl Streets, between the north line of Logan Street and the south line of Pottawatamie Street; and it shall also be unlawful for any person or persons to ride any bicycle upon the sidewalks on the East and West Logan Streets, East and West Chicago Boulevards and East and West Pottawatamie Streets, between the east line of Ottawa Street and the west line of Pearl Street, in the Village of Tecumseh, Michigan.

Section 2. Whenever any person or persons riding a bicycle on any sidewalk in said Village, other than those designated in Section 1 hereof, shall meet or overtake a pedestrian or pedestrians, the rider of such bicycle shall at all times yield the right-of-way to such pedestrian or pedestrians.

Section 3. Any person or persons riding a bicycle upon the public street or highways of said Village during the period from one-half hour after sunset to one-half hour before sunrise, and at any other time when there is not sufficient light to render clearly discernible any person on the highway at a distance of five hundred feet ahead, shall have such bicycle equipped with a lighted white lamp on the front thereof, visible under normal atmospheric conditions from a distance of at least three hundred (300) feet in front of such bicycle, and shall also have such bicycle equipped with a reflex mirror reflector or lamp on the rear exhibiting a red light visible under like conditions from a distance of at least two hundred (200) feet to the rear of such bicycle.

Section 4. Any person violating the provisions of this ordinance shall, upon conviction thereof, be punished by a fine of Two and No 100 ($2.00) Dollars and costs of prosecution, or by imprisonment in the County Jail for not more than five (5) days, or by both such fine and imprisonment in the discretion of the Court.

This ordinance being deemed necessary for the public safety, it is ordered that it be given immediate effect upon the first publication thereof.

Motion made by Truesdale, supported by Marshall, that above Ordinance be adopted. Ayes: Van Vleet, Turnbull, Winter, Truesdale, Marshall, Smith. Motion carried.

J. FLOYD ELLIOTT,
President.

Good Neighbor Day Is Planned

ROTARY TO SPONSOR DAY AT PAGEANT; VANCE OGDEN SPEAKER ON TUESDAY

A "Good Neighbor Day," the second day of the Tecumseh Echoes Pageant here, July 30, was given formal approval by the Rotary club here Tuesday, and the program on that day will be in charge of C. M. Brown for the club. The opening day of the pageant will be "Patriots' Day," the third day, a "Sports Day," and the final day, a "Homecoming Day."

"I don't know just what the committee has in mind for the Rotary sponsored day," Wade L. Jones, secretary of the club, said, "but I do know that the members are working hard on the program. Rotary clubs from all over the southern part of the state will be invited. There probably will be a milking contest for the mayors of the several cities and towns and other novel stunts."

The club went on record as sponsoring Ruth Schneider as its candidate in the Pageant's "Princess Lenawee" contest.

Vance Ogden, assistant treasurer of the Tecumseh Products Company, was the guest speaker at the regular noon-day luncheon here Tuesday, at Brees House. Guests included the Rev. Fr. John Ross of Clinton.

Mr. Ogden spoke on the subject of war damage insurance, authorized by the government since last June 2. He explained that the ordinary insurance policies, either fire, wind or extended coverage, fail to protect property owners in the event of damage and loss through war activities.

"The war damage insurance picks up where the regular insurance ends, as we have come to know it, ernment has authorized its issuance, at a very nominal cost."

Mr. Ogden declared that few people bother to read insurance policies and to learn just what protection is guaranteed by the companies. He warned that with a war in progress, insurance companies have been granted certain relief from existing policies.

The war risk insurance is guaranteed by the federal government and the premium is paid to the government through the insurance agency.

Fire Siren Not Loud Enough to Warn of "Raids"

COOPERATION IN TUESDAY'S SURPRISE BLACKOUT "FINE" WHERE WHHISTLE WAS HEARD

Tuesday evening's surprise blackout— at 10:15 p. m. was "fine" and everyone who heard the sound of the fire whistle co., operated 100 percent, but the whistle is not sufficiently loud to warn residents in all parts of the village, E. C. Heilman, Civilian Defense Director here, declared today.

"I have taken the matter up with the council, and I don't know just what can be done about it," was Mr. Heilman's comment. It's difficult right now, due to the war, to buy sirens, but we are investigating."

Tuesday's blackout, unlike the one 10 days previous, was a surprise affair, and Mr. Heilman declared that reports of block wardens showed that in all sections where the whistle was heard there was complete cooperation. In some of te remote sections, however, the whistle was not sufficiently loud to warn residents, and they did not know that "lights out" were in order.

Mr. Heilman said that for practice purposes two ambulances runs were made, that two girl "victims" where picked up and given first aid, and that the fire department answered a call to the park across from the high school were a magnesim fire was in progress.

"The fire department soon took care of the fire, and the first aid workers, under the direction of Dr. P. B. Hardy, where on the job," Heilman said. The blackout was all that could be asked, except for the weakness of the siren."

Heilman also said that in a few instances block raid wardens were absent from their homes, and residents expected to see them on the job.

"This is something in the problem that we must overcome. We need more wardens. I wish that people who could act as assistant wardens, and who would take charge when the regular wardens are absent, would leave their names with me or with Paul Johnson," Heilman said.

The Defense Director also declared that another blackout would be staged here "before long" to further test the public's cooperation, nd to put into practice other defense features that have been worked out.

MRS. T. F. BABCOX DIES WAS FORMER PRESIDENT

Word has been received here of the death of Mrs. T F. Babcox, a former resident of Tecumseh, which occurred Thursday, July 16, after an illness of many years. Her condition became critical June 14 and she was removed to St. Mary's hospital in DeKalb, Ill., where her death occurred.

Mrs. Babcox was formerly Mary Ida Smith, the daughter of Mr. and Mrs. Alfred Smith, and was born August 3, 1889 in Crawford County, Illinois. Her father died when she was but three months old. On August 28, 1914 she was married to Mr. Babcox at Waukegan, Ill., where they established their first home and lived until 1928. At that time they moved to Tecumseh, where Mr. Babcox was superintendent of the Cyclone Fence Co. until 1930, when they moved to DeKalb, Ill., where they have since resided.

Besides her husband she leaves one son Theodoret F. Jr., a daughter Marian Louise and a grandson all of DeKalb, also her aged mother, one brother and a host of friends.

The funeral services were held in DeKalb, Saturday, July 18. Rev. E. W. Magnusson of the First burial was at Waukegan.

The Rebekah Post Noble Grand Club was entertained by Mrs. Martha Nye last Wednesday at a picnic at the cottage of her daughter Mrs. Wilma Dowell at Devils Lake.

Business Men Vote For Indian Costumes

At a meeting of the business men of Tecumseh on Tuesday, it was decided that Indian costumes would replace business clothes until after the pageant. Many novel costumes already have made their appearance on the streets. It has been predicted that feathers and buckskin jackets will be the accepted mode for the well-dressed business man until August 1.

Pageant Chairman, C. O. Butler has issued an appeal to all Tecumseh residents urging them to wear any Indian or frontier regalia that they might have during the pageant week. Headbands, with gayly colored feathers have just arrived and are on sale at several local stores and at the Pageant Headquarters. These will be sold at a nominal price, 15 cents each or two for 25 cents. A few hundred of the Indian headpieces are still available.

Appeal Made for Curios

Also, an appeal has been made by E. M. Campbell, in charge of street decorations, for the loan of old curios of Indian or Pioneer origin to assist in window decorations. Anyone having such items and willing to loan them for pageant week should communicate with Mr. Campbell who will see that they are appropriately displayed and safely returned to the owner after the celebration.

Old Records Drive Launched

SCRAP TO BE SOLD AND RECORDS AND PHONOGRAPH BOUGHT FOR SOLDIERS....

Underwood—Orr post, American Legion Legion and auxiliary are locally sponsoring a salvage drive for old phonograph records, in conjunction with the nation-wide drive, which began July 17 and will continue through August 2.

Purpose of the campaign is to collect a quota of 3450 records in this community as a part of the nationwide campaign for 37,500,000 records, which will be collected by the American Legion and sold for their scrap value. The proceeds will be used to purchase new records and phonograph players for every camp, base, post and station where Americans are in uniform throughout the world.

Post Commander Lyman Curtis announces that barrels will be placed near the following business places; the Ford garage, Wright drug store, C. F. Smith store and at the stairway entrance to the Legion hall. If not convenient to bring them to these stations, call 471 or 151 and they will be picked up.

FUNERAL SERVICES HELD FOR MRS. TESSMAN

Mrs. Bertha Tessman, a former resident of Tecumseh, died Friday at the home of her brother William Peotter in Blissfield after several weeks illness. Mrs. Tessman who was nearly 70 years of age, was born in Germany August 11, 1872, and came to the United States with her parents when four years of age. She spent most of her life in Tecumseh and had been a semi-invalid for many years. Her husband Fred Tessman, died in 1931 and since that time she had made her home with her brother in Blissfield.

She leaves three brothers Charles Peotter of Tecumseh, John Peotter of Riga, and William Peotter of Blissfield, and several neices and nephews.

Funeral services were held Monday afternoon at the brother's home in Blissfield, Rev. Edward Escolme officiated and burial was made in Brookside cemetery here.

TurnBulls Renew Marriage Vows at Golden Wedding Celebration

Surrounded by their immediate family and more than 100 of their friends, Mr. and Mrs. B. B. TurnBull celebrated their golden wedding anniversary on Sunday at the Hayes Hotel, Jackson, at a reception and dinner-dance given by Mr. and Mrs. Ray W. Herrick. The affair was a surprise for Mrs. TurnBull.

Friends of the TurnBulls gathered on the mezzanine floor of the Hayes soon after 5 o'clock Sunday and after signing a leather-bound, gold embossed register, spent an hour socially awaiting the arrival of the honored guests. Some 15 minutes before the arrival of Mr. and Mrs. TurnBull their daughter, Mrs. Gordon Merchant, of Piedmont, Calif., joined the party, and it was a double surprise for Mrs. TurnBull when she entered the room and was greeted by Mrs. Merchant.

A four course dinner was served at beautifully appointed small tables in the ball room of the Hayes, during which time there was appropriate organ music, including a number of old-time tunes, which were sung by the diners. Immediately in front of the table of honor was a golden tree, decorated with fifty silver dollars wrapped in gold foil. This was presented to the honored guests on behalf of the assembly by Circuit Judge G. Arthur Rathbun, who spoke briefly. Mr. Herrick presented Mr. and Mrs. TurnBull with gold watches. A huge wedding cake, sufficient in size to serve all of the diners, was cut by Mrs. TurnBull.

The dinner program ended with remarks by the honored guests and a fiftieth wedding ceremony, performed by the Rev. E. Thomas Redda, rector of St. Peter's Episcopal Church, Tecumseh, before an improvised altar. Mr. and Mrs. Herrick acted as attendants. After vows had been renewed the "fifty year weds" were showered with rice.

Mr. and Mrs. TurnBull and Mr. and Mrs. Herrick led the grand march that opened the dancing following the dinner.

Crowd of 25,000 is Expected During Four-Day Celebration

Governor Murray D. Van Wagoner has accepted an invitation to open the "Tecumseh Echoes Pageant," according to advices received by the Pageant committee. The Governor is scheduled to arrive during the afternoon of July 29, and participate in the opening festivities of "Patriot's Day." He will address the pageant crowd at 5 p. m., at the pageant grounds.

The events of "Patriot's Day" will start at 2 p. m. with a band concert by the Tecumseh High School Band. This will be followed by a dedication to the principles of Americanism by the Rev. Fr. John Ross of Clinton. Raising of the flag and mass pledge of allegiance by Frank Kessle of Adrian.

A feature of the afternoon's entertainment will be a display of jeeps, anti-aircraft guns, drill by the state troops, and, weather permitting, a flight of army bombers. Following the talk by the Governor it is planned to have an address by one of the heroes of either Pearl Harbor or Midway Island.

Coronation of "Princess Lenawee"

The first enactment of the pageant, starting at 8:30 p. m., will feature the coronation of "Princess Lenawee" and her retinue of nine girls chosen by the popularity contest which closes on July 27. The committee chosen for this honor is made up of the Hon. Floyd Elliott, mayor, Ray W. Herrick and F. C. Hanna, ticket chairman. The princess will hold court on each of the succeeding days.

Rehearsals Are Underway

Over 400 people are being rehearsed for some part in the mammoth pageant-spectacle and a chorus of 100 trained for the musical numbers. Both the Girl Scouts and the Boy Scouts, with the Red, White, and Blue Girls figure in the prologue. A color guard from the Underwood-Orr Post will present the colors in this episode. The charicter of the Shawnee chieftain, Tecumseh, is to be played by Robert Moore Jr. Mr. Moore is enacting the same role that he played in the pageant presented in 1924. F. C. Dickinson, sr., has the role of the Pottawattomie chief, with Silas Kring as the medicine man. Louis Pontiac, a full blooded Indian now living in Tecumseh, will also take part in this scene.

L. P. Williamson and Mrs. Williamson will enact the parts of Mr. and Mrs. Musgrove Evans, early pioneers. The Quaker church episode which will depict the manner in which the Friends aided in the Underground Railway will be played by members of the Friends church in Tecumseh. Miss Lenore Larsen, popular and talented dancer, is to be the solo "Spirit of the Sun" ballet dancer in the lovely Beauty and Fertility Ballet. Over 24 other girls will work in this ballet with Miss Larsen and will tell the story of the Michigan wheat and corn fields.

The last quarter of the performance will be devoted to the Tecumseh of today. Home nursing units, air raid wardens, defense workers, and the Navy "E" Banner will figure in these scenes along with the U. S. A. Girls, the Victory Vegetables Girls, and the flags of the 28 United Nations.

Field Stage Being Efected

The field stage, 90 feet wide and 110 feet long, is nearing completion. This will be backed by some 238 feet of special scenery. A sound system, one of the most extensive ever installed in Lenawee county, will carry the voices of the chorus and the three narrators, as well as a background of recorded symphonic music, to the most remote part of the pageant field. The entire stage will be brilliantly lighted by large Kleig and flood lights.

During the sequences, covered wagons, yokes of oxen, sulkys, carriages, horseless carriages, tandem and high wheeled bicycles all will lend an air of authenticity.

The ballets and other dances will include Virginia reels, square dances, bajlets, Sir Rogerly de Coverlys, and other old time dances. Many exciting exhibitions of figure work and drilling will be a part of the pageant, too.

"Good Neighbor Day"

Thursday has been set aside as "Good Neighbor Day." A feature of this day is the Kiddies Pet Parade. Entries should be made at once on the coupon appearing elsewhere in this issue. Fifteen prizes in all, totaling $17.50, will be awarded to the winners and runners up in each of the five classes. This event is under the management of Clyde Barber and entries should be addressed to him in care of the Celebration Headquarters.

The highlight of the afternoon will be a mayor's milking contest. Mayor Elliott has issued a challenge to the mayors of all of the surrounding towns. Each mayor has been urged to bring his own rooting section. The contest is in charge of William Britton, D. V. S.

Other events scheduled for that day include a baseball game between Tecumseh Rotary and Adrian Rotary, and a water fight.

Friday Will Be Sports Day

Friday has been set aside as Sports Day. The schedule, starting at 2:30 p. m., includes running races for boys, girls, and women, scooter races, three-legged races, sack and potato races, and archery contests. At 4 p. m., a pie eating contest, apple eating contest, and cracker and whistling contest will be enjoyed by the spectators.

A soft ball game between the crack Tecumseh Products team and the equally proficient Manchester nine, will be one of the features of the late afternoon. Something new and unusual in store for the Sport's Day fans, will be a coon hunt. This is to be made just before the opening of the pageant and will start at approximately 7:30 p. m.

Saturday Is Homecoming

The final day of the celebration has been set aside as homecoming. During the afternoon there will be a parade with Fay Whelan in charge. Several elaborate floats have been constructed for the occasion.

The afternoon will feature an old-time fiddlers contest. A prize worth $5 in merchandise will be awarded for this event. Entries should be made at the pageant headquarters. Following the contest there will be exhibition square dancing. Several people have indicated that they will organize their own groups for the dancing and callers will be invited to get in touch with Wm. Wright.

The old grads of Tecumseh high school will be introduced by President Wm. Wright of the Alumni association.

Another feature attraction of the afternoon is a hog calling contest. Entries should be made at pageant headquarters. A merchandise prize worth $5 will be awarded to the winner.

Each day, during the celebration, band concerts will be held in the afternoon and tours of points of historical interest will be conducted. For those interested in the tours, guides will be stationed at pageant headquarters.

Joyland Midway

As a further attraction, the Joyland Midway will be open each afternoon and evening except during the actual time of the pageant. This includes five rides, merry-go-rounds, ferris wheels, etc., and more than twenty other entertaining concessions. There will be approximately twenty cages of wild animals on the midway and several other free attractions.

Princess Contest Is Nearing Close

The question of who's to be "Princess Lenawee" in the Tecumseh Echoes Popularity Contest will be finally decided on Monday, July 27. The contest officially closes at 6:00 p. m., that evening and all ticket stubs and bonus vote coupons must be deposited in the ballot boxes before that time.

After a preliminary and tentative checkup of ballots deposited to date it is clear that more than eight girls are "bunched together" within 2,000 votes of leadership. After these eight, there is a drop of some 4,000 votes and the remaining girls, with the exception of one or two stragglers, are included in that group. As expected, the greater majority of the work in the contest will be done this week, and the girl that puts forth the greatest amount of effort will undoubtedly win the coveted title.

Arrangements have been completed with 10 local merchants donating the prize awards. "Princess Lenawee" will be given a dress by the Palman Department Store, the runner-up will be presented with a comb, brush, and mirror set by Wehr's Drug Store, and the following merchants are presenting prizes for the eight girls finishing next in line: Fulver's Drug Store, Anderson's Grocery, DesErmia's Department Store, Rosacrans Dry Goods, Gaston's Jewelry Store, George Isaacson, C. A. Wright and Son Drug Store, and Watkins' Dress Shop.

Elsewhere is printed the final bonus vote coupon of the contest. The nominating coupon printed previously credit the contestant with but 1,000 votes; only one

MUSICIANS BAN RECORDS

The American Federation of Musicians has informed record manufacturers that after July 31st, none of its 140,000 member will make "records, electrical transcriptions, or any other form of electrical reproductions."

The Union offers to make transcriptions for the Army Navy and other Government agencies and says that it will not object to continued production of records for home use if it could obtain an ironclad guarantee that such records would not be played on the radio or in juke boxes.

The Union says that 550 of the 800 radio stations in the United States and Canada have no live music. "They just use canned music twenty-four hours a day" and it is " a question of who survives—we or they."

The manufacturers state that they cannot legally enforce any restriction on the use of records in the hands of merchants. For some years, records designed for home use have borne a notation forbidding its use over the air, but this prohibition has little legal force. The same observation applies to regulations prohibiting the use of records in juke boxes.

The position of the Union is that 8,000 musicians could be put to work in places which now rely on juke boxes. This seems to over-look the possibility that many small places would be compelled to do without music if it became necessary to employ musicians. Moreover, the Union position seems to run against public sentiment and the desire of top-ranking bands to cash in on the popularity of their recordings.

BABIES AND BATTLES

The attention of the world is now centered upon battles being fought. We are concerned with the outcome of campaigns. We wonder what gains the enemy may make how long his warriors will advance and what effect the struggle will have upon us in the years to come.

Little attention, it seems, is given to the babies that arrive in the world during the midst of the conflict. While delighted parents greet the advent of their offspring society, as a whole, ignores the thousands of blessed events which guarantee the survival of the human race.

Frank Boreham, who wrote about another crisis in history, said: "A century and a half ago, men were following with bated breath the march of Napoleon and waiting with feverish impatience for the latest news of the war and all the while in their own homes, babies were being born."

"In one year, lying midway between Trafalgar and Waterloo, there stole into the world a host of heroes! During the one year, 1809, William Gladstone was born at Liverpool. Alfred Tennyson at Somersby, and Oliver Wendell Holmes made his first appearance in Massachusetts. On the very self-same day of that year, Charles Darwin made his debut at Shrewsbury and Abraham Lincoln drew his first breath in Old Kentucky. Music was enriched by the advent of Frederick Chopin at Warsaw and Felix Mendelssohn at Hamberg.

"But nobody thought of babies. Yet viewing them through a perspective which the existence of a hundred and fifty years enables us to command, we may well ask ourselves, which of the battles of 1809 matter more than the babies of 1809?"

NAVAL RESERVE LOWERS PHYSICAL REQUIREMENTS

Drastic reductions in physical requirements for vision and teeth in the U. S. Naval Reserve were announced by Lieut, Byron E. Flechtner, officer in charge of Navy recruiting for this area.

The reductions in standards apply to most classes of the Naval Reserve except Naval aviation and classes leading to officers' training for college men.

Now, men between 17 and 50 years old who have at least 6-20 vision in the weaker eye and 15-20 binocular vision in both, without glasses, can meet the Naval Reserve's vision standards. Heretofore, a minimum of 15-20 was set for a single eye.

Word received by Lieutenant Flechtner from the recruiting inspector of the Navy's central division stated that "natural teeth or suitable prosthetic replacements for biting and eating" would meet new requirements.

Lieutenant Flechtner urged men who have been rejected in the past for enlistment in the Naval Reserve because of vision or teeth to reapply at their nearest Navy Recruiting Station. The Jackson recruiting station is located at Room 209, New Postoffice Building.

"Please send me 10c worth of electricity—today"

IF YOU had to order your day's supply of electricity fresh every morning, you'd appreciate even more how *little* it costs and how *much* it does for you.

Actually, about two-thirds of all American families light their homes and run radios, cleaners, toasters, percolators, clocks and washers for *a dime a day — or less!*

What's more, that dime buys just about *twice as much electricity* for the average family as it did 10 to 15 years ago!

These bargains don't just happen. They come from the electric industry's constant effort to give you good service at low rates. *They are made possible by practical, efficient business management.*

That's the American way — and it works!

It works so well that even though America is pouring record-breaking amounts of electric power into the world's greatest production of planes, tanks, ships and guns — *you still get low-cost current at the flick of a switch in your home!*

PRESBYTERIAN CHURCH

10:30 a. m. Preaching service
Rev. D. B. Carmichael, Pastor

11:45 a. m. Sunday School. Elmer Chapman, Supt. classes for all ages.

The young people of the church will have charge of the choir next Sunday morning.

The annual Sunday School picnic will be held at Island Park, Adrian, on Thursday, July 30th with a pot-luck dinner at noon.

Mr. and Mrs. Arthur Lewis celebrated their 25th wedding anniversary on Tuesday evening with Open House. Eighty friends and relatives called to extend congratulations. The rooms were decorated for the occasion with garden flowers. The table was centered with a 4 layer cake, beautifully decorated, and each guest was served cake and ice cream. Mrs. Grover Dart had charge of the refreshments and Harold and Mary Lou Ruhl, Jane and Max Gritzmaker, and Leon Lewis served. Mr. and Mrs. Lewis received many cards and gifts of flowers. Guests were present from Monroe, Deerfield, Blissford, Tipton, Britton and Holloway.

The Fairbarks reunion was held at the school-house in District No. 3 on Sunday with 45 in attendance. New officers were elected as follows: President, Clarence Sharp of Adrian; Vice President, Myrlen Fairbanks; Secretary, Miss Florence Wotring, of Toledo, Ohio; Treasurer, Douglas Fairbanks, of Britton. A pot luck dinner and social time were enjoyed.

Mr. and Mrs. John Calhoun and son, Leslie, entertained at a family gathering in their home Friday evening. The occasion was in the form of a surprise for Mr. Calhoun's sister Mrs. Jennie Baird, of Adrian, in honor of her birthday anniverary. A cooperative supper was enjoyed and served at a table placed on the lawn.

A beautifully decorated Angel Food birthday cake was a special feature and it, with ice cream, was served as dessert. The evening was spent socially. The guests were Mr. and Mrs. I. W. Calhoun, of Detroit, Miss Harriet Bahling, of Alpena, Mrs. Joseph C. Righter and children and Mrs. Jennie Baird and daughter, Miss Melba, of Adrian. Mr. and Mrs. Lyle W. "OLD TRAVELER" TELLS ROTARIANS THAT CELEBRATION IS GOOD FOR THE TOWN.....

"Financially and in every other way, pageants and kindered celebrations are good for one's town, especially if everyone gets into the spirit of the occasion,' James Welsh, "Old Traveler" for the American Automobile Association, told members of the Tecumseh Rotary Club when he spoke at the noon-day luncheon meeting, Tuesday, at Brees House.

"I am happy to know that you are having an historic and patriotic pageant," he continued. "You base your history on the Indians,, and there is no more interesting history than that of the Indians."

Mr. Welsh, who is a globe trotter and recognized authority on travel, also an author, is a member of two Indian tribes by adoption. He declared that he intended to attend the pageant here, and, "what's more," he said, "I'll do all that I can to help you advertise it. I'm for you people in Tecumseh, I hope that you'll make your pageant an annual affair."

NOTICE

An Ordinance Prohibiting the Use of Bicycles on the Sidewalks within the Fire Limits of the Village of Tecumseh and Regulating the Use of the Same in the Public Streets and Highways in said Village, and Providing Penalties for Violations of this Ordinance.

The Village of Tecumseh ordains:

Section 1. It shall be unlawful for any person or persons to ride any bicycle upon the sidewalks on North and South Ottawa Streets, North and South Evans Streets and North and South Pearl Streets, between the north line of Logan Street and the south line of Pottawatamie Street; and it shall also be unlawful for any person or persons to ride any bicycle upon the sidewalks on the East and West Logan Streets, East and West Chicago Boulevards and East and West Pottawatamie Streets, between the east line of Ottawa Street and the west line of Pearl Street, in the Village of Tecumseh, Michigan.

Section 2. Whenever any person or persons riding a bicycle on any sidewalk in said Village, other than those designated in Section 1 hereof, shall meet or overtake a pedestrian or pedestrians, the rider of such bicycle shall at all times yield the right-of-way to such pedestrian or pedestrians.

Section 3. Any person or persons riding a bicycle upon the public street or highways of said Village during the period from one-half hour after sunset to one-half hour before sunrise, and at any other time when there is not sufficient light to render clearly discernible any person on the highway at a distance of five hundred feet ahead, shall have such bicycle equipped with a lighted white lamp on the front thereof, visible under normal atmospheric conditions from a distance of at least three hundred (300) feet in front of such bicycle, and shall also have such bicycle equipped with a reflex mirror reflector or lamp on the rear exhibiting a red light visible under like conditions from a distance of at least two hundred (200) feet to the rear of such bicycle.

Section 4. Any person violating the provisions of this ordinance shall, upon conviction thereof, be punished by a fine of Two and No 100 ($2.00) Dollars and costs of prosecution, or by imprisonment in the County Jail for not more than five (5) days, or by both such fine and imprisonment in the discretion of the Court.

This ordinance being deemed necessary for the public safety, it is ordered that it be given immediate effect upon the first publication thereof.

Motion made by Truesdale, supported by Marshall, that above Ordinance be adopted. Ayes: Van Vleet, Turnbull, Winter, Truesdale, Marshall, Smith. Motion carried.

Pageant Plays To Large Crowd On Opening Day

GOVERNOR VAN WAGONER GIVES OFFICIAL SANCTION; TO PLAY THREE MORE DAYS

Declaring "Tecumseh Echoes" to be a part of this village's all-out war effort, Governor Murray D. Van Wagoner officially opened Tecumseh's historical and patriotic pageant here yesterday afternoon, and last evening, at the premier performance, the spectacle was witnessed by upwards of 2,000 persons. The pageant will be staged each evening through Saturday, at 8:30 p. m. at Recreation Center, and it is estimated that more than 15,000 people will attend the four showings.

The pageant, which depicts Lenawee county history—especially Tecumseh and the River Raisin area—for more than 100 years, is the first spectacle of its kind to be staged here since 1924, when the village observed its centennial. So realistic were the scenes in last night's show, and so well were the pageant roles enacted, that there is considerable talk of making the showing an annual affair. Last night's audience numbered visitors from many sections of Michigan and Ohio.

At the opening performance last evening, Miss Mary Jane Hayden was crowned as "Princess Lenawee," and Miss Ruth Schneider as "Miss Tecumseh," in the popularity contest that was concluded on Monday. In the Princess' court were the runners up in the contest as follows: Barbara Kerby, Clara Gillespie, Virginia Fogle, Aileen Lerch, Barbara Humble, Elva Dickinson, Jean Bartholomew and Coraleon Hunt. The Princess and her court will appear each evening at the pageant.

Governor Van Wagoner was loud in his praise of the pageant and its morale-boosting value, when he spoke yesterday afternoon. "You have not been satisfied to rest on something vague in your contributiorf to winning the present war," he declared. "I doubt that there is another town in Michigan which is so completely devoted to war work as is Tecumseh today. All your factories, your great refrigerator works, your food plants, your founderies, everything your town has in manpower, in money and production, is doing a job of importance—a job in winning the war."

The Governor then recalled that it was only a few weeks ago that he was in Tecumseh to participate in the awarding of the Navy E and the Treasury Minute Man flag to Tecumseh to Tecumseh Products Company. He declared that the Civilian Defense council here, under the direction of E. C. Heilman, is functioning smoothly and efficiently, and he plauded Ray W. Herrick, president of the Products Company, for the excellent showing he and his employees are making in the manufacture of defense materials.

"The job you in Tecumseh have done so far has been superb. I know that you will do your best tomorrow, and every day until peace with victory is ours."

While the governor spoke army bombing planes from Fort Custer and jeeps and anti-aircraft guns from the same post were in action over and at the recreation center.

Reardon Pearsol, deputy administrator of the War Savings Committee of Michigan, also appeared on the program with the governor and appealed for complete cooperation in the voluntary purchase of War Stamps and Bonds. He introduced Richard Le Claire, of Wyandotte, who recently returned from Pearl Harbor, where he was injured.

Earlier in the afternoon the Rev. Fr. John Ross addressed the pageant audience, giving a stirring patriotic speech. The pledge of aleglance was led by Frank Kessler of Adrian. W. L. Berkhof was master of ceremonies and C. O. Butler presented the governor. The flag raising was in charge of Louis Schneider and an American Legion detail.

Starting at 2 in the afternoon, each day an entertining progrm has been planned preceding the performance of Tecumseh Echoes. This afternoon, designated as "Good Neighbors Day" features the Mayor's Milking Contest. . . . Mayors from Lenawee county and Jackson have entered. The event will be held at the Recreation Center at 5:15 p. m. Following this contest, the Adrian Rotary Club will meet at Tecumseh Rotary in a game of soft-ball. Other events in the day's activities include a Kiddies Pet Parade at 2:15 and a water fight at 4:15.

Friday, Sports Day, will be highlighted by a base-ball game be-

When The Tecumseh Indians Visited Briggs Stadium

Chief Here

Governor Van Wagoner

"In some towns the echoes of the past grow fainter as time goes by. In Tecumseh, the echo has rolled on in ever increasing volume," Those were the words of Governor Murray D. Van Wagoner yesterday afternoon when he addressed several hundred people at the opening of the pageant, "Tecumseh Echoes," and participated in the ceremonies. The governor purchased the first of the War Savings Stamps sold at the Recreation Center from Jean Marie Herrick, and he drove one of the Army jeeps from Fort Custer with Princess Lenawee, Mary Jane Hayden, in the seat beside him.

"Yours in a great town," the governor was heard to remark. "I sure like to come to Tecumseh. Its a place where you do things and get them done. I'm for you, 100 per cent.

STORE WINDOWS HOLD PRICELESS ANTIQUES

Never before in the history of Tecumseh has its store windows held such priceless relics as today and during the showing of the pageant, George Washington's watch, Miles Standish rifle, old books, pottery, Indian regalia and arrow heads, dishes 150 years old, these are only a few of the things you will see on a trip through the business district.

"And they are real," one visitor was heard to remark. "I'm enjoying my trip because there's nothing but true relics, something you seldom see anywhere else in the state."

VILLAGE TAXES

I will be at United Savings Bank, Tuesdays and Fridays, beginning Friday, July 17, until further notice, for collection of village taxes.

BAPTIST PICNIC

The Baptist Union will hold a picnic Thursday evening August 6, at Adams Park. Potluck supper at 7 o'clock. Sports for everyone.

A motor caravan of Indians from Tecumseh attended a ball game at Brigg's Stadium, Detroit, last week. Thirty braves and their squaws in full regalia were in the party. They were met at Dearborn by a police escort and conducted, with sirens screaming, to the city hall where they were met by the mayor. Two tepees were set up, and the Mayor was inducted into the tribe. An official invitation was given to the mayor to attend "Tecumseh Echoes" and a challenge from Mayor J. Floyd Elliott to enter the milking contest to be held today, "Good Neighbor Day" in connection with the pageant. Sheriff Roscoe Scott, smoked the pipe of peace with the mayor while the tribe held a war dance around the tepee.

The escort then led the caravan to the Detroit city limits, where they were met by a second motorcycle escort of Detroit police, arriving at the stadium, the tepees were set up on the Michigan and Trumbull avenue, until game time.

During the game, the tribe was the center of attraction. Indian calls and the beat of the tomtoms punctuated every play. After the game, the tepees were again set up at home plate. While Sheriff Scott and Chairman C. O. Butler smoked the pipe of peace with "Dizzy" Trout, of the Detroit team, pictured above the braves put on another war dance.

STORES TO OPEN THURSDAY AFTERNOON

Clarence Gilman, president of the Chamber of Commerce, said today that the Thursday afternoon closing of stores here today had been called off, and that for the accommodation of visitors, the stores would stay open as usual. The Thursday afternoon closing will be resumed again next week, and continue during the month of August.

Canning Sugar Will Be Issued

RATIONING BOARD WILL FUNCTION HERE ON EIGHT DAYS BEGINNING AUGUST 5

The rationing of additional canning sugar, beginning on August 5, was announced today by Guy E. Nemire, executive secretary of the County Rationing Board. As in the past, the rationing officers will have offices in the Methodist church parlors, and will issue certificates between the hours of 9 a. m. and 4:30 p. m., on August 5, 6, 7, 8, and the 12th, 13th, 14th, and 15th. Similiar boards will be set up in Addison, Blissfield, Britton, Clayton, Clinton, Deerfield, Hudson, Jasper, Morenci, Onsted and Riga, as well as in Adrian.

Any member of the family over the age of 18 years may apply for the second quota of canning sugar, and register for the family unit. War Books must be presented, and the applicant must state how many quarts were canned with the allowance received in the first canning period.

"There has been a release permitting use of one pound of sugar for every four quarts of fruit to be canned," the board's order says. "This sugar must be used for fruit only and an accurate estimation of fruit to be canned should be made at the time of registration. The one pound per person allowed for jam, jellies, preserves, or pickles, is still in force providing the allowance was not made at the June registration."

Mrs. Anna Pentecost 88, Tipton Resident Dies

3 Persons Die In Car Mishaps

HILLSDALE MAN FATALLY HURT IN CRASH NEAR HERE ON SUNDAY

Leslie Beach, 47 driver of the truck involved in a fatal accident near Billington's Corners, Sunday night, in which Robert O'Brien of Milan was killed, pleaded guilty to a charge of involuntary manslaughter in circuit court at Adrian, yesterday. He was remanded to the custody of the sheriff to await sentence. The other passenger in the truck with Beach, John Glisson, 42 Adrian, was arraigned before Justice Van Dusen of Clinton on Tuesday, charged with being drunk and disorderly. He was sentenced to pay costs of $8.35 and to spend 10 week-ends in the county jail.

Three persons were killed and several other injured in traffic accidents in Lenawee county over the weekend, Robert O'Brien, aged 50 years, of Milan, was killed instantly Sunday night about 10:00 o'clock when his car was struck by a truck driven by Frank Leslie Beach of Adrian. The accident occurred about a mile and a half west of Tecumseh on M-52. Mr. O'Brien and family were returning from Hillsdale where they spent the day and were accompanied by their neice Alice Bell, daughter of Mr. and Mrs. John Bell of Hillsdale. Mr. Bell was formerly from Tecumseh. Mrs. O'Brien was unconcious when removed to Tecumseh hospital and remained in that condition for several hours. The Bell child suffered head and leg injuries and the O'Brien child was uninjured and both were released from the hospital Monday. Mr. O'Brien's body was removed to the Steven's and Bush Funeral Home in Milan.

John William Glisson, 42, and his five year old son were riding with Beach in the truck and the childs leg was broken. He was also taken to Tecumseh hospital.

Beach ran from the accident and after an all night search by sheriffs officers and state police, was found early Monday morning asleep in a ditch near Billington's Corners by Julius Frank, owner of the truck which was taken without consent on Sunday. Before the accident Beach sideswiped other cars in the village and also struck a gas pump at the Cities Service Station operated by Gale Hooton. He was arrested and taken to the County jail in Adrian.

Orvin L. Johns, aged 54 years, of Adrian, Route 3, died Sunday night at Bixby hospital in Adrian, from injuries suffered when he walked across the highway into the path of an automobile near Birdsall, Saturday afternoon. George N. Brown of Adrian, Route 2, driver of the car, said he blew his horn and Mr. Johns turned directly into the path of his car. Mr. Johns suffered four broken bones but evidently died from shock. No charges were placed against Brown and Coroner Paul Mott said there would probably be no inquest.

Mr. Johns leaves a son Floyd of Blissfield, a daughter Mrs. Claude Becker of Adrian, five brothers Ellsworth, Davis, Cassius and Ulysdas of Adrian, Pearl of Jackson and Judson of Coldwater; and a sister Mrs. Ralph Allen of Hillsdale.

Carl Clark, 45, of Fairfield, suffered fatal injuries at midnight Thursday when his automobile collided with a truck driven by Oscar Fry of Melrose Park, Ill. He died a few hours later in Bixby hospital. Mrs. Clark suffered a broken collar bone and a lacerated left arm: Mrs. Helen Sidel of Toledo head lacerations and a broken arm; Thomas Sidel of Toledo severe bruises; Mrs. Anna Martin of Oregon, Ill., sister of Mrs. Sidel, head cuts and hip injury; Thomas Sidel, Jr., minor bruises.

The accident happened at Cranes Corners on U. S. 223, one mile south east of Adrian. The truck, which was heavily laden with coffee, tipped over on its side but neither the truck or contents were damaged. The Clark car was wrecked.

EYE INJURED

Roger Van Valkenburg was severely injured Thursday when a pitchfork which he was trying to straighten broke and a prong hit him in the eye. He was taken to University hospital in Ann Arbor. The accident occurred on the Lyle Bailey farm at north Adrian.

ANNUAL PICNIC

The Westminster Junior League will hold its annual picnic Tuesday evening, August 4, at the cottage of Mrs. Mary Cummings at Sand Lake. Husbands are to be guests and all are to meet at the Presbyterian Church for transportation.

NEW MEDICAL PLAN

A new medical plan, approvtd by the Medical Society of New Jersey, provides medical and surgical service for its subscribers but allows them to choose their own physicians.

The plan offers benefits, tentatively fixed on a schedule ranging up to $106 for medical and surgical care in semi-private accommodations of any approved general hospital in New Jersey. Only specified illnesses which require hospitilization are compensable.

The subscriber it is emphasized, has "free choice" of his physician and surgical benefits are available regardless of the number of required hospital admissions in the contract year.

he plan is available in each fifty-one per cent of the licensed physicians have agreed to particlpate. More than half of the physicians in New Jersey have approved the plan, but the required proportion has been met so far in only nine of the twenty-one counties.

The individual subscriber pays seventy-five cents a month. Subscriptions covering all members of a family group, regardless of the number of children costs $2.00 a month.

How! Neighbor! Does Your Tepee Leak?

WE CAN FIX 'EM

We've never built any actual teepees—we've not been in business since the days of the Indians—but we've built scores of modern tepees that have brought happiness to hundreds of families.

And when we asked if your tepee leaks, we had in mind a roof repair job—there are hundreds of them being repaired in this area right now.

Our government, you know, permits the repair of homes and buildings, despite the war and priorities. Why not visit us today and let us estimate what a new roof would cost? We'll be glad to be of service.

LIBRARY HERE GETS $219.00 IN STATE AID

The Tecumseh Public Library has received two checks totaling $219.65 from the State Board for Libraries, according to Miss Edith L. Ingersol,, librarian. hese checks are grants from the State Aid to Public Libraries Fund.

A year ago this month Governor Murray D. Van Wagoner signed the bill which made state aid to public libraries legal in Michigan. For the year 1941—42 the legislature provideds $250,000 to improve existing libraries in the state and to develop new service.

The total allotment for grants from the General Library Fund amounts to $182,500, by far the largest proportion of the state aid monies. Remaining funds are being used to establish five new county libraries—in Iosco, Mason, Muskegon, Van Buren, and Wexford counties—and to equalize library resources in all parts of the state.

"Please send me 10c worth of electricity—today"

IF YOU had to order your day's supply of electricity fresh every morning, you'd appreciate even more how *little* it costs and how *much* it does for you.

Actually, about two-thirds of all American families light their homes and run radios, cleaners, toasters, percolators, clocks and washers for *a dime a day — or less!*

What's more, that dime buys just about *twice as much electricity* for the average family as it did 10 to 15 years ago!

These bargains don't just happen. They come from the electric industry's constant effort to give you good service at low rates. *They are made possible by practical, efficient business management.*

That's the American way — and it works!

It works so well that even though America is pouring record-breaking amounts of electric power into the world's greatest production of planes, tanks, ships and guns — *you still get low-cost current at the flick of a switch in your home!*

tween Tecumseh Products Co. and Manchester at 6:00 p. m. and the Evans Creek Coon hunt at 7:30. Other events of the day include running and obstacle races, pie eating contests and a husband calling contest.

Saturday will be Homecoming Day. Many former residents of Tecumseh have indicated that they will be present. In the early afternoon, the old timers and old grads of the high school will be registered and introduced. This will be followed at 3:30 by a hog calling contest and old time fiddler's contest. 10month street parade at 4:30 p. m. will precede the final showing of the pageant.

Prizes will be given the winners in all of the daily events.

The Joyland Midway, with five rides and more than twenty shows and concessions is open each afternoon and evening except during the pageant performance.

Chairman C. O. Butler states that Tecumseh Echoes is already assured of financial success. The advance sale of tickets was in excess of expectations and judging by the large number of gate admissions, on the opening night, many plan to attend who have not bought tickets in advance. There are plenty of good seats available for all performances and the excellent lighting and sound system assure enjoyment of the show from any part of the pageant grounds.

Mr. Butler also declared that there is already a growing sentiment in the community to make Tecumseh Echoes an annual affair.

ARTHUR BALDWIN HURT IN HARVEST ACCIDENT

Arthur I. Baldwin of Palmyra was severely injured, Friday afternoon, when he fell while attempting to get on to a combine and was run over by the machine, which was driven by his son.

Mr. Baldwin suffered a broken pelvis, several broken ribs, a broken right ankle, and injured shoulder and other injuries. He was moved to Bixby hospital, Adrian, where X-ray pictures were taken.

Mr. Baldwin is well known here.

MISS RUTH DROUILLARD WEDS RICHARD WOLLER

Miss Ruth Drouillard, daughter of Mr. and Mrs. Richard Drouillard of Holloway, and Richard C. Woller son of Mr. and Mrs. Arthur Woller of Adrian, were married Wednesday afternoon in the rectory of St. Marys Church in Adrian. The single ring ceremony was performed by the Rev. Fr. James W. Potter. The attendants were Miss Kathryn Drouillard, sister of the bride and Robert Brosamer, a cousin.

The bride wore a floor length, white rayon marquisette gown, banded in lace, with fitted bodice and short puffed sleeves, and a shoulder length veil of illusion, held by a tiara of seed pearls. Her flowers were white roses and snap dragons. Her sister also wore white and carried red and white roses.

Following the ceremony a reception was held in the Drouillard home. The table was centered with a three-tiered wedding cake, topped with a miniature bride and groom, a gift from the bride's sister Mrs. Ted Golat of Tecumseh.

Mrs. Woller graduated from Ford school in Macon in 1939 and recently has been employed in Adrian. The groom graduated from Adrian high school in 1939 and is now employed in the office of the American Chain and Cable Co. They will make their home at 515 East Hunt street, Adrian.

ANNUAL SCHOOL MEETING DISTRICT NO. 7

Tecumseh, Michigan
July 13, 1942

The meeting was called to order by the President, P. C. Satterthwaite, at 7:35 o'clock P. M.

The minutes of the last annual meeting were read and approved.

The reports of the secretary, John Larsen, and the treasurer, Earl Lindsley, were read and on motion approved.

The annual report of the librarian, Miss Edith Ingersoll, was read and ordered placed on file.

Superintendent Berkhof again presented in his annual report a detailed analysis of the activities of the Tecumseh Schools during the past year. Special emphasis was placed in the report upon the relationship of our schools to the war effort. Attention was also called to an expansion of the curriculum designed to meet, more fully, the demands for vocational training in our community.

The annual report of the Athletic Control Committee was given by Fay Whelan and approved. This report indicates that total receipts for the fiscal year amounted to $8,191.79, leaving a cash balance of $1,507.31.

Fay Whelan, chairman of the library committee appointed at the time of the previous annual meeting, in his report read excerpts from previous Board minutes indicating the method by which the library building was acquired by the school district, and the recommendation was made by the committee that, in the light of the evidence which was available, steps be taken to secure sufficient funds to operate the library properly.

The following question was then submitted to the qualified electors and voted upon. "Whether or not the total amount of taxes which may be assessed against property in the school district shall be increased for a period of 5years, 1942 to 1946 both inclusive, from the present tax limit of 1.6% of the assessed valuation of all property in the district to 1.7% for the purpose of financing the Public Library in our community."

The president appointed M. L. Dannells and Rev. Edward Escolme as tellers. Ballots were passed and a vote was taken with the following result:

Yes 37
No 9

Total 46

The president declared the question carried.

The meeting then proceeded to ballot on the question of "wheter or not the total amount of taxes which may be assessed against property in the school district shall be increased one mill beyond the limit previously voted by the electors for a period of one year, the year 1942 only, to assist in defraying the expense of the boiler and stoker installation in the Central Building."

The president again appointed M. L. Dannells and Rev. Edward Escolme as tellers. Ballots were passed and a vote was taken with the following result::

Yes 39
No 7
Void 1

Total 47

The president declared the question was carried.

The terms of offfice of Trustees John Larsen and P. C. Satterthwaite having expired the meeting proceeded to the election of two trustees to the vacancies. M. L. Dannells and Rev. Edward Escolme continued to serve as tellers and nominations were requested to fill the vacancy caused by the expiration of Mr. Larsen's term of office. The name of Mr. Larsen was placed in nomination. There being no other nominations the tellers were instructed to cast the unanimous vote of the meeting for Mr. Larsen to succeed himself as trustee of the district for the ensuing three years.

The president Mr. Satterthwaite called president pro tem Dr. Brown to the chair and a call was made for nominations to fill the vacancy caused by the expiration of the term of office of Mr. Satterthwaite. The name of Mr. Satterthwaite was placed in nomination. There being no other nominations the tellers were instructed to cast the unanimous vote of the meeting for Mr. Satterthwaite to succeed himself.

Meeting adjourned,

John Larsen, Secretary.

School District No. 7.
July 13, 1942

Ladies and Gentlemen of this school district:

Your Secretary has very little report as the reports of the Treasurer and Superintendent will cover all phases of the years operations of your schools and the Public Library.

The office of the secretary of the board is now a nominal one as the records and work formerly performed by the secretary are now carried on in the office of the Superintendent by Mrs. Helen Sager who has done a good job.

All of the records are now in the office of the school and are accessable to the District electors. We are now for the first time able to present to the Annual meeting of District No. 7, an annual report from July 1, 1941 to June 30, 1942 as rendered by the Edward W. Smith and Co., Certified Public accountants of Detroit who report as follows:

Board of Education
School District No. 7.
Tecumseh, Michigan
Gentlemen:

We have made an audit of the books and records of School District No. 7 Tecumseh, Michigan for the period July 1, 1941 to June 30, 1942, as well as an examination of all the records pertaining to other school activities.

These accounts have been examined to the extent necessary to satisfy us as to their accuracy.

All cash receipts were traced to the bank. The collection of taxes were verified with the township clerk, and the bank balances reconciled and verified by correspondence with the bank.

On November 20, 1939 the school district issued $6,000.00 of 2% bonds due in equal installments of $1,500.00, one a period of four years. There is a balance due of $4,500.00 outstanding at this time.

All insurance policies were examined by us and in our opinion the properties of the school district are adequately covered. The Treasurer is the only officer or employee under bond. His bond is for $10,000.00.

During the year your district contracted for new boilers and heating equipment in the amount of $5,225.35. This equipment has been partially installed and is approximately one half paid for. The balance being a liability of the school.

All disbursements of cash were authorized by the proper officials and supported with the proper data.

The books of the district are very well kept and in balance, and all information we desired was readily obtainable.

Respectfully submitted,
Edward W. Smith and Co.
Certified Public Accountants.

RIDGEWAY SCHOOL REPORT
Ridgeway, Michigan
July 13, 1942

The annual school meeting of School District No. 1 Fractional, Ridgeway township, Lenawee County, was held at the school building on the above date.

The meeting was called to order by the president, and the minutes of the annual meeting were read and approved.

The secretary's report was read and a motion was made and carried that the report be accepted and placed on file. The treasurer's report was read and a motion was made and carried that the report be accepted and placed on file.

There being nothing under old business, the new business of electing two trustees was taken up.

A motion was made and supported that the chair appoint two tellers for the election. Ernest Wright and Vern Thomas were appointed.

The first was the election of a trustee to succeed Michael Bachman whose term of office expired. The ballot was cast and Vern Thomas, receiving a majority of the votes cast, was declared elected trustee for a term of three years. The next was the election of a trustee to succeed Mrs. Warren Benham whose term of office expired. The ballot was cast and Mrs. Benham, receiving a majority of the votes cast, was declared elected for a term of three years.

A vote was taken as to whether to pay the primary money of high school pupils of this district who attend school in another district. The result of the vote was ten "No" and five "Yea."

A motion was made and supported to adjourn.

Albert Fliter, Sec.

THE TECUMSEH HERALD

NINETY-SECOND YEAR—NUMBER FORTY-FIVE | TECUMSEH, MICHIGAN, THURSDAY, AUG. 6, 1942 | FIVE CENTS PER COPY

Pageant Profit May Hit $2,000

SHOWED, TO MORE THAN 6,000 PEOPLE; COMMITTEE SAYS "THANKS" TO PUBLIC

The historic and patriotic pageant, "Tecumseh Echoes," which played to a four-night audience of well over 6,000 people, was declared today by those in charge of the production to have been a complete success.

"We do not know as yet just how much money we made," C. O. Butler, general chairman of the pageant committee, said today. "We still have a few bills to pay, but this much is certain, our profit will approximate $2,000. This money will be turned over to the Recreation Center, to be used in the improvement of the park.

"The executive committee of the Pageant wishes to express its thanks to all those participating in, donating to or assisting in any way in the Pageant. We feel that it has been a great success, both financially and patriotically," Mr. Butler continued. "Some $500 worth of bonds and stamps were sold during the pageant. It was a good clean show full of patriotic effort, entertainment and education. We know we made some mistakes, perhaps someone should have been given a different part or a different committee appointment. Perhaps there have been some injustices. For these mistakes we beg your indulgence and assure you that they were not intentional. We learned a lot in staging this first pageant and should you, Mr. or Mrs. Tecumseh, wish to carry on this celebration annually, these mistakes will be of great benefit. When completed, our books will be be open for your inspection and we welcome your criticism.

"There were too many people taking part in the pageant to enumerate and thank them individually. Everyone is to be congratulated in their effort to make the celebration a success."

The pageant produced by Mr. and Mrs. Leon Drew for the John B. Rogers Production Co., was officially opened last week Wednesday by Governor Murray D. Van Wagoner. Large crowds attended each evening except Thursday, when rain delayed the performance, and the delayed show was staged on Monday of this week. Carnival concessions, races, concerts and other afternoon attractions brought large crowds both to the downtown district and to the pageant grounds.

Rotary's Good Neighbor Day, Patriots' day, Sports Day and Homecoming Day each carried with them added attracions, and the Wilderness Boys from Britton, under the direction of Carl Brablec, drew considerable attention. These men, members of the National Muzzle loading Rifle Association, shoot targets with men using modern firearms, and are deadly accurate at 100 yards. Their show was unusual and interesting.

The Kiddies Pet Parade, under the direction of Clyde Barber, attracted 63 entrants and prizes were awarded in each class. The parade was one of the largest of its kind ever staged here. In the mile-long pageant parade, staged on Saturday afternoon, the float entered by the Business and Professional Women's club, won first honors. The float depicted the early photographer. Also in this parade was a float bearing Princess Lenawee and her court of honor.

Downtown Tecumseh was in gala dress for the pageant with flags and bunting. Store windows held relics almost priceless, including early glassware, old fire arms, a watch that belonged to George Washington, a gun used by Capt. Miles Standish, and display after display of Indian arrows, head-gear, etc. Visitors declared the store window displays to have been the best ever in Michigan.

Generally speaking, Tecumseh today is loud in its praise of Mr. Butler, who as general chairman of the spectacle, carried it through to a successful finish. There also were many compliments for Mr. and Mrs. Drew for their efforts in directing the pageant.

PARENTS INVITED

BRITTON "MAYOR" WINS IN MILKING CONTEST

One of the high lights in the Good Neighbors Day Program at the Tecumseh Recreation Center Thursday afternoon was the "Mayor's Milking Contest."

Jay Furman, "Mayor" of Britton was able to squeeze enough more of the lactic fluid in 30 seconds into the milk bottle placed beneath the cow, to win over Charles Tigy of Morenci, who was a close second.

Alwin Gross, Mayor of Saline was third, and Rex Crist of Blissfield came in 4th. Arthur Kerr of Clayton was 5th, and J. Floyd Elliott and Harry Lundahl, mayors of Tecumseh and Adrian, respectively, tied for having the minimum amount of extract.

The cows were Jersey's furnished by C. M. Brown, chairman of the afternoons festivities. Judges where D. L. Burleson, George Parsons, and Clarence Gilman.

A three legged milking stool, made of solid walnut, by Arthur Petty of Tecumseh was awarded to Jay Furman.

Big Religious Meet on Sunday

CANADIAN MINISTER TO ADDRESS GATHERING AT RECREATION CENTER

Rev. M. Scott Fulton, M. A. D. D. of Chatham, Ontario, Canada, will be the speaker at this week's community mass Religious Meeting, to be held at Tecumseh Recreation Center Sunday evening, August 9, at 7:30 o'clock. The Rev. Mr. Fulton was born in County Derry Ulster, Ireland, not far from the city of Londonderry. He received his arts education at Queens University, Belfast, Ireland; his education in Theology at Edinburgh University, in Scotland, and took post graduate work at Princeton University and Seminary in Princeton, N. J. He has served the ministry in Maritime Provinces, Toronto and Chatham, Ont.

Fulton and announcement of sermon hymn "Two Empires By the Sea"; Rev. Murdoch; closing hymn, "Onward Christian Soldiers"; benediction; postlude, selection by high school band. In case of rain the meeting will be held in the Presbyterian church.

ELECTRIC BILLS TO COME ON POST CARD

Your next electric bill if it is received after Monday, August 3, will be in the form of a post card.

Following the lead of utility companies in several parts of the country, Consumers Power Company is adopting post card billing as a means of saving materials, manpower, and postage.

With taxes skyrocketing , and many other items of cost increasing sharply, this is one means of effecting a minor saving," said Division Manager H. H. Koelbel. "Furthermore, experience in other parts of the country has shown that customers like the post card bill, which is simple and easier to handle than the bill enclosed in an envelope."

The post card statements are similiar in form to the statement previously in use, but some condensation has been necessary because of the smaller size. One end of the card is designed for use as a receipt when the bill is paid.

JACK HAMMEL HOME

Blackout Here on August 12th

TECUMSEH WILL JOIN WITH 41 COUNTIES IN STATE IN WAR TIME MEASURE

Months of preparation and training in civilian defense will be translated into action at 11 p. m. on Wednesday, August 12, when 41 counties in Southern Michigan douse lights simutaneously in the biggest blackout test since the war began.

E. C. Heilman, civilian defense director here, said that Tecumseh would be notified of the blackout by the blasting of the fire siren, the blowing of the Tecumseh Products Company whistle, and the sounding of fire sirens on three fire trucks. Heretofore, he said, many residents have complained that they were unable to hear the warning whistle. To avoid confusion, one fire truck will be located in the west section of the village, another in the east and a third in Brownville. All sirens will blow simultaneously.

Participating in the test with Michigan will be portions of Illnois and Wisconsin which, with Michigan, make up the Sixth Civilian Defense Region.

"This is a big assignment, but I have no doubt that we can handle it without difficulty," commented Lt. Col. Harold A. Furlong, administrator of the Michigan Council of Defense. Expressing the same confidence was Capt. Donald S. Leonard, state commander of the Citizens Defense Corps, who pointed out that to date, Michigan has staged 186 blackouts successfully, some covering large areas.

Most of the counties in the eastern portion of the area to be blacked out Aug. 12 have had one or more blackouts, and most of those in the western portion had planned such tests for nights later in the month,

Lights in all counties south of the northern boundaries of Oceana, Newaygo, Mecosta., Isabella, Midland, Bay and Huron Counties are to be observed at 11:00 p. m., eastern War Time, for 30 minutes. These counties make up the first five districts of the Michigan Citizens Defense Corps.

Regulations for the blackout are being distributed to county, municipal and civilian defense officials throughout the area. These regulations will list the exceptions to the blackout, including airway beacon and obstruction lights, railroad signals, barricade flares and the like.

CONGRATULATES TECUMSEH ON PAGEANT AND RELICS

The Herald is in receipt of a letter from Kirby L. Wilson, formerly of Tecumseh, now a commissioner of the city of River Rouge.

Mr. Kirby, who was in Tecumseh for the pageant last week, extended his congratulations to those who sponsored, participated and directed "Tecumseh Echoes" and hopes it will be continued each year. He also congratulates those who loaned relics of the "Old Days" and the merchants who displayed them. He found it indeed pleasant to reminisce with his boyhood friends.

Anyone desiring a souvenier of "Tecumseh Echoes" pageant, may obtain them at the office of the Tecumseh Herald for 15 cents each. There are still a limited number of programs available.

Adrian Rotary Downs Indians

PAGEANT GAME BETWEEN CLUBS RESULTS IN VICTORY FOR VISIOTRS

The Adrian Rotary Baseball team walked away with a victory over their neighbors in Tecumseh Recreation Center Thursday.

The game was one of the special features of "Good Neighbors Day," and was attended by hundreds of interested and amused onlookers.

Where the team manager for Arian was able to secure such a quantity of long underwear is still a question, but there was indeed uniformity in the appearance of the Adrian team as they proudly marched onto the field, led by team physician Dr. Esli Morden.

Dr. Morden's services were only needed once, when "Bill" Bailey failing to move aside rapidly enough was struck by the ball from Tecumseh's pitcher. Proper and immediate attention applied by the team doctor soon put the "injured" player on his feet.

The Tecumseh team secured a "Uniform" appearance by agreeing to remove unnecessary obstructions above the waist line, in other words they were stripped for action, and put up a good fight.

The Adrian line up was as follows: Gerity, 2nd Base, Wasink 3rd Base, Walper, short; Hoben, Catcher; Harrison, Pitcher; Coffin, Short Field; Mason, Left Field; Kelly, 1st. base; Olsen right field; Delamater, Center Field.

The Tecumseh line up at the opening was: Alex Moore, of Wayne, (District Rotary Governor), pitcher; Bagshaw, Catcher; Britton, first base; Van Winkle, 2nd base; Rodda, 3rd base; Satterthwaite, left short; Smith, right short; Hanna, Center; Comfort, right field; Nielson, left field.

Adrian was up to bat first. Gerity struck out. Wassink hit a two bagger; and was brought in by Walpers home run. Hoben then hit a one bagger, but soon rounded the bases and made the third point for Adrian. Coffin, Mason and Harrison soon brought Adrian's score to 6. Olsen, attired in coon skin hat then came to bat. Then Kelly. Another run brought the score for Adrian to 7 at the first half of the first.

Tecumseh then went to bat. Moore's fly caught in left center put him out, but Bagshaw struck a home run. Britton then hit a two bagger, and was brought in by Van-Winkle's home run. Rodda hit a two bagger. Satterthwaite's fly was caught, and Smith's fly made three outs for tecumseh. Score at end of first inning was 7 Adrian, 3 Tecumseh.

Bailey then went to bat and was the victim of a hot ball from Tecumseh's pitcher, necessitating prompt "Medical attention" by Dr. Esli Morden. Bailey then unable to regain sufficient strength, struck out. But runs made in swift succession by McPhail, Emery and Hood, soon brought up Adrian's score to 10, when Kelly's striking out, closed their half of the inning.

Tecumseh then went to bat. Hanna made a run for Tecumseh, followed by runs by Comfort and Brown, Britton and Rentschler and Satterthwaite, giving Tecumseh a score of 9 points at end of 2nd inning.

Berkhof's pitching held Adrian to no runs in the third inning, and a home run by Nixon brought Tecumseh and Adrian to a 10 to 10 score.

Harrison's run for Adrian brought the score to 11, but the speedy action of Mason in the last of the 4th inning held Tecumseh to their 10 points, thus enabling Adrian to claim the victory.

Umpires were Geo. Isaacson, and Elmer Bringman of Morenci.

TO MEET IN ADRIAN

A meeting of merchants of Adrian and Tecumseh, at the Masonic Temple in Adrian, to discuss bond and stamp sales in the county, will be held on Tuesday evening, August 11, at 7:30, according to a notice received here by Wade Jones, of the Chamber of Commerce, Mr. Jones urged that local merchants plan to attend the conference.

Miss Ruth Harding Talks To Rotarians

Miss Ruth Harding, home from Santurce, Puerto Rico, where she has spent six years teaching in a private school, was the guest speaker at the regular noon-day luncheon meeting of the Rotary club, Tuesday at Bress House

Puerto Rico biggest problem, Miss Harding believes, is to obtain sufficient food to feed its population. There is plenty of sugar and coffee because it cannot be exported, but the island is not self-sustaining, depending upon the United States for the greater part of its food.

Miss Harding told many interesting things about the island and of her trip home. She flew as far as Miami, Fla., and was forced to wait for several days for a seat in a transport. Boat travel, she declared, has almost stopped.

Clinton Folk Wed 50 Years

MR. AND MRS. LEROY ODELL CELEBRATE ANNIVERSARY

Mr. and Mrs. Leroy M. Odell of Clinton celebrated their 50th wedding anniversary Sunday at their home in that village, their children, grand-children and other relatives and friends assisting in the celebration.

The family attended the morning service at the Methodist church where the Rev. S. H. Barry spoke on "The Home, Our First Line of Defense." Janice Allen played a cello solo as the offertory. After the service Mr. and Mrs. Odell renewed their marriage vows with Mr. Barry officiating.

A three course family dinner was served at the home of Mr. and Mrs. Floyde E. Odell east of the village.

Mr. and Mrs. Odell kept open house in their home in the village from 2:30 until 5 o'clock when many friends called to offer congratulations. Mr. and Mrs. Odell were presented with many gifts.

Miss Jennie M. Blaine and Mr. Odell were married August 3, 1892, at Fairfield. The first 11 years of their married life were spent at Jasper after which they moved to Clinton where Mr. Odell has been a dairy farmer. They have six children Mrs. Emil Feldin of Everett, Wash., Harvey B. Odell of Detroit, Martin B. Odell of Clinton, Mrs. Carl DeMeritt of Flushing and Mrs. F. Reid Bailey of Adrian.

COON HUNT HONOR WON BY VIC VOZEL· DETROIT

The Evans Creek Coon Hunt, staged by Frank Buck at Recreation Center Friday afternoon was the last event of Sports Day and from the reaction of the crowd was the highlight of the day's program. It was strictly an invitational affair as that was the only way to assure a good bunch of Coonhound Field Trial dogs that would really tree before a crowd.

First prize was won by Little Bruce owned and handled by Vic Vozel of Detroit. Heads Up started by Elmer Karrick of Detroit, beat the winner to the tree but was slow barking up, Other entrys were Red Ace and Drum owned by Jerry Powell, Petersburg, Danny K and Oh Boy owned by Z. Harper Swanton, Ohio, Sailing Sally owned by D. A. Helfrich, Milan, and Crying Loud owned by Don Stuart, Milan. The trail was laid with a live coon in a bag and there was also a live coon on the final tree. Trail was about 80 rods long and crossed Evans Creek four times.

The judges were Mrs. Addie Limbert, Mrs. Alice Schneider and Mrs. Don Stuart of Milan. The prize, a double barrel 16-gauge hammerless shot gun, was donated by Bob Moore, Ned Baldwin and Don Wright.

Canning Sugar Now Available

RATIONING BOARD IN SESSION AT M. E. CHURCH; AUG. 15 IS LAST DAY

The local branch of the Lenawee County Rationing Board, in session this month for the issuance of sugar canning, is holding its meetings in the parlors of the Methodist church here. The first meeting was yesterday afternoon and the board will be in session daily through Saturday. It will meet again next week, Wednesday and hold daily sessions through Saturday, August 15, which is the final day. The offices are open between 9 a. m. and 4:30 p. m.

Any member of the family over the age of 18 years may apply for the second quota of canning sugar, and register for the family unit. War Books must be presented, and the applicant must state how many quarts were canned with the allowance received in the first canning period.

"There has been a release permitting use of one pound of sugar for every four quarts of fruit to be canned," the board's order says.

"This sugar must be used for fruit only and an accurate estimation of fruit to be canned should be made at the time of registration. The one pound per person allowed for jam, jellies, preserves, or pickles, is still in force providing the allowance was not madet at the June registration.

MISS MILDRED BROSAMER BRIDE OF JOS. SCHAEFER

Miss Mildred Brosamer, daughter of Mrs. C. L. Brosamer of Holloway and James Schaefer, son of Mr. and Mrs. H. T. Schaefer of Cambridge, O., spoke their nuptial vows before the altar of St. Alphonsus Catholic Church in Deerfield Saturday morning at 10:00 o'clock. The Rev. Fr. George H. Kerby read the double ring ceremony and celebrated the nuptial high mass. John Hentz and Gerald Roe were servers for the mass.

The bridal party approached the altar to the strains of the processional "March Nuptiale" played by Mrs. Fred King. Mrs. Ralph De Shetler sang "Ave Maria" and Mendelssohn's Wedding March was played as the recessional.

The who was given in marriage by her brother Robert Brosamer, was attended by Mary Jane Cavalier as maid of honor, Mary Jane Bierly and Betty Dietrick as bridesmaids. All were from Toledo. Alphonsus Schaefer of Canton, O., attended his brother as best man. The ushers were Leo Clauda of Adrian and Ralph Hohman of Cambridge, O.

After the ceremony a wedding breakfast was served at the Palmer House in Adrian and was followed by a reception for 60 guests in the home of the brides mother. Later the couple left on a trip and on their return will make their home in Canton, O.

NEW BUS SERVICE

Starting Monday, August 3, bus service began between Brooklyn and Tecumseh, it was announced by F. M. Temple, vice-president of Short Way Lines, Inc.

This new service will operate from Brooklyn, serving Cambridge Junction, Onsted, Springville, and Tipton, along the route to Tecumseh, where the service continues to Ypsilanti and the Willow Run Bomber Plant.

This will be welcome news to those who live at these and surrounding points, particularly those who work at the Bomber Plant. War workers will have the opportunity to save their own tires, in conjunction with the nation-wide rubber saving campaign, brought on by the present war effort. Also the gasoline rationing that is in the offing will cause no worry among those who might be wondering how they would be affected by such a plan.

The bus schedule will call for three round trips daily, and will be worked out to meet all the shifts at the Bomber Plant.

TAX DATE EXTENDED

The village council, in session here Monday evening, extended the date for payment of village taxes without penalty to September 10. The council also approved and accepted Assessors Plat No. 4 of the village, now on file with the clerk.

FARM INCOME DANGERS

It is estimated by some economists that the income of American farmers, for 1942, will closely approach the record of 1919, when farm income reached its peak figure of $14,602,000.00.

In 1919, the nation was at the inflation peak of the post war period. Farmers were enjoying unexpected incomes and land values were skyrocketing to dizzy heights. Not many years later, American agriculture was all but bankrupted by the disastrous deflation and the easy money of 1919 had largely disappeared.

In 1932, the low year of the later depression, farm income dropped to $4,743,000,000. Seven years later, it had about doubled, but this year the farmers, for the first time in many years, will enjoy an income that will buy more than they could have purchased in 1919.

Every American, familiar with the economic history of this country in the first World War, knows that American agriculture took a fearful beating. For many years, the farmer did not get his fair share of the national income, measured on a dollar basis or on a parity ratio. Other classes of workers enjoyed higher living standards than the farmer who worked harder and longer hours than industrial laborers.

It is good to see agriculture fairly prosperous and hopes that proper steps will be taken to keep agricultural income at a high level. At the same time, it is necessary to caution farmers everywhere against poisonous bait of inflation which leads many of them to measure their incomes solely by the number of dollars received. Purchasing power is a much safer guide and intelligent farmers are beginning to understand this.

While farm real estate has been in a depressive state for many years, there are indications that prices are picking up. Last year witnessed a moderate gain in the value of farm lands, but the increase was not sufficient to amount to inflationary prices. It is possible that the next few years will see another wild-cat speculation in farm lands, but farmers who know what happened in the Twenties will know what to do in the Forties.

DANGER IN WATER SPORTS

Summer brings us vacation days, with most of the people of the nation spending considerable time in the out-of-doors. Unfortunately, some of these outings result in tragedy that bring sorrow to happy families.

Many accidents are attributed to carelessness in the water. The surf attracts millions, with inevitable drownings as venturesome individuals go out too far. Inland lakes, ponds and rivers likewise claim their victims, with non-swimmers occasionally getting into deep water with fatal consequences.

Accidents take a terrible toll of life in the United States every year. It is well perhaps, to caution everybody about the dangers that lurk in waters, known as well as unknown. Parents who read this article might permit it to remind them to give a warning to their children, with emphasis upon the need of caution in the water.

There is no reason for Americans to worship at the shrine of a selfish business man who manages to wangle a fortune by oppressing the public.

We have no sympathy for the people who are spreading suspicion about Russia, Britain and China. These nations are fighting with us and they deserve our unlimited support.

Mr. Farmer!
Don't Neglect Your Buildings
WE HAVE A WAR TO WIN!
Our government has recognized the need of necessary repairs to home and farm buildings and to make such repairs possible, has removed priorities from certain materials.
Farm buildings are mighty important these days—because the farmer plays an ever-increasing role in the nation's war program. It is from the farm that the food must come to feed not only our soldiers but our civilian population as well. And the government realizes that farm buildings and equipment must be repaired for service.
Keep your buildings in repair for the duration. Don't neglect them. We will be glad to be of any assistance.

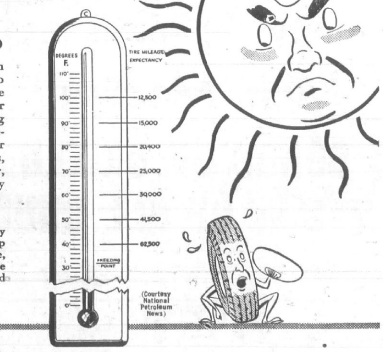
Even though SUMMER HEAT increases tire wear...



...here's what to do about it. The thermometer on the right tells a story that is vital to every motorist who wants to conserve his tires. It shows how much faster tires wear out in summer than during the rest of the year. Note that the mileage at 40 degrees is 5 times greater than at 100 degrees. At 90 degrees, the wear is over 4 times greater, and even at 60 degrees, it's nearly twice as great.

Rubber weakens under heat—wears away faster when it's hot. Your tires work up their own heat . . . the faster you drive, the higher the heat. Following are some ways to help your tires beat heat and survive summer temperatures . . .

1. Easy ways to cool off your tires . . . In summer your tires have a hard time throwing off the heat they develop in driving. Help them by reducing speeds—not just to 40 but to 30 miles per hour. This will cut tire heat *many degrees*. Reduce speed even more on curves. And, of course, avoid "jack-rabbit" starts and "on-a-dime" stops! Cool tires call for cool driving.

2. New tire-saving service by Standard Oil Dealers...Not just tire rotation—but *proper* rotation—is important. *To accomplish this,* your Standard Oil Dealer has a Tire Mileage Gauge with which he can estimate the mileage left in each tire. *Then,* by putting the weakest tire where it gets the least wear, the best tire at point of heaviest wear, etc., he can rotate your tires properly. Have him do this every 2500-5000* miles. And every week have him check every tire for proper inflation.

*Older tires should be switched every 2500 miles to get maximum mileage from the set.

WAYNE HOME RULE AND CONSTITUTIONAL CONVENTION TO APPEAR ON BALLOT

LANSING, July 16—Home rule for Wayne county (Detroit) and a state constitutional convention are two propositions which will appear on the November ballots.

The proposed reapportionment referendum failed to obtain sufficient petition signatures.

Home rule for Michigan's most metropolitan county and a state constitutional convention are two separate, distinct issues. Yet they will be inevitably linked together in the public mind because each seeks to accomplish the same thing: Reform of local government. The Wayne county amendment to the state constitution would effect governmental reforms for Wayne county, with the permission of the rest of the state. The constitutional convention would tackle the same need on a state basis.

* * *

You can't talk about reform in government without stirring up the old, old urban vs. rural controversy.

And there are signs at hand that rural interests, as represented by the farmers and small town residents, are downright suspicious about any announced plans to streamline their own home-rule.

The rural viewpoint was stated this month by Stanley M. Powell of the Michigan Farm Bureau. Because it illustrates well the issues involved, we are quoting some excerpts of Mr. Powell's statement as follow:

* * *

"Late in 1941 Governor Van Wagoner appointed a commission of 32 men and women to study our present state constitution and to issue a report advising the people of Michigan as to whether or not the commission would recommend the calling of a constitutional convention to draft a new constitution, or whether there were certain specific amendments which they desired to propose and recommend to the voters.

"Among the 32 members of this commission, there were only a few having a rural background. Those definitely rural in interests were Clark L. Brody, executive secretary of the Michigan State Farm bureau, and W. G. Armstrong, master of the Michigan State Grange. Rep. Audley Rawson of Cass City was also appointed, but, although he happens to be a farmer, he probably was chosen on the commission because he is majority floor leader in the House of Representatives."

* * *

The commission held its first meeting Jan. 6, 1942. Twelve committees of five members each submitted reports or recommendations on April 7. The final meeting of the commission was on June 23.

Continuing the Farm Bureau statement: "The whole structure of local government in rural areas would probably be drastically remodeled if the commission had its way. It urges removing from the Constitution all reference to Justices of Peace. It would permit cities to form separate counties. It would empower the legislature to merge, dissolve, or disorganize counties in the more sparsely settled sections of the state.

"It would empower the legislature to organize, consolidate, and dissolve townships. Wide latitude as to optional forms of county government was favored by the commission.

"Elimination of the uniformity clause, which has often stood in the way of attempts to modernize our Michigan tax system, was favored unanimously. The commission favored retention of the 15 mill limitation with amendments to facilitate long-term financing of permanent improvements. It recommended that the time limit in the proviso be increased from five to twenty years, and that two-thirds majority in the proviso be reduced to a bare majority of those voting. These changes might be rather drastic and dangerous when coupled with the other recommendations which propose elimination of the property owning qualifications for voting on school bond issues.

"A provision that the legislature be empowered to enact a graduated income tax was approved."

* * *

The commission also recommended, so the Farm Bureau spokesman explains, "a complete shake-up of the Michigan election system."

"Spring election would be abolished entirely, and even school elections would be forced on to the November balot. Rural spokesmen . . . attempted to explain that this plan does not seem workable in the farming areas. There are several school districts in most rural townships and the situation is further complicated by fractional school districts.

"The annual school meeting seems the ideal time and place for the election of local school officers. Even if these officers were elected in November, there are other items of business which would properly be transacted at a school meeting.

* * *

Terms of most elective state and local officers would be doubled. The governor, lieutenant governor, auditor general and state highway commissioner would be elected to serve four-year terms. The governor would appoint the secretary of state, state treasurer, and attorney general.

A state board of education would select the state superintendent of public instruction to serve a six-year term. Elective state officials would be chosen at the November elections mid-way between presidential elections in what is known as the "off" years.

* * *

"Substantial increases in salaries for state officials were recommended," says the Farm Bureau leader. "For instance, the salary of the governor would be raised to not less than $15,000 annually, instead of $5,000 a year plus $5,000 for expenses, and that of the other administrative state officials (Lieut. governor, secretary of state, state treasurer, auditor general, attorney general, superintendent of public instruction and state highway commissioner) from $5,000 to not less than $10,000 annually.

"The commission also urged raising the pay of state senators and representatives from $3.00 a day to $3,000 a year."

* * *

Domination of upstate by Detroit is feared by farm interests.

The commission's approval of the proposed reapportionment (which will not appear on November ballot) is condemned by the Farm Bureau because "it would give practical control of both branches of the state legislature to the senators and representatives from Wayne county."

Such is the case as presented by the State Farm Bureau. However, Michigan is no longer a rural state. Voters of the industrial centers possess majority control; Wayne, Kent and Genesee counties alone have controlled many political conventions and tipped the scales on election days.

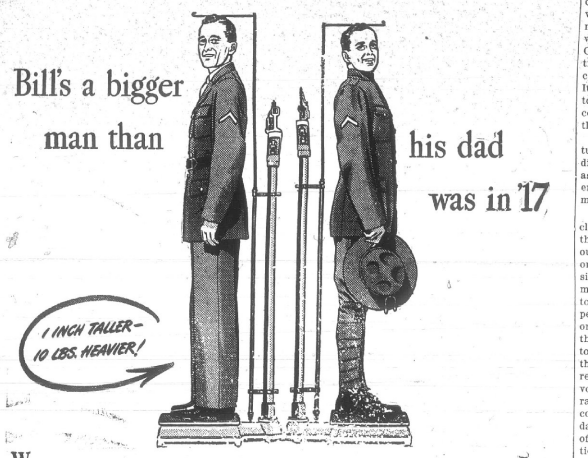
The cities may determine the fate of home rule for Wayne county and the state constitutional convention at the November showdown.

(Note: The arguments in behalf of Wayne county home rule and the constitutional convention will be presented in this column in the near future.

TRY BARBED WIRE

Mrs. Gadabout—"Mrs. Hardhead next door doesn't seem to have many friends."

Hostess (wearily)—"No-no. I wonder how she manages it?"



WAR DEPARTMENT figures show that today's average soldier is nearly an inch taller and ten pounds heavier than in 1917.

That's a great gain for one generation. We're glad our industry helped build Bill's husky frame.

While food experts were discovering new vitamins and better diets for Bill, electric research was working out ways to refrigerate his food so it would be fresher, safer, cheaper.

While doctors were developing new serums and new drugs, electric laboratories were improving X-rays, diathermy lamps, etc.

Even before Bill was born, electric servants freed his mother from much of the work of washing, cleaning, cooking—so she and her children could be healthier, happier.

Actually, these advances can be credited to the American Way at work—free men producing the things that other men want and need—for *everybody's* benefit.

The electric industry grew that way. A few men organized a company. Many men invested their savings. Good business management multiplied jobs, extended service, lowered rates.

Today, the average American home pays only 10c a day for *all* electric service—and gets about twice as much electricity for that dime as it did 10 to 15 years ago. *And America's booming war industries have the world's greatest electric power supply on tap!*

What You Buy With WAR BONDS

The power of the greatest Navy in the world, our own two-ocean fleet, rests in large measure on its backbone—the Battleships of the Line. They displace approximately 35,000 tons and cost up to $70,000,000. We have something like a score of these huge ships in the Atlantic and Pacific.

Eight huge battleships are under construction and more are contemplated. To finance these modern goliaths of the sea it is necessary for every American everywhere to buy more and more War Bonds. We can do it if everybody does his share. Invest at least ten percent of your income every pay day to help your county go over its Bond Quota.

There's Nothing Mysterious About Dry Cleaning

There's no mystery about our work of making the spots disappear from your best dress or suit—we cause them to disappear because we know fabrics, and the chemicals to use to remove the spots without harming the garments.

Don't try to remove the spots at home. Ofttimes you do more harm than good—you "set" the stain so that it can never be removed.

Bring your soiled clothing to us. tell us, if you can, what caused the spots. We'll remove them and return the clothing spic and span.

JUNK needed for War

In the attics and cellars of homes, in garages, tool sheds, and on farms, is a lot of Junk which is doing no good where it is, but which is needed at once to help smash the Japs and Nazis.

Scrap iron and steel, for example. Old radiators, lengths of pipe, refrigerators, garbage pails, broken garden tools...

It may be rusty, old "scrap" to you, but it is actually ***refined*** steel, with most impurities removed—and can be quickly melted with new metal in the form of pig iron to produce highest quality steel for our war machines.

Even in peacetime our Nation relied on scrap to provide about 50% of the raw material for steel. Now production of steel has gone up, ***up***, **UP**, until today America is turning out as much steel as all the rest of the world combined.

But unless at least 6,000,000 additional tons of scrap steel is uncovered promptly, the full rate of production cannot be attained or increased; the necessary tanks, guns, and ships cannot be produced.

The rubber situation is also critical. In spite of the recent rubber drive, there is a continuing need for large quantities of scrap rubber. Also for other waste materials and metals like brass, copper, zinc, lead, and tin.

America needs your active assistance in rounding up these materials. The Junk which you collect is bought by industry from scrap dealers at established, government-controlled prices.

Will you help?

First—collect all your waste material and pile it up.

Then—sell it to a Junk dealer, give it to a charity, take it yourself to the nearest collection point, or get in touch with your Local Salvage Committee.

If you live on a farm, consult your County War Board or your farm implement dealer.

Throw YOUR scrap into the fight!

JUNK MAKES FIGHTING WEAPONS

One old radiator will provide scrap steel needed for seventeen .30 calibre rifles.

One old lawn mower will help make six 3-inch shells.

One useless old tire will provide as much rubber as is used in 12 gas masks.

One old shovel will help make 4 hand grenades.

MATERIALS NEEDED

Scrap iron and steel.
Other metals of all kinds.
Old rubber.
Rags, Manila rope, burlap bags.
Waste Cooking Fats—Strain into a large tin can and when you get a pound or more, sell to your meat dealer.

NEEDED ONLY IN CERTAIN LOCALITIES: Waste paper and tin cans, as announced locally.

NOT NEEDED at this time: Razor blades—glass.

"VICTORY LIVE STOCK CLUB TO BE FORMED"

Farmers off Lenawee county and the surrounding territory will be invited to, join a "Victory Livestock Club" in which they will earmark one calf, hog, lamb, or any other animal to be converted into war bonds or stamps at the end of the feeding season.

The "Victory Livestock Club" is under the auspices of the Adrian Production Credit Association, a cooperative farmers organization advancing credit for agricutural purposes in Lenawee, Monroe, Washtenaw and Wayne Counties. The directors Guy J. Doty President of Monroe, A. E. Anderson, Vice President of Adrian, Bert Merritt of Belleville, David T. Mellott of Morenci, and E. P. Hellner of Ann Arbor have started the ball rolling by pledging one animal each. N. F. Johnston, Secretary-Treasurer advises that the association will carry out the club plan through correspondence with its 415 members and by every other means in order to interest every possible farmer in this territory.

The plan is conceived as a patriotic gesture which will contribute a tremendous sum of money to the nations war effort. Victory Livestock Clubs originated in the South, but the plan has captured the imagination of farm organizations and has spread throughout the country.

All farmers are asked to join the club. They may do so by notifying the Adrian office of the association or telling any one of the directors. It costs nothing to join. The sale price of the pledged animal is to be converted into war bonds or stamps and these retained by the farmer making the pledge.

"Somewhere With Navy" He Sends Poem to "Mom"

Mrs. Mae Higgins has received the following poem from her son, David, who is "somewhere" with the U. S. Navy:

MAMA'S BOY

You say he can't stand the Navy,
The life is too rough for him;
Do you think he is better
Than some other mother's boy
Jim?
You brought him up like a baby,
He wouldn't smoke or drink, you
brag;
It all the others were like him,
Well, what would become of
your flag?

You say, let the roughnecks do
the fighting,
They are used to beans and
stew;
I thank God that I am classed with
the roughnecks
Who can fight for the Red, and
the White, and the Blue.

You say that his girl couldn't stand
it
To send him out with the rest;
Do you think that she will be glad
that he enlisted
When she feels the Huns' breath
on her breast?

You can thank God the stars in
OLD GLORY
Aren't blurred with any such
stains;
Because there are ten million
roughnecks
Who carry red blood in their
veins.

They go out to sea in bad weather,
Come in with a grin on their
face,
While your darling sits in the
parlor,
And lets a man fight in his
place.

You are right, we do smoke and
gamble,
But we fight like our forefathers
did;
So go warm the milk for his bottle
While we fight to protect your
kid.

Blackout Here Was Complete

LITTTLE REASON FOR CRITICISM, IS THE COMMENT OF E. C. HEILMAN, DIRECTOR.

"Black as a pocket," was the way that E. C. Heilman, civilian defense director here, described last night's blackout in Tecumseh, a part of the greatest blackout in the United States, involving approximately 11,500,000 people in three states, Michigan, Illnois and Wisconsin.

"There was little reason for criticism locally," was Mr. Heilman's comment. "Residents here cooperated 100 per cent, the same as they did in our two previous rehearsals. True, there were one or two errors, but for the most part we have no reason to complain."

Lights here and throughout the other three states were turned off at 10:00 p. m., and remained off until 10:30, the longest blackout yet attempted in Michigan. Warning of the arrival of the hour came with a blast of the fire siren, the whistle at the Tecumseh Products Company, and from fire apparatus stationed in the east and west sections of the village and in Brownville.

Unlike previous blackouts, Mr. Heilman said, the reports of all infractions of the rules in last night's practice must be reported to Lansing, where they will be studied by state officials. Similar reports must be made in all subsequent rehearsals, he declared.

In Tecumseh last evening, all air raid wardens, auxiliary firemen and policemen were at their posts and the local civilian organization functioned very smoothly, the director declared. Motor traffic was completely halted, and traffic moving into the village from rural areas was stopped at the corporation limits.

In the rural areas, residents were notified of the arrival of the blackout area by telephone, and those without phones were informed by neighbors. The blackouts in the country, it was declared, was almost perfect. Interstate traffic, trains, etc., were not affected by the practice rules.

The local Civilian Defense Hospital Corps, under the direction of Dr. P. B. Hardy, held another practice during the blackout last night, there were two ambulance runs, and "victims" received first aid attention.

AUXILIARY TO MEET

The Tecumseh Hospital Auxiliary held its monthly business meeting Tuesday evening in the parlors of the Methodist church with the vice president, Mrs. W. S. Niblack, presiding. Reports of standing committees were given and plans were made for another bake sale to be held in the near future.

Rotary Speaker

Earl C. Michener

Congressman Earl C. Michener, representative from the Second Michigan District of Michigan, will be the guest speaker at the regular noon-day luncheon meeting of the Rotary club, next Tuesday at Brees House. Mr. Michener is now at his home in Adrian, having returned last week from Washington. It is expected that he will discuss the war as viewed from the Nation's Capital.

At this week's meeting, the Rev. E. T. Rodda of St. Peter's Episcopal church was the speaker, discussing the nation's conscientious objectors. He told of the camps that have been established for these men, and declared that their views should be respected by the public.

CHARLES W. MATTIS, 65, DIES AT HOME HERE

Charles W. Mattis, aged 65 years, a life long resident of Lenawee county died Sunday afternoon at his home on South Maiden Lane after a long illness. Mr. Mattis was born July 6, 1877 in Franklin township and was a son of Isaiah and Nellie Aten Mattis. He had lived in Tecumseh over 40 years and had been employed for 20 years by the Quaker Oats Company here. He had been ill for a year and retired from active duty at the Quaker Oats plant in February. He was brought home Thursday from Toledo hospital where he had been a patient for several weeks.

Survivors are the widow Mrs. Pauline Mattis, one sister Mrs. Lester Rogers, a nephew Merval Mattis and a neice Miss Myrtle Mattis, all of Tecumseh.

Funeral services were held Tuesday afternoon at the Collins Funeral Home. Rev. Edward Ecolme officiated and bearers were Allan Eccles, Sherman Cole, Fred Marsh, Thomas Boyd, Charles Stevenson and Domald Nixon all fellow employees. Burial was in Brookside cemetery.

RONALD E. LOWERY FORMER RESIDENT DIES

Ronald E. Lowery, a former resident of Tecumseh, died suddenly July 31, at his home in Detroit, following a heart attack.

Mr. Lowery, who was the son of the late James E. and Anna Lowery, was born in Tecumseh, July 1, 1903. He left Tecumseh as a boy and for many years has been employed by his brother-in-law at the Wilson Drug Co., in Detroit.

Three sisters survive. They are Mrs. J. A. Conklin of Jackson, Mrs. Wade Wilson of Detroit and Mrs. L. W. Rentschler of Marshall.

Burial was in Grandlawn cemetery in Detroit.

Business Men Urged to Play

RECREATION CENTER FACILITIES ARE OPEN AND LEAGUES ARE NOW FORMING

Business and professional men and women are seeking an evening or two of recreation weekly are urged to participate in the activities offered during the summer at Recreation Center by Fred Raizk, director. Leagues and clubs already are being formed, trophies are to be awarded at the end of the season, and plenty of activity in addition to fun is guaranteed.

Activities at the field include volley and soft ball archery horse-shoe pitching, tennis and badminton.

"I heard a number of business men say, after the Pageant ball game, that they wished they might play in a few innings weekly, just to keep in shape," Mr. Raizk said. "Here's their opportunity. I will be only to glad to assist in the organization of clubs, and to help direct games. I am at the Center each evening except Saturday and Sunday, and if a number of men or women, desire, we can organize games for everyone."

A number of people, Raizk said, believe that the Center activities are for youngsters and school age folk, exclusively. Such is not the case. He pointed out that the field is for both young and old, and also that there is no charge of any kind for participation in the games and sports.

The trophy for the horseshoe pitchers already has arrived and is on display in Bailey's shoe repair window. He urged that persons desiring to enter the horseshoe league register at once at the Bailey shop.

The girls' and women's archery club will get under way this evening and he urged immediate registration in that sport.

"We can have a whale of a lot fun if we all participate in the sports at the Center," Raizk said. "I appreciate the fact that this is the first year that we have had such an opportunity, but I cannot urge too strongly that the public generally cooperate by participation. Come out any evening and join in the fun," he concluded.

MRS. LONA D. RODGERS BURIED IN BLISSFIELD

Mrs. Lona D. Rodgers, aged 71 years, widow of the late Burr Rodgers, died Sunday at the home of her son Lawerence Rodgers at Evans Lake. Although in poor health for some time her death came unexpectedly.

Mrs. Rodgers was formerly Lona Butrick, daughter of Mr. and Mrs. Riley Butrick and was born in Franklin township. She was a member of Blissfield chapter, Order of the Eastern Star.

Besides the son Lawerence, she leaves a daughter Mrs. Orville Stover of Tipton, a brother C. Lynn Butrick of Eustis, Fla., three sisters Mrs. B. A. Stout of Adrian, Mrs. O. J. Foor of Ousted and Miss Lulu Butrick of Blissfield, also four grandchildren.

Funeral services and burial were held Wednesday in Blissfield.

MISS HELEN MARIE HALL BRIDE OF CALVIN DAMON

Miss Helen Marie Hall, daughter of Mr. and Mrs. Lawerence Hall of Blissfield, and Calvin D. Damon son of Mr. and Mrs. William Damon of Tecumseh, were married Friday evening at the home of her parents by the Rev. A. J. Lucht, pastor of St. Paul's Evanglical Lutheran church in Blissfield. The single ring service was used and the couple stood before the fireplace which was decorated with flowers and greens for the occasion. Their attendants were Mrs. Bernard Shield, sister of the bride and Wallace Damon, brother of the groom. Only the immediate families were present.

Following the ceremony a reception was held and later Mr. and Mrs. Damon left on a short trip, going this week to Chicago where the groom is in training with the U. S. Navy, and the bride is attending the Vogue School of Design and Art.

Mrs. William Damon and sons William and Wallace, Mr. and Mrs. Clarence Damon and Mrs. Dorothy Cole of Tecumseh and William Damon of Detroit were among those who attended the wedding.

IN NAVAL TRAINING

Raymond J. Frolich, son of Mr. and Mrs. A. T. Frolich, Rt. 1, and Darrel Skinner, son of Mr. and Mrs. Verdi Skinner are the two latest recruits undergoing training at the U. S. Naval Training station in Great Lakes, Ill.

THREE PERSONS HURT WHEN CARS COLLIDE

Cars driven by Mrs. Gladys Pendergast of Ann Arbor and Robert Dansard of Monroe collided Friday evening about 7 o'clock at Dillington's Corners, in the center of the intersection, injuring all three persons.

The injured were removed to Tecumseh hospital where Mr. Dansard was treated for cuts about the head and a possible fracture. He was removed to his home in Monroe Saturday.

Mrs. Pendergast suffered cuts about the head, and Mrs. Amy Wheeler of Chelsea who was riding with her, suffered a broken rib and collar bone. Mrs. Pendergast returned home Monday but Mrs. Wheeler remains at the hospital.

Mrs. Pendergast was given a summons by state police for failing to yield the right away.

Raid Wardens To Be Trained

TWO SEPARATE CLASSES ARE BEING ORGANIZED, BEGINNING MONDAY, AUGUST 17

Air raid warden classes for the purpose of providing basic training for additional wardens recently enrolled, were planned at the general meeting of wardens, held Monday evening in American Legion Hall.

Two separate classes are being organized one under the direction of Rev. R. W. Scheele assisted by R. H. Moore and Rev. Edward Escolme; the other under the direction of Rev. E. T. Rodda assisted by Irwin Richardson and Howard Wick, all sector wardens.

The courses offered in the two classes will parallel each other, however the one under Rev. Rodda will meet Monday evenings at the parish house beginning August 17; while Rev. Scheeles class will meet Thursday evenings in Grace Lutheran church. Those of one group unable to meet with their class, should attend the other class. All warden substitutes are invited to attend and anyone wishing to enroll as an air raid warden is welcome at either class.

Plans are also under way for a check-up by air raid wardens on residence air raid preparations. All householders are urged to clean attics and secure sand, shovel, bucket and other required equipment for fighting incendiary bombs. Arrangements should also be made for an air raid shelter in every home, preferably in the basement.

JAJE-RUSIS WEDDING SERVICE HERE SATURDAY

Miss Stella Jaje and Constant Rusis, both of Tecumseh, were married Saturday morning August 1 at St. Elizabeth Catholic church, by Rev. Fr. John Ross. The altar was decorated with white gladiolus and palms. The Mass of the Angels was sung by Mrs. Anna Blessing and Mrs. Ed Kehoe, Jr., and "O Sanctissima" was sung as the offertory with Mrs. N. J. Geehan at the organ.

The bride in white duchess satin with cornation veil and an arm bouquet of gardenias, was attended by her sister Miss Cecilia Jaje of Dearborn as maid of honor. Three brides maids were dressed in pastel shades with bouquets of tearoses. Mr. Rusis was attended by his brother Joseph Rusis. The ushers were James W. Maidlow and James O Neil.

Following the ceremony a breakfast was served to 16 guests at the home of Mr. and Mrs. Geehan. Mrs. Kehoe of Clinton and Mrs. Carl Gruber assisted Mrs. Geehan with the serving.

The couple left later on a trip and have returned and are making their home at 25 Mill street.

Mr. Rusis is a government inspector at Tecumseh Products Co., and Mr. Rusis is employed in Adrian.

MACCABEE PICNIC

The 12th annual Maccabee picnic will be held Sunday, August 16, at Prospect Park in Ypsilanti for members from Jackson, Lenawee, Washtenaw and Ingham counties. Pot luck dinner will be served at noon. Each one attending is asked to bring their own sugar. A peppy program with no long speeches has been arranged.

LADIES UNION PICNIC

The Ladies Union of the Baptist church held a picnic Thursday evening at Adams Park, followed by a program of games and sports.

The Royal Neighbors drill team met Friday, August 7, at the home of Mrs. Belle Jones in Ridgeway. Pot luck dinner was served at noon preceding the meeting.

Livestock Tour Date Announced

ARRANGEMENTS ALSO BEING MADE FOR COUNTY SHEEP DAY, AUG. 15

The third 4-H Livestock management tour will be held Wednesday, August 19, with Bob Laser, assistant state club leader, assisting. It is the purpose of this tour to visit those livestock members who have not previously been visited to assist in fitting their stock for the fall shows and to emphasize feeding and management. All livestock members are invited to visit the stops nearest to them and should feel free to continue on the tour if they care to do so. This, however, is not required.

The tour will begin at 9 a. m. at the home of Billy Weitenhagen, two miles west of Adrian on the Onsted road and others to be visited are Kent Forrister, Royal McRoberts, Donald Beebe, George Rowley, Wallace and Robert Wilkins. Lunch will be served at noon and the afternoon tour begins at 1 o'clock at the home of Dale Jett, ½ mile north of U. S. 112, one mile west of Wamplers Lake. Those included in the afternoon tour are Clarence, Lois and James Heimerdinger on M-52, ½ mile south of Clinton; Ned Ruesink, south west of Tecumseh on Paragon Road; Dorman Bailey, south east of Tipton on Shepherd Road and Howard William Moore, north of Adrian on Yenor Road.

Arrangements have been made to hold a County Sheep Day at the Lenawee County Fair Grounds at Adrian on Saturday, August 15th, beginning at 1:30 p. m.

This event is held for the benefit of all 4-H Sheep project meeting will be held at the Sheep Bar and will start at 1:30 p. m. All boys who have registered sheep that they wish to have considered for the State 4-H Club Show at East Lansing will please bring their sheep in to the Fair Grounds that day.

Most of the time will be spent in demonstrations on blocking and fitting sheep for the fairs; however, Virgil Bortel of Britton will give some work in judging and selection of Fair Exhibits. Then we will select the class for the State 4-H Club Show in Shropshire and any other breed that has enough individuals to warrant making a class.

Several of the adult breeders have been contacted and expressed their willingness to assist in this work. 4-H Club members and F. F. A. Chapter members can show their appreciation to the Lenawee County Sheep Breeders Association by being present that day.

A combined 4-H and adult swine Feeders tour was held in Lenawee county, Monday, August 10 with Vern Freeman and Harry Moxley of Lansing conducting.

Mr. Moxley and Stanley Ball, county club agent, were in charge of this section of the county starting at 9 a. m. at the Richard Gallaway farm on the Raisin Center road. Other homes visited were: Raymond Martolock and Ernest Kapnick, Deerfield road; Carl and Elmer Gubbe and Raymond Easton, Britton; Grant Van Dusen, Carl Woodward and Kenneth Geiger, Clinton, Dorman Vecelius and William Vollmer, Tipton.

Mr. Freeman and Louis G. Hall county agricultural agent, conducted the tour in Clayton, Sand Creek, Jasper, Weston and Morenci and the groups met at the Cooley farm near Hudson at 4 o'clock for general discussion.

PAYS FINE, COSTS

Merlin Moore of Britton, was arraigned in Justice P. C. Hanna's court last week, charged with the larcency of tools from the Tecumseh Products Company. He was sentenced to pay a fine of $5, costs of $5.60 and to make a $5 restitution. The arrest was made by Chief Harry Hoffman of the Products police, and deputy sheriffs. Moore is a Products employee.

$166.40 FOR RED CROSS

Luigi Gallo who operates a swimming pool on his property south west of town, this week turned over $166.40 to the county Red Cross. The money came from admissions to the pool.

TO MEET AUG. 19

The Ladies Aid Society of the Presbyterian church will meet Wednesday afternoon, August 19, at the home of Mrs. Clyde Bailey.

ENLIST IN NAVY

Merle Meads and Wilbur Meads sons of Mr. and Mrs. Oscar Meads of Tecumseh have enlisted in the U. S. Navy and left Tuesday for Great Lakes, Ill.

ECHOES PROGRAMS FREE TO THE BOYS IN SERVICE

If you have a relative or friend in the armed service of the United States, and should you desire to send him a copy of the Tecumseh Echoes program, you may get one free of charge by calling of the office of The Herald, or at Butler Motor Sales.

A limited number of the Echoes programs were unsold following the pageant, and the committee in charge has decided to make them available without cost to the boys in service. The cost of mailing the programs is three cents each.

The general committee of the pageant is assembling a scrap book of the events that occurred here during Echoes week. Persons who took snapshots of parades or other events are asked to contact C. O. Butler, and if possible furnish either prints or negatives of pictures taken, that they may be included in the permanent recor.

Clinton Mills Will Get Award

JOINT ARMY-NAVY PENNANT TO BE PRESENTED AT CEREMONY PROBABLY NEXT WEEK

The new Joint Army and Navy Production Award, the first of its kind to be granted in Michigan, will be given to the Woolen Manufacturing Company of Clinton, probably next week, it was announced today.

The Woolen Concern manufactures articles for both the Army and the Navy, and will receive the award in a ceremony at the company's plant in Clinton, the Navy has announced. While no definite date has been announced for the service, it was declared that the Award had been authorized by the joint Army-Navy board passing on industrial incentive awards, on the recommendation of the Navy.

The new joint award replaces the Navy "E" and the Army "A" awards. Each of the firms selected will be permitted to fly the Army-Navy Production Award pennant. The pennant is swallow tailed with a white border and has a white capital "E" within a yellow wreath of oak and laurel leaves on a vertically divided blue and red background. The word "Army" will be on the red background and the word "Navy" on the blue. Lapel buttons will be given to each employee of concerns receiving the award.

The recommendations of either Army or Navy are based on quality and quantity of production in the light of available facilities.

Two other Michigan concerns were named on the first award list on the recommendation of the Army. The Chrysler Corporation for production in the Detroit Tank Arsenal at Centerline, and the General Motors Corporation, for production at the Oldsmobile Divisin in Lansing, were given awards in ceremonies today.

END IN 1943 IF WE ARE LUCKY

Randolph Churchill, son of the British prime minister, visiting this country after a recent injury in Egypt, says that if the United Nations are lucky they will win the war in 1943 and, if unlucky, in 1944.

Mr. Churchill points out that the British were "only one-quarter ready for this war" and adds that "we have been largely enthusiastic amateurs" as compared to "professional military men."

The explanation as to Great Britain applies to the United States and is sufficient to account for many of the reverses that have been suffered by the United Nations.

INTERNATIONAL PEACE TAX

An interesting idea comes from the British House of Lords, where Lord Perry suggests the creation of some form of international taxation so that posterity will not be bequeathed "this enormous debt we are incurring."

The British peer asserted that peace is worth buying and that "the world should help pay that price." He asks the Government to consider how the price of peace could be capitalized in international terms and financed through international taxation just as nations now finance their debts.

The member of the House of Lords seems to have something. When peace comes, the management of the world will be in the hands of the United States, Great Britain, Russia and China. Certainly, the four nations should be able to devise a method of international taxation which would distribute the war debt of the United Nations throughout the world. Certainly, the world will benefit from the principles to be upheld, as well as from the era of peace which will follow, and should bear the costs.

ACCIDENTS WORSE THAN WAR

The National Safety Council calls attention to the enormous toll taken by accidents pointing out that 30,000 American workers have died from accidental causes since Pearl Harbor. This compares with 4,801 dead as a result of enemy action.

The Council says that in the same period 2,500,000 American workers have been injured and that such casualties on the industrial front prevent and hinder the efforts of our fighting men by reducing the production of weapons and material of war.

Americans should not get the idea that this represents the entire toll of accidents. Since Pearl HHarbor, 60,000 Americans have been killed and approximately 5,500,000 wounded, according to the Safety Council, which adds that "it is the duty of every patriotic American to conserve manpower for victory."

"It Takes a Heap of o'Living In a House To Call it Home"

The poet knew whereof he spoke when he wrote these lines—it does take a "heap o' living" and years of building and effort to make any house a home.

Then why neglect it? Why let it run down, permit a leaky roof, an unsightly porch, an unfinished room to mar the pleasure you might get from your home?

We are in the building business in Tecumseh to be of service to its residents. We are proud of the homes we have built, of the materials we have furnished for repairs and remodeling.

We will be very happy to be of assistance to you. If your house needs a new roof—if a porch needs to be repaired, if you are considering remodeling to make room for another family, we'll be only too glad to aid you.

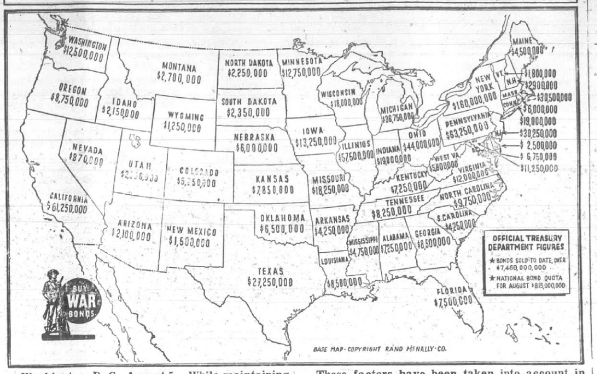
Official U. S. Treasury War Bond Quotas for August



Washington, D. C., August 5.—While maintaining a tentative annual level of twelve billion dollars as its goal, the Treasury Department today fixed the August quota for the sale of War Bonds at $315,000,000 as shown by the accompanying map by states.

In lowering the quota from a billion dollars in July to $315,000,000 in August, the Treasury has given recognition to certain factors which may be expected to result in variations in sales over the 12-month period, such as the seasonal character of farm income.

These factors have been taken into account in determining each state's share for the national quota for August and will be given consideration in fixing quotas for subsequent months.

In addition to the state quotas as set ont in the map there is a federal payroll allotment quota of $9,750,000 and territorial quotas as follows: Alaska, $760,000; Canal Zone, $213,000; Hawaii, $4,800,000; Puerto Rico, $440,000, and the Virgin Islands, $17,000.

Tire Shortage Is Bringing New Opportunities to Small Towns

LANSING, August 13—"The tire shortage is bringing new opportunities to small towns," states the U. S. Department of Commerce in a 1942 manual.

Therein lies a timely story of one sector of the Michigan home front. Every cloud has its silver lining, and the current problem of automobile transportation is no exception.

Whether automobile rationing will be ordered July 15 or September 15 is pure speculation. Announcements of federal and state officials, as well as members of Congress, have been openly contradictory and utterly confusing, and it is not known yet—to the public at least—whether Michigan is to curtail automobile transportation through gasoline rationing or to solve the problem through other devices.

Winning the War is the primary concern of every Michigan citizen.

It is the A-1 activity of every Michigan town, those communities whose populations do not exceed 10,000.

Believing that a "community guide book" for war work would be a valuable contribution to Victory the bureau of foreign and domestic commerce of the U. S. Department of Commerce recently undertook the compilation of what is now known officially as a "Small Town Manual." It is a Main Street Bible of war work, and as such it contains a wealth of timely and valuable suggestions.

"Talk it over" is the first suggestion. Call a meeting of town and farm leaders to consider a full-fledged war program for your town. A Sunday afternoon or a holiday would be convenient. Get a band to furnish lively and patriotic music. Ask one of your ministers to deliver a short invocation.

A time limit should be set, and enforced, on all speakers. Care should be used to include farm leaders who can discuss from the rural viewpoint what farmers might do in a co-operative effort.

Problems are numerous, it goes without emphasizing, and here are some of them:

Farm labor shortage, town labor shortage, transportation difficulties, salvage and scrap collection, shortage of machinery and partss, use of idle machines, plants and equipment, migration of skilled workmen from your town, purchase of war bonds and stamps and housing of war workers.

For example, a farm labor shortage may or may not exist. It is a waste of time to speculate about it.

Members of the Grange, 4-H clubs, farm bureau and other farm groups can secure estimates from each of their own members, and each member can gather the information from four or five neighbors. In this way a town war plan can act intelligently on facts of your local situation.

Townsmen may be willing to give a few days to helping farmers get in the crop. Such a co-operative arrangement has been made by many Michigan towns—Vassar, Fowlerville and Tecumseh being a few illustrations.

Salvage and scrap. Talk about the home front! Here is a direct challenge to Main Streets—collection of worn-out wires, scrap iron, old broken machinery, and other vitally needed products for war production.

How about the old unused canning jars? Home canning and preservation should be encouraged to the fullest during the war. Women of each church, members of the Women's Club or the Parent-Teacher association might sponsor a drive in the town war plan to round up all unused canning jars and get them into the hands of folks who will use them.

The home battlefront consists of many obvious and commonplace things.

Tapping sugar maple trees in a community "sugar bush" project is one of the many possibilities. Victory gardens are popular. Cold storage lockers may help to preserve fresh fruits for winter dinners.

Because glycerine is needed for making gunpowder, housewives are urged to save their bacon drippings and fat. These can be collected at a central point and sold to the nearest rendering company. The local butcher can give you the information.

The money obtained from the sale can be used to provide prizes for war effort, purchase war stamps, or help the Red Cross or USO.

Nutrition has soared into national prominence since the selective service authorities disclosed the regretable fact that one-third of the men declared unfit for military service have had defects which could be traced either directly or indirectly to faulty nutrition.

Even the kitchen becomes a part of the home battlefront!

The women of your town will want to know more about what kinds of food to buy, how to cook it so as to get the mst nourishment, and how to keep it so it will retain its nutritive value.

Sewing bees is just another possibility, suggested by the U. S. Department of Commerce. Since wool is needed for our army, housewives may reline coats, cut down adults' garments for children, reknit sweaters, retrim dresses and use the needle and thread to make and remodel family clothing at a minimum of expense and material.

Old used wool can be used again to make new warm woolens. Don't throw away any woolen garments no matter how badly worn.

Farm income is up. In 1939 the average farm family's income totalled $1,443; last year, $1,628, and 1943 it may reach $2,365.

"You probably will never again have as good a chance as now to improve business in your town," states the "Small Town Manual." "The tire shortage is bringing new opportunities to small towns. People can now be influenced easier than ever before to shop at home. Make sure that farm families choose your town rather than some other one to do their trading in."

There is the silver lining—and the big challenge. But a plan is needed. And when it comes to promotion, remember Burnham's often quoted advice, "Make no small plans—they have no power to stir men's minds." Such a community program, carefully conceived and consistently supported, may contribute much right at home in helping to win the war as well as improving business.

Past Presidents Club Guests of Mrs. Tate

The Past presidents Club of the Lenawee County Federation of Womens Clubs was entertained recently by Mrs. E. S. Tate at her home in Clinton, with a pot luck luncheon at noon preceding the regular meeting.

Mrs. A. E. Porter of Blissfield presided at the business session when officers were elected as follows: Mrs. Frank Pratt of Manitou Beach, president; Mrs. Athol Brainard of Onsted, vice president; Mrs. Porter, secretary; Mrs. S. L. Wyman of Ann Arbor, treasurer.

The informal program consisted of readings and Mrs. Tate read a tribute to the late Mrs. Blanch Dean of Addison, a past president. Letters of regret were read from Mrs. J. E. Carr of Lansing, Mrs. E. T. Armstrong and Mrs. Evans Russell of Adrian, who were unable to be present.

Those who attended were Mrs. Porter, of Blissfield, Mrs. Wyman of Ann Arbor, Mrs. Brainard of Onsted, Mrs. E. E. Tomer of Hudson, Mrs. J. T. Clark and Mrs. Tate of Clinton, all past presidents; also Mrs. Matt Benner of Clayton, president of the federated clubs, Mrs. W. W. Fisk of Jackson, a past state officer of women's clubs, and Mrs. E. A. Clark of San Gabriel, Calif.

CHRISTIAN SCIENCE CHURCH
10:45 a. m.—Church service

"Soul" will be the subject of the Lesson-Sermon in all Christian Science Churches throughout the world on Sunday, August 16.

The Golden Text (Psalms 35:9) is: "My soul shall be joyful in the Lord: it shall rejoice in his salvation."

Among the Bible citations is this passage (Isiah 55:3): "Incline your ear, and come unto me: hear, and your soul shall live; and I will make an everlasting covenant with you, even the sure mercies of David."

Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p. 390): "It is our ignorance of God, the divine Principle, which produces apparent discord, and the right understanding of Him restores harmony. Truth will at length compel us all to exchange the pleasure and pains of sense for the joys of Soul."

Fine Table Linens Deserve Special Care

In these days, when it is difficult to replace fine table linens, bed linens, etc., it is well to give them special attention on wash day.

And that is where we come in. We know just how to launder linens so that they receive the minimum of wear, and how to press them so that they look as fresh and pretty as the day they were purchased.

Send us your choice linens for laundering. We know that we can satisfy the most exacting customer.

DEFENSE CALLS MUST GO THROUGH

Telephone Calls Have Reached A New All-time Record - - - -

During busy hours, every available piece of equipment and a complete force of operators must be pressed into service to answer all the calls.

Defense Calls

Government and defense agency telephone calls, however, MUST go through without delay.

Stand By America

For quicker telephone service, the Board of War Communications, Washington, D. C., has given the telephone companies of the nation the task and responsibility to keep its lines open for the transmission of important messages that are so necessary for the defense of our country during the present emergency.

On The Home Front

The shortage of labor and material so vital to the conduct of the war precludes the possibility of increasing our facilities to relieve congestion.

As an alternative, however, we can schedule many of our calls so that they will not come during Rush Hours.

Let's Do Our Bit

When the business pulse of our community beats with important military telephone conversations, Let's Do Our Bit by placing our non-essential or social calls during off-peak periods.

AVOID THESE BUSY HOURS

DEFENSE CALLS MUST GO THROUGH

Coincident with the stepping up of our government's vast war time production program, local and long distance calls are setting a new all time record throughout the nation.

All available telephone equipment on hand or obtainable under government priority orders has been pressed into service by telephone companies to stem the unprecedented congestion of telephone lines.

The overload has become of such serious proportions that many exceedingly important government telephone calls in the essential dispatch of war orders and instructions have been hampered and delayed by the transmission of more or less essential civilian telephone calls.

As a corrective measure, the Board of War Communications proposed a limited ban on telephone calls or an alternative regulation in the form of a telephone customer's priority rating. Neither of these proposed war time measures has been adopted, but the task has been given the telephone company to enlist its local telephone customers in a voluntary patriotic cooperative effort to relieve the congestion.

H. R. Christianson, General Manager, states that most of our present war time communication difficulties arise due to the fact that too many telephone users attempt to place their local and long distance calls between the hours of 9 and 11 A. M., 2 and 3:30 P. M. when the bulk of vital government communications must be transmitted.

It is not the intent of the government to discourage the use of civilian telephone service, but merely to schedule it so as not to interfere with traffic necessary in the defense of the nation.

The whole situation can be cleared up immediately without further government rationing or regulation and without imposing any hardships upon anyone if local telephone users will schedule their nonessential or purely social calls either before or after the peak of busy hours.

Bomb 'em with JUNK

Let's blast Japan—and Germany—and Italy—with the chain lightning of destruction that can be built from the scrap in our cellars, attics and garages, on our farms and in our places of business.

Scrap iron and steel, other metals, rubber and waste materials. It will all be used to make tanks, ships, planes and the fighting weapons our boys must have. It is needed at once.

Sell it to a Junk dealer—give it to a charity or collection agency—take it yourself to the nearest collection point—or consult the Local Salvage Committee... If you live on a farm, and have found no means of disposing of your Junk, get in touch with the County War Board or your farm implement dealer.

The name of no person but an Actual Resident of the Township at the time of said registration, and entitled under the Constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.

REGISTRATION BY AFFIDAVIT

Any absent voter as defined in this act, whose name is not registered and who shall claim the right to vote by absent voter's ballot at any election or primary election, may at the time of making application for absent voter's ballot, present to the Township or city clerk an affidavit for registration which shall be in substantially the following form:

FORM OF AFFIDAVIT

STATE OF MICHIGAN, County of .....ss.
I, ..., being duly sworn, depose and say that I am a citizen and duly qualified elector of the township of ..... in the county of..... and State of Michigan; that my postoffice address is No. ..... street..... or R. F. D. No. ....., P. O. .....; that I am not now registered as an elector therein and that I am voting by absent voter's ballot at the election (or primary election) to be held upon the ..... day of .....19...., which ballot accompanies this affidavit; that I make this affidavit for the purpose of procuring my registration as an elector in accordance with the statute; that I make the following statements in compliance with the Michigan Election Law: Age.....; Race.....; Birthplace..... ; Date of naturalization..... ; I further swear or affirm that the answers given to the questions concerning my qualifications as an elector are true and correct to the best of my knowledge and belief.

Signed.....

Taken subscribed and sworn to before me this....day of..... 19.....

.....Notary Public in and for the county of..... State of Michigan.

My Commission expires.....

Upon receipt of such affidavit in the time specified herein, the clerk shall write in the registration book the name of the applicant together with the other information required by this chapter and such applicant shall thereupon be deemed to be duly and properly registered.

Note—If this acknowledgement is taken outside of the State, the Certificate of the Court that the person taking the acknowledgement is a notary must be attached.

Registration of Absentee By Oath

If any person whose name is not registered shall offer and claim the right to vote at any election or primary election, and shall, UNDER OATH state that he or she is a resident of such precinct and has resided in the TOWNSHIP TWENTY DAYS next preceding such election or primary election, designating particularly the place of his or her residence and that he or she possesses the other qualifications of an elector under the constitution; and that owing to the sickness or bodily infirmity of himself and herself or some member of his or her family, or owing to his or her absence from the TOWNSHIP on public business, and without intent to avoid or delay his or her registration, he or she was unable to make application for registeration on the last day provided by law for the registering of electors preceding such election or primary election, then the name of such person shall be registered, and he or she shall then be permitted to vote at such election or primary election. If such applicant shall in said matter wilfully make any false statement, he or she shall be deemed guilty of perjury, and upon conviction, be subject to the pains and penalties thereof.

PROVISION IN CASE OF REMOVAL TO ANOTHER PRECINCT

Any Registered and qualified voter who has removed from one election precinct of a township or city to another election precinct of the same township or city shall have the right, on any registration day, as in this act provided, on application to the township or city clerk, as the case may be, to have his name transferred from the registration of the precinct from which he has removed to the registration book of the precinct in which he then resides. Such elector shall have the right to have such transfer made on any election or primary election day, by obtaining from the board of inspectors of such election or primary election of the precinct from which he has removed, a certificate of transfer, and presenting the said certificate to the board of election inspectors of the precinct in which he then resides. In every such case of transfer the township or city clerk or the board of inspectors issuing such certificates shall cause opposite the name of such elector, to be entered in the column headed "Remarks" in such registration book, the words "transferred to precinct number ——— (giving the number)," together with the initials of the said clerk or some member of the board of inspectors of election, as the case may be, and the date of the transfer; Provided, That any city may provide by its charter or by resolution duly approved by a majority of the members of its legislative body for the transfer of electors herein provided on the last Saturday prior to any election or primary election at the several places of voting in the voting districts of such city instead of on election or official primary election day, and may in like manner further provide that no transfer of registration shall be received by the clerk of such city for a period not exceeding 10 days prior to any primary or election.

Dated August 10, 1942.

KUSTER FAMILY

The annual reunion of theKuster family was held at the Lenawee county fair grounds in Adrian with 64 relatives present from Delta, Edon and Montpelier, Ohio, Saginaw, Beaverton, Lansing, Camden, Jackson, Michigan Center, Ann Arbor, Britton, Dearborn and Adrian. The same officers, William Kuster of Britton, president, and Mrs. Herman Wallman of Dearborn, secretary - treasurer, were re-elected. Mrs. A. C. Breckle of Adrian, Mrs. Helen Dunn of Michigan Center and Mrs. Fern Huber of Montpelier were appointed as the entertainment committee. The reunion next year will be held at the same place the second Sunday in August. A service flag is to be purchased and stars will be added as men of the families enter the service.

MRS. PULVER HOSTESS

Mrs. B. J. Pulver entertained her Eagle bridge club Thursday at her home on North Union street. Dessert was followed by games and honors were awarded to Mrs. R. W. Herrick and Mrs. Paul Bowen. Guests were Mrs. B. B. TurnBull and daughter Mrs. Gordon Merchant of Piedmont, Calif.

Pomona Grange Meets; Peterson Is Speaker

Lenawee County Pomona Grange met Thursday night in the Madison Grange hall with N. L. Peterson, of Detroit, a director of the Michigan Milk Producers Association, as speaker. Mr. Peterson discussed activities of subversive groups in U. S. Markets.

Other numbers on the program included a comedy skit "Painless Dentistry" by Mrs. Clarence Hunt and Mrs. William Grigg of Tecumseh; readings by Mrs. Alvah Knight of Adrian and Mrs. Mina Illenden of Madison; piano solos by Idelle Rau of Gorman and accordion selections by Joyce Schilling of Four Towns.

ROBS PETER TO PAY PAUL

"You say he is a man of parts?"

"He certainly is. Half the time he plays the part of a philanthropist, and the other half of the time a public robber."

THE LONG AND THE SHORT

"She uses words I don't understand."

"Polysyllabic?"

"Yes, and some longer than that."

Former Resident's Ashes Buried in Blissfield

The ashes of Ernest W. Goff, former resident of Tecumseh who died June 18 in San Diego, Calif., were brought to Blissfield last week by Mrs. Goff and services were held Wednesday, August 5, in Pleasant View cemetery. The services were conducted by Blissfield Masonic Lodge and burial was in the family lot in Blissfield.

Mr. Goff was born in Lenawee county, October 9, 1870, and was the son of Lysander and Violetta Payne Goff, pioneers of Blissfield. After graduation from high school he studied to be a druggist and for some time worked in Tecumseh for J. J. Orr. He later managed drug stores in Jackson, Bay City and Saginaw and moved to California 18 years ago.

On May 31, 1893 he was married to Carrie Keyser of Tecumseh, who survives, with one brother Harry Goff of Brooklyn, N. Y.

Mr. Goff was a life member of the Masonic Lodge.

SURPRISE PARTY

Mrs. W. H. Suffin, formerly of Tecumseh, was surprised August 4, at the home of her daughter, Mrs. Arleigh Squires in Milan. The occasion was her birthday and seventeen neighbors came to help her celebrate. She received several gifts and many flowers and her grandson Bill Squires presented her with a large birthday cake which, accompanied by ice cream was served to the guests.

Later in the day Mrs. Suffin received a long distance telephone call from another daughter Mrs. David Roche in Jefferson, Iowa, which made the day complete.

NINETY-SECOND YEAR—NUMBER FORTY-SEVEN | TECUMSEH, MICHIGAN, THURSDAY, AUG. 20, 1942 | FIVE CENTS PER COPY

Michener Sees Four Years War

SAYS RATIONING ONLY STARTED, RUBBER MUST BE CONSERVED IN NATION

Predicting from four to five more years of fighting before Hitler and his Axis partners are defeated and declaring that the rationing of meats will begin probably about the first of the year, Congressman Earl C. Michener of Adrian, home from Washington on a brief vacation, painted none too bright a future for the home folk when he addressed the regular noon-day luncheon of the Tecumseh Rotary Club, Tuesday at Brees House.

"I read in the newspapers about the complacency of Congress and Washington," Mr. Michener declared, "but I return to my home county to find that there is more complacency here than in the Nation's Capital. In the District of Columbia for instance, the president has directed that a 40-mile speed is the limit. Driving to Tecumseh today I observed the 40-mile limit only to find that every car that overtook me passed me on the road."

Mr. Michener declared that the motoring public has not yet awakened to the fact that rubber is "out the window" for the duration. He said he could not see how it would be possible to furnish rubber for tires, even synthetic rubber, for ordinary use, for two years, possibly three.

"And here is something else that you should remember," the congressman continued, "We are going to lose not only boats and supplies in this war, we are going to lose men, yes thousands and millions of them. Before we can free the Phillipines we must drive the Japs out of the Phillipines, and we must drive the Germans and the Japs from all other occupied places. To do this we must land invasion forces and we must expect to lose men in the battles that follow."

Declaring that he has received dozens of telegrams and hundreds of letters urging him as a Congressman to do everything in his power to open a second front on the Continent, Mr. Michener declared that Congress lacks the power to direct the war. The president, he said, is the commander in chief of the war forces, and he is dependant upon information furnished to him by his advisors, generals and admirals.

"I would be willing to do everything that I can to open a second front, but I do not want that front opened until we are prepared to open it. I do not want to send our young men into the jaws of death unnecessarily. That is exactly what we would be doing if we opened a second front before we were ready for it. We must have confidence in the men who are directing this war and we should not be to eager to criticize."

"You no doubt have heard a lot about the famous "X" gas rationing cards that were given to the Congressman," he continued. "But maybe you didn't know that these cards were sent out in good faith to all federal employees in Washington whom the government believed needed more than four gallons of gas a week to permit them to do their work. The intent of the cards and of the W. P. B. was good. Personally, I never had a rationing card. When the rubber shortage arrived and there was a necessity for rationing I sent my car to Adrian. It has been there on jacks until day before yesterday when I got it out of the garage to use while I was home."

Mr. Michener praised the spirit and the morale of the home folk and declared that there must be a home front as well as a war front. "You at home," he continued, "can do much to win this war. You can buy bonds and you can buy stamps, you can conserve in your own manner of living." It is this complete cooperaton, he pointed out, that will defeat our enemies and return the nation to its normal life.

At the outset of his talk, Mr Michener paid a brief tribute to the late Glenn Williams, who was a member of the club. "You have lost a true friend, a good neighbor, a man whose friendship I prized very highly. I knew Glenn for many years, worked with him at the court house at Adrian when I was prosecutor. He will be missed not only in this community but by the entire county."

Tecumseh receives $788.89 of the Lenawee county receipts from the State gasoline and weight taxes. The total amount received was $28,687.50 and included $12,909.10 weight tax revenue. One half of the amount went to the road commission; the other half to the communities and county at large.

The distributions were as follows: Adrian, $3,845.18; Addison, $125.59; Blissfield, $579.04; Britton, $110.46; Clinton, $304.11; Clayton, $101.28; Deerfield, $153.67; Hudson, $655.21; Onsted,$111.81; Morenci, $498.29; Tecumseh, $788.89 and the county at large, $7,072.22.

"V" Stationery Now Available

IS FOR USE IN CORRESPONDENCE WITH ARMED FORCES OUTSIDE THE U. S. A.

A shipment of the new "V . . . Mail" stationery, for use in corresponding with members of the armed forces stationed in territory outside the Continental United States, has been received at Tecumseh post-office.

Letters sent by "V-Mail" system receive special attention and when microfilm equipment is in operation, a miniature photographic negative of the letter will be made and sent by best means of transportation for reproduction to original size on delivery. If microfilm is not available the message will be transmitted in its original form by the quickest means possible.

The post office has a limited supply of this stationery, which may be obtained by families and friends of men overseas. Any one person is limited to three sheets of paper in any one day. The letters must be type written or written with dark ink or a dark pencil. They may be sent by ordinary or air mail, and regular postage must be paid to the ports of New York or San Francisco, when mailed by civilians. Members of the armed forces can mail the letters postage free. No enclosures are permitted within the folds of these "V" letters. If one sheet is not sufficient, a second sheet may be obtained for additional writing.

When the current supply at the post office is depleted, the supplies may be obtained at stationery stores.

Glenn Williams Dies Suddenly

PRIVATE FUNERAL SERVICES HELD MONDAY AFTERNOON FOR PROMINENT ATTORNEY

Glenn L. Williams, one of Lenawee county's most prominent attorneys, died suddenly of a heart attack at his home on West Chicago boulevard here, early Saturday morning. Although Mr. Williams had been ill and unable to be at his office for about two weeks, his condition was believed to have been improving and his death came as a shock to the family and to the community.

Born in Ionia county March 12, 1877, Mr. Williams studied law, business and stenography following his graduation from high school. For many years he was the official stenographer for the Michigan State Senate at Lansing, and later for the State Board of Assessors for a seven year period. He came to Adrian as a reporter for the Lenawee county circuit court in 1908, and after serving in that capacity for several years he was admitted to the bar and in 1926 he was elected prosecuting attorney of the county. Again in 1928 he was re-elected but he resigned the post in 1929 to form a law partnership in Tecumseh with the late Gen. Frederick B. Wood.

Mr. Williams was active in Tecumseh's civic affairs and his advice and counsel guided the village government here for many years, during which time he acted as Tecumseh attorney. He was a member of the Rotary club

In 1906 Mr. Williams was married to Miss Nell Jones of Hinsdale, Ill. Mrs. Williams and their daughter, Frances, and one brother of Belding, Fred L. Williams, survive.

Private funeral services were held at 4 o'clock Monday afternoon from the Belding Funeral Home, the Rev. E. T. Rodda of St. Peter's Episcopal church officiating. Bearers were Stuart H. Perry, Charles G. Hart and Harry Fee of Adrian, and Guy E. Belding, John R. Thompson and Earl L. Wickwire of Tecumseh. Burial was in the mausoleum at Brookside Cemetery.

New Police Car O.K.'d By Village Council

The village council, in regular session Monday evening, authorized the purchase of a 1942 automobile at a price of $969, the car to be used by the local police department. The council also advanced the wages of Edward Wilson, a member of the police department, to $150. monthly.

The new police car, it is explained, will be used by members of the local department, for its work, particularly traffic. Heretofore, the department has employed men and arranged an allowance for the use of their cars. Since the rationing of tires, and the threatened gasoline rationing, the department apparently is of the opinion that the outright ownership of a car by the village is essential.

There was little other business to come before the council except routine reports, the auditing of bills and authorization of payment.

$10 For Scrap Metal Offered

DRIVE LAUNCHED LOCALLY AND THROUGHOUT COUNTY TO CONTINUE NEXT WEEK

If you have an old metal—put it in the scrap to whip the Jap.

That was the slogan today as residents of the village and farmers throughout Tecumseh's trading area and the county launched another gigantic scrap metal drive to aid in keeping war material plants in operation. The drive gets under way today and continues all of next week.

Here are some of the high lights:

Residents of the area are urged to bring to Tecumseh every piece of scrap iron that they have during the campaign. For the old metal they will be paid at the rate of $10 per ton. The metal will be weighed free of charge at any of the local weigh stations—Hayden Fuel, R. S. Moore and Son Co., and the Hotrum Company—and weigh slips should be presented to the Robison Implement Company, North Evans street, where payment will be made.

The campaign locally is under the direction of the Tecumseh Salvage for Victory Committee, made up of the Rev. O. V. Robinson and Leo W. Robison. Mr. Robison said today that the money necessary to pay for the scrap is being advanced here by the Eartridge Implement Co., the Hoyt E. Wehlan Co., and himself.

The scrap metal brought to Tecumseh should first be weighed and then taken to the vacant lot immediately south of the Hammel Building on South Pearl street. There it should be dumped, and the weigh slips taken to the Robison office.

"In our first scrap metal drive here a few weeks ago Tecumseh made a very fine showing, but this time we want to do even better," Mr. Robison said today. "Our government needs scrap metal and needs it now. We can't afford to delay. Every resident, every farmer should search his property for scrap iron and add it to the Tecumseh pile."

Residents who have scrap metal on their property should not consider themselves too busy to join in the campaign, it was pointed out. Factories manufacturing war materials are desperately in need of scrap metal for all types of war machinery, and a delay in the production line means a delay to the front line.

Michigan's quota in the scrap iron drive is set at 1,101,000 tons or a little more than 1,000 tons from every county. The farm is believed to be the best source for unused metal, and that is why local farmers will participate in the "scrap metal harvest."

"Let's put Tecumseh far over the top in the local campaign," Mr. Robison urged. "Let's show Lenawee county that here in Tecumseh we are up and doing. Let's build the biggest scrap pile in Lenawee county. Let's cooperate to the last degree. It's one way that we can show the boys at the front that we are back of them 100 per cent."

MEET IN FOREIGN PORT

Blackout Notes Two Violations

ONE REPORTED TO THE STATE POLICE; CIVILILAN DEFENSE WORKERS LAUDED

Two violations of the federal air raid warning blackout rules were noted in Tecumseh last week, Wednesday night, during the Sixth Corps Area practice blackout, E. C. Heilman, local director, said this week, and one of the infractions was brought to the attention of the Michigan State Police. Except for the two violations, Mr. Heilman said, Tecumseh's blackout was complete, and he praised Civilian Defense workers for their cooperation.

The most serious violation of the rules, Heilman said, occurred in a home in the northwest section of town. Lights were left burning after the raid warning had sounded, and it was necessary for the block warden to notify the householder to turn them off. State Police were notified of this violation. The other violation, he said, occurred in the downtown district where crowds of young folk gathered. One or two matches were lighted. He declared that in the future, crowds must be off the street during blackouts, and that matches must not be lighted.

"Except for the two infractions, Tecumseh's blackout was very complete," the director said. "In one home, where the family was out of town, a basement light was left burning, and there was a light burning in one of the downtown halls. In both of the latter cases, however, the errors were excusable."

Mr. Heilman said that block and section wardens functioned perfectly during the blackout. The wardens were at their posts in record time and the hospital unit, under the direction of Dr. P. B. Hardy and Miss Gertrude Spaulding, also did excellent work, as did the Boy Scouts.

The section wardens in Tecumseh are Paul Johnson, C. O. Butler, Rev. R. W. Scheele, R. H. Moore, Rev. E. T. Rodda, Rev. Edward Escolme, Leon Rosacrans, and Elvin Richardson.

Frank H. Nyland Dies At His Home

FUNERAL SERVICES TO BE HELD SATURDAY FOR AGED RESIDENT

Frank H. Nyland, aged 75 years, life long resident of Tecumseh, died Wednesday afternoon at 5:20 at his home on West Pottawatamie street after several weeks illness.

Mr. Nyland who was a son of the late Henry Nyland and wife, was born in Tecumseh May 16, 1867. He attended Tecumseh schools and Michigan State College in East Lansing, and in 1901 he was married to Miss Margaret Tanis of Kalamazoo. For over 40 years he was a member of the firm of Heesen Bros. and Co., grey iron manufacturers. He was also a member of the Presbyterian church and the Masonic Lodge.

Sürvivors are the widow, two daughters Mrs. Carlton R. Smith of Elyria, O., and Mrs. Harold Samuel of St. Louis, Mo., two sisters Mrs. H. B. Tallman of Tecumseh and Miss Angie Nyland of Kalamazoo, one brother John S. Nyland of Tecumseh and several grandchildren.

Civil War Vet Taken By Death

JOHN A. DUNN, 95, PASSES AWAY AT HOME OF HIS DAUGHTER IN FRANKLIN

John A. Dunn, aged 95 years, one of the few surviving Civil War Veterans and a native of Lenawee county, died Thursday night at the home of his daughter, Mrs. Reed Updyke in Franklin township. He had been in failing health for several months.

Mr. Dunn was born in Macon October 8, 1846, and was the son of William and Elizabeth Dunn. He attended the Clinton school and later served two years in Co. F., 4th Michigan Infantry, during the Civil War. After the close of the war he spent 12 years in Minnesota and Wisconsin and on March 12, 1873 was married to Miss Eunice Leep of Manchester, who preceded him in death. On his return from Wisconsin to this community he was engaged in farming until 1927, retiring at that time. He was a member of Tecumseh Masonic lodge and Knights of Pythias and also of the G. A. R. until that organization was disbanded.

Although Mr. Dunn made his home with his daughter on the farm during the summer he spent his winters at the Hotel Chief and was a familiar figure in the hotel lobby.

The daughter, Mrs. Updyke a son Vern, somewhere in the west, and four grand children, survive. Another daughter Mrs. Mertie Furgason preceded him in death.

The funeral was held Sunday afternoon at the Hause Funeral Home in Clinton. Rev. W. H. Skentelbury, pastor of the Clinton Congregational church officiated and members of Underwood-Orr Post, American Legion, of Tecumseh, conducted military services at the grave. Burial was in the Saline cemetery.

Relatives and friends from Jackson, Sand Creek, Onsted, Adrian, Ann Arbor, Saline, Tipton, Ridgeway and Tecumseh attended the services.

2 Trainmen Die In Rail Wreck

FIREMEN, ENGINEER FATALLY HURT IN CROSSING CRASH AT RAISIN CENTER

Two Wabash trainmen, engineer and fireman on a fast Detroit-St. Louis passenger train, lost their lives at 9:37 o'clock Monday morning when their train plowed into a northbound New York Central freight train on the Tecumseh-Jackson branch line, at Raisin Center, about seven miles south of here. J. A. Henrick of Peru, Ind., the engineer, was dead when removed from the wreckage. His fireman, Herbert Altman, also of Peru, died in Bixby hospital, Adrian, about three hours later from burns he suffered when the engine tipped over in the ditch along the right-of-way.

Members of the train crew of the New York Central were uninjured, although some of them riding in the caboose of the train reported that they were badly shaken up. A "knight of the road," riding the bumpers only a short distance from where the Wabash engine struck, leaped to safety before the crash. His name was not learned.

The fast St. Louis train was traveling west and was behind schedule, having been due in Adrian at 9:32. The freight was northbound, and was running about 20 miles an hour.

New York Central trainmen said that when their train entered the "block" at Raisin Center they had the green light. The block system is controlled electrically. After the crash, the signal on the Wabash track was "down" indicating that the crossing was closed to Wabash traffic.

The freight train of 14 cars was hit nearly in the middle, the heavy Wabash engine striking a box car loaded with drums of tar almost squarely. The car was hurled down the track about 200 feet, the Wabash engine plowed along the rails and finally tipped over, the tender buckling beside the engine. Another freight car was driven along side the wrecked locomotive and the baggage and mail car on the passenger tilted in the air. No other coaches of the passenger train were wrecked.

The condition of the track indicated that the brakes of the passenger train had been set long before the crash and that the train had lost considerable of its speed.

Robert Collins of Detroit, formerly of Tecumseh, was the mail clerk in the first car back of the Wabash engine that was derailed. Mr. Collins suffered bruises, but was not seriously hurt. He was in Tecumseh on Monday evening seeing friends and relatives en route to Detroit by car with his wife.

Passengers on the Wabash train said that they felt only a minor jar at the time of the wreck, and although those riding in the first coach could see that a wreck was imminent, there was no confusion. Passengers for Adrian were taken off the train and transported to their destination.

Harlan Johnson, 17, farm boy whose parents own a tract along the Wabash right-of-way is believed to have been the only eye witness to the accident. He said that he saw the Wabash flyer approaching and knew that a crash was certain. He was digging potatoes in a near-by field.

Wabash officials are conducting an investigation into the accident and hearings are to get under way in Montpelier, Ohio, either today or tomorrow. All New York Central trainmen on the freight have been summoned to appear, as well as surviving members of the Wabash crew. State and federal officials were at the scene of the wreck on Monday and Tuesday.

The news of the crossing crash spread rapidly and thousands of people visited the scene of the disaster Monday and Monday evening. Two wrecking crews were at work and the track was opened to traffic on Monday evening.

WATCHING ENEMY ALIENS

While actual sabotage has been almost nonexistent in the United States, Government intelligence agents are radically tightening their precautions against the one million enemy aliens now in this country.

With more than 900,000 Germans, Italian and Japanese aliens, according to the census registration, only 5,324 have been taken under direct government supervision. This does not include those apprehended in the recent round-up, which is continuing in various sections of the country and disclosing caches of aerial photographs, bomber-maps of strategic areas, large amounts of small arms, scores of cameras and other property which enemy aliens are forbidden to possess.

Another problem that is being given serious consideration is the immediate removal of the 140,000 Japanese living on the vital naval base Hawaiian Island of Oahu. The Navy, it is understood, is anxious to secure the wholesale removal of these Japanese. They argue that if it was necessary to withdraw Japanese from the defense area of the West Coast, it is more urgent to get them out of the defense area of Pearl Harbor.

The punishment executed upon the German saboteurs and the death sentence given the Michigan traitor is taken as a grim warning to all enemy aliens that activity hostile to the United States will not be viewed as a minor offense.

While the bulk of enemy aliens in the United States are undoubtedly anxious to avoid any criminal act, it is natural to expect that some of them will attempt overt hostile acts. The Government intelligence officers are active all the time and steps will be taken to thwart cooperation with foreign spies and agents.

CORN MEANS MILK AND MEAT

The importance of corn as an agricultural product is appreciated when we realize that upon its abundance depends adequate production of meat, eggs, poultry and dairy products. The corn-hog ratio is only one of the ratios that affects the table of most Americans.

When 1942 began, there was a reserve supply of corn. The present crop is estimated at 2,600,000,000 bushels. This gives a supply of 3,100,000,000 bushels, but as the needs of 1942 are estimated to be 2,900,000,000 bushels, the reserve of corn will fall to around 200,000 bushels sometime next year.

This is a dangerous level for corn reserves. Bad weather in 1943, resulting in a short corn crop, would seriously affect the production of livestock, dairy and poultry. The average person is inclined to overlook the affect of weather on corn production but the danger is seen when we realize that the 1942 crop will be twice that of 1934, a drought year.

For the present year, there will be sufficient corn, but if the war continues, we may witness a "plant corn" campaign in the spring of 1943. Upon the success of the corn crop next year may depend the meat, eggs and milk that the nation and its allies will need to win the war.

CAR CONSERVATION HEADQUARTERS

● Today thousands of patriotic Americans are saving their tires through a new war-time method of cross-switching. This method is built around Standard Oil Dealers' Tire Mileage Gauge, a measuring instrument for estimating the mileage left in your tires. With this estimate your dealer can place each tire where it will give the most mileage. Have him do this every 2500-5000 miles—older tires should be switched every 2500 miles to get maximum mileage from the set. It will help you get the full mileage built into your tires. ★★★ Buy United States War Savings Bonds and Stamps to help guarantee victory.

FREEZING WEATHER
JUST AROUND THE CORNER

We hate to remind you of it, but our calender indicates that it will be not more than 60 days before we may expect much colder weather—possibly freezing temperatures.

That is why we would like to discuss your repair problems with you.. If you have a roof that leaks, a porch that needs to be repaired, a window that needs a new sash, or any other job that would make your home more liveable this winter, now is the time to have the work done.

We will be very happy to figure the cost of the needed repairs with you, and to assist you in any way that we can in obtaining the necessary labor.

OBITUARY

MRS. ALICE BENNING

Alice Beevers, daughter of William and Huldah Beevers, was born in Ridgeway township July 25, 1881, and died suddenly August 11, 1942 following a heart attack while visiting her neice Mrs. Howard LaFever in Adrian, where she had made her home for 22 years. She spent her early life in Britton and Ridgeway and on August 31, 1901 was married to Herman Beening of Dundee who died in September 1921. They lived in Toledo until 1920 when they moved to Adrian. She was a member of the United Brethren church in Adrian.

Survivors are a daughter Mrs. Lucille Barnhart, with whom she made her home, one sister Mrs. Charles E. Smith of Fairfield, four brothers Adelbert, Charles, Orin and Earl Beevers, all of Tecumseh, two grandchildren, Betty and Raymond Barnhart. Her parents and a sister Mrs. Blanche Haynes preceded her in death.

Funeral services were held Friday afternoon in the Barnhart home and later in the United Brethren church. Rev. A. E. Stucker officiated and was assisted by Rev. H. B. Peter. Hymns were sung by Mrs. Ruth Conklin accompanied by MMrs. Vern Brown. Bearers were Howard LeFever, Bernard Seeburger, Beryl James, Charles Haynes, Donald and Clyde Beevers and burial was in Ridgeway cemetery. Relatives and friends from Toledo, Jackson, Wayne, Dundee, Morenci, Adrian and Tecumseh attended the funeral.

The man who yells for hot weather in January and cold weather in July is consistent; he is always against the weather, whatever it is.

COMMUNICATION

To the Editor of the Tecumseh Herald:

I noticed the poem in the August 6th issue of the Herald entitled "Mama's Boy." Perhaps this was meant to be taken in a lighter mood, but if not, I trust that it does not reflect the attitude of the majority of the Navy. If it does, it seems to me that some of us will be suffering from a case of "swelled head" before this war is over.

There are a good many men outside of the Army and Navy—not all of them "Mama's Boys"—who are performing a service to their country as great and often greater than we in the service without the benefit of the praise and glory which the public seems to feel is due to us. Some of them are on farms producing food necessary for the armed forces. Others are in factories—like the Tecumseh Products Company—helping to make the materials necessary to win the war. Certainly we need men in the Army and Navy, but right now our greatest need is for more ships, airoplanes, and tanks, and we need men to help build them. Of course the financial compensation outside of the armed forces is greater, but I hope that no one feels himself a slacker because he is running a plow or a drill press instead of marching or swabbing a deck on a "battlewagon." A certain amount of flag waving is good for our morale, but it does not mean that everyone should tie his team to the fence and start for the nearest recruiting station to enlist.

The poem seems to classify the men in the Navy as a bunch of roughnecks. I have been in for only about seven months, but so far from my experience with the officers and men it seems to me that there are as many gentlemen in the Navy as in any other occupation, and I doubt if the roughnecks make better sailors than the others. At least the others spend less time in the brig and have more time for training.

In short I think the poem "Mama's Boy" is a waste of space during the paper shortage.

I enjoy reading The Herald and look forward to receiving it each week. I especially enjoyed reading about the pageant and its success. Such affairs help the people to forget about this mess for a little while at least.

Respectfully,
Glenn C. Hendershot, SK 3-c,

LABOR POLICY

To eliminat friction and controversy, the Navy, one of the largest employers of labor in the country, will hold meetings in Washington every four months with representatives of labor from each of the Navy Yards and shore establishments for the discussion of methods of cooperation. The first meeting will occur October 1st.

FAMILIAR FLAG

Fort Lee, N. J.—Flying at the home of Mr. and Mrs. Philip Hook is the same three-star service flag which hung in their window during World War I. During the first World War, their sons William, Rudolph and the late Eugene, were in the navy. Now William, 43 and his grandfather, has enlisted in the army and his two sons, Robert and William are serving with the Marine Corps.

Congress has actually appropriated $205,000,000,000 for defense and war but we will only expend half of it by next July.

"...A SHARP ENEMY ATTACK WAS REPULSED DURING THE NIGHT..."

TODAY'S war communiques have a familiar ring to the men of your electric company. For years, they've been fighting cyclones, sleet, snow, lightning, and other natural enemies—*all around the clock and calendar.*

When real war came, they were *ready.* Ready for day and night duty. Ready to keep the lines hot with the precious electricity that powers America's war industries.

Tank, plane and ship production schedules that seemed fantastic a few months ago are being surpassed today — partly because these men knew their job so well. They knew the job because they learned it the hard way—the American way—from the ground up.

Experienced business management, built upon the savings of millions of Americans, has given this country by far the most and the best electric service in the world. It's the reason why the average American home enjoys cold milk and hot coffee, clean rugs and clean clothes, accurate time and accurate news *electrically—all for a dime a day!*

Only a free people could have accomplished that.

WED IN MONROE

Miss Dorothy Butler, daughter of Mr. and Mrs. H. N. Butler of Tecumseh, and Frank Glenn son of Mr. and Mrs. Charles Glenn of Adrian were married August 8 at the Presbyterian church in Monroe by the pastor Rev. R. W. Simpson. They were attended by Mr. and Mrs. Albert Bailey of Jasper, sister and brother-in-law of the groom.

They have returned from a trip through Northern Michigan and are making their home in the Mangus apartments on East Kilbuck St.

Don't Criticize
Your Wife's Ironing

No, Mr. Husband, your criticism of your wife's ironing job on modern shirt collars is not justified. Here's the reason:

To properly iron the modern shirt collars, special equipment is required. The old family flatiron is not enough.

If you don't like the way your shirt collars set, send your shirts to us for laundering. We'll return them with the collars looking as crisp as when the shirts were new.

LUNCHES

The idea that this war is being fought to demonstrate that all races are equal is as fallacious as the first World War conclusion that all nations were equal.

Every American should aid the scrap collection drive and help industry secure the material that it must have to produce munitions and implements of war.

Because more than 8,000,000 lunches are packed for war workers every day, Paul V. McNutt, chairman of the War Manpower Commission, asks American women to see that the lunches contain the right food to provide strength and health protection to our workers.

MECHANICS

The Army wants 100,000 skilled mechanics and technicians, from 18 to 44, to serve in the Air Force, Signal Corps and Ordnance Department. Men who enlist can expect early promotions in view of their skills.

What You Buy With WAR BONDS

The 50-caliber Browning machine gun is one of the most efficient short range weapons used by U. S. Fighting forces. It is effective at ranges up to 2,000 yards and fires about 600 forty-five caliber bullets per minute.

One of these guns costs about $1,500, while a thirty-caliber machine gun costs approximately $600. Our fighting forces need thousands of these rapid-fire guns. Even a small town or community can buy many of them by uniting in the purchase of War Bonds. At least ten percent of your income in War Bonds every pay day will do the trick.

Don't Let Your Car Waste Precious Gasoline

Today, with the threat of gas rationing, you should be sure that your automobile is not a "gas hog," that you are getting top value out of every gallon of gas you buy.

Spark plugs, proper timing, ignition, etc. must be functioning perfectly if your car returns proper gasoline mileage.

Don't waste gas—and your money, too. Bring your car to us for a thorough inspection. A minor adjustment, sometimes, corrects your trouble.

REGISTRATION NOTICE FOR GENERAL PRIMARY ELECTION TUESDAY, SEPT. 15, 1942

To the Qualified Electors of the Township of Tecumseh, County of Lenawee, State of Michigan.

Notice is hereby given that in conformity with the "Michigan Election Law." I the undersigned Township Clerk, will upon, any day, except Sunday and a legal holiday, the day of any regular or special election, or primary election, receive for registration the name of any legal voter in said Township not already registered who may Apply To Me Personally for such registration. Provided, however, that I can receive no names for registration during the time intervening between the Twentieth day before any regular, special, or official primary election and the day of such election.

The last day for General Registration does not apply to persons who vote under the Absent Voters Law. (See Registration by affidavit.)

Notice is hereby given that I will be at the Supervisor's office, 127 West Chicago Boulevard on WEDNESDAY, AUGUST 26, 1942— THE TWENTIETH DAY PRECEDING SAID ELECTION, last day for General Registration by Personal Application for said election, from 8 o'clock a. m. until 8 o'clock p. m. for the purpose of REVIEWING the REGISTRATION and REGISTERING such of the qualified electors in said TOWNSHIP as SHALL PROPERLY apply therefor.

In any township or city in which daily office hours, the township board or legislative body of such township or city may require that the clerk of such township or city shall be at his office or other designated place for the purpose of receiving applications for registration, on such other days as it shall designate prior to the last day for registration, not exceeding five days in all.

The name of no person but an Actual Resident of the Township at the time of said registration, and entitled under the Constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.

REGISTRATION BY AFFIDAVIT

Any absent voter as defined in this act, whose name is not registered and who shall claim the right to vote by absent voter's ballot at any election or primary election, may at the time of making application for absent voter's ballot, present to the Township or city clerk an affidavit for registration which shall be in substantially the following form:

FORM OF AFFIDAVIT

STATE OF MICHIGAN, County of .....ss. I..... .....being duly sworn, depose and say that I am a citizen and duly qualified elector of the township of .....in the county of..... and State of Michigan; that my postoffice address is No. ....., street..... or R. F. D. No. ....., P. O. .....; that I am not now registered as an elector therein and that I am voting by absent voter's ballot at the election (or primary election) to be held upon the ..... day of .....19...., which ballot accompanies this affidavit; that I make this affidavit for the purpose of procuring my registration as an elector in accordance with the statute; that I make the following statements in compliance with the Michigan Election Law: Age.....; Race.....; Birthplace..... .....; Date of naturalization..... .....; I further swear or affirm that the answers given to the questions concerning my qualifications as an elector are true and correct to the best of my knowledge and belief.

Signed.....

Taken subscribed and sworn to before me this....day of..... 19.....

.....Notary Public in and for the county of..... State of Michigan.

My Commission expires.....

Upon receipt of such affidavit in the time specified herein,, the clerk shall write in the registration book the name of the applicant together with the other information required by this chapter and such applicant shall thereupon be deemed to be duly and properly registered.

Note—If this acknowledgement is taken outside of the State, the Certificate of the Court that the person taking the acknowledgement is a notary must be attached.

Registration of Absentee By Oath

If any person whose name is not registered shall offer and claim the right to vote at any election or primary election, and shall, UNDER OATH state that he or she is a resident of such precinct and has resided in the TOWNSHIP TWENTY DAYS next preceding such election or primary election, designating particularly the place of his or her residence and that he or she possesses the other qualifications of an elector under the constitution; and that owing to the sickness or bodily infirmity of himself and herself or some member of his or her family, or owing to his or her absence from the TOWNSHIP on public business, and without intent to avoid or delay his or her registration, he or she was unable to make application for registeration on the last day provided by law for the registering of electors preceding such election or primary election, then the name of such person shall be registered, and he or she shall then be permitted to vote at such election or primary election. If such applicant shall in said matter wilfully make any false statement, he or she shall be deemed guilty of perjury, and upon conviction, be subject to the pains and penalties thereof.

PROVISION IN CASE OF REMOVAL TO ANOTHER PRECINCT

Any Registered and qualified voter who has removed from one election precinct of a township or city to another election precinct of the same township or city shall have the right, on any registration day, as in this act provided, on application to the township or city clerk, as the case may be, to have his name transferred from the registration of the precinct from which he has removed to the registration book of the precinct in which he then resides. Such elector shall have the right to have such transfer made on any election or primary election day, by obtaining from the board of inspectors of such election of the precinct from which he has removed, a certificate of transfer, and presenting the said certificate to the board of election inspectors of the precinct in which he then resides. In every such case of transfer the township or city clerk or the board of inspectors issuing such certificates shall cause opposite the name of such elector, to be entered in the column headed "Remarks" in such registration book, the words "transferred to precinct number——(giving the number)," together with the initials of the said clerk or some member of the board of inspectors of election, as the case may be, and the date of the transfer; Provided, That any city may provide by its charter or by resolution duly approved by a majority of the members of its legislative body for the transfer of electors herein provided on the last Saturday prior to any election or primary election at the several places of voting in the voting districts of such city instead of on election or official primary election day, and may in like manner further provide that no transfer of registration shall be received by the clerk of such city for a period not exceeding 10 days prior to any primary or election.

Theatres Join In Bond Sales

STRAND LAUNCHES DRIVE SATURDAY; SEEKS PICTURES OF LOCAL SERVICE MEN

The Strand Theatre in Tecumseh, cooperating with other theatres throughout the state and nation, will be the local spear-head in the drive for the sale of War Bonds and Stamps here during the month of September, according to an announcement today by Walter Nichols, manager.

"Our quota in Tecumseh for the month of September, insofar as the theatre is concerned, is $1,000 and we hope to far exceed it," Mr. Nichols said. "We intend to do everything in our power during the coming month to make the theatre-going public bond and stamp conscious, and as an added incentive, we plan to give four complimentary tickets with every $25 bond we sell, 10 tickets with every $50 bond and 20 tickets with every $100 bond. We also hope to sell a large quantity of stamps to our younger audience."

The month of September has been designated as a "Salute to our Heroes Month," and theatres of the nation are cooperating in the bond sales, which the treasury department hopes will hit one billion dolars nationally. In almost every theatre in the country war hero raillis are planned and special emphasis on the bond and stamp sale is being made.

Mr. Nichols also announced another feature for this theatre during the coming month, a display of photographs of local men and boys in the United States military service. The photographs will be displayed in the theatre and every mother, wife or relative of a service man who brings a picture to the Strand management for display will be admitted to the show free of charge.

"We want pictures of every man in service from Tecumseh and its trading area," Mr. Nichols said. "We want to display them in our theatre during the coming month. So, starting this week Saturday, every mother or relative of a man in service who brings a picture to us for display will be admitted to the show without charge. Pictures may be brought to us any day during the coming month."

Nationally, it was said that some 10,000 theatres will participate in the gigantic bond and stamp sale movement, and all of Hollywood has pledged its support. Movie stars will travel thousands of miles during the campaign, visiting theatres in many states and cities, including Detroit.

Considerable Damage In Friday's Storm

Considerable damage was done to trees and electrical equipment here Friday afternoon during a severe wind, rain and electrical storm that struck Tecumseh about 2:45 and continued for more than an hour. The rain fell so rapidly that storm sewers were unable to carry the water away and foot traffic across Chicago boulevard was halted for several minutes.

At the Lindbert house on North Maumee street, a tree was blown down and damaged a garage. On Mill street a tree fell across the power lines and steet lighting service was disrupted Friday night. A large tree fell in the yard at the high school and another was uprooted on the Paul Bowen property on W. Chicago boulevard. A garage at the Colvin school was blown down and a tree fell across M-52 south of Billington's Corners, delaying traffic for more than an hour.

The local street department was kept busy Friday evening and a part of Saturday cleaning up limbs that had broken from trees during the storm.

HONORS DAUGHTER

Mrs. H. E. Whelan entertained last Wednesday at a six o'clock dinner honoring her daughter Mrs. Marcus Fisher of South Bend, Ind. The guests were Mrs. Earl Hoffman of Palmyra, Mrs. Carrie Whitmarsh, Mrs. Walter German, Mrs. Carl Gritzmaker and Mrs. Mefie Kerr of Holloway, Mrs. Ernest Schuerman and Miss Alma Peterson of Adrian, Mrs. Naomi Sallows and Miss Gertrude Turner of Tecumseh.

NOTICE

Murdoch Is Named TO Rationing Board

The Rev. James C. Murdoch was named a member of the Lenawee county rationing board at a recent meeting held in Adrian, when the board was increased from three to nine members. Mr. Murdoch will serve on the panel for rationing automobile tires, tubes and retreads. Other members of the panel are Frank J. Riley of Blissfield and Francis W. Cain of Deerfield.

Automobile, bicycle and typewriter rationing wil be in charge of L. A. Kaufman, Victor L. Kelp of Hudson and George H. Baker of Adrian. Foods and sugar will be regulated by Harry Bradley, Mrs. Jennie Keeber and Rex Forrister all of Adrian.

Mr. Bradley is chairman of the county board and Guy E. Nemire of Tecumseh is executive secretary.

Man Drowned In River Here

THURMAN FLETCHER, 22 LOSES HIS LIFE WHEN HE FALLS FROM A BOAT

Thurman Fletcher, aged 22 years, a native of Kentucky who had been employed by Max Frank in Adrian about three months, was drowned Thursday night about 9:30 when he fell from a boat while fishing in the River Raisin east of the power plant dam here. Fletcher was with a group of four other young men all from Adrian. They were Haskell Lahart, Leonard Heath, Jesse Heath and Harley Scott. Fletcher, Lahart and L. Heath went boat riding and Fletcher lost his balance and fell into the water. He could not swim and drowned in spite of Heath's efforts to save him.

State police were notified and Trooper Hugh Pope of the Clinton post, assisted by Hugh Hoyt of Clinton recovered the body in about seven feet of water after two hours dragging.

Mr. Fletcher is survived by his parents, Mr. and Mrs. Elzie Fletcher of Royalton, five sisters and two brothers.

The body was taken to the Braun Funeral Home in Adrian.

Garden Club To Have Associate Members

Tecumseh Garden Club met Friday afternoon at the home of Mrs. Glenn Van Denbergh, with Mrs. F. C. Hanna, Mrs. D. C. Reesen and Mrs. Stanley Rees as assistant hostesses.

Mrs. Neil Pearson presided and roll call was answered with "a Favorite Phlox." During the business session Mrs. Frank Buck, Mrs. H. H. Hammel and Mrs. Wright were named a committee to revise the by-laws to include associate memberships. Mrs. J. K. Touborg, Mrs. Betram Updyke, Mrs. Harold Sisson and Mrs. Floyd Heesen were announced as new members. Mrs. F. C. Hanna will have charge of Sunday morning tray bouquets for the hospital in place of Mrs. R. F. Helzerman, resigned. Mrs. C. C. Ruppel reported on new flowering plants and exhibited specimens. Participation in the Harvest Festival for army and navy relief was also discussed.

Mrs. Frank Buck read an excellent paper on "Phlox" prepared by Mrs. Robert H. Moore, which was followed by a general discussion on the "Growing of Phlox." A corsage contest was held with 12 entries. Mrs. C. H. Giltner was awarded first prize for a corsage of red, white and blue verbenas, made by Jean Marie Herrick; Mrs. O. W. Laidlaw was awarded second prize and Mrs. Pearson, third. The judges were Mrs. George Parsons and Mrs. L. W. Blum, guests at the meeting. Refreshments were served in conclusion.

GETS HERALD WEEKLY

Carroll Conklin, who is with the U. S. Army in Australia recently sent his parents Mr. and Mrs. John Conklin, a souvenier from that country, a pen and holder hand carved from Australian wood, shaped like the old quill pen, and very light weight. He writes that the sheep in that country are very fine, although it seems odd to see them plough with ten horses abreast. He describes Sydney as one of the nicest cities he has seen. He also stated that he receives the Tecumseh Herald regulary each week.

Girl Is Injured When Hit by Car

JUDITH JOHNSTON, AGED FIVE, IN HOSPITAL; TWO OTHERS HURT IN ACCIDENTS

A five year old girl wa sadly injured when she was hit by an automobile, and two men were injured, in a series of accidents in this vicinity during the past week.

Judith Johnston, five-year-old daughter of Mr. and Mrs. Kenneth Johnston, was seriously injured Sunday when she ran into the road and directly in the path of an automobile driven by Irwin Wild of Saline. The child was playing and ran from behind a tree, evidently not seeing the automobile which was unable to stop in time to avoid striking her.

The accident occurred near the home of Mr. and Mrs. Claire Rhoades, one mile west of Macon, where the Johnstons were visiting. The child was bought to Tecumseh hospital where she remained in an unconcious condition until Tuesday. Her injuries consist of a broken shoulder, broken ribs, back, leg and head injuries and a slight concussion.

She had rallied Tuesday evening and recognized her parents but more examinations are to be made.

Donald Blatchford of Clinton was brought to Tecumseh hospital Saturday night for injuries received when his car and another driven by Charles Nichols collided at "Kissing Hollow" north of Tecumseh on M-52. He suffered cuts about the head and face and after treatment remained at the hospital until Sunday noon. Mr. Nichols was not seriously hurt.

Donald Thomas of Clinton was treated at Tecumseh hospital Sunday for head and back injuries received in a fall at his home. After treatment he returned home.

Clinton Resident Dies In Tecumseh Hospital

Mrs. Margaret Ann Linden, aged 73 years, a resident of Clinton, died early Friday in Tecumseh hospital, where she had been a patient for five months. Mrs. Linden was formerly Margaret Ann Sproull and was born in Bridgewater township. She had spent her whole life in Clinton and vicinity and was a member of the Clinton Methodist church and the Royal Neighbors.

She had four brothers Henry Sproull of Kalamazoo, William Sproull of Saline and Jesse and George Sproull of Clinton, and several neices and nephews.

The funeral was held Sunday afternoon at her home in Clinton, Rev. S. H. Berry officiating. Bearers were Clifford Preston, Russell O'Hara, Victor Sproull and Lawrence Escott.

Relatives from Kalamazoo, Detroit, Morenci, Saline, Tecumseh, and Adrian attended the services.

Mrs. M. E. Bice, Aged 95, Buried In Brookside

Mrs. M. E. Bice, aged nearly 95 years, widow of the late Henry Bice, both former residents of Tecumseh, died Friday night in a Flint hospital after a years illness. Mr. and Mrs. Bice operated a bakery in Tecumseh for many years. Mr. Bice has been dead for some time and Mrs. Bice has recently made her home with a son in Fenton.

She leaves two sons Bert E. Bice of Ridgeway, and Frank Bice of Fenton, six grand children Mrs. Ethel Nuffer, Fred Bice and Mrs. Alberta Teske of Grand Ledge, Mrs. Iris Phillips of Mt. Clemens, Mrs. Ona Frederick of Portland and Mrs. Marian Johnson of Denver, Colo.

Funeral services were held Monday in Fenton and the body was brought here later for burial in Brookside cemetetry, where Rev. Alvin Brazee conducted services at the grave.

WED BY JUSTICE

Miss Vera Pennington daughter of Mr. and Mrs. William Pennington of Tecumseh and Gale Lemerand of Britton were married Saturday morning by Justice of the Peace Clyde A. Barber at his home on west Chicago Boulevard. They will reside in Tecumseh. Mr. Lemerand is employed at Tecumseh Products Company.

PROMOTED

Fort Sill, Okla., Aug. 24 (Special) Warren L. Puffer, son of Mr. and Mrs. R. W. Puffer, 216 W. Kilbuck, Tecumseh, Michigan, has been promoted to a Sergeant in the 47th Field Artillery Battilion at Fort Sill, Okla.

Harold Clark of Toledo, formerly of Tecumseh, and a brother of Bernard and Eddie Clark, has joined the U. S. Coast Guard and is now stationed at Wilmington, Calif.

Dr. R. F. Helzerman To Join Army Sept. 1

Dr. R. F. Helzerman is leaving September 1 for Selfridge Field to enter the Army Air Force. He received his 1st lieutenant's commission a month ago and was officially called to service August 22.

Dr. Helzerman opened his office here August 26, 1936, and closed his practice yesterday on his sixth anniversary in practice.

The family will remain here for the present but plans to join him later if possible.

League Names Fee President

LENAWEE PATRIOTIC LEAGUE IS ORGANIZED; JONES IS TECUMSEH MEMBER

H. A. Fee of Adrian, was named as president of the Lenawee County Patriotic League, permanently organized at a meeting in Adrian, Tuesday evening. Other officers are Dr. James Foreman, Clinton, first vice president, Val Fisher, Hudson, second vice president, E. A. Ballenberger, Adrian, acting secretary, and Russell McAfee of Adrian, treasurer.

Patterened after the old league that operated during the first World War, it will be the purpose of the new organization to raise funds for all war relief. This year's quota in Lenawee, Mr. Fee indicated, will amount to 30,900.

Other members of the board of directors of the county wide organization are: H. A. Fee, Russell McAfee and E. A. Ballenberger of Adrian; Wade L. Jones of Tecumseh; Charles Figy of Morenci; Val W. Fisher of Hudson; J. J. Bekanan of Clayton; Bert Jackson of Addison; Harold F. Rohrback of Blissfield; Dr. James R. Foreman of Clinton; Ford J. Exelby of Britton; F. W. Cain of Deerfield; E. P. Burcham of Onsted and four representatives of the county at large, who were appointed by Jacob Moore of Deerfield, chairman of the Lenawee county board of supervisors. They are E. Clark of Morenci; W. E. Swick of Macon; E. J. Fatchett of Riga, and Mrs. J. M. Darling of Manitou Beach.

Miss Ardis Harkness Weds Jas. Hathaway

Miss Ardis Harkness and James Hathaway, both of Tecumseh were married last evening at 7:30 in the parlors of the First Presbyterian church by the Rev. James Cameron Murdoch. They were attended by Miss Dorothy Vroman of Northville and Paul Sheldon of Tecumseh.

The bride was gowned in white satin with Sweetheart yoke and a finger tip veil and carried a fan bouquet of white asters and roses. Miss Vroman wore light blue taffeta.

A reception for 45 guests was held immediately following the ceremony and refreshments included a lovely wedding cake, circled with gladiolus and pink roses and topped with a nosegay and a miniature bride and groom.

Mr. and Mrs. Hathaway left later on a trip through Northern Michigan and on their return will make their home in the Will apartments on South Union street. Both are employed at the Willow Run bomber plant near Ypsilanti.

Mrs. Karl Schneider was hostess at a dessert party and towel shower for the bride to be on Tuesday evening and during the past week Mrs. Jean Smith and Miss Thelma Jean Feight entertained at a miscellaneous shower. The party was held at Wamplers Lake where the Smiths were vacationing. A group of office workers at Willow Run also gave a party for the couple last week at Walled Lake.

SEE CANADIAN MOVIES

J. D. Moore of Blissfield, was the speaker at this week's meeting of the Tecumseh Rotary Club, Tuesday at Brees House. Mr. Moore told of a fishing trip he made to Canada a year ago, and illustrated his talk with motion pictures. A guest of the club was John R. Zeigler, who has purchased the law offices of the late Glenn L. Williams.

NEED SEWING WORKERS

The local Red Cross is badly in need of sewing volunteers, having received a new shipment of garments to be made. The articles may be taken home and are needed as soon as possible.

POSTPONED MEETING

The post poned meeting of the Pythian Sisters Past Chiefs Club will be held Wednesday, September 2, at the home of Mrs. Opal Brady, with a pot luck supper at 6:30.

NOTICE

My office will open for collection of accounts until further notice.

Funeral Friday For B. J. Pulver

LOCAL DRUGGIST, DEAN OF LOCAL BUSINESS MEN, DIES SUDDENLY, TUESDAY

B. J. Pulver, local druggist, died suddenly of a heart attack at 9:05 o'clock Tuesday evening while in the down town district. Although in poor health for several months, his death came as a decided shock to the community. He was at his store all day Tuesday and was in the best of spirits. He was aged 67 years.

Mr. Pulver, who was the son of the late J. E. and Sophia Pulver, was born June 19, 1875, at Somerset, Michigan, and had spent his entire life in this vicinity. He had owned and operated a drug store here for 45 years, and was the oldest business man in point of service in Tecumseh. He was a member of the local Baptist church, a life member of Tecumseh Lodge, F. & A. M., also a member of the Order of the Eastern Star. Mr. Pulver was the first president of Tecumseh Rotary Club, also a past president of the Commerce Club and Tecumseh Club and at the time of his death was chairman of the executive board of the State Pharmaceutical Association. He served on the village council for eight years and was a director of the Tecumseh State Savings Bank for 10 years.

Survivors are his wife, Mrs. Ethel Springer Pulver, two sisters, Mrs. Lulu Ruthruff and Miss Bessie Pulver, all of Tecumseh, two neices Mrs. Elizabeth Wilson of East Orange, New Jersey, and Miss Dorothy Ruthruff of Marshall, also several cousins.

The funeral will be held at the Collins Funeral Home, Friday afternoon at 2:30 o'clock. The Rev. James C. Murdoch will officiate and Masonic committal services will be conducted at the grave in Brookside cemetery. Friends may call at the Pulver residence on North Union street until noon on Friday.

Business places in Tecumseh will be closed beginning at 2:15 p. m., Friday, for two hours, during the funeral services.

Series Of U. S. O. Parties Are Planned Locally

A series of U. S. O. benefit parties are being planned for next week to be held at Brees house on South Evans street, the proceeds to be used for gifts for boys in service over seas. These boxes must be packed by October 15 for overseas shipment.

The parties are to be held Wednesday, Thursday and Friday afternoons from 2 till 5 and Friday evening at 8 o'clock. On Wednesday, tables will be arranged for bridge; Thursday, pinochle, Friday, bingo, and on Friday evening a popular party will be held. All prizes awarded will be artices suitable for service men and may be turned over for the U. S. O. shipment. Donations will also be accepted.

It is hoped to organize a U. S. O. unit here and plans will be made to hold the parties each month if successful in the first venture.

Funeral Service Held For Frank Nyland

Funeral services for Frank Nyland were held Saturday afternoon at the Collins Funeral Home, Rev. J. C. Murdoch officiated and bearers were Clyde Bailey, Leroy Titley, A. W. Porter, Arthur Eaton, C. A. Barber and John H. Smith, members of Tecumseh Lodge, F. and A. M. Masonic services were conducted at the grave in Brookside cemetery by Earl Lindsley.

Among those from away who attended the funeral were Mr. and Mrs. Carlton R. Smith and family of Elyria, O., Mrs. Harold Samuel of St. Louis, Mo., Mr. and Mrs. Frank Niessink and Mrs. Frank Pierce of Kalamazoo, Mr. and Mrs. John Tanis of Detroit and Mr. and Mrs. Earl Pennington of Ridgeway.

ANNUAL PICNIC

The annual business men's picnic held Thursday afternoon at Sutton's Crossing was attended by 50 local business men and their employees. Soft-ball pitching, quoits and other out door sports afforded amusement.

EVER READY CLASS

The Ever Ready Class of the Baptist church met yesterday at the home of Mrs. Silas Spitler for a picnic supper and business meeting.

PAST MATRONS CLUB

The Past Matrons Club of the Order of the Eastern Star will meet Friday for one o'clock luncheon and regular meeting at the home of Mrs. Lavern Russell in Britton.

Takes Over Business As Son Joins Navy

During the absence of George E. Green Jr., manager of the Belding Funeral Home, who has enlisted in the United States Navy, the active management of the business is in the hands of Mr. Green's father, George E. Green of Jackson, who with Mrs. Green has moved to Tecumseh. Mr. Green, Jr., enlisted in the Navy last Saturday, and on Monday was sent to Great Lakes, Ill., where he has a rating of pharmacist, third class.

Mr. Green Sr., who was a partner in the Belding Funeral Home, has for 21 years been associated with the Wetherby Funeral Home at Jackson, of which he is the secretary-treasurer. He has been a funeral director for some 25 years, and is a graduate of Worsham College, Chicago, as is his son. Mrs. Green also is a licensed embalmer, having received her degree in 1925.

John R. Zeigler Buys Law Office

BLISSFIELD ATTORNEY OPENS OFFICES OF THE LATE GLENN L. WILLLIAMS

John R. Zeigler, formerly of Blissfield, has purchased the law offices of the late Glenn L. Williams in the Gaston building, and is now in practice in Tecumseh.

Mr. Zeigler, a member of the Lenawee County Bar Association, is a graduate of the Detroit College of Law, and also attended Pennsylvania State College. He practiced law in Detroit until 1938 when he went to Blissfield, where he practiced until this week. During the World War No. 1 he was a member of the United States Marine Corps.

Mr. and Mrs. Zeigler and their 15-year-old daughter plan to move to Tecumseh in the near future.

Miss Frances Williams, who assisted her father in the law offices, has accepted a position in Mr. Zeigler's office.

Former Teachers, Pupils Of Lanning In Reunion

Former teachers and pupils of the Lanning school, Raisin 1 fr., held their second reunion Saturday at the school. Seventy were seated for the dinner in charge of Mrs. Leslie Becker and committee. Howard Matthews presided at the business meeting when the following officers were elected: Howard Matthews, president; Percy Van-Valkenberg, vice president; Mrs. Leon Van Valkenberg, secretary; Mrs. Herman Titley, assistant secretary; W. G. Bryan, treasurer. It was decided to hold next year's reunion at the same time and place.

Hart's Indians To Meet Milan

HIGH SCHOOL GRID PRACTICE TO START AUGUST 31; FIRST GAME SEPTEMBER 18

The Tecumseh high school grid team for the 1942 season will get into practice on Monday morning, August 31, at 9 a. m., and on September 18 will play the first game of the season at Recreation Center against the Milan eleven. Coach Neville Hart announced the practice session this morning and said that at the next Monday meeting at the high school all suits and equipment would be issued.

The grid schedule for the local Indians is rapidly shaping up and the second game will be on September 18 with Hudson, there. The local boys will meet a new school this year, Michigan Center, probably a week after the Hudson game.

"It's too early to predict for this year," Coach Hart comented, "but it remains a fact that we have some mighty good timber, and that we have four letter men on the '42 string. The letter men are Harvey Proctor, back, Jack Brown, tackle, Bill Sisson, guard, and Clift Jackson, all county guard last year. Malcolm Bagshaw, who won his letter in his sophmore year and who was unable to play last year because of illness, will be in the line-up this fall."

The opening game here this season, against Milan, will be played under the lights at Recreation Center. The gridiron this year is in excellent condition, and the seating arrangement has been improved.

"We drew record breaking crowds at all of the games here last year and I believe that last year's records will be shattered this year," Hart commented. "Night football is very popular and Tecumseh's modern gridiron and unusual lighting is certain to prove a great attraction."

Coach Hart said that he would announce Tecumseh's complete schedule for the 1942 grid season within a week.

Miss Mary Drake Is Is Bride of Jack Hanna

Miss Mary Drake, daughter of Mr. and Mrs. E. T. Drake, and Jack Hanna, son of Mr. and Mrs. Joseph M. Hanna all of Tecumseh, were married Sunday at 1 o'clock at the home of the brides parents on south Oneida street. The single ring service was read by the Rev. James C. Murdoch in the presence of the members of the immediate families.

The bride in a street length dress of dark blue velveteen, with a corsage of orchids, was attended by her sister Miss Ruby Drake of Fostoria, O., as bridesmaid. The latter wore jewel tone velveteen with a shoulder bouquet of Talisman roses. William Hanna was his brother's best man.

Immediately following the ceremony a long distance call was received from the bride's brother Pvt. Austin Drake who is stationed with Army Air Corps at Sioux Falls, South Dakota. Private Drake congratulated the newly weds and also talked to his parents.

Preceding the ceremony Mrs. Harold E. Drake of Staunton, Va., presented a 15 minute recital of nuptial music. Following the ceremony a reception was held for 30 guests. Mrs. Carl Link, of Fostoria, O., presiding at the coffee urn and Mrs. Robert Hanna and Mrs. William Hanna, serving the refreshments.

Mr. and Mrs. Hanna left later on a trip through Northern Michigan and on their return will reside in Tecumseh.

Mrs. Hanna graduated in 1936 from Fostoria high school and for some time has been employed in the Philco office at Tecumseh Products Company. Mr. Hanna is a graduate of Tecumseh high school and is now employed by the Bendix Corporation at Wayne.

Guests from away who attended were Mr. and Mrs. Harold Drake and family of Staunton, Va., Mr. and Mrs. Carl Link and daughter and Miss Ruby Drake of Fostoria, Ohio.

DROP IN LIVING STANDARD

You, as a customer, can do something about that ever-present bogey, the high cost of living, by taking advantage of the information that is being distributed by retail stores in all fields.

The chain systems pioneered this kind of work, and thousands of independent stores have joined in. In the food field, retailers are co-operating aggressively in the National Nutrition Campaign. Through advertising, handbills, posters, store displays, etc., they are showing the house wife how she may prepare nutritious, soundly-balanced and appetizing meals at minimum cost. As nutrition experts have long pointed out, a good diet need not be costly, and many costly diets are inadequate in the minerals and vitamins the body needs for health. Some of the least expensive foods are richest in vitamin content, and they may be prepared and served in a wide variety of forms to avoid monotony.

In other fields, stores are doing a similiar good work. Shortages of metals, certain kinds of cloth, rubber and other items have made it necessary to produce and sell substitutes. The stores have cooperated with manufacturers and chemists in developing the best and the least expensive substitutes for scarce and costly commodities. As time goes on, more and more substitutes will appear, and retailers can advise you on their merits.

Retailers are doing a big job in minimizing the drop in our standard of living, to the benefit of both your health and your pocketbook.

WHAT WE WANT IS TIRES

The charge that oil companies have deliberately blocked the production of artificial rubber for mercenary reasons is an example of political buck-passing of the worst type.

One of the largest oil companies recently stated categorically that it "supports and will fight for just one program for the production of synthetic rubber. That is, whatever program the government adopts to give our nation the most rubber in the shortest time, from any raw material whatsoever, and with the least possible drain on vital construction materials." That is the policy of the industry generally.

What has delayed the synthetic rubber program is inexcusable political manhandling. Bureau after bureau has stuck its finger into the pie. The public has been fed one conflicting opinion after another. Only recently has any order come out of the chaos, and only recently has any real start toward solving the problem been made.

Whether synthetic rubber can best be made from petroleum, grain alcohol or anything else is a chemical problem, not a political problem. The oil industry, like the rest of the country, wants results. Its interest, like the interest of all of us, lies in getting tires in the shortest possible time, irrespective of the process used to manufacture them.

ADEQUATE INSURANCE
The Only Protection Against Windstorms

This is a picture of a bad wreck—the result of windstorm May 29, 1942. This was a fine barn, owned by Clara Olin and Olive B. Hagens, located in Wheatfield Township, Ingham County. The Michigan Mutual of Hastings promptly paid the loss, $3,187.26.

During the last three years—1940-41-42—the policyholders of this company have had losses by windstorms of more than $1,850,000.00—(and four months of 1942 still left, and no one knows what the losses may be before 1943).

The equitable adjustment and prompt payment of these tremendous losses could have been made only by a company well prepared to meet such a circumstance. The Michigan Mutual of Hastings paid all these heavy losses just as promptly as humanly possible, and without increasing the assessments or borrowing money.

BE SECURE! — INSURE! The cost in the Michigan Mutual is as low as safety will permit.

Take the Guess Work Out of Repairing

How often have you heard it said? "My repair bill was about twice as much as I had expected."

That's where we come in. There's really no need for a repair bill to be twice as much as the estimate—or be even a third more than the estimate. The trouble is in the estimate—the person who made it didn't know his costs.

We will be happy to discuss your repair problems with you and to give you estimates as to material costs that are accurate to the penny.

We have been in the lumber business for years—we have sold materials for thousands of repair jobs, we know our costs by heart.

Take the guess work out of your repair work—and let us suggest that if you have repair work DO IT NOW. Government restrictions have been lifted to permit repairing, but stocks are limited.

We will be happy to be of any service to you.

WOULD YOU DO THIS JOB FOR

A DIME A DAY?

AND when you and the carpet are *both* worn to a frazzle, would you clean the oil lamps . . . and do a week's wash on a knuckle-bruising board . . . and run down to the springhouse after milk and butter . . . *all for the same 10c?*

"No bargain!" you say. But electricity does *all* these jobs and *more*—for a dime a day or *less*—in the average American home. What's more, that dime's value has grown so steadily that today it buys about *twice* as much service as it did 10 or 15 years ago.

Probably that's the biggest bargain in the world! It developed over the years in a distinctive American pattern.

Business men with vision built electric companies to supply service. Other men with faith invested their savings so the companies could grow. That created more jobs and more customers at lower costs.

Today, under proved and practical business management, America enjoys the most abundant electric power in the world—power for production that will help win the war—*power that will enrich the life of every one in peaceful years to come.*

Listen, Ladies--
Men Prefer Our Work

Maybe your husband has never told you but we'll be willing to wager that he honestly prefers our work to yours—when it comes to laundering his shirts.

We can starch them according to personal preference, and we know how the modern fabrics should be ironed that he may get full value of appearance.

Send us his shirts next week for a trial. You'll be doing yourself a favor and we know that he will be throughly satisfied.

Let Us Supply Your Canning Needs-
This year we are at war—a war such as this country has never seen before—an all out war that is demanding genuine sacrifice.
As a result housewives are doing more canning and pickling this year than ever before. The housewives are holding the home front.
It is our job to supply housewives with the necessities for canning. And we are in a position to do that job. We have the cans, the can tops, vinegar, spices, etc., in fact everything necessary.

Gasoline Rationing
May Be Just Around the Corner
Yes, the rationing of gasoline is now in effect in the East and in Canada, and it may be "just around the corner" for us in Michigan.
If gasoline is rationed, it behooves you to see to it that your car is working perfectly—that you are getting the most miles possible out of the least number of gallons.
Bring your car to us for a check-up. Don't delay longer.

The American Weigh . . .

War Time Means Sacrifice

For some of us, it means the supreme sacrifice---life; for others, the sweat of a rush production job, or the heartache for a son or husband or sweetheart who is away.

Sometimes, in the darkness, we wonder if it is all worthwhile. We ask, "What is it we're fighting for?" The answer is; A WAY OF LIFE---THE AMERICAN WAY!

Let us weigh our way against their's!

For Comparisons, Read Item One in the First Column; Then Item One in the Second Column, and so on

OUR WAY

1. FREEDOM OF SPEECH. We say what we please . . . without penalty.
2. FREEDOM OF PRESS. *Voluntary* self censorship.
3. FREEDOM OF RELIGION. We may worship as we please.
4. FOOD AND DRINK. No serious restrictions.
5. CLOTHING AND SHOES. Minor restrictions on cut and materials. No serious restrictions on shoes.

AXIS PROPAGANDA QUOTE: *"The democracies are decadent and unable to look after their own . . ."*

What Do You Think?

THEIR WAY

1. NO FREEDOM OF SPEECH, Death penalty for violation.
2. NO FREEDOM OF PRESS. Press and radio seized. Opposition stifled.
3. NO FREEDOM OF RELIGION. Hitler replaces God.
4. FOOD AND DRINK. *Ration per person:* two eggs monthly; two ounces of butter each week; 2.2 pounds of meat monthly; one-half pint of milk daily.
5. CLOTHING AND SHOES. Strictly rationed. Civilians ordered to wear wooden shoes.

AXIS PROPAGANDA QUOTE: *"We are bringing a new and better way of life to the world . . ."*

REGISTRATION NOTICE FOR GENERAL PRIMARY ELECTION TUESDAY, SEPT. 15, 1942

To the Qualified Electors of the Township of Tecumseh, County of Lenawee, State of Michigan.

Notice is hereby given that in conformity with the "Michigan Election Law," I the undersigned Township Clerk, will upon, any day, except Sunday and a legal holiday, the day of any regular or special election, or primary election, receive for registration the name of any legal voter in said Township not already registered who may Apply To Me Personally for such registration. Provided, however, that I can receive no names for registration during the time intervening between the Twentieth day before any regular, spcial, or official primary election and the day of such election.

The last day for General Registration does not apply to persons who vote under the Absent Voters Law. (See Registration by affidavit.)

Notice is hereby given that I will be at the Supervisor's office, 127 West Chicago Boulevard on WEDNESDAY, AUGUST 26, 1942— THE TWENTIETH DAY PRECEDING SAID ELECTION, last day for General Registration by Personal Application for said election, from 8 o'clock a. m. until 8 o'clock p. m. for the purpose of REVIEWING the REGISTRATION and REGISTERING such of the qualified electors in said TOWNSHIP as SHALL PROPERLY appear in any township or city in which daily office hours, the township board or legislative body of such township or city may require that the clerk of such township or city shall be at his office or other designated place for the purpose of receiving applications for registration, on such other days as it shall designate prior to the last day for registration, not exceeding five days in all.

The name of no person but an Actual Resident of the Township at the time of said registration, and entitled under the Constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.

REGISTRATION BY AFFIDAVIT

Any absent voter as defined in this act, whose name is not registered and who shall claim the right to vote by absent voter's ballot at any election or primary election, may at the time of making application for absent voter's ballot, present to the Township or city clerk an affidavit for registration which shall be in substantially the following form:

FORM OF AFFIDAVIT

STATE OF MICHIGAN. County of ..... ss.' I..... ..... being duly sworn, depose and say that I am a citizen and duly qualified elector of the township of ..... in the county of..... and State of Michigan; that my postoffice address is No. ..... street..... or R. F. D. No. ....., P. O. .....; that I am not now registered as an elector therein and that I am voting by absent voter's ballot at the election (or primary election) to be held upon the ..... day of .....19...., which ballot accompanies this affidavit; that I make this affidavit for the purpose of procuring my registration as an elector in accordance with the statute; that I make the following statements in compliance with the Michigan Election Law: Age....; Race.....; Birthplace.....; Date of naturalization..... .....; I further swear or affirm that the answers given to the questions concerning my qualifications as an elector are true and correct to the best of my knowledge and belief.

Signed.....

Taken subscribed and sworn to before me this....day of..... 19.....

.....Notary Public in and for the county of..... State of Michigan.

My Commission expires.....

Upon receipt of such affidavit in the time specified herein, the clerk shall write in the registration book the name of the applicant together with the other information required by this chapter and such applicant shall thereupon be deemed to be duly and properly registered.

Note—If this acknowledgement is taken outside of the State, the Certificate of the Court that the person taking the acknowledgement is a notary must be attached.

Registration of Absentee By Oath

If any person whose name is not registered shall offer and claim the right to vote at any election or primary election, and shall, UNDER OATH state that he or she is a resident of such precinct and has resided in the TOWNSHIP TWENTY DAYS next preceding such election or primary election, designating particularly the place of his or her residence and that he or she possesses the other qualifications of an elector under the constitution; and that owing to the sickness or bodily infirmity of himself and herself or some member of his or her family, or owing to his or her absence from the TOWNSHIP on public business, and without intent to avoid or delay his or her registration, he or she was unable to make application for registeration on the last day provided by law for the registering of electors preceding such election or primary election, then the name of such person shall be registered, and he or she shall then be permitted to vote at such election or primary election. If such applicant shall in said matter wilfully make any false statement, he or she shall be deemed guilty of perjury, and upon conviction, be subject to the pains and penalties thereof.

PROVISION IN CASE OF REMOVAL TO ANOTHER PRECINCT

Any Registered and qualified voter who has removed from one election precinct of a township or city to another election precinct of the same township or city shall have the right, on any registration day, as in this act provided, on application to the township or city clerk, as the case may be, to have his name transferred from the registration of the precinct from which he has removed to the registration book of the precinct in which he then resides. Such elector shall have the right to have such transfer made on any election or primary election day, by obtaining from the board of inspectors of such election or primary election of the precinct from which he has removed, a certificate of transfer, and presenting the said certificate to the board of election inspectors of the precinct in which he then resides. In every such case of transfer the township or city clerk or the board of inspectors issuing such certificates shall elector, to be entered in the column headed "Remarks" in such registration book, the words "transferred to precinct number———— (giving the number)," together with the initials of the said clerk or some member of the board of inspectors of election, as the case may be, and the date of the transfer; Provided, That any city may provide by its charter or by resolution duly approved by a majority of the members of its legislative body for the transfer of electors herein provided on the last Saturday prior to any election or primary election at the several places of voting in the voting districts of such city instead of on election or official primary election day, and may in like manner further provide that no transfer of registration shall be received by the clerk of such city for a period not exceeding 10 days prior to any primary or election.

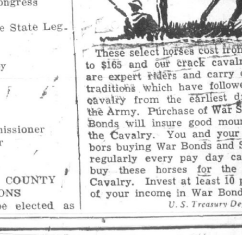
Ten per cent of your income in War Bonds will help to build the planes and tanks that will insure defeat of Hitler and his Axis partners.



Hitler found out that his high powered mechanized and motorized army bogged down in the snow and mud of the Russian Winter. Although our Army is largely mechanized the cavalry horse is still a highly essential factor in this mounted division and in the Field Artillery. The Army also maintains remount farms where many cavalry horses are bred and raised.

These select horses cost from $100 to $165 and our crack cavalrymen are expert riders and carry on the traditions which have followed the cavalry from the earliest days of the Army. Purchase of War Savings Bonds will insure good mounts for the Cavalry. You and your neighbors buy War Bonds and Stamps regularly every pay day can help buy these horses for the U. S. Cavalry. Invest at least 10 percent of your income in War Bonds.

"Christ Jesus" will be the subject of the Lesson-Sermon in all Christian Science Churches throughout the world on Sunday, August 30.

The Golden Text (John 1:17) is: "The law was given by Moses, but grace and truth came by Jesus Christ."

Among the Bible citations is this passage (John 1:29): "The next day John seeth Jesus coming unto him, and saith; Behold the Lamb of God, which taketh away the sin of the world."

Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p. 332): "The Christ is incorporeal, spiritual,—yea, the divine image and likeness, dispelling the illusions of the senses; the Way, the Truth, and the Life, healing the sick and casting out evils, destroying sin, disease, and death."

THE TECUMSEH HERALD

NINETY-SECOND YEAR—NUMBER FORTY-NINE | TECUMSEH, MICHIGAN, THURSDAY, SEPTEMBER 3, 1942 | FIVE CENTS PER COPY

School to Open September 9th

SESSIONS START AT 9 A. M. ON OPENING DAY; OTHER RULES ARE OUTLINED

The new school year for Tecumseh children will commence Wednesday morning, September 9, at nine o'clock.

Following the opening session the time schedule given below will be observed. The morning session for all children attending at the Central building will begin at 8:15. The elementary grades in this building will be dismissed at 11:30 for the noon recess and the junior and senior high school classes will be dismissed at 11:45. The afternoon session for the same groups will begin at 1 o'clock and the dismissal times will be at 3:30 for the elementary grades and 4 o'clock for the junior and senior high school classes. The school day for the children at the branch buildings will, with slight variations for the various grades, extend from 8:45 in the morning to 3:30 in the afternoon with the period from 11:15 to 12:45 for the noon recess. The kindergarten class will again be divided into two sections with half day attendance for each section.

The West Branch building will again house the kindergarten with Mrs. Dorothy Updyke as teacher, a section of the first grade with Mrs. Mary Wolf as teacher and a section of the second grade with Miss Bertha LaPointe in charge. Parents living west of Evans St. are requested to enroll their children for these grades at the West Branch Building.

Two rooms of the East Branch building will again be used for children in grades one and two living East of Evans Street and for one section of the third grade. The rooms in this building have been decorated during the summer months and an automatically controlled heating plant has been installed for the comfort and safety of the children who attend. The teachers in charge will be Mrs. Alice Hamilton and Miss Margaret Roberts.

Children in grades four, five and six must enroll at the Central building. Teachers in charge will be Miss Virginia Carlsten, combination third and fourth grade; Miss Elizabeth Cole, fourth grade; Mrs. Cora Pfaus, fifth grade; and Miss Bernice Parker, sixth grade.

Junior and senior high school students will meet in the high school assembly room to receive initial instructions regarding enrollment procedures and the classes will then be broken into groups under the direction of counsellers who will assist the students in their enrollment and program problems. Rural pupils who desire to enroll in the high school before the opening day of school will be able to do so in the office of the high school principal on Friday and Saturday mornings, September 4 and 5. Such advance enrollment is not, however, necessary.

Four new teachers have been employed for the coming school year to replace those who have resigned. The new teachers are: Mrs. Alice Hamilton of Britton, who has taught previously in the Britton public school; Miss Margaret Roberts of Grosse Pointe Park, an experienced teacher who comes from the Pontiac public school system; Miss Virginia Carlsten of Bryan, Ohio, and a former teacher in the Sylvania public school system; and, Miss Jean Moulding of Wilmette, Illinois, who will replace Miss Humphrey in the music and art position. Other teachers who will not be here next year because of resignations are Miss Gladys Starr, Mrs. Ethel Truesdale, and Mrs. Elsbeth Appleton.

Other teachers who will again serve in the Tecumseh Public Schools are: Mrs. Ayesha Laidlaw, Mrs. Lois Service, Mrs. Hazel Dickinson, Miss Jane Elliott, Miss Louise Van Dommelen, C. R. Dustin, Alvin Brazee, Aden Mead, Paul Johnson, George Parsons, Fred Raizk, Neville Hart and Clare Camburn. Mrs. Helen Sager will again serve as secretary to the superintendent, W. L. Berkhof, and Mrs. Helen Bowen will again have charge of the high school library and serve as secretary to the principal, Mr. Dustin.

Parents are urged to enroll their children promptly in order to avoid delays which often prove costly to the child. It is also advisable that parents consult with the book dealers before purchasing text books for their children in of the fact that a few changes in texts have been deemed necessary to provide up-to-date teaching material.

Teachers and administrative officers of the schools once more invite the same splendid coopera-

To Tell of War On Burma Road

VERCIA PITTS COX OF KUNMING, TO SPEAK AT FRIENDS CHURCH, SUNDAY

"Life Amid Bombs on the Burma Road" will be the subject of an address to be given Sunday evening by Vercia Pitts Cox, at 7:30 at the Tecumseh Friends Church. Mrs. Cox, who lived for five and a half years in Kunming, the capital of Yunnan Province, on the Burma Road, will relate some of the experiences through which she passed in the months of extensive bombing of this ancient Chinese city. Day after day she saw U. S. supplies on U. S. trucks passing through that city from morning until night. Prior to the war all supplies had been carried on the backs of men and donkeys.

Kunming is the old name that has been regiven to Yunnanfu, the capital of Yunnan Province. This city is 717 miles from Lashio, and 739 miles from Chunking, the war capital of the Chinese republic. Some of the things about which Vercia F. Cox will speak are: The amazing morale of the Chinese people; the rapid changes in the social, educational, political, and religious life of the people, the building of roads etc., in China. Mrs. Cox will use a map of the Burma Road to illustrate her address which is open to the public.

Lack of Teacher May Halt School

FRACTIONAL DISTRICT SCHOOL FACES PROBLEM; OTHER SCHOOLS ARE OPEN

Nearly all of Lenawee County's rural schools opened Monday as planned, only 12 remaining closed until September 14, pending the approval of teaching certificates by the State Department of Public Instruction. Only one school, Adrian No. 3 fr., faces the necessity of closing because of the lack of a teacher, and if it closes, the 17 pupils will be sent to Onsted or Adrian Schools. School No. 15 in Adrian township, which has been closed for several years, has reopened with 15 pupils enrolled.

School supplies were distributed Saturday to 160 teachers by Mrs. E. T. Armstrong, county school commissioner at a teachers meeting held at the court house in Adrian. A proposal to introduce a milk program in the rural schools was discussed. Under the project, school children could purchase half pint bottles of milk at school for one cent per bottle, the state government paying the remainder of the cost. Whether or not the program is adopted depends on the response from the various districts in answer to questionnaires sent out.

Free Movie Tickets Offered by Theatre In Three Campaigns

Playing the leadership role in the War Bond and Stamp sale in Tecumseh during the month of September, the Strand theatre launched two campaigns this week to further the drive.

Manager Walter Nichols has announced that all service men in uniform who visit his theatre during the month will be admitted without charge. Only the federal amusement tax need be paid.

The second campaign at the theatre is the display of pictures of all men from Tecumseh and its trading area, who are in service. These photographs are on display in the theatre lobby. Any father, mother, relative or friend of a service man who brings his picture to the theatre for display during the month of September will be admitted without charge. Already a large number of pictures have been received by the Strand management.

"This month, you know, is 'A Salute to Our Heroes Month,'" Mr. Nichols said, "and our theatre's bond quota has been fixed at $1,000. I hope to double the amount at least. We have adopted as our slogan, 'Salute to Our Heroes Month begins with the pledge of each of us to give the best we've got to the fighting '30 fighting days' during which America will buy bonds to honor every Mother's son in Service.'

"With every $25 bond we sell we are giving four complimentary tickets; with every $50 bond 10 tickets, and with every $100 bond we give 20 tickets. We are going to put our quota far over the top and show the state that Tecumseh is in reality the biggest little town on earth."

Service Prices Must Be Filed

RATIONING BOARD EXPLAINS PROCEDURE IN STATEMENT ISSUED TODAY

A statement covering ceiling prices of services of consumer, agricultural, and industrial services must be on file in your place of business by September 1, 1942 and a duplicate filed with the War Price and Rationing Board No. 46, at the courthouse, Adrian, by September 10, 1942, based on the highest prices charged during the month of March, it was warned today.

Among the more common services covered by the new regulation at all levels—retail, industrial and commercial—are the repair and rental of automobiles, trucks, buses tractors, trailers, small or portable electrical appliances, bicycles, business machinery, store and kitchen equipment, and the developing and printing of photographs.

Consumer services covered include shoe repairing, dry cleaning, hat blocking and cleaning; repairs to hosiery, mothproofing; rental of food lockers; fur storage; picture framing; repairs to sewing machines, washing machines and radios; and the sharpening of tools, knives and lawnmowers.

Services covered by the regulation and of particular interest to farmers are the repair of farm machinery; commission selling, grinding, mixing, bagging, fumigating and sampling of grain done on a custom basis; baling hops, processing of vegetable or fruit nuts; and the cleaning, mixing and bagging of seed.

Industrial services covered include stevedoring; customhouse brokers' services; freight consolidating, car loading and unloading, rental of transportation, equipment, and servicing of merchandise for shipment, except when performed by common carriers; milling or drying of lumber by custom mills or dryers; steam cleaning and sand-blasting of buildings; and lubrication, maintenance and rental of aircraft.

After September 1, 1942, operators must keep this statement at hand, available for examination by any person during ordinary business hours. They must file a copy of this statement either in person or by mail on or before September 10th with the War Price and Rationing Board.

The regulation requires that the list be kept up to date and complete by adding to it descriptions, prices, rates, and pricing methods and charges for all services sold by you for the first time after March, 1942, which are not the same as or similar to, or are not priced by the same rate, or same pricing method and charges, applicable to services for which prices have already been filed. If a new business a statement must be prepared within ten days and filed in 20 days.

For further details as to forms, procedure, etc., contact the War Price and Rationing Board No. 46, Courthouse, Adrian.

LOWER AGES EXPECTED

The draft ages, now between twenty and forty-four inclusive, will be extended to include an estimated 3,000,000 youths in the 18 and 19 year classification.

While there is no way to foretell when Congress will lower the draft age, such a step seems to be certain if the war continues into next year. It seems to be almost a certainty and, consequently, young men of eighteen and nineteen may accept the advice which General Hershey recently gave to men with no other dependents than wives. He told them to "begin making arrangements now" to enter the Army.

While many of us will regret to see the lads of eighteen and nineteen put into military service, the exigencies of the war seem to demand it. Henry L. Stimson, Secretary of War, told the House Military Committee last December. "The traditional age for liability for military service in this country is eighteen to forty-five."

The Army and Navy, it is expected, will advise that the draft age should be lowered.

ENTITLED TO FIRST PRIZE

A lady in Iowa, it seems, is doing her worrying early. A news dispatch from Sidney, Ausmtralia, reports her plea to an Australian newspaper, asking it to do all possible to "prevent marriages between United States soldiers and Australian girls."

The basis of the plea is that "already thousands of American girls face spinsterhood and lives of loneliness because of a shortage of marriageable men occasioned by the war."

This letter is entitled to first prize in any contest that seeks to discover the world's best, and earliest, worrier.

DEATHS FROM ALCOHOLISM

The death rate from alcoholism, in this country, in 1940, was 1.9 persons for every 100,000 population.

Prohibitionists will immediately point out that is nearly double the 1.0 rate for 1920, the first year of the Volstead Act. Anti-prohibitionists will say that it much less than the 4.0 rate of 1927 and 1928, when prohibition was in "flower."

Actually, the Census Bureau says the low rate in 1920 cannot be attributed to prohibition, since it evidenced a decline that began two years before. Moreover, the Bureau concludes that the repeal of the Eighteenth amendment did not "greatly affect" the death rate for alcholism.

Whatever the outcome of the argument, or debate, most Americans will rejoice that the present rate is much less than the 7.0 ratio that existed in 1907.

Lot owners should cut the weeds and keep their premises in a reputable state; when they decline, the law should move in.

24 HOURS at WORK For VICTORY

There's a battle being fought today; a battle against time, which we alone must win. Soldiers—of the home-front—are fighting this battle, 24 hours a day.....shoulder to shoulder.....every day.....in the spirit with Johnny "over there."

Give these men and women the tools they need for Victory by buying all of the War Savings Bonds and Stamps that you can. It's the home front's way of pledging to the boys on the war front that we're with 'em with everything that we have.

Incidentally, its our job here ae completely with the home-front and building supplies to cooperate completely wth the home-front. We're doing all in our power to keep our service intact despite the war—to render the best possible war-time service to our customers. There are times, due to conditions, that there are delays. Please be patient.

ALTES Lager in the new QUART bottles

So get that big bottle habit! Split each one with a friend or someone in the family. It's just like "doubling up" in motor cars, to save gas and tires.

And you'll find it easier now to keep supplied with Altes bottle beer. Restrictions on the use of metal caps have been met partially by introducing a much larger bottle — the quart — which lets 3 caps do the work of 8!

What's more, Altes *costs less* in the big bottle, and you can get *more* of it in your refrigerator!

One thing sure — you'll never have any trouble finding someone to share Altes with you! This superb brew is made in sealed vats—aged in air-tight casks. Nothing harmful can get in—all the delicious flavor is thoroughly protected.

Remember — no other beer can offer this. So ask for Altes in the war-time quart, today!

BUY U. S. BONDS AND STAMPS

MAN OF THE MOMENT!

In this race against time, in this fight of Democracy against totalitarianism, labor is the balance of power; the laboring man is the key man.

Today's struggle is being won not only on the field of battle but in the field of industry, on the farm, and by millions of civilians doing a hundred-and-one everyday tasks that must be done. Everywhere there is a cry for "More guns! More planes! More ships! More clothing! More food! More---more---more!"

Our men in the armed forces know that their comrades on the home front are seeing to it that there is a continuous supply of all these things so necessary to Victory.

This is no easy job for there is no miracle in war . . . no magic wand to wave that will destroy our enemies. Work is the only true miracle. It is the miracle that will save America!

We must match machine for machine, and then out-match, outwork, out-class, out-wit the enemy!

Liberty, Justice and Freedom are being forged in the shops, on the farms, and in business by the man behind the man at the gun---the man of the moment! To him we dedicate this day . . . LABOR DAY! To him we dedicate our faith--- our future!

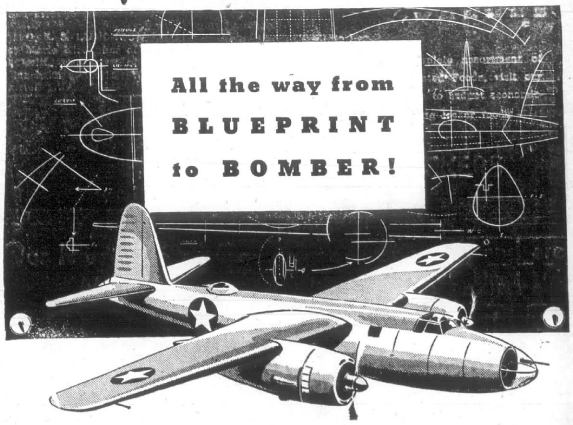
Salute To THE WORKING ARMY Of America



* From the first bueprint to the finished bomber, skilled American labor and power speed the production lines that are making America supreme in the air.

* In every other war industry as well, Uncle Sam outproduces the Axis because he commands the greatest supply of skilled labor and electric power in the world.

* Todays tremendous electric power advantage didn't just happen. Seven-eighths of it was built up by business management under public regulation —by men with a real incentive to work, create, succeed—and by the savings of millions of Americans invested in the electric industry.

* As the industry grew under the American system of business management, it employed more and more people, and served more and more people—at lower and lower price. Today, the average American home enjoys about twice as much electric service as it did 10 or 15 years ago—for the same amount of money.

* The many other industries that make America great grew the same way—under proved and practical business management. That way of life is a part of what this country's fighting for—and a big reason why we'll win —because every one of our 133 million people has a personal stake in it!

NINETY-SECOND YEAR—NUMBER FIFTY | TECUMSEH, MICHIGAN, THURSDAY, SEPTEMBER 10, 1942 | FIVE CENTS PER COPY

Legion Cannon Goes For Scrap

WORLD WAR FIELD PIECE WILL HELP TO MAKE BULLETS TO FIGHT THE AXIS

A three inch field piece—a souvenir of World War No. 1—and which for some eight years has been a familiar sight to motorists on West Chicago Boulevard, yesterday was turned over the federal government to become scrap for bullets with which to fight the Axis. The gun, the barrel of which weighs some 2,600 pounds, was turned over to the government by a local American Legion Committe It will be dismantled with the aid of acetylene torches and removed within the next week or 10 days.

The presentation of the cannon to the Lenawee County W.P.A. Rural Scrap Project was made here yesterday by an Underwood-Orr Post committee made up of Albert Hammond, Lillard Brown and Paul Keyser. The gun was accepted by Richard Goff, chairman in Lenawee County for the War Production Board's Scrap Metaal Drive, and F. S. Anderson, superintendent in the county for the W.P.A. rural Scrap Project. The Legion post here also contributed a caisson and machine gun that was its property.

The relic of the first world war was bought to Tecumseh from the Rock Island Arsenal some eigt years ago. Since that time it has set on a cement base in the boulevard opposite the public library.

"The government needs scrap metal and needs it badly to carry on the fighting during the winter months," was Mr. Anderson's comment. "Every pound of scrap collected means four pounds of steel for our soldiers.

"The War Production Board is sponsoring a house-to-house canvass in the W. P. A. rural scrap drive in an effort to collect every possible pound of metal. The government is asking owners to either give or sell the scrap for he war effort. We pay $7 for scrap metal, regardless of the type, and haul it from the farms."

Persons who have scrap metal which they will give or sell to the government are urged to mail a postcard to F. S. Anderson, Box 171, Adrian. A truck will be sent to the home or farm for the scrap material.

SHERIFF SCOTT SHOWS MOVIES TO ROTARIANS

Hart is Ready To Meet Milan

HIGH SCHOOL GRID SQUAD NOT UP TO LAST YEAR'S, DUE TO LOSS OF MEN

Coach Neville Hart's Tecumseh high school football eleven is in daily practice this week, preparatory to playing its first game of the 1942 season with Milan high under the lights at Recreation Center here, Friday, September 18. The game will be called at 8:30 p. m.

"We have only four lettermen on the squad this year and our prospects aren't to good," was the way Coach Hart summed up his forcast for the approaching season. Of course, he was thinking back to last year when Tecumseh produced one of the best teams in the state, and walked away with the county championship, defeated and unscored upon.

"But just because we have a light line and some inexperienced men is no sign htat we will not be in there fighting," the coach continued. "Our line this year will be a tough one, but we have a tough team to meet, Milan. Milan didn't lose a man this year through graduation, and they outweigh us."

Coach Hart believes that if the the Indians can survive the Milan game they will make an excellent showing during the remaining games. The schedule calls for a second game in Hudson, September 25, and a game here with Michigan Center on October 2. On October 9 the Indians play Clinton there and on the 16, St. Mary's in Adrian. October 23 the Indians meet Manchester there and on the 30th Morenci plays here. The final game, November 6, is with Blissfield, here.

The following boys are fighting for a berth on the Tecumseh lineup: Ends, Bagshaw, Smith, Schneider, DO. Murdoch; tackles, Brown, Jackson, Laidlaw, Hoekstra; guards, G. Murdoch, Winter, Sisson, Brandt, Beaubien; centers, Underwood, Brazee; quarters, Proctor and Schneider; halves, Osburn, Taylor, Van Valkenburg, Coffey; full backs, Collins and Sisson.

The four lettermen on the lineup are Proctor, Brown, Jackson and Sisson, Proctor and Brown are the co-captains.

Pay Your Dues Meeting Opens Music Club Year

Tecumseh Music Club opened the season with a "Pay Your Dues" meeting Friday evening at the home of Mrs. Maynard Mulvany.

Mrs. W. G. Waldron, chairman of the home group, was leader for the evening and presented the following program: instrumental numbers" Old Rugged Cross" and "God Will Take Care of You", by Ronald, Jeanette and Charles Goodcare on cornet, clarinet and trombone, with Mrs. Goodcare at the piano; duet "She'll be Comin' Round the Mountain" by John Sisson and Mrs. Sisson; solo "Mighty Lake a Rose" (Nevin) by Mrs. Barnes, accompanied on the violin and piano by Jack and Florence Barnes; Shubert's "Ave Maria" and "Elegy" (Massenet), by Herbert Fisher and Helen Claus, violin and cello, with Mrs. Fisher at the piano; violin and piano "Blue Danube" (Strauss) and "Old Black Joe" (Foster), by John Murdoch and Mrs. Murdoch; piano duet 'Ballet from Rosamund" and "Gondoleri (Nevin), by Winona and Joyce Waldron. Refreshments were served after the program.

The next meeting will be held in the home of Mrs. Clarence Fisher, with the hostess as leader for the evening.

Zeigler is Named as Attorney For Village

John R. Zeigler was named as village attorney, when the council met in regular session, Tuesday evening. The appointment was made by Mayor J. Floyd Elliott. Mr. Zeigler recently moved to Tecumseh from Blissfield, and purchased the law offices of the late Glenn L. Williams.

The council also approved two other appointments made by the mayor, both of them in the police department. Roy Prichard and Floyd Woodcox were named to the local police force.

Authorization for the installation of a necessary addition to the heating plant at Tecumseh hospital was granted. The cost of the improvement will be $586.

There was little other business to come before the council, except for the auditing of current bills and the reports of committee and department heads.

New Bake Shop Will Open Here

PAUL MAVES OF CLINTON IS OWNER; TO SERVE ICE CREAM AND LUNCHES

Paul Maves, who for two years has operated a bakery in Clinton, announced today that he would open a new bakery in Tecumseh on Saturday of this week. The new shop will be located in the old A. & P. store on East Chicago boulevard and will be known as the Bake Shop.

Mr. Maves, who is a baker of many years experience, declared that his store here in addition to handling a complete line of baked goods, also would serve lunches and sandwiches and feature home made ice cream.

The furnishings and fixtures of the Clinton store, formerly operated by Mr. Maves, have been moved to Tecumseh and the store here has been remodeled and redecorated to suit the new owner's plans.

Miss Joanne Poucher is Bride of Dale Parlette

Miss Joanne Poucher, daughter of Mr. and Mrs. Bernard Poucher of Tipton and Dale Parlette, son of Mr. and Mrs. Jesse Parlette of Adrian, were married Saturday evening at 8 o'clock by the Rev. Norman MacNaughton at the Methodist parsonage here. Their attendants were Miss Jean Poucher, sister of the bride and James Parlette, brother of the groom.

Following the ceremony a reception was held at the home of the bride's parents, with guests attending from Detroit, Adrian and Clinton.

Mr. and Mrs. Parlette left later for Detroit where he is employed and where they will make their home.

The bride is a graduate of Tecumseh high school and also attended Adrian College. She was employed at the Wehr Pharmacy fountain for some time.

Meetings Resumed

Tecumseh chapter, Order of the Eastern Star resumed regular meetings Thursday evening after the summer recess, with officers of the Lenawee-Monroe Association as guests.

During the business sessi on five membership applications were voted on and a memorial service was held for Mrs. W. S. Dickinson and B. J. Pulver. Announcements was made of the Lenawee-Monroe Association meeting November 6 in Hudson.

The guests included Mrs. Gladys Russell of Britton; A. K. McLouth of Hudson; Mrs. Blanche Haldeman of Addison; Mrs. Ella Gruber of Palmyra; Mrs. Etha Jeffrey, Mrs. Ella Braun and Mrs. Clara Eldredge of Adrian, also others from Toldeo and Homer.

There will be initiation of candidates at the next meeting on October 1.

KITCHEN SHOWER

Miss Gwendolyn Kring was hostess recently at a kitchen shower for Miss Helen Yenor who was married Saturday to Charles Beland. Games were the diversion and refreshments were served in conclusion.

CULBERTSON P. T. A.

The Culbertson P. T. A. will hold its first meeting Friday evening September 11, at the home of Mrs. Don Cleveland, with Mr. and Mrs. John Kopka in charge of the program. Ice cream and wafers will be served.

1 Dead, 5 Hurt In Car Mishaps

MAN FATALLY INJURED IN ACCIDENT ON US-112; 30 SUMMONS ARE ISSUED

One man was killed, five persons were injured and 30 summons for speeding were issued in Lenawee County over he holiday weekend. Seven accidents were reported.

John D. Yates, 23, colored, was killed instantly Sunday afternoon at 1 o'clock when the car in which he was riding skidded and overturned on U S-112 west of Cambridge. A fractured skull was the cause of his death. Mrs. Yates, 19, suffered hip injuries. Wendell Abel, 18, also a passenger, suffered broken ribs and a fractured collar bone. They were removed to Tecumseh hospital and later to their homes in Chicago. Other occupants in the car were Granville Davis and Howard Slaughter and Bernice Cooper.

Mr. Yates was an employee of the Wilson Packing Co., His body was removed to Chicago.

A car belonging to Mrs. Martha Severance of Tecumseh was damaged Monday evening when it collided with another driven by Louis F. Carey of Adrian in that city. The latter was given a summons for failing to yield the right of way.

Mrs. Nicholas Yenor and four year old son Harry were brought to Tecumseh hospital Friday and treated for injuries suffered when their car collided with a truck at the Meads corner, south west of town. Mrs. Yenor was badly bruised and the child was treated for head injuries. They later returned to their home.

A car driven by Mr. and Mrs. John Brauch skidded and overturned near Birdsall early Monday evening. They were on their way to Arian when the accident occurred. No one was injured and after the car was righted they continued on their way.

Cameron Buys Pulver Store

TOLEDO PHARMACIST TAKES OVER BUSINESS OWNED BY THE LATE B. J. PULVER

John C. Cameron, Toledo pharmacist, this week purchased the drug store formerly operated by the late B. J. Pulver. He announced that in the future the store would be known as the Cameron Drug Company.

Mr. Cameron, who has been in the drug business for many years, for the past 15 years had been associated with the Rupp and Bowman Company of Toledo. He is married and has three children, and plans to move his family to Tecumseh in the very near future.

The new owner announced that he would continue all departments of the drug store as had been the custom in the past, and also declared that the Rexall franchise would be maintained.

Charles Beland Weds Miss Helen Yenor

Charles Beland of Tecumseh and Miss Helen Yenor of Adrian were married Saturday evening at the home of the groom's parents, Mr. and Mrs. C. C. Beland west of town. The service was read by Rev. Two Boys Are Injured While Playing in Alley

"Chuckie" Des Ermia and Elroy Vanderpool, both seven years old, were cut and bruised, Tuesday, when they were run over by a car while playing in the alley back of the W. D. Hite store. The boys were on the ground in front of a car parkel there by Carl Hyatt, who came out of the store and started to drive away. He stopped at once when he heard the boys' cries and dragged them from beneath the machine. They were treated for cuts and bruised and returned to their homes.

Two Girls Shot Farmer is Held

WATERMELON PATCH SHOOTING ON SATURDAY RESULTS IN INJURIES AND ARRESTS

Lois and Joyce Covell, both of Tecumseh were brought to Tecumseh hospital Saturday night for treatment of gunshot wounds received while five boys with whom they were in company, were fired upon while fleeing from a watermelon patch on the Herb Roff farm near Birdsall.

Lois was shot in the thigh and Joyce received a wound in the right arm near the wrist. The boys in party were Thomas Gittus, Meredith Smith, Louis Downing and Bernard Clark of Britton, and Robert Kanitz of Milan. Gittus and the girls remained in the car while the other boys were in the melon patch.

After the shooting was reported Roff was questioned and admitted the shooting, stating that several raids had damaged his melon patch in the last few nights. The patch was raided again Sunday night.

Mr. Roff was taken to the county jail and was arraigned before Justice Franklin J. Russell Tuesday on the charge of felonious assault, intentional discharge of firearms and reckless use of firearms. He demanded an examination and was released after furnishing bond of $1000. The examination is scheduled for Friday morning.

Downing, Smith and Gittus were also arraigned Tuesday on a charge of trespassing. Downing and Smith pleaded guilty to trespass and Gittus pleaded guilty to aiding and abetting the other two boys. All paid fines of $5 and costs of $5,75 rather than spend 10 days in jail. Clark and Kanitz were not held by the state police.

What You Buy With WAR BONDS

Winter flying jackets for both the Army and Navy Air Corps are regular equipment for our aviators. They cost from $12 to $18 and are made of horsehide leather lined with sheep shearling.

Purchase of one $18.75 War Bond, for which you receive $25 in 10 years, will pay for one of these jackets so necessary for our airmen flying at high altitudes and in northern climes. So you and your neighbors can do your bit by investing at least 10 percent of your salary every pay day in War Bonds to help pay the cost of this equipment for intrepid American flyers. Join the parade, and help top the War Bond Quota in your county. U. S. Treasury Department

School Opens 635 Enrolled

STUDENTS LIST WILL BE LARGER THAN THAT OF A YEAR AGO, BERKHOF BELIEVES

With 635 pupils enrolled for study in the Tecumseh public schools and with the opening day "hubub" a matter of hisory, W. L. Berkhof, superintendent, said this morning that every class in all grades is now meeting its teachers regularly and that regular lessons would be assigned, beginning today.

"Our enrollment this year on the opening day was approximately the same as last year at the end of September," Mr. Berkhof said. "This would lead us to believe that the enrollment by the end of this month will increase by from 25 to 40 pupils, giving the schools a record enrollment. We are crowded for room and some minor adjustments will be made to accommodate the new pupils. However, everything is functioning smoothly."

Mr. Berkhof said that despite the state-wide teacher shortage the local school system is not in need of help. Four new teachers were added to the staff this year, Miss Jean Moulding is the new music and art instructor. Miss Virginia Carlston is teaching the combined third and fourth grades, Miss Margaret Roberts the third grade, and Mrs. Alice Hamilton the combined first and second grades.

The kindergarten class this year has 36 pupils, the first grade 48, second, 44, third, 46, fourth, 49, fifth, 36, sixth, 45, seventh, 49, and eighth, 47. In the high school the ninth grade as 50 enrolled, the tenth has 70, the 11th has 54 and there are 61 members of the senior class.

The schools opened here on Wednesday morning at 9 o'clock but beginning this morning all pupils attending the Central building reported to their classes at 8:15 a.m. Mr. Berkhof said that the board of education is considering a time change at the Central building, because the War Time Schedule will mean that pupils must report to the school in morning darkness during the winter months less the opening schedule is advanced. He said that he did not know what change would be made or when, but he did say that the board was seriously considering starting school a half to three quarters of an hour later and closing the day's session about 4:45 p.m.

Primary Vote Will Be Light

SHERIFF'S CONTEST IN THE COUNTY IS ONLY ATTRACTION FOR THE ELECTORS

With only one contest to attract the attention of electors in the primary election on Tuesday, September 15, politicians today were forecasting an unusually light vote in all precincts of Lenawee county.

The single contest which will be decided at the polls next Tuesday is in the race for the sheriff's nomination on the Republican ticket, Sheriff Roscoe Scott, who is a candidate for nomination, is being opposed by Elmer Bringman of Morenci, and Harry Rogers of Adrian. Bringman is a deputy sheriff and Rogers is a former deputy.

In Tecumseh and the township, voting will be in the usual place, the council building on South Evans street. The polls will be open from seven o'clock in the morning until six o'clock in the evening.

RENT CONTROL NEEDED

The fact that Tecumseh is without a federal regulation controlling rents within its limits is giving some landlords an opportunity to demand rentals from tenants far in excess of what the property is worth. And due to the shortage of houses, some of these money-hungry landlords are using the threat of eviction to make their rent-increase effective.

The Herald has received several inquiries of late from tenants who face rent increases, asking if there is in effect in Tecumseh some type of federal rent ceiling. We are sorry to say that there is not. Four or five counties around the Detroit industrial area have rent ceilings. Tecumseh tenants, however, are without federal protection and there is nothing, except the landlord's conscience, to keep rents from skyrocketing.

Beyond question, some landlords here will disagree with us on the rent profiteering charge but we still believe that a house that has a sale value of $2,500 is not worth $40 a month of anybody's money. That is a return of about 19 percent on the investment, a return that would be hard to justify before a price ceiling board.

We believe in a fair rental for property and Tecumseh property for several years has been renting far below its actual value. We do not blame owners who two and three years ago were drawing small rents from their property endeavoring at this time to raise their rents to a figure that will guarantee a fair return on the investment plus taxes, insurance, maintenance, etc. But the fellow who wants to boost his rent every other month just because he knows he can collect it, and then threatens his tenants with eviction if they do not pay the increase is, in our opinion, out of step.

In areas where rent ceilings are in effect, the rent collected on March 1, 1942, is the ceiling price that can be demanded. Evictions are out the window, unless the landlord desires to occupy the property himself, or the tenant is a nuisance. That is the government's way of halting rent-profiteering.

And one way that Tecumseh might put a stop to the everincreasing rentals is for the village assessor to note some of the rents now being charged and assess the property for tax purposes at a figure that would be in keeping with the landlord's own idea of the value of his house and lot. We'll bet some of them would howl loudly, because the shoe would be on the other foot.

However, it's a poor rule that doesn't work both ways.

STOREKEEPERS AND THE WAR

This country owes a debt of gratitude to the retail industry. For no industry has known a more aggressive and cooperative spirit in dealing with the tremendous problems imposed by our war economy. That goes for chain stores, independent stores, department stores and all other accepted forms of retail distribution.

Long before Federal price control was adopted, retailing in general went to work to hold prices down. Whenever possible, it lowered its operating costs and passed the savings on to the consumer. In many instances, it voluntarily reduced its own modest margins of profit in order to control prices. It is a significant fact that, over a long period of time, wholesale prices increased to a far greater extent than retail prices. In other words, had retailers increased their mark-up on the basis of the wholesale price index, the cost of living would have been substantially higher than it actually was.

As shortages and priorities became more severe, retailers took the lead in advising consumers on how to select and use suitable substitutes. They issued factual information which showed the consumer how to make many kinds of articles last longer. And in the food field, retailers are an important factor in advancing the National Nutrition Campaign, which is designed to guide the housewife in preparing healthful, appetizing meals at minimum cost.

Today, retailers are proving their abilities as salesman of War Stamps. A short time ago, a "Retailers for Victory" drive was started, in which all kinds and sizes of stores participated. The object is to sell $1,000,000,000 worth of War Stamps and Bonds each month for the duration. Reports on the early weeks of the campaign show that, as usual, America's retailers are doing the job with complete and spectacular success.

Your store, in short, is more than just a place where goods are bought and sold in routine fashion. Retailing is working to protect the consumer to the ultimate of its abilities on the hand—and to give maximum service to the war effort on the other.

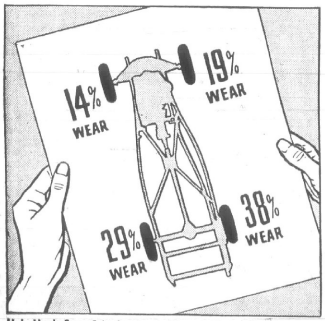
THOUSANDS OF MOTORISTS ADOPT NEW WARTIME METHOD OF TIRE SWITCHING!



Based on the fact that tire wear varies on each wheel

● TIRE SWITCHING is a common sense practice at any time. Now it's vitally important. It's the very basis of longest life for your set of tires. For no two tires will wear at the same rate on your car, and your hope is to keep them *all* in service. But do you know *when* to switch tires . . . and to *which position?*

Have your Standard Oil Dealer supply the right answer with his new wartime method of switching tires. He will "gauge" your tires with a special measuring instrument, Standard Oil Dealers' Tire Mileage Gauge. Then he will place each tire where it will give the most service. Have this repeated every 2500 to 5000 miles (older tires at 2500) to get maximum mileage from the set.

Fortify The Home Front
By Keeping Your
Buildings In Repair

Our Lumber Stock Is Complete
For Every Purpose

At the war front on the Continent, in England and in Russia, our men of the Military are working 24 hours out of every day fortifying their positions. In the air, on land and sea nothing is left undone to defeat the enemy.

Here at home, we must fortify too. We must keep the home front intact, awaiting the day when the war will be over and we turn our thoughts to a peace time program.

That is why we urge you not to neglect your buildings at this time. Your government has granted certain priorities. You are permitted to buy critical materials for maintenance. You do not need to neglect your home, your barns because of war effort.

We will be glad to assist you in your repair program and to figure costs with you.

And with your extra Dollars—Buy Bonds and Stamps.

An Announcement
of a
Change in Ownership
We desire to announce that we have purchased the B. J. Pulver Drug Store, an institution that for more than 45 years served Tecumseh and its trading area in a highly ethical and professional manner.
We are indeed proud of the reputation and the high regard in which the public held the Pulver Drug Store. Our inventory of the stock of drugs, supplies and sundries on the shelves of the Pulver store prove conclusively the high standard of merchandise offered for sale. The fact that the Pulver store held the Rexall Franchise and displayed the Rexall Emblem is nother mark of distinction and public confidence.
It will be our policy to continue to serve Tecumseh and its trading area in the same high ethical manner in the future as was the custom of the Pulver store in the past. We welcome to our store all of the Pulver customers; we desire to make their acquaintance.
We will continue to dispense the same high quality of drugs—the best that money can buy—and we promise the same prompt, courteous service to customers, whether they be laymen or doctors.
We shall continue with the Rexall Franchise and will dispense Rexall Products.
Our paint, wallpaper and book departments will continue without interruption.
We invite old customers of the Pulver store to call upon us for service. To those who have not made the store their shopping center, we extend a cordial welcome.
Our motto is "Service, never sacrificing quality."

School Time Means
An Increase In Laundry
Yes, Mother, we realize that school-time means added laundry in your home; more dresses and blouses, more shirts for Johnny, more of everything.
But don't let it worry you. You can bring your laundry to us and take all of the work right out of your home.
Inquire about our economical family budget plan or, if you desire, we can finish your laundry completely.
Prices—so low they'll surprise you.

Lack of Scrap Is War Threat

U. S. At Bottom of Metal Barrel; Americans Must Cooperate In Scrap Search

By Gene Alleman

Lansing, Sept. 17.—Uncle Sam has scraped the bottom of the barrel for steel metal.

Unless plain Americans everywhere, in thousand of villages and towns and cities, and on thousands of farms everywhere, dig down into their own scrap barrel, American boys will go without vitally needed tanks and airplanes and other arms of war and our Allies may be deprived of weapons with which to fight our battles before we can open our Second Front.

That's a pretty long sentence, but it may be a longer one—as a dictator would impose it—if we Americans fail to deliver. But it's the plain truth.

Four Michigan newspapermen were invited to attend a conference in Washington a few days ago. They came from Detroit, Ironwood, Grand Rapids and Lansing. We happened to be one of them.

Traveling to Washington these days is no picnic, we assure you.

We couldn't get sleeping accommodations out of Washington at all, although we made our reservations one week in advance. Finally, at the last minute while in Washington, we managed to get accomodations on another railroad.

We arrived at the capital at 8:20 a.m. and left at 5:20 p.m.—just long enough to hear this unusual story.

Government Officials, headed by Donald Nelson, chairman of the War Production Board, reiterated the urgent need for more scrap iron. They were all "big shots."

Lieut. General Brehon Sommervell, the commanding general for services of supply, and Vice Admiral S. M. Robison, chief of bureau of procurement and material, both stressed the imperative importance of getting more metal to the steel mills in the next 60 days.

Elmer Davis, director of the Office of War Information, said the war could be won quicker if a "great part of the effort comes from the grass roots"—the people themselves—in getting every ounce of scrap out of their homes and their farms. And that means old shovels, rakes, washing machines, irons, machinery—anything that contains iron.

A hard-hitting industrialist, whose language consisted of short, blunt words and whose broad jaw reminded us of a bull dog almost "stole the show".

"We have at last struck the bottom of he barrel," said R. W. Wolcott, president of the Lukens Steel company and chairman of the American Industries Salvage committee." The steel mills of the United States have only a two weeks' supply of scrap. The scrap is in the hands of the people. It is gold to the steel mills. Only a miracle can prevent reduced steel operations within the next few months."

Here was a realistic picture of America's plight.

Two weeks! And our war effort is just getting under way.

America's tremendous problem in arming itself while it supplies lend-lease arms to Russia, Australia, England, China and others was outlined by Donald Nelson.

Here was a man whose soft pleading voice did not do justice to the vast economic powers which he wields. A dictator would have been ashamed to plead with newspaper editors as he did humbly and modestly at this conference in Washington.

"We're not doing a good job yet at winning the war," he said. "Our enemies have accumulated tremendous reserves—Japan in eleven years, Germany in eight or nine years. With our left hand we have to help arm our Allies, and with our right hand we have to produce and equip for our own American army and navy, and at the same time maintain our own economy and sustain it all."

Why the shortage of scrap iron? Well, here is one answer, and it may surprise you. American industry and American labor are doing the job in fewer operations than even the engineers foresaw.

Capacity production has not been reached. More scrap iron is needed. If the scrap iron can be found in homes and farms, and there are literally millions of tons of it available there today, American factories can produce MORE tanks, MORE airplanes, MORE cannons and other essential armament for our Yanks and Allies overseas and our army at home. That's the story, folks. Newspapers have been invited to tell it to you to see that this metal is turned over to Uncle Sam. Do your part.

School Time Change Is Up To Berkhof

The board of education, in session Tuesday evening, left in the hands of Superintendent W. L. Berkhof the program of regulating the hour of the opening of school in Tecumseh, under the War Time Schedule.

Mr. Berkhof said that because, within a month or so, due to War Time, it will be necessary for children to report to school in the darkness, if the opening time is allowed to remain at 8:15, it is entirely probable that the schedule will be moved up about 45 minutes, making the opening time 9 a.m. However, Mr. Berkhof said that he had nothing definite to announce at this time, but would await a Lansing conference this weekend with state officials.

The board also voted to close the school here on Friday, September 25, for the Lenawee County Fair.

Indians Nurse Many Injuries

3 PLAYERS NEED DOCTOR'S CARE BUT TEAM IS DETERMINED TO DOWN MILAN

Hopes for a win over the Milan high school football eleven when they invade the Indian Gridiron at Recreation Center here tomorrow evening at 8:30 suffered a severe set-back last night when it was discovered that Tecumseh high school's regular tackle, Cliff Jackson, would be out of the lineup because of a foot infection.

"If this were the only trouble we were having, but it isn't," moaned Grid Coach Neville Hart. "Co-captain Harvey Proctor, quarterback, is nursing a sprained ankle, and Jack Osburn is suffering from a cracked rib. Proctor is responding to treatment, as is Osburn, and it is possible that both boys will be in the game."

Despite the injuries to the players, Coach Hart is optimistic about the Milan game. He declares that the indians intend to drub the visitors, regardless of aches and pains, and he pointed out that the team's spirit means considerable in any ball game.

The possible starting lineup tomorrow evening is as follows: Snyder, le., Laidlaw, lt., Sisson, lg., Underwood, c., Winter, rg., Brown, rt., Bagshaw, re., Proctor, qb., Jack Osburn, lhb., Jim Osburn, rhb., Collins, fb.

Tomorrow evening's game is the curtain raiser at the local Recreation Center this season and will be played under the lights, as was the custom a year ago. This year the general admission price has been set at 55 cents, and students, 25 cents. Adult season tickets, four in a book, good for any game or all tickets at one game, may be purchased for $1.70 .There also are student season tickets. The season tickets make seats available in a reserved section, but general admission tickets are not reserved.

Three Persons Hurt In Auto Accident

Mrs. Alice Sisty suffered a dislocated hip joint, two dislocated ribs and severe shoulder and arm injuries; her sister Miss Gladys Bork received a bad cut on the head and Miss Betty Clough was severely cut around one eye Tuesday night in an automobile accident east of Britton.

The accident occurred during the heavy rain about midnight when the driver lost control and the machine skidded and overturned in the ditch. Miss Clough's glasses also were broken. The injured were treated by a Dundee physician and returned to their homes here. The car which belongs to Mrs. Sisty was damaged slightly.

DR. BRITTON SPEAKS

How the government buys and inspects the meat served to the men in the armed forces was the subject of an interesting talk on Tuesday to members of the Rotary Club here, by Dr. William Britton. Dr. Britton recently was released from the Army, to return to private practice. John Zeigler, attorney, was admitted to the club's membership, and R. Guyton, Buffalo, was a guest. The meeting was held at Brees House, and followed the regular noon-day luncheon.

Doctor to Tell Of War in China

DR. DEVOL, RECENTLY RETURNED ON DIPLOMATIC SHIP, TO SPEAK SUNDAY

Dr. William Ezra DeVol who recently arrived in the United States on the diplomatic ship the "Gripsholm", will speak Sunday evening at 7:30 o'clock in the Tecumseh Friends Church.

Dr. DeVol accompanied by his daughters, Priscilla and Patricia, sailed from Vancouver, B. C., in September, 1940, for medical missionary service in China. Because relations between the U. S. and Japan became strained later that fall, Mrs. DeVol was advised by U. S. officials to return with her daughters to U.S.. This they did after a stay in China of about six weeks. Dr. DeVol has been on the staff of the University Hospital, Nanking. Even after the attack on Pearl Harbor he was permitted to continue his work at the hospital. His brother, Charles DeVol, a minister and teacher of the American Friends Mission, Luho, China, is still in Shanghai.

On Sunday morning at 10 o'clock Miss Alena Calkins of the American Friends Mission, Chhatarpur Bundelkhand, India, will be the speaker at the Tecumseh Friends Church. Miss Calkins, who is residing at present at her home in Palmyra, returned to the U. S. last March, sailing from Bombay, India, about the 6th of February. The American ship on which she sailed did not enjoy diplomatic immunity from attack, and the voyage lasted fifty days. Miss Calkins has been in charge of the native nurses in the Women's Hospital at Chhatarpur. Her subject will be "A Fleeting Glimpse of Recent Missionary Experience."

Frank Lanning Killed When Hit By Auto

Frank Lanning, a former resident of this vicinity, died Tuesday night in a Toledo hospital from injuries received a short time before when struck by an automobile while crossing the street.

Mr. Lanning was a son of the late Mrs. Helen Lanning ad lived here for many years.

He leaves his widow formerly Nellie Wilson, a sister of Sam J. Wilson of Holloway, and a son Wyman of Toledo. Wuthie Wilson of Tecumseh is an uncle.

The funeral and burial will be held today in Toledo.

BAPTISMAL SERVICE

At the Grace Lutheran church Sunday morning, Holy Communion will be celebrated at the regular service hour. Announcements are to be made to the pastor on Saturday.

Adult instruction classes will be conducted Wednesday evening at 8 o'clock.

LEAGUE TO MEET

The Westminister Junior League will meet Tuesday evening at the church for a pot luck supper with the husbands as guests.

A PROCLAMATION

WHEREAS: Lenawee County Chapter No. 20, Disabled American Veterans will on Sept. 19, 1942 conduct their annual Forget-me-not Sale for the purpose of raising funds to carry on their welfare and rehabilitation service in the interest of America's war casuals, and

WHEREAS: Casuals of this present war are already returning to this community, thus greatly increasing the need of the services which this organization is qualified to give

THEREFORE, Do I, J. Floyd Elliott, Mayor. of the City of Tecumseh, proclaim Sept. 19, 1942 as "Forget-Me-Not Day", and urge my fellow citizens to honor the dead by helping the living, and contribute generously to this worthy cause.

Signed.

J. FLOYD ELLIOTT,
Mayor.

Infant To Wear Family Robes At Christening

Thomas Cook Rodda, infant son of Rev. and Mrs. E. T. Rodda, will be baptised Sunday, September 20, at St. Peter's Episopal church, and will wear the family christening robe worn by his mother and his grandmother, Mrs. C. C. Kemp, at their baptisms. He will be the 19th child to wear the gown which was made by his great grand-aunt, Elizabeth Mary Bickford in London, England, in 1861.

The two piece baptismal ensemble consists of a fine linen dress covered with eyelet embroidery and a cashmere cloak heavily scrolled with braid. It is handmade and took two years to make.

Choir at Chapel Has Anniversary

MARTH A- MARY CHAPEL AT MACON, TO BE SCENE OF SPECIAL SERVICES SUNDAY

Sunday, September 20, will mark the first anniversary of the community chapel services at Martha-Mary Chapel in Macon. It also marks the beginning of the second year of existence of the Community Chapel Choir. The event will be celebrated by again presenting the first Sunday service ever to be held at the Chapel by the choir.

This choir is a volunteer group of people of Macon and its vicinity, meeting every Thursday evening for rehearsal and Sunday morning for chapel. It is a non-sectarian organization and their sole purpose is singing and presenting musical selections for all who enjoy choral music. A present they boast of a repertoire of about fifty compositions, ranging from light semi-classics to compositions by Bach.

Last Christmas, the choir sang a cantata at a candle-light service, and even now plans are being made for a new cantata for this coming Christmas.

A full schedule of choir rehearsals was continued throughout the summer at the request of the choir. They felt that their weekly meetings were a pleasant form of recreation.

In addition to the chapel choir's presentation of choral music, other people of the community and surrounding towns have participated in the Sunday chapel services by firing solos and other musical numbers, reading, etc.

Any who are interested may join the choir, at any time, and visitors are always welcome at the half-hour service presented by the choir each Sunday morning at 10 o'clock.

Martha-Mary Chapel, which was named in memory of the mothers of Mr. and Mrs. Henry Ford, has a history which is interesting in itself. It was built by Mr. Ford a little more than a year ago near the site of the old Dutch Reformed Church that used to stand in Macon. As much of the old church as possible was used in building the Chapel, and the black walnut doors and pews were made of wood taken from old buildings in this community. The bronze bell which hangs in the tower, was the one that was used in the newer Dutch Reformed Church which at one time stood on the grounds of the chapel.

The beautiful crystal chandelier, which hangs from the ceiling and holds 19 candles, is hand-cut and was imported from Switzerland.

Martha-Mary Chapel was built primarily for the school children in this area, but such interest was shown in it by the adults in the community, that Sunday services were begun last September and have been carried on ever since. The popular appeal of these services is evidenced by the continued large attendance.

Bringman Wins Sheriff Race

DEPUTY DEFEATS SUPERIOR FOR G.O.P. NOMINATION; LIGHT VOTE IS CAST

Elmer Bringman of Morenci, for 10 years a Lenawee county deputy sheriff, defeated his superior, Sheriff Roscoe W. Scott, for the Republican nomination for sheriff, in Tuesday's primary election. The vote was exceedingly close, Bringman's margin in the 44 precincts being only 170 votes. Bringman polled 1,933 votes to Scott's 1,763. Harry Rogers, third member of the race, polled 529.

Throughout the county, Bringman and Scott ran neck-to-neck except in Scott's home community, Blissfield, Riga and Ogden where the sheriff was an easy leader. Bringman has been asked to resign his office as deputy by Sheriff Scott "in the interest of law enforcement in Lenawee county." The deputy was handed the letter, requesting his resignation, Tuesday afternoon.

The sheriff's race was the only contest on the county ballot that attracted voters to the polls and consequently only a few more than 5,000 electors registered their choice in the election. Tecumseh's vote was very light, less than 150 ballots being cast.

In the race for sheriff, Tecumseh gave Scott 85 votes, Bringman 48 and Rogers, 47. In the U. S. senator race, Tecumseh as did the state gave its vote to Judge Homer Ferguson of Detroit. Ferguson polled 107 votes, Smith 45 and Eaton, 31. In the race for Lieutenant governor, the only other contest on the state ticket, Tecumseh gave Dr. Keyes 93 votes, Reed, 50, and Brake, 21.

The successful candidates for all offices Tuesday who will be opponents in the November general election are. U. S. Senate, Homer Ferguson, Rep., Prentiss M. Brown, Dem., Governor, Harry F. Kelly, Rep., Murray D. Van Wagoner, Dem.; Lt. Gov., Eugene C. Keyes, Rep., Frank Murphy, Dem.; U. S. Congress, Earl C. Michener, Rep., Redmond M. Burr, Dem.; State Senator, Elmer R. Porter, Rep., Edward C. Hellman, Dem.; State Representative, Fred Rodesiler, Rep., Earl W. Dryer, Dem.; Prosecutor, Lawrence J. Hammond, Rep., Bernard N. Williamson, Dem.; Sheriff, Elmer M. Bringman, Rep., Everett H. Seeley, Dem.; Clerk, Robert B. King, Rep., Edwin J. Morden, Dem.; Treasurer, Harry Bradley, Rep., Theodore Glaser, Dem.; Register, Leonard A. Warner, Rep., Harold F. Clark, Dem.; Drain Commissioner, Archie Bruce, Rep.; Coroners Ed M. Braun, Rep., and Paul E. Mott, Rep.; Surveyor, Walter E. Frazier, Rep.

INFLATION THREAT DANGEROUS

The stabilization of wages and the prices of arm products seems to be necessary in order to avert inflation. Consequently, the time has come for stabilization.

The politicians, whose stock in trade is "protecting" the farmer and "defending" the rights of labor will have their oratorical outbursts but the men in Congress who take courageous action to prevent disastrous inflation will be the real friends of farmers and laborers.

The advance of the cost of living, by ten per cent, is practically equivalent to a ten per cent tax upon consumers, which includes farmers and laborers. There is no sense in permitting inflation to offset apparent gains when the net result is nothing but to increase the cost of the war to the tax payers of the nation.

HALF MILLION MEN OVERSEAS

The number of American soldiers on duty "outside the United States" is a secret but Assistant Secretary of War John J. McCloy says that already more than half a million Americans are overseas.

This is the first official statement that we have seen that attempted such an estimate and the speaker declares that no shortcut to victory will be found but that we must rely upon ground troops to win the war.

Mr. McCloy assures his listeners that the United States will make a full test of a "good fling at bringing Germany to her knees by concentrated use of air power" but he does not expect the war to be ended by mass aerial assaults, however damaging they may prove to German industry.

PHYSICIAN LOSES HIS TIRES

From St. Louis comes the news that a physician, who got four new automobile tires to be used solely in driving to attend his patients, was ordered stopped in Colorado, where he had gone on a pleasure trip and the four tires were confiscated.

Possibly, such measures will gradually convince all of us that the government is serious when it rations tires, tubes and automobiles. A week or so ago a woman who purchased a new car, after making false statements, had her vehicle confiscated and was barred from buying a new automobile during the emergency.

The majority of the people of Lenawee County are attempting to patriotically cooperate in observing the regulation that are made necessary by the exigencies of warfare. There are callous and unconcerned citizens, and there are probably a few who think they can get by. They should be apprehended and penalized.

The war may be a cause of minor inconveniences to ordinary methods of living but it is no small matter to the men who face the enemy overseas. They are entitled to the full support of their home-front and they will not have it until every American complies with wartime demands.

Coal You Do Not Have

It's a real problem today, filling the coal bins of a town that within 60 days will be feeling the chills of winter. It's a problem such as we have never before faced.

We don't mean to infer that delivering coal and shoveling it into a bin is a problem—our great difficult is to get the coal. Transportation, you know, owes its first obligation to our government—then the hauling of fuel comes later.

We've been fortunate thus far in obtaining coal for most of our customers. We have fuel on the road—fuel that we expect to arrive most any day. But each week the deliveries are further apart, indicating that the railroads are busy with war transportation.

If you need fuel—don't delay. Place your order NOW for delivery as quickly as possible.

WE WILL LOAN YOU FUNDS TO REPAIR LEAKY ROOFS

Don't delay—moisture that gets into structures through roof leaks can destroy walls, insulation, even the foundation. It will cost far less to repair the roof than to rebuild or remodel the house.

If you need a new roof on your home and lack the funds to have the job done, see us at once. We are always happy to make needed loans, wherever such a policy is in keeping with sound banking practice.

KEMSLEY-PARDEE

Miss Ruth Annette Pardee, daughter of Mr. and Mrs. Marvin J. Pardee, became the bride of Arthur Scripps Kemsley, son of Mr. and Mrs. Arthur Kemsley of Detroit Saturday at 2 o'clock in the home of the bride's parents, on East Michigan Avenue. The Rev. S. H. Berry, pastor of the Methodist church, read the service in front of the fireplace that was banked with white gladioluses and pompom crysanthemums. Garlands of huckleberry greens interspersed with white chrysanthemums covered the mantle and placed at each end of the fireplace were white candlelabra holding seven candles.

The bride, given in marriage by her father, chose her sister, Mrs. O. Lewis Ugland of North Dakota as her matron of honor. Angus McDonald, Jr., of Detroit acted as the best man. Mrs. Woodrow Loughray of Roscommon at the piano, played pre-nuptial music and the wedding march from Lohengrin.

After the ceremony a reception was held at the bride's home for 125 guests. The serving table was presided over by Mrs. Lewis Cook of Lansing and Mrs. Arthur Rudel of Clinton, cousins of the bride.

The bride is a graduate of the University of Michigan and received her master's degree in music at Northwestern University at Evanston, Ill. The bridegroom is a graduate of the engineering school of the University of Detroit and is a technical engineer in the naval ordnance laboratory at Navy Yard, Washington, D. C.

HARRY F. KELLY
Republican Candidate for Governor

● The first non-incumbent candidate for Governor to be nominated unanimously since enactment of our primary law.

"Why was Harry F. Kelly nominated for Governor without opposition?"

BECAUSE, he entered his first term as Secretary of State with high ideals of public service and PUT THOSE IDEALS INTO ACTION.

BECAUSE, he so won public confidence with his achievements that he was RE-ELECTED WITH THE LARGEST VOTE EVER GIVEN ANY CANDIDATE FOR ANY OFFICE IN MICHIGAN'S HISTORY.

BECAUSE, HARRY F. KELLY as GOVERNOR will exemplify the same fine qualities of fidelity to trust and honest leadership that have characterized his entire public career.

This advertisement is one of a series sponsored and paid for by citizens of this county to make you better acquainted with Harry F. Kelly.

SUPPOSE YOU FLICKED THIS SWITCH

and nothing happened!

CLICK! . . . Over and over between dusk and dawn—hundreds of times a month—your fingertips repeat that simple, automatic motion.

But suppose you let yourself in late some night and flick the switch—*and nothing happens!* No light anywhere! Annoyance gives way to confusion, concern and fear. *Something's seriously wrong when the lights won't work!*

The very fact that you *do* take electric service for granted is a tribute to the men and women who supply it. They've made it *dependable*—and they've made it *cheap*. The average American family gets *twice as much electricity for its money* as it did 15 to 20 years ago—and has many more appliances to make life pleasant.

The *big job now* is powering industry—the roaring factories that are making tanks, planes, ships and guns. That job, too, the electric companies have done so well that Uncle Sam is far more power-*full* than all the Axis countries combined.

This power is possible—and this war will be won—for the same reason—the American tradition of freedom. Freedom of business management under Government regulation—freedom to live our own lives—freedom to invent, invest and produce for *everybody's* benefit. . . . That is the American Way—the absolute opposite to the Hitler system of political management and state slavery.

America's strength today shows that the American Way has worked. *It proves that practical business management is meeting the needs of this way of life.*

Michigan Scrap Must Go to War

EVERY PIECE OF OLD METAL MUST BE COLLECTED BEFORE SNOW FLIES

By Gene Alleman

Lansing, Sept. 24—Scrap will be king for 14 days, starting Oct. 4.

It's the Michigan newspapers' scrap drive, a state-wide campaign endorsed by the War Production Board, the Office of War Information, the State Salvage Director and the Michigan Council of Defense.

Before snow flies, every available piece of scrap metal in Michigan must be collected and sent on its way. That's the "must" assignment from Uncle Sam, and Michigan newspapers intend to make good on their 1942 slogan: "All Out for Victory!"

Local salvage committees, who have been on the job for many months, will be given front page support. Michigan school children are going to canvas homes—Junior Rangers with a "command" order to solicit scrap from every householder and to arrange for its placing at the curb or at a central Victory Scrap Bank.

For committees where scrap campaigns have already been held, the newspapers' drive will be a "clean-up" effort to get the last bit of metal from out of cover before winter sets in.

Millions of pounds of valuable metal, urgently needed for production of MORE tanks, MORE airplanes, and MORE shells, are going to be made available to war plants this winter.

Read your home newspaper for details!

"Don't let George do it," stated W. S. Gilmore, editor, Detroit News, who is state chairman for the scrap push. "This is the most important job Michigan can do in the next few weeks. Michigan war plants are not running at capacity, and one reason is that the steel mills cannot get enough scrap metal to make the steel that is necessary.

"Why can't the mills get the scrap metal?"

"Because the farms and attics and basements and back yards in this country have millions of tons of scrap metal. The average American—you and me—we haven't taken the trouble to turn it in to the government. This war is the people's war, and the people must win it by personal participation in urgent needs of this type.

"The newspapers of Michigan have been asked by Washington to do a job. We intend to bring the message of scrap metal to every citizen in the next few weeks. We know the people of Michigan will do their part."

Automobile graveyards, under the WPB regulations, must turn over their stock within 60 days.

So when you drive by the next automobile wrecking yard, and notice how the old buggies clutter up the place, don't start wondering why somebody at someplace does not get busy and do something.

The answer is: The WPB is doing something about it. There is a steady flow of old cars into the wrecking yards, and also out of them. Count on that.

Local committees may decide to solicit donations of scrap metal, the proceeds of which are to go to a local charity: A community hospital, the United Service Organizations, the army and navy relief, Red Cross, community chest, and so on.

Price of metal is fixed by Uncle Sam. Furthermore, the junk man is needed to sort and handle the metal prior to its shipment to the mills.

He will be compensated for this service on a basis which the government believes to be fair and reasonable. The failure of the aluminum campaign, where huge piles of metal remained on townhall lots for months, was due in part to the government's failure to put the junk man to work.

Who is going to pay for the collection of scrap?

This scrap drive, supported by the Michigan newspapers, is the people's party.

Municipal governments and state and county highway departments will be enlisted to give a hand, but the task will rest with you and me—the American people who must win the war. The job is too big for the "government"—those people who are hired to work for the rest of us.

It's got to be OUR JOB. The Oct. 4-17 scrap party is going to be democracy at the grass roots—America with its sleeves rolled up.

$126 STAMP SALE

Children of the Tecumseh public schools purchased $126.15 worth of war savings stamps yesterday. It was announced at the office of the superintendent. The grades through the kindergarten to sixth bought $83.45 of the amount. The seventh grade, $1.75; 8th, $10.65; 9th, $2.35; 10th, $11.95, 11th, $6.95 and 12th $10.75.

Service Men's Names Needed For Gift Boxes

Various local organizations are making plans to send Christmas boxes to service men from Tecumseh and vicinity. Because the only available list of addresses is the one being compiled by the Home Service department of the Red Cross, it is necessary that this be complete and up-to-date.

If a serviceman's name is not listed or if his address has been changed parents or relatives are asked to call the chairman Miss Clara Waldron, phone 154; Mrs. George Parsons, phone 480-M, or leave the information with Mrs. Lillian Tingley at the Consumers Power Co., office, or with Mrs. Edna Staulter at the Tecumseh Herald office.

The data desired includes his name, rank, unit, branch of service, address, and most important, his serial or identification number.

Overseas packages must be mailed before October 15, so it is necessary to have this data soon.

County Officer Takes Own Life

PERRY VAN VALKENBURG, ROAD SUPERINTENDENT, HANGS SELF; FUNERAL FRIDAY

Perry Van Valkenburg, aged 64 years, superintendent of the county road commission for 22 years, took his own life Tuesday afternoon, by hanging himself in the garage at his home on M-52. The body was discovered by members of the family.

Mr. Van Valkenburg had been in failing health the past three years and had grown rapidly worse during the past two weeks.

He was a son of the late Amenzo and Mary Van Valkenburg of Tecumseh, and was born in Franklin township. His entire life was spent in this community and recently the family had moved from Adrian to a new home on M-52. He was a member of the Presbyterian church of Adrian and of the Knights of Pythias lodge.

Survivors are the widow, formerly Edith Lewis, two sons Percy and Cuyler, both of Adrian, a daughter Mrs. Mary Hewes of Youngstown, O., three sisters Mrs. Harry Abbott and Mrs. Bertha Hoag of Tecumseh, and Mrs. Dalton R. Wells of Detroit; three brothers Dean, Leon and Faye Van Valkenburg, all of Tecumseh; and five grandchildren.

Funeral services will be held Friday afternoon at 2:30 in the Belding Funeral Home, Rev. O. V. Robinson officiating. The body will remain at the residence until Friday morning.

Gets News of Death Of Brother-in-law

Mrs. Mervyn Boltz received word Friday of the death of her brother-in-law, Paul Artley, which occurred suddenly at Seymore, Ind., where he was engaged in government camp construction work.

The body was brought to his former home in Belleville where the funeral and burial were held on Tusday afternoon.

Besides his wife he leaves three children Dona, Gary and Kay, of Sault Ste. Marie, his parents, Mr. and Mrs. Fred Artley of Belleville, seven sisters and two brothers.

Mrs. Artley and children, Mrs. T. V. Crawford and son Lester, Mr. and Mrs. G. J. Sawyer came from Sault Ste. Marie and Corp. Ford Crawford from Camp Rucker, Alabama and remained until Tuesday night. Mrs. Artley is still with her sister Mrs. Boltz.

BOOSTER NIGHT HERE, SEPTEMBER 30

Tecumseh Grange will observe Booster Night September 30, with a potluck supper and entertainment in their hall northeast of town. Members may bring guests to this meeting. Supper will be served at 7 o'clock by the home economic committee.

FAREWELL PARTY

The adult classes of the Friends Sunday school met at the home of Mr. and Mrs. R. R. Van Winkle Thursday evening and held a farewell party for Mrs. Amy Jack who is moving to Detroit. Refreshments concluded the social hour. Mrs. Jack was presented with a gift.

VILLAGE TAXES

I will be at United Savings Bank Fridays only until further notice, for collection of village taxes.

Raid Wardens To Make Survey

TECUMSEH HOMES TO BE VISITED NEXT WEEK ON PRECAUTIONARY MEASURES

In compliance with an order issued by James M. Landis, director of the United States Office of Civilian Defense, local air raid wardens will, next week, make a complete survey of Civilian Defense measured in homes and business establishments in Tecumseh. Senior Post Wardens will instruct wardens in the requirements of the survey on Monday and Tuesday of next week and householders may expect visitors by these wardens later in the week.

In a letter to chairmen of county and local Councils of Defense, Mr. Landis states: "To make sure that the proper precautionary arrangements have been made by homes and business establishments in line with the instructions of the air raid wardens, and that American homes everywhere are fully and actively enrolled in constructive war work, plans for a survey on a house-to-house basis have been approved. Appropriate recognition has been provided for those who meet these standards." The precautionary measures referred to are enumerated in instruction cards passed out by the wardens some time ago.

State Chief Air Raid Warden Owen J. Cleary in a recent order has given instructions that personal inspection of homes has not been recommended for Michigan. Instead, the use of a questionaire, which the householder or business proprietor may check, is suggested. The questionaire, to be used locally, will set for the minimum requirements for qualification for the compliance V-award. Questionaires will be handed out by air raid wardens and collected by them a few days later. Those checking the list showing that basis preparations for meeting air raid emergencies have been made will be filed with the post headquarters and V-awards will be made for window display by the householders cooperating.

The precautionary measures which must be met are:

1. Clean out your attic of all inflammables and make it as fire resistant as possibble.

2. Have handy always: A garden hose, hozzle, sand shovels, buckets, flashlights, fire extinguishers, ladders and first aid kit.

3. Select and equip a refuge room.

4. Be prepared to execute a complete blackout.

5. Know your air wardens, obey and assist them.

6. Learn all you can of first aid, fire and gas protection.

What To Do During An Air Raid

1. If away from home, seek the nearest shelter. Get off the street.

2. If you are driving, first park your car at the curb; be sure all lights are shut off.

3. If you are at home, send the others to the refuge room. This should be a comfortable place with as little window exposure as possible, equipped with drinking water, things to read, toilet facilities, a flashlight, a portable radio, a sturdy table, and food if you like.

4. Turn off all gas stove burners but leave pilot lights, water heaters and furnaces alone. Leave electricity and water on. Fill some large containers or a bathtub with water.

5. Check up on blackout arrangements. Don't let a crack of light show to the utside.

6. See that everyone's eyeglass and dentures are in the refuge room. There should be additional warm garments for everyone, too.

7. Keep out of line of windows. Fragments and glass splinters cause most casualties.

8. If bombs fall nearby, get under a heavy table, an overturned davenport.

9. Don't rush out when the "all clear" signal sounds. Maintain the blackout. The Raiders may return.

10. Otherwise, keep cool; be sensible and set an example to others.

FALLS FROM AUTO

Judy Coffey, three year old daughter of Mr. and Mrs. W. O. Coffey of Detroit, was treated at Tecumseh hospital Sunday night for head cuts received when she fell from their automobile near Clinton. She was taken to her home after treatment.

SLIGHT FIRE LOSS

The fire department was called Sunday evening at 8:45 to the La Gore farm northwest of town, which the firemen were cnable to locate. On their return to the engine house a call had been received saying the fire had been extinguished with only slight damage.

Offer Bond For League Slogan

CONTEST OPEN TO COUNTY SCHOOL CHILDREN; LEAGUE GOAL IS SET AT $35,000

Boys and girls of Tecumseh! Would you like to win a $25 war savings bond of $10 or $5 in war savings stamps?

We know your answer is yes, and with a little thought and a few minutes of your time, it is possible to capture the awards, now being offered to the school children of the county by the Lenawee Patriotic League. The contest has the complete approval of Mrs. E. T. Armstrong, county commissioner, and all other school officials.

The Patriotic League is seeking a short slogan, one which will express the aims of the county-wide organizations or the reason for its formation, or both. To the winner of the contest will go a $25 war bond, and the second and third prizes will $10 and $5 in war stamps.

Children entering the contest should familiarize themselves with the aims and objects of the League. They should know that it is a counterpart of a similar league formed during the first World War to aid our boys in service and to assist the stricken people in beseiged or conquered countries. The League will co-ordinate all war relief fund solicitation, national, state and local, by conducting one concerted drive for funds, and eleven organizations will participate in such solicitation. All funds raised will be used for the benefit of our boys in service or in training, or for our allies.

After the student has learned about the League he should write a very short slogan expressing the League's hopes and aims. Grade & high school students are eligible to participate. Slogans should be printed in the upper left of a sheet of paper and in the lower half the name of the contestant, home address, school, grade and teacher. The contest closes at noon on October 9, and all entries should be given to teachers before that time. The teacher will, in turn, select the 10 best slogans and turn them over to the principal who, with a committee, will choose the 10 best from the school. The executive committee of the League will name a committee to select the winners. If two or more persons present winning slogans, the prizes will be divided.

The League has approved a quota of $35,000 in Lenawee county, to be distributed among some 11 patriotic organizations and a drive will be launched within the next 30 days to achieve the goal. The executive committee of the league believes that the $35,000 goal will be doubled through a membership campaign.

Hillsdale Fair To Open September 27

One of the most outstanding programs and agriculture shows in the history of the Hillsdale County Fair is in store for patrons who attend the fair's ninety-second annual exhibit, September 27 to October 3, Harry B. Kelley, secretary, states. Advance reservations indicate an oveflow of livestock entries and that all display halls will be taxed to capacity.

The Hillsdale Fair this season will be keynoted by the war, especial emphasis being placed on exhibits of farm products needed in war effort. Special displays by service and civilian defense organizations contributing to the war program will also be prominent on the grounds which have been put in readiness to accomodate crowds of record proportions.

A total of $8,800 in premiums will be paid to prize winning exhibitors, $1,800 of which will go to the winners in the Michigan State Fair swine and sheep exhibits assigned to the local fair when the State Fair was cancelled.

The Fair will open Sunday with a free patriotic program under the direction of the Hillsdale County Ministerial Society with Rev. Hubert N. Dukes of Jackson as speaker. Tuesday, free Children's Day, will be highlighted by a patriotic bicycle and float parade and baton twirling contests for the school children. Following the practice of other Fairs, servicemen in uniform will be admitted free and on Saturday all former servicemen will be guests of the fair.

Indians Ready To Meet Hudson

REDMEN; WITH MILAN'S SCALP DANGLING, TO TRAVEL TO MAPLE CITY, FRIDAY

With the scalp of Milan high dangling from the peak of Coach Neville Hart's wigwam, the Tecumseh high school Indians will travel to Hudson on Friday evening to play the second game of the 1942 grid series on the lighted gridiron in that city at 8:30 p.m. Despite the threat of gas rationing, it is expected that a large number of local fans will attend the game.

The Indians won their opening game from Milan high at Recreation Center here last Friday evening by defeating the visitors, 7 to 0, in a contest that proved to be a complete upset for the dopesters. The game was fast, at times, spectacular, and in the final stanza seemed to sweep the visiting eleven off their feet.

The Redmen entered the game with only three of their 11 players veterans by experience and succeeded in scoring a first quarter touchdown against the seasoned, hard-hitting Milan squad. The score was made on a beautifully executed 30-yard pass from Harvey Proctor to Malcom Bagshaw who ran the remaining 20 yards to cross the goal line. Jack Osburn plunged the line for the extra point.

Milan succeed in making five first down to Tecumseh's three and completed two passes to Tecumseh's one. Milan had one intercepted pass. The Indians twice during the game held for downs with the aid of two fifteen yard Milan penalties in the first and third periods.

Three Indian players, suffering from injuries earlier in the week, made remarkable showings in the contest. Although weaknesses were discovered in blocking and tackling, officials had nothing but compliments for the Redmen.

Coach Hart is drilling the team in an effort to perfect their offensive game—which didn't function too well against Milan—and it is likely that an aerial battle will be seen at Hudson, tomorrow night. Hudson has a strong, heavy team but the Indians are determined to protect last year's championship record for the season—unscored upon and unbeaten.

RETAILERS MAY BUY STAMPS OF C. OF C.

Beginning immediately, it has been announced, Tecumseh merchants who are offering war savings stamps to their trade, may puchase the stamps from Wade L. Jones, secretary of the Chamber of Commerce, at his offices in the old Lilley Bank Building. The reason for the sale there, Mr. Jones said, is to accommodate merchants after banking and postoffice hours.

STORES TO BE CLOSED ON FRIDAY FOR FAIR

Generally speaking, stores and offices in Tecumseh will close at noon on Friday for the balance of the day, to give clerks and employers an opportunity to attend the Lenawee County Fair at Adrian. The public schools here will recess all day on Friday, giving school children and teachers an opportunity to attend the exposition.

MEAT RATIONING

In 1943, the people of the United States will have to accommodate themselves to the rationing of meat. Meanwhile, they are requested to substitute cheese, poultry, fish and beans for part of their meat requirement.

It is well to understand the facts about the meat situation. Livestock production is the greatest in history. Packers are handling more meat than ever before. For this year, the meat output of the nation will be over 24,000,000,000 pounds.

Along with record production, however, there is a record demand. Our fighting forces require large quantities of meat. Our allies also need large supplies. Together, six million pounds of meat are required and, if ships become available, the demand will be increased. The civilian population, with improved incomes and working harder than ever, wants more meat than ever before. It is estimated that they would consume 21 billion pounds of meat if the supply was unlimited.

As Secretary of Agriculture Wickard points out, the total demand adds up to more than the total supply. The demand is 27 billion pounds and the supply 24 billion pounds. The nation must choose between rationing meat for civilian consumption or taking meat away from our fighting men and our fighting allies. Faced with this problem, there is only one answer.

The Department of Agriculture points out that late in 1940, foreseeing increased demands for meat in the future, it urged farmers to increase production of pork. In the Spring of 1941 price supports were announced for pork to assure adequate production. Farmers responded and increased production is now showing up on the markets.

The rationing of meat will not work hardships upon the American consumers. Due to increased supply, there will be left for civilians about the same amount of meat that they have consumed, on the average, during the ten years from 1931 to 1940. The rationing program is designed to give each person a fair share of the meat available for civilian consumption.

THIS WINTER
Home Defense is Certain to Begin
IN YOUR FUEL BIN

Unlike any other winter that Tecumseh has ever experienced, the fast-approaching cold months are almost certain to result in hardships because of a lack of heat, unless immediate steps are taken to provide fuel.

It is true, there is just as much coal this year as in any year in the past decade, but the difficulty lies in the mine owner's inability to find transportation for the coal to the dealer's yards. The movement of the Military—men and materials—is taxing the railroads to capacity. Coal, therefore, must take a back seat.

If you need fuel—Order it NOW!

If you do not have your coal in the bin for this winter, our best advise to you is to order it now. Don't wait until Winter is upon us—maybe you'll have to wait 10 days or two weeks after our order is placed.

Remember: You can't burn fuel you do not have and your dealer cannot deliver fuel he cannot get.

Miss Frances Hoffmire, daughter of Mrs. Nellie Hoffmire of Willis, and, Robert Gay, son of Mr. and Mrs. Foster Gay, also of Willis and nephew of Mr. and Mrs. I. D. Kittle of Macon were married last Wednesday afternoon in the Martha-Mary Chapel in Macon. The service was read by the Rev. S. H. Berry, pastor of the Macon Methodist church. Miss Dawn House was the organist and played three selections and the wedding march from Lohengrin.

The bride was lovely in a floor length dress of white satin and carried a bouquet of white roses. Mrs. Clarence Kittle of Macon was the matron of honor and the bridesmaids were Miss Fern Hoffmire, sister of the bride, and Miss Emma Gay, sister of the bridegroom. Clarence Kittle attended the bridegroom.

A reception was held after the ceremony in the home of Mr. and Mrs. I. D. Kittle with 22 guests attending. Guests from out of town were Mrs. Cazeer, grandmother of the bride, Mrs. Nellie Hoffmire, mother of the bride, Mrs. Foster Gay, mother of the bridegroom, Mrs. Floyd Clary, Alice and Devern Gay, all of Willis, Elmer Kittle of New Boston, Mr. and Mrs. Wesley Pelton of Romulus and Mr. and Mrs. Dale Marsh of Tecumseh.

Mr. and Mrs. Gay will make their home in Macon after a two weeks' wedding trip.

We're Busy Helping Uncle Sam

...—V...—

LAST YEAR, America's railroads moved 475 billion ton-miles of freight, history's greatest traffic job. (We'd like to tell you how many millions of soldiers and sailors we carried, but . . . .)

This year the railroads may haul 50 million carloads of freight—10% to 15% more than in 1941.

We did the 1941 job pretty easily because freight shippers and receivers and the public cooperated. We can do this year's bigger job if we again get that cooperation.

This all-out war requires all-out transportation. Uncle Sam is depending on the railroads for that. We're handling 70% of his military freight. To let him down would be tragic.

So "the tall man in the high hat" comes first.

At any time now there may be one, even two or three fewer cars in your passenger train. You'll excuse it, won't you? Uncle Sam will be using them.

Or your freight may move out, or come to you, a little later than you had hoped. We're certain you'll overlook that, too. We'll be moving important things for Uncle Sam.

We knew you would. And you'll be helping him, too.

...—V...—

No Special Favors!

Harry F. Kelly is considerate. He is fair-minded. He is helpful. But special favors—at taxpayers' expense—they're OUT!

You remember the low-number automobile licenses that used to go to a privileged few. They seemed harmless—but they cost the State of Michigan $90,000 a year.

As Secretary of State, Kelly instituted a UNIFORM numbering and issuing system—eliminating "trick" licenses, giving every automobile owner BETTER service, speeding check-ups by law-enforcement officers and saving taxpayers more than a quarter of a million dollars.

As GOVERNOR, HARRY F. KELLY will continue his policy:

No Special Favors!

"Come and Let Us Return Unto the Lord Our God"

This is the message of the Presbyterian Church to all its members and friends and all others who feel their need of Jesus Christ, the Savior and Friend of Sinners.

He who neglects the Worship of God neglects that which seperates man from the beast. The man who does not worship God is an anthropoid with a highly developed brain. He may be a paragon of mortality but so are the bees and ants. He may be keenly intelligent but so are wolves and foxes. He may provide for his family but so do hyenas and monkeys. He may be successful in affairs but so are beavers and muskrats. He may be artistic but so are birds and butterflys.

Worship is the chief concern of a real human being. It is the soul searching for its counterpart. It is the Prodigal Son returning to his Father. It is a hungry heart seeking for the love of Christ. It is a thirsty land crying out for rain. It is a voice in the night calling for help. It is a soul standing before the majesty and mystery of the Universe. It is a man climbing the altar stairs to God.

The worship of God creates and builds up in our souls moral and spiritual reserves and resources without which America cannot possibly win the war, nor win the peace.

Remember, therefore, that Jesus Christ is thy Lord, and worship thou Him.

COME TO THE RALLY DAY SERVICES AT THE PRESBYTERIAN CHURCH, TECUMSEH SUNDAY, SEPTEMBER 27

BRITTON

CAMP FIRE COUNCIL MEETS

The Tuckabatchee Camp Fire Council held its first fall meeting Thursday at the home of Mrs. Glen Gripton with a cooperative luncheon preceding the meeting.

Mrs. John Graham, camp chairman, gave a report of the summer camp at Washington Lake and Miss Margaret Smith, executive secretary, gave a report of the school for Camp Fire executives in New York, which she attended this summer.

Several meetings were planned and include a membership drive for girls ad adults in October; a meeting for mothers of girls of Camp Fire age; a "scrap happy" party for girls; a doll fashion show for Blue Birds in October; and a training course for board members and leaders.

Raymond Beasley, son of Mr. and Mrs. Leon Beasley of Dundee, formerly of Britton, left last week to enter army service. He is a nephew of Mrs. Charles Lister.

Pfc. Wm. L. Cundiff of Fort Richardson, Alaska, visited his father Wm. A. Cundiff and family, during the past week.

Pvt. Pershing Meyers of Scott Field, Ill., was a recent guest of his parents here.

Marilyn Brown is recovering from knee injuries received recently in an accident.

A garage and car at the Ben Porter home near Cone were destroyed by fire last week Tuesday. The Britton fire department was called. The blaze started in the car.

Frank Kniffer of Britton made his flight at the Morey airport in Adrian September 15.

The Dorcas class met Thursday for one o'clock luncheon at the home of Mr. and Mrs. W. L. Exelby. Mrs. Fred Meyers was chairman.

Mr. and Mrs. Harmon Hintz of Metamora, O., spent last week with Elmer Hintz and sons.

John Craig has been ill for several days.

Mrs. Edward Taylor of Chicago was a recent guest of her parents Mr. and Mrs. Edward Palmer.

Born September 12, to Mr. and Mrs. William Smith of Detroit, a son. Mrs. Smith is the daughter of Mr. and Mrs. Charles C. Downing.

The Workers for Victory 4-H Club of South Britton, led by Mrs. Elwin Marks, met Friday evening at the home of Marion and Lawrence Marks. They completed their note books and reports for the fair and worked on their poster. A social hour followed the work meeting.

PROBATE APPOINTMENTS

Elwyn D. Harsh of Adrian township has been appointed administrator of the estate of Joseph V. Beaubien, deceased, of Adrian.

May C. Woolsey of Madison township has been appointed administratrix of the estate of Frank A. Woolsey, deceased, of Madison township.

Leo. Snyder of Ogden township has been appointed administrator of the estate of Joseph Snyder Sr., deceased, of Ogden township.

Let Our Careful Laundering Protect Your Clothing

Clothing, bed and table linens, you know, are becoming more scarce each day, as the war continues. It's your duty, therefore, to make the clothing and linens you now have last as long as possible.

We know of no better advice to you than to urge that you send them to us for careful laundering. We know just the water temperature, the amount of soap and tubbing that is necessary to keep them white and clean, and still make them wear longer.

Resolve now that you'll preserve your present linen supply by sending it to us for laundering.

THE FIGHT RAGES ON ALL FRONTS

YOUR DUTY IS ON THE BOND FRONT

The sons, husbands, brothers, sweethearts—of every American are gallantly riding the shadows death casts—because there is no sacrifice too great, no danger too hazardous to face in the fight for freedom! Other sons, husbands, brothers and sweethearts are sweating in war factories; speeding up to the nerve-breaking point in the battle of production; and making many sacrifices as their share of wartime responsibility. How about you? This is your fight too. Are you doing just enough . . . or are you doing the vitally needed "most" you can! Ten percent of your pay every pay day to buy War Bonds and Stamps is a good share: but maybe you can better it, when you stop to think of your own loved boy laying down his life "out there" . . .

CHILD INJURES HAND

Coreen Yvonne Marsh, three year old daughter of Mr. and Mrs. Ronald Marsh, was painfully injured September 14, when her right hand was caught in an electric water pump. One finger was broken and it was necessary to amputate the middle finger below the first joint. She is recovering satisfactorily.

Happy Circle P. T. A. Entertained on Friday

The Happy Circle P.T.A. met Friday evening, with Elmer Chapman presiding in the absence of the president.

The committees for the October meeting are Mr. and Mrs. Bert Lansing and Mr. and Mrs. Alfred Jewell, entertainment; Leroy Richards, George Lewis, Lois Anderson and Phyllis Green, refreshments.

GETS NURSES DEGREE

Miss Helen E. Anderson, daughter of Mr. and Mrs. Fred Anderson, graduated from Henry Ford hospital School of Nursing in Detroit September 15 and has taken a position in the hospital. Miss Anderson graduated from Ford Centennial high school and from Clara Ford School of Home Arts in Detroit.

Mr. and Mrs. Fred Anderson, Miss Lois Anderson and Mrs. Glenn Van Vleet attended the graduation exercises which were held in the Educational Building on Bethune avenue and were followed by a reception on the adjoining court.

SCIENCE DISCOVERS

ONE REASON WHY WOMEN GET FAT AS THEY GET OLDER!

In recent X-ray examinations, made under competent medical supervision, some amazing facts about women's figures were revealed! A woman of average size was X-rayed wearing a corset, designed like so many corsets to grip at the waist. The resulting photographs showed the stomach and intestines crowded downward! No wonder so many women sag, droop and bulge when they reach thirty! Five minutes later the same woman was X-rayed wearing an Individually Designed Spirella. Photographs show stomach and intestines actually raised about three inches! These scientifically accurate X-ray photographs have been accepted for advertising by the Journal of the American Medical Association. I can show you these complete X-ray photographs and tell you how to avoid bulging hips, spare tire waist and drooping sagging figure. Just phone or write me at the address below.

OVER THE TOP FOR VICTORY with UNITED STATES WAR BONDS-STAMPS

THE TECUMSEH HERALD

NINETY-THIRD YEAR—NUMBER ONE | TECUMSEH, MICHIGAN, THURSDAY, OCTOBER 1, 1942 | FIVE CENTS PER COPY

Schools Join In Scrap Drive

NEWSPAPER DRIVE TO BE LAUNCHED HERE OCTOBER 5, CONTINUING TO 17TH

A drive for at least 50 tons of scrap metal in Tecumseh in a 12-day period, a drive that must be put "over the top," will be launched next Monday, the first day of the Michigan Newspapers' Scrap Metal Drive, in which the Tecumseh Herald is participating.

"We do not intend to let our soldiers down or our allies, who need metal for all types of weapons to carry on the war," the Rev. O. V. Robinson, chairman of the Scrap Metal Campaign locally, declared today. "True, Tecumseh and its immediate trading area already has contribute some 85 tons of scrap in previous drives, but that amount is not sufficient. We need at least 50 tons more next week, in order to meet our quota, and I'd be happy if the amount hit 100 tons. The metal is here, it's in our basements, in our back yards, it must be dug out and sent to the refining plants."

Cooperating with The Herald in the drive locally, Mayor J. Floyd Elliott issued a proclamation today, urging public cooperation as a civic and patriotic duty. W. L. Berkhof, superintendent of schools, pledged the cooperation of every pupil, and declared that from the school angle no stone would be left unturned in the search for old metal.

"I know it to be a fact," the Rev. Mr. Robinson said, "that there are tons and tons of old metal in the basements of the downtown stores in Tecumseh. This metal is doing no one good, and we need it badly in our war effort. I am, therefore, requesting that merchants search their stores and basements for old metal—any kind of metal—and place it on the sidewalk in front of their store beginning on Monday of next week. It will be picked up by local trucks and turned over to the war effort."

Mr. Berkhof, in pledging the cooperation of the school children, announced that a Junior Army scrap metal drive would be conducted throughout the village next week. Children in the lower grades, he said, would be asked to bring scrap metal with them to school during the first three days of the drive. On Thursday, a house to house canvass is being planned, to be conducted on a contest basis, by committees from the four upper grades of the school.

The canvass on Thursday will be followed by a "flying squad" of boys who will be glad to assist home owners with the removal of heavy scrap from basements, if they so desire. Persons desiring this service may communicate with Mr. Berkhof at the high school.

On Saturday, October 10, the trucks will canvass every street in town to pick up the scrap metal and take it to the civic dump pile.

"This scrap metal is worth $7 a ton, and we will pay that amount for it if the home owner desires. However, those who desire to donate the metal may do so and know that whatever money is derived from the sale it will be used for patriotic purposes," Mr. Robinson said.

PROCLAMATION

WHEREAS the newspapers of Michigan are setting aside October 5 to 17 as Michigan's Newspapers' Scrap Metal Drive to be observed throughout the state, and

WHEREAS this has been done in response to an urgent appeal from Donald Nelson, chairman, War Production Board, at Washington, and high officials of the Army and Navy, and

WHEREAS many steel furnaces and arms plants may be forced to close this winter, thereby leaving our soldiers and sailors as well as our allies with insufficient weapons, unless the citizens of this city, state and nation rally to provide more scrap metal for a winter reserve,

THEREFORE, I, J. Floyd Elliott, Mayor of the Village of Tecumseh, do ask all residents of this community to participate in the observance of Newspapers' Scrap Metal Drive and help thereby the men of our armed forces in their fight for our freedom.

To which I place by hand and seal.

J. FLOYD ELLIOTT.

VILLAGE TAXES

Friday, October 2, is the last day I will be at United Savings Bank for collection of village taxes. Subject to penalty after that date.

Rubber Boots, Shoes Frozen By Government

Men's rubber boots or rubber work shoes were "frozen" as of midnight, September 29, and the Lenawee County Rationing Board has notified dealers that they must file inventories of stock on hand. Forms may be obtained from the board at Adrian up to October 3.

Beginning Monday, October 5, the rationing board will issue certificates for the purchase of the frozen items, it was announced. October 10 is the last day for the filing of dealers' inventory form, and after that time no sales may be made by dealers who have failed to file the inventory.

Air Raid Sand Pile Locations Announced

Do you have a pail of sand in your attic, another on the second floor of your home, and perhaps a third on the first floor or in the basement?

If you don't, now is a good time to get it because your air raid warden is going to pay you a visit and make such a request. Such a precaution is considered imperative in the event of an air raid, and public cooperation is necessary.

For those who do not already have sand in their homes, the local Civilian Defense Council has announced these depositories from which sand may be taken to your home:

Behind the Lutheran church on East Shawnee street; East side of Adams park, So. Maumee street; Northeast corner Mill and Brown streets; behind the Friends church, south side; Mrs. Mildred Russell's drive, 203 N. Union; West Branch school grounds.

Mrs. Emilie Aebersold Buried In Brookside

Mrs. Emilie Aebersold, widow of Charles L. Aebersold, died Saturday at Tecumseh hospital where she had been a patient for several weeks. She was 82 years of age.

Mrs. Aebersold was formerly Emilie Losli, eldest child of Christian and Anna Weber Losli, and was born near Elmore, O., March 31, 1860. She attended school near Llndsley, O., where she was confirmed in the Lutheran church. On February 20, 1875, she was married to Charles Ludwig Aebersold and they conducted a wholesale and retail market in Pemberville, O., until 1895 when they moved to a farm one and a half miles south of Tecumseh which has since been the family home.

Survivors are four daughters Mrs. Clara Bush of Hollywood, Calif., Mrs. Blanche Juilliard of Sirryker, O., Mrs. Flora Tilton and Mrs. Minnie Meade of Tecumseh and four sons, George of Coldwater, Edward J., Clarence and Lloyd, all of Tecumseh. She also leaves 26 grandchildren and 18 great grandchildren. Mr. Aebersold died in January 1911 and a son Charles F. died in 1926.

Funeral services were held Tuesday afternoon at the Belding Funeral Home, Rev. Edward Escolme officiated and burial was in Brookside cemetery.

Britton Resident Dies In Tecumseh Hospital

Orrie Hewett of Britton, aged 60 years, died Monday afternoon at Tecumseh hospital where he was a patient only a few hours. He had been in failing health for some time.

Mr. Hewett was a farmer in Milan township for many years but recently made his home with his daughter and husband, Mr. and Mrs. Herbert Schultz near Britton.

He leaves three daughters. Mrs. Schultz, Mrs. Forrest Doer of Ypsilanti and Mrs. Louis Richards of New Jersey; three sons Charles, Elmr and Earl of Detroit; three sisters Mrs. Ben Curtis, Mrs. John Masten and Mrs. Elmer Frink of Azalia, a half-brother Charles Irwin of Monroe; a step daughter Mrs. Thelma Frisbie of Milan and six grandchildren.

The body was removed to the Fisher Funeral Home in Dundee where services will be held Friday at 1:30 and at the Methodist church in Azalia at 2 o'clock. Burial will be in Azalia cemetery and Milan Lodge, I.O.O.F., of which he was a member, will conduct services at the grave.

Wit and Wisdom Club Resumes Its Meetings

The Wit and Wisdom Club will meet Monday evening, October 5 at the home of Mr. and Mrs. D. W. Beck with Mrs. J. O. Eaton as assistant hostess. The program will include a book review by Miss Jane Elliott. Year books will be distributed at this time.

LECTURE SERIES HERE ON RATIONING, PRICES

A series of lectures concerning price ceilings, price control, rationing, etc., will be started here this evening under the auspices of he Chamber of Commerce, Wade L. Jones, secretary, announced. The meeting is open to local retailers, Mr. Jones said.

All meetings will be held at the high school and the speaker tonight will be Otis L. Cook, executive secretary of the Michigan Retail Institute. Others on the program are R. C. Purvis, field representative of the Michigan Vocational Training Department, and James Thompson, head of the department.

Some 15 retailers will attend the meeting, Jones said. There is a small fee attached for the course.

ORGANIST SPEAKS

Edgar C. Crowle, organist at the First Methodist Church, Jackson, was the guest speaker at the regular noon-day luncheon meeting of the Rotary club here Tuesday at Brees House. He was the guest of George Green.

Mr. Crowle, an accomplished musician, spoke on the origin of music and traced its history from the days of the savages. He played several numbers on the piano to show how music is arranged and declared that with the aid of only three or four notes an entire musical number may be written. His talk was highly interesting and educational.

35 Mile Speed Now In Effect

OFFICERS TO ENFORCE FEDERAL ORDER SUBJECTING VIOLATORS TO PENALTIES

The nation's speed law became 35 miles per hour today when Joseph B. Eastman, defense transportation chief, ordered that all rubber-tired vehicles in the United States reduce their speed in an effort to conserve tires and rubber. Under the federal order, violators would be subject to the speeding penalties of the states in which violations occurred.

To bring about the effectiveness of the order, issued on Monday, Mr. Eastman asked the governors of the several states to place the 35-mile limit into effect through executive proclamation or otherwise. He also asked the governors to instruct police officers to enforce the order rigidly.

Eastman's order followed closely on the heels of the Price Administrator Leon Henderson's ruling on Saturday that nation-wide gas rationing would become effective about November 22. At that time, Washington said, the average motorist would be allowed four gallons of gasoline weekly, and no more. Henderson's order extends the gas rationing from the 17 eastern states to all other states in the union and is intended to conserve rubber and tires, so badly needed in the war.

Henderson's order also calls for rigid inspection of all motor tires every 60 days and imposes a severe penalty for persons who do not submit their tires to such an inspection. The nation-wide rationing plan will follow closely the pattern now used in the East, and Henderson said that the ruling would affect some 20,000,000 motor cars and reduce private passenger car travel some 60 per cent from normal.

The rationing plan calls for the registration of all cars by November 22 and the issuance of permits to travel 2,880 miles a year, based on 15 miles of travel to the gallon of gasoline. Additional mileage up to 470 miles a month may be obtained by motorists who can show that his original allotment is insufficient to meet occupational needs, or that he had formed a car-sharing club to keep his car filled to capacity while in use.

State police, county and municipal officers are expected to enforce the federal ruling in Lenawee county, and violators will be arraigned in justice courts.

Mrs. Halsey J. Pawson Is Buried at Tipton

Mrs. Halsey J. Pawson, aged 34 years, died Thursday at her home north of Clinton after a long illness. Mrs. Pawson was formerly Lena B. Mrs. Cummins Buried Monday

WIDOW OF LATE COL. A. S. CUMMINS DIES FOLLOWING A TEN-DAY ILLNESS

Mrs. Julia L. Cummins, widow of the late Colonel Albert S. Cummins, died Saturday morning at her home on South Union street after ten days illness. Mrs. Cummins who was 86 years of age, was born in Tecumseh, September 3, 1856, and was the daughter of the late Lucius and Sarah Lilley. She attended the local schools and later a private school in Detroit. In 1880 she was married to Lester F. Tribou who died in 1898. Four years later she married Colonel Cummins whose death occurred in 1935. Mrs. Cummins had spent nearly all her life in Tecumseh and was a member of St. Peter's Episcopal church.

Survivors are a step-daughter Mrs. T. M. Jardine of Glen Ridge, N. J., and a sister-in-law Mrs. Raynor Lilley of New York City. Mr. and Mrs. Jardine were with her during most of her illness.

Funeral services were held Monday afternoon in the home. Rev. E. T. Rodda officiated and burial was in Brookside cemetery.

Among those from a distance who attended the funeral were Mr. and Mrs. T. M. Jardine of Glen Ridge, N. J., A. J. Cummins of Chicago, James Cummins, Mrs. Jesse Draper and Mrs. Dansart of Toledo.

Funeral Services Held For Oscar S. Hall

Funeral services for Oscar S. Hall were held Friday afternoon at the Collins Funeral Home. Mr. Hall's death occurred last Wednesday at the home of his sister Mrs. Clare Beland.

Rev. Edward Escolme officiated and bearers were Edward Prichard, Reuben Van Winkle, Lyman Osterhout, Fred Marsh, Arthur Weeks and Obed Alvord, all Spanish War Veterans. Members of Palmer Gray Camp, Spanish War Veterans and Auxiliary and several members of Underwood-Orr Post, American Legion, attended the service in a bobdy and military services were conucted at the grave in Brookside cemetery. The Legion Post furnished color guard and a firing squad and Herbert Farver, a local Boy Scout bugler, sounded taps.

Relatives and friends attended from Hudson, Clayton, Jackson, Adrian, Wamplers Lake, Clinton, Manchester and the surrounding community.

Mrs. Sarah Stevens Is Buried In Clinton

Mrs. Sarah Stevens, aged 93 years, died Sunday at her home in Clinton after several weeks illness. Mrs. Stevens was born in Bridgewater and had spent her entire life in Clinton and vicinity. She was a daughter of Mr. and Mrs. Moses Bartlett.

Survivors are one daughter Mrs. Grace Kennedy of Clinton; a grand daughter Mrs. Ray Lincoln and a grandson Donald Kennedy, both of Detroit, and four great grandchildren.

Funeral services were held Tuesday afternoon at the Hause Funeral Home in Clinton. Rev. E. T. Rodda of Tecumseh officiated and burial was in Riverside cemetery in Clinton.

U. S. O. BENEFIT

The American Legion and Auxiliary are sponsoring a benefit party in the Legion hall Tuesday evening, October 6, the proceeds from the party to go to the United Service Organization. The U. S. O. is an organization made up of various groups to provide recreation for men in service and the cause is a worthy one.

This is the beginning of a series of parties to be given by the Legion and Auxiliary every Tuesday evening throughout the winter.

Indians Ready For 3rd Scalp

TO PLAY MICHIGAN CENTER HERE FRIDAY; DEFEAT HUDSON ON HOME FIELD, 24-0

Playing on a rain-soaked field, the Tecumseh High School Indians defeated the Hudson high football eleven on the Hudson gridiron last Friday evening, by a score of 24 to 0. It was the second straight victory for the Indians, who have not been scored upon this season.

Tomorrow evening, at Recreation Center here, the Indians meet their third opposing team, Michigan Center. The kick-off will be promptly at 8:30, and followers of the pig-skin sport declare that Coach Hart's men are up against the stiffest squad yet to appear on the local playing field. Michigan Center has a strong veteran team, losing only one game last year, and, off the record it is understood that they are "laying for the Indians" in an effort to break their winning streak.

"We're going to give 'em a battle, and I don't mean perhaps," was Coach Neville Hart's comment on the game this morning. "And I sure appreciate the fine spirit that is being shown by the Tecumseh fans," he continued. "There was a goodly number of them on hand at Hudson last Friday, despite the rain, and I know that every member of our squad appreciated the cheering."

CLINTON WILL PLAY ITS HOME GAME HERE

W. L. Berkhof, superintendent of schools, announced that it had been definitely decided to play the Clinton-Tecumseh game, originally scheduled for Clinton, at Recreation Center here next week Friday evening, at 8:30 p.m. This game is expected to attract a record crowd, not only from Tecumseh but Clinton as well.

"Clinton folk were of the opinion that an evening game would attract a much larger crowd than an afternoon game," Mr. Berkhof said. "Clinton does not have a lighted field, therefore the game was transferred to Tecumseh."

After the first play in the Hudson game, last Friday evening, the ball was soaked, this did not deter the Indians from carrying on a fine offensive game. Early in the first quarter, Tecumseh recovered a Hudson fumbled punt on Hudson's 35 yard line. A series of running plays soon carried the ball over for a touchdown with Jack Osburn lugging the pigskin. The extra point was missed. Again during the first quarter the Indians displaying a splendid running attack, brought the ball into pay dirt, with Cliff Jackson, (all-county guard last year, converted to fullback) going over for the score. The extra point was missed again.

Early in the third quarter, Harvey Proctor raced around his own right end for about fifteen yards and a touchdown. The extra point was again missed. Late in the third quarter a long pass from Proctor to end, Doug Murdoch, was completed on the Hudson three yard line. Proctor carried it over for a score on the first play. The extra point was missed again.

Tecumseh made 15 first downs to Hudson's two. Tecumseh had 40 yards of penalties and Hudson's 30.

The Indians showed marked improvement in their offensive drive and their defensive play was particularly impressing. However, much hard work is necessary before the team rounds into championship calibre. The Tecumseh line-up is as follws: Le, Snyder, Lt, Laidlaw, Lg, Sisson, C, Sisson, Rg, Winter, Rt, Brown, Re, Bagshaw, Qb, Proctor, Lhb, Jack Osburn, Rhb, Jim Osburn, Fb, Jackson. Substitutions: Doug Murdoch, Don Smith, Taylor Van Valkenburg, Schneider.

MEN WITH CHILDREN

With more than 600,000 Americans overseas the nation continues to mobilizes fighting men at a more rapid rate than at any time during the first World War, according to Major General Lewis B. Hershey, national Selective Service Director.

Gen. Hershey says that married men with children face the prospect of being called for military service next year when the prospect of a very large mobilization is "in the cards."

We will have to come to the realization, he warns, as the war progresses, that there are not enough single men and not enough married men without children. He foresees the possibility of 10,000,000 to 13,000,000 men under arms.

FARM PRICES AND WAGES

It is to the credit of certain farm organizations, such as the leading marketing co-operatives, that they have not opposed stringent control of agricultural prices so long as stringent control of wages is imposed with it.

These organizations, in other words, have simply objected to farmers being turned into shock troops to fight inflation—while other national groups go merrily ahead getting all the money possible.

The cost of farm labor alone has offset much of the increase in farm income—to say nothing of the higher costs the farmer must pay for equipment, feed, manufactured commodities, etc. Price stability must go all the way.

Out of self-interest alone, both labor and agriculture should accept equitable wage and price controls, appplied to each on the same principle.

GAS RATIONING
To Begin In NOVEMBER
Let Us Check Your Motor
To Assure Top Mileage

If we are to be limited to four gallons of gasoline a week as a war-time measure, we just can't afford to waste a single ounce of the precious fluid through faulty carburetion or ignition. We must keep our cars "tuned up" to war-time economy.

DON'T WAIT FOR THE RUSH TO BEGIN

Don't wait until gas rationing is actually here before you bring your car to us for service. When that day arrives we probably will have more cars to service than we can turn out in several days.

Act now—make an appointment—let us get your car in shape for war-time driving.

INSULATION & STORM SASH
Will Help To
SAVE YOUR FUEL

Yes, we're in the coal business and in an ordinary year it wouldn't concern us how much fuel you burned, but this year, it's different. WE ARE AT WAR.

It is now our duty to tell you how to save fuel and to assist you in every way that we can to make such a saving. Coal you know, is a part of our battle for freedom.

We cannot, therefore, urge you too strongly to do everything that you can to reduce your fuel consumption. We suggest that you insulate your home, add storm doors and windows—see it to that your cellar windows are tight and as nearly air-proof as possible.

If you need insulation, we can take care of your wants. We also can furnish you with storm doors and windows for your home.

WHY NOT PLACE YOUR ORDER NOW?

But don't wait for these fuel-saving needs. Place your order now, while our stock is still available. We'll be glad to quote prices and to assist you in any way that we can

NOTICE

Registration for General Election

TUESDAY, NOVEMBER 3rd, 1942

To the Qualified Electors of the Township of Tecumseh (Precinct No. ....) COUNTY OF LENAWEE, STATE OF MICHIGAN.

Notice is hereby given that in conformity with the "Michigan Election Law," I, the undersigned Township Clerk, will, upon any day, except Sunday and a legal holiday, the day of any regular or special election or primary election, receive for registration the name of any legal voter in said Township not already registered who may Apply To Me Personally for such registration. Provided, however, that I can receive no names for registration during the time intervening between the Twentieth Day before any regular, special, or official primary election and the day of such election.

Notice is hereby given that I will be at Supervisor's Office

WEDNESDAY, OCT. 14, 1942

The Twentieth Day Preceding Said Election

Last Day for General Registraton by Personal Application for said Election

From 8 o'clock a. m. until 8 o'clock p. m. on said day for the purpose of Revewing the Registration and Registering such of the qualified electors in said Township as shall properly Apply therefor.

Notice is hereby further given that I will be at 106 W. Pottawatamie St. Oct. 3rd, 1942, from 1 o'clock p.m. to 6 o'clock p.m.

Oct, 10th, 1942, from 1 o'clock p.m. to 6 o'clock p.m. and any other day, from 5 o'clock p.m. to 7 o'clock p.m.

The name of no person but an ACTUAL Resident of the precinct at the time of said registration, and entitled under the Constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.

Registration On Election Day

Sec.9. If any person whose name is not registered shall offer and claim the right to vote at any election or primary election, and shall, under oath, state that he is a resident of such precinct and has resided in the township or city 20 days next preceding such election, designating particularly the place of his residence, and that he possesses the other qualifications of an elector under the constitution, and that, owing to the sickness or bodily infirmity of himself or some member of his family, or owing to his absence from the township or city on public business or his own business, and without intent to avoid or delay his registration, he was unable to make application for registration on the last 2 days provided by law for the registering of electors preceding such election or primary election, then the name of such person shall be registered, and he shall then be permitted to vote at such election or primary election. If such applicant shall, in said matter, wilfully make any fase statement, he shall be deemed guilty of perjury.

Provision in Case of Removal to Another Precinct

Any registered and qualified voter who has removed from one election precinct of a township or city to another election precinct of the same township or city, shall have the right, on any registration day, as in this act provided, on application to the township or city clerk, as the case may be, to have his name transferred from the registration of the precinct from which he has removed to the registration book of the precinct in which he then resides. Such elector shall have the right to have such transfer made on any election or primary election day, by obtaining from the board of inspectors of such election or primary election of the precinct from which he has removed, a certificate of transfer, and presenting the said certificate to the board of election inspectors of the precinct in which he then resides. In every such case of transfer the township or city clerk or the board of inspectors issuing such certificates shall cause opposite the name of such elector, to be entered in the column headed "Remarks" in such registration book, the words "transferred to precinct number..... (giving the number)," together with the initials of the said clerk or some member of the board of inspectors of election, as the case may be, and the date of the transfer: Provided, That any city may provide by its charter or by resolution duly approved by a majority of the members of its legislative body for the transfer of electors as herein provided on the last Saturday prior to any election or primary election at the several places of voting in the voting districts of such city instead of on election or official primary election day, and may in like manner further provide that no transfer of registration shall be received by the clerk of such city for a period not exceeding 10 days prior to any primary or election.

Dated Oct. 1, 1942.

H. H. HANNA,
Twp. Clerk.

AVOID DISAPPOINTMENT GET LATEST LINE EXTENSION INFORMATION *Today!*

★ Federal regulations now in effect, and subject to change, place severe restrictions on the extension and enlargement of our lines. Line extensions require materials that are badly needed for war . . . and war needs must come first.

To avoid possible disappointment and inconvenience, check with our office at once as to how these restrictions will affect you if you are planning—

1. **To move into premises which do not have adequate electric service available, or**
2. **To occupy newly constructed premises, or**
3. **To request additional service at your present location (for a range, water heater, etc.)**

Under these regulations we are permitted to do very little (in many cases, nothing) toward extending or enlarging our lines or service.

Service cannot be extended to any building unless it was ready to receive service before July 1, 1942, or, in the case of new construction, unless the main foundation was completed prior to July 1, 1942.

Even though the building can qualify under these War Production Board rulings, it must be within 250 feet of an existing line, for an extension may not go beyond that limit.

We will exert every effort to serve you so long as it can be done within the wartime restrictions. However, the *most* we are able to do under present conditions may not be enough to meet your needs.

So check with us immediately if you are planning to take any of the three steps listed above. It may save you a lot of time and trouble.

SEE
THE CORN YOU BUY

With hybrid corn, the important thing is NOT where the seed was grown, but how it performs where you plant it. The best way to compare varieties and decide which ones suit you the best is to see them growing side by side in a soil and climate similar to yours. That's why DeKalb has more than 3300 proving grounds or demonstration fields, scattered throughout the corn-growing areas.

Another reason why you should visit your DeKalb proving ground is to keep acquainted with the newest varieties that DeKalb is continually perfecting.

Be sure to visit the DeKalb proving ground in your neighborhood. Your DeKalb dealer will be glad to show you the varieties that you are interested in and what they will do for you on YOUR FARM.

BRUDER-FENN

The Macon Methodist church was the scene of a bautiful semi-military wedding Saturday evening at 9 o'clock when Miss Shirley Fenn, daughter of Mr. and Mrs. David Fenn of Belleville became the bride of Pvt. Chalmer Bruder of Granada, Colorado, son of Mr. and Mrs. Burt Bruder of Tecumseh. The Rev. R. E. Simons of Flat Rock, former pastor of this church, prformed the double ring ceremony before an altar decorated with flags, palms and candelebra.

After a prelude of uptial music by Miss Clarabell Kerr, Miss Dawn House of Macon and Miss Virginia Hubbard of Tecumseh, sang 'I Love You Truly" and "Because" accompanied by Miss Kerr.

To the strains of Lohengren's wedding march, the bridal party entered the church. Miss Thelma Bruder of Ypsilanti, sister of the bridegroom and Mrs. Bette Oelke of Belleville as bridesmaids, Miss Helen Wanty of Milan as maid of honor and Mrs. Maxine Howard of Ypsilanti acted as matron of honor for her sister. The flower girl Virginia Robbins of Ypsilanti preceded the bride who entered on the arm of her father and who later gav her in marriage.

The bride was lovely in a gown of pearl white satin fashioned on princess lines and with a veil which was held in place by a motif of seed pearls. She carried a bride's bouquet of gardenias. The bride wore a double strand of pearls, a gift of the groom, as her only jewelry.

The bridesmaids wore colonial dresses of rose taffeta and carried arm bouquets of roses and asters. The maid of honor wore pink taffeta and carried an arm bouquet of delphiniums. The matron of honor chose blue taffeta for her gown and carried yellow mums. The flower girl wore a floor length gown of white taffeta and carried a basket of flower petals which she scattered in the path of the bride.

The bride's mother wore a dress of soldier blue and a corsage of fall blooms. The groom's mother wore navy blue and a corsage of baby mums.

John Hendershot of Ypsilanti acted as best man for Mr. Bruder and the ushers were Delmar and Clifford Bruder, brothers of the groom, and Earl Aiken of Milan.

Immediately following the ceremony a reception was held at the home of Mr. and Mrs. Hamilton Moore, Jr. Refreshments were served from a lace covered table. A three tiered wedding cake with a miniature brde and groom was a feature. One hundred and seventy-five guests were present from Ypsilanti, Milan, Belleville, Ann Arbor, Booklyn, Detroit, Adrian, Mich. and Indiana, Illinois and Colorado.

Mr. and Mrs. Bruder are leaving at the end of his furlough, for Granada, Colorado, where he is stationed as a military guard of a Japanese Interment camp.

The Methodist Sunday School observed Rally Day with program of class promotion exercises.

The new furnace which has been installed in the Methodist church was given a try-out at the Sunday morning services and proved satisfactory.

Recent guests in the Mr. and Mrs. Almon Kuder home were Corp. George Nichols of Waco, Texas, Mrs. Zella Nicholls and Miss Phyllis Yeager, both of Jackson. Corp. Nicholls, formerly of Jackson, will be promoted to lieutenant on his return to camp and will enter officers training.

Mr. ad Mrs. Burt Bruder entertained at dinner Sunday honoring their sons Chalmer Bruder of Camp Granada, Colo. and Delmar Bruder who leaves for Ft. Custer Tuesday. Guests from a distance were Mr. and Mrs. Asle Reynolds of Chicago, Mr. and Mrs. Glenn Reynolds of Gibson City, Ill. and Mr. and Mrs. Richard Harper of Northville, Mich.

Over the weekend guests of Mr. and Mrs. Hamilton F. Moore were Mr. and Mrs. Harold LaFever, and Mrs. Mary Harper of Dunkirk, Ind. and Mr. and Mrs. Gerald Cary of Ypsilanti.

Economical Laundering is a War Time "Must"

There might have been a time when you could afford to waste your shirts, dresses and linens—they could be replaced.

But today, it's a different story. It's difficult to replace linens, in fact most impossible—and each day it becomes more difficult to buy clothing.

That bring us to the subject of careful laundering as a war-time "must". You must take better care of the clothing now than ever before in your lifetime.

That's why we say, bring your family washing to us. We know how to get the garments clean with the least possible wear. We also know how to press them for the greatest wearability.

For Greater Production And Victory . . . . .

Heroes on the home front, are the men of labor—the soldiers of production, who unstintingly give of their energies, their time and their sincere devotion to freedom's cause, that Victory may be won—soon! These men we honor on this Labor Day. 1942 finds the date more significant than any that has past, as millions of workers stick to their jobs in factory, mill and mine. These men are buying War Bonds to back up our fighting forces. You can do no less than back up both our fighting and production forces . . . by buying War bonds to the utmost of your ability!

OBITUARY

P. L. VAN VALKENBURG

Perry Lambert Van Valkenburg was born November 16, 1877, at the family homestead in Franklin township, where he resided until his marriage to Edith Lewis on January 10, 1900. To this union were born two sons Percy M. and Cuyler L. now of Adrian and one daughter Mary Hewes of Youngstown, O.

His entire life was spent in this community, living on his farm and serving as Tecumseh township highway commissioner until 1920, when he moved to Adrian and began his work as superintendent of highway maintenance of Lenawee county which he continued the balance of his life. He was ever considerate of the welfare and needs of those in his employ. His characteristics of honesty, uprightness and thoughtfulness of others was appreciated by all who knew him.

Mr. Van Valkenburg suffered a nervous breakdown three years ago and has since been in failing health. He was a member of the Presbyterian church in Adrian and since moving to his new home near Tecumseh had attended the Tecumseh Baptist church.

"Dearest brother thou hast left us,
And our loss we deeply feel
But 'tis God, whose love sustains us,
He can all our sorrows heal."

Funeral services were held Friday afternoon at the Belding Funeral Home, Rev. O. V. Robinson officiating. The bearers, all nephews of the deceased were Herbert Hoag, Raynor, Ronald and Ernest Van Valkenburg, Leon Schwartz and Merle Lanning.

Relatives and friends from Youngstown, Ohio, Detroit, Plymouth, Jackson, Onondaga, Brooklyn, Marshall, Adrian, Jasper, Clinton and other places attended the services and employees of the Lenawee County road commission office attended in a body.

CARD OF THANKS

For the beautiful flowers, for the kind expressions of sympathy in cards, letters and calls of our friends, for the comforting words of Rev. Robinson, we expess our deep appreciation and thanks.

THE TECUMSEH HERALD

NINETY-THIRD YEAR—NUMBER TWO | TECUMSEH, MICHIGAN, THURSDAY, OCTOBER 8, 1942 | FIVE CENTS PER COPY

To Comb Town For Old Scrap

HOUSE-TO-HOUSE CANVASS BY CHILDREN TODAY; TRUCK TO WORK ON SATURDAY

The Michigan Newspaper Scrap Metal Drive, in which The Herald is participating, got into full swing this week through the cooperation of the Tecumseh public schools, and already approximately six tons of old metal has been collected by the school children, and many, many more tons are in prospect.

"The boys and girls are going about the job in a whole-hearted fashion and we're really going to get scrap and lots of it," was the way the Rev. O. V. Robinson, chairman of the local drive, declared yesterday. The Rev. Mr. Robinson spoke to the school children at a special assembly yesterday, and he said that their enthusiasm is running high.

"The children, 32 of them, will canvass the town starting Thursday, and they will complete their job in a single day. The girls will do this work and they will knock at every door, reminding residents of the drive and urging them to participate. If any resident has metal too heavy to handle, a group of boys will help them on Friday and Saturday. Residents need not feel hesitant in asking for aid in removing old metal from basements, garages or attics. The boys will be happy to help."

Residents are asked to put their scrap metal on the boulevard in front of their houses and trucks will be along on Saturday to haul it to the community pile. It is hoped that 50 tons of old metal will be collected here before the drive is ended.

Fay Whelan, who is a member of the Scrap Metal Committee, said that he received some 500 or 600 pounds of scrap this week from children. Tom Corkery, who is in the sixth grade, brought Mr. Whelan an express wagon load of scrap and then, on second thought, decided to scrap his wagon, too. It weighed about 25 pounds.

"I told Tom that I thought he was doing swell," Mr. Whlean said. "and I urged him to keep his wagon in the service of his country by hauling more scrap to the dump. He's doing it, too, and already he has brought me another load that weighed far more than his wagon. Boys with wagons, you know, can haul a lot of old scrap in this drive," Whelan concluded.

There are three piles of scrap that are growing steadily as the school-newspaper drive continues. One of the piles, at the Central building, includes an old automobile. Other piles are at the branch schools.

The girls and boys who will participate in the canvass and collection of metal here today, tomorrow and Saturday are:

Freshman boys: Bob Randall, Hob Baker, John Murdoch, Ronald Goodacre, Dermont Foley, Lee Clark. Girls: Lenore Mohr, Marjorie Wickwire, Marda Gene Duncan, Beppy Escolme, Barbara Humble, Martha Kempf.

Sophomore Boys: Don Purkey, Martin Phibbs, Jim Osburn, Lillard Brown, Charles Bancroft, Silas Kring. Girls: Joyce Zeigler, Lois Francis, Winona Waldron, Ruth Schneider, Lenore Larsen, Barbara Kerby.

Junior Boys: Jack Brown, Douglas Murdoch, Jim Spooner, Bill Sisson, Stuart Costigan, Dalton Van Valkenburg. Girls: Isabel Hamilton, Dorothy Bowen, Dolores Isaacson, Pat Hickey, Nancy Tingley, Floris Howe.

Senior Boys: Don Winter, Don Smith, Bob Laidlaw, Russell Collins, George Murdoch, John Hamilton. Girls: Yolande Baldwin, Jean Herrick, Aileen Wintersteen, Doris O'Neill, Deloris O'Neill.

Public Warned Not to Ration Their Patriotism

"The rationing of food stuffs, fuel oil, rubber, etc., does not worry me a bit. The thing that does trouble me is that men—men who should be leaders—will find themselves rationing their patriotism during this great national emergency," Nathan Schmidt, an executive of a Toledo wholesale grocery company and a member of the Rotary Club in that city, told Rotarians here on Tuesday when he addressed the regular noon-day luncheon at Brees House.

Mr. Schmidt, who is an able speaker, declared that he did not anticipate any great hardships as the result of government rationing of products. He said that there is plenty of coffee in the country, the only trouble is that too many people have started to hoard coffee, creating a shortage.

"There are too many people who are looking for alibis; who are anxious not to do because they think they can dodge under an alibi. That's not what we need. We need men, capable of leadership, who will show the country the way and make possible the ending of this war quickly."

Mr. Schmidt, who addressed the club here some 10 years ago, and who as a youth resided at Manchester, was the guest of Harold Anderson. His talk was greatly enjoyed.

Two new members were in attendance at the club meeting Tuesday, the Rev. James Cameron Murdoch and James Mullaney.

OFFICERS REELECTED

The Welcome class of the Presbyterian church met Tuesday at the home of Miss Mary Whitelock and made plans for the church fair and supper. All officers were re-elected for the coming year. They are, Miss Whitelock, president; Mrs. D. W. Beck, vice-president; Miss Rebecca Preston, secretary; Mrs. Rose Schreder, treasurer; Mrs. Mae Keyser, corresponding secretary; Mrs. John Hall, flower fund.

Tecumseh Buys $14,000 Bonds

MERCHANTS BOND AND STAMP SALE HERE FOR MONTH OF SEPTEMBER HEAVY

Tecumseh merchants and the Strand Theatre sold over $14,000 in United States War Bonds and Stamps during the month of September, Wade L. Jones, secretary of the Chamber of Commerce, said today. The sale is one of the heaviest yet recorded for the merchants.

The local theatre, participating in the nation-wide bond and stamp sale by theatres, sold $3,284 worth of bonds and stamps during the past month, Walter Nichols, manager, announced yesterday. The local theatre's quota was $1,000, and was more than three times oversubscribed.

The sale by merchants, Mr. Jones said, made up the balance of the $14,000 figure, of which amount $13,524 were bonds and $765.90 were stamps.

At the public schools here yesterday, $107.95 in war stamps were sold as follows: grades through the sixth, $117.70; 7th, $14.45; 8th, $24.75; 9th, $8.80; 10th, $11.35; 11th, $13.75; 12th, $9.15.

World Wide Communion Attended By Over 200

Over 200 persons attended the World Wide Communion service at the Presbyterian church Sunday morning, when 26 persons united with the church and Carole Jane Ross, daughter of Mr. and Mrs. Raynor Ross was baptized.

The new members are Mr. and Mrs. Roderick Fletcher, Mr. and Mrs. Donald Parrett, Mr. and Mrs. Neville Hart, Mr. and Mrs. L. D. Tallmann, Mr. and Mrs. Barton Christman, Mr. and Mrs. Leroy Titley, Mrs. James C. Murdoch and sons John, Douglas, George and James, Mrs. John H. Smith, Mrs. Raynor Ross, Mrs. Jennie Satterlee, Howard Truesdale, Walter Pfaus, Robert Robison, John Hewlett, Martha Hewlett and Marilyn Jean Westlow.

ENACT SNOW ORDINANCE

The village council believes that winter is on its way—that is to say that it enacted and passed into law an ordinance governing the removal of snow and ice from sidewalks, at its regular October meeting, Monday evening. The ordinance, which carries several teeth, will be found in another page of this newspaper, printed in its entirety.

There was little other business to come before the meeting, excpting the monthly audit of bills and reports of committee and department heads.

PAST MATRONS MEET

The Past Matrons Club of the Order of the Eastern Star, met Friday evening at the home of Mrs. Lynn Harris on West Kilbuck street. A pot luck dinner preceded the meeting which was followed by a social hour.

Kin of Local Folk Dies In Plane Crash

Ernest Bartlett who was fatally injured in a plane crash near Rochester September 27, was a cousin of Mrs. Duncan Oliphant of Tecumseh and lived with the Oliphants about a year ago while employed at the local airport.

His brother Elmer, who was also seriously injured in the accident had both legs and one arm fractured and suffered a brain concussion. No hopes are held for his recovery.

Monday Club In It's 49th Year

OPENING MEETING HELD HERE ON MONDAY; MRS. R. H. MOORE IS PRESIDENT

The Tecumseh Monday Club opened its 49th year Monday afternoon, meeting in the Methodist Church parlors. Mrs. Robert H. Moore, the new president, presided and Mrs. R. S. Moore gave an interesting talk on "South America", telling of the geographical, educational musical and agricultural traits of the country.

Mrs. Harley McConnell sang two solos "Summertime" by Gershwin, and "House on the Hill" by E. Charles. Mrs. Kenton Hunt was her accompanist.

Tea was served by the officers of the club at the close of the program.

The winters programs will consist of a "Good Neighbor Tour" of South America, the trip to begin in New York at next week's meeting, and proceed to Columbia, Uruguay, Paraguay, Argentina, Chile, Bolivia, Peru and Ecuador, visiting another place at each meeting. Passports were issued at the opening meeting.

Year books were distributed at this meeting and among the out of town speakers listed for the winter are E. C. Hellman, Dr. James Spencer of Adrian, Miss Knight of Detroit, Adah Giddins and Mrs. John Marvin.

Mr. Heilman will speak at next week's meeting on "Civilian Defense."

NURSES TO MEET

The Lenawee County District Nurses Association will meet Wednesday evening, October 14 at the home of Miss Zura Kerr in Holloway.

Miss Ella McNeil, R.N., of Ann Arbor, president of the Michigan State Nurses Association and associate professor of Public Health Nursing, will be the guest speaker. Miss McNeil is a former Tecumseh resident and the daughter of Mrs. A. O. Howard.

A Hallowe'en program will follow the business meeting.

C. A. R. MUSICALE

Charles E. Mickley Society, C.A.R., will entertain Abi Evans chapter, D.A.R. of Tecumseh and the Lucy Wolcott Barnum chapter of Adrian, at a musicale in Croswell House, Adrian Saturday afternoon following the business meeting of the C.A.R.

P. T. A. Frolic To Be Held Here, Monday

Tecumseh P. T. A. will hold a "frolic" at the high school Monday evening, October 12, for the new teachers, parents and new residents in the community. Mrs. John Larsen is in charge of entertainment for the "get-acquainted" party and a good time is assured.

The P. T. A. has recently reorganized with Mrs. Melvin Murphy, president of the West Branch association; Mrs. Russell Starker of the East Branch; Mrs. William Barnes, the lower six grades at the high school. Representatives for the Junior and Senior High have not yet been chosen.

The counsellors met Wednesday and elected Mrs. Sam Sisson, president; Mrs. Joseph Rowheder, vice president; Mrs. Kenneth Johnston, treasurer and Mrs. Gale Hooton, secretary.

The "frolic" will begin at 8 o'clock and all new residents and anyone interested in the P. T. A. are especially invited. Refreshments will be served.

Funeral Service Held For Mrs. May Higgins

Funeral services were held Sunday afternoon at Collins Funeral Home for Mrs. May Higgins, widow of the late Melville Higgins, whose death occurred last Wednesday night at the home of her sister Mrs. Nina Avery in Mansfield, O., after several weeks illness.

Mrs. Higgins was born in Deerfield May 16, 1874, and was formerly May Poole. She was a member of the Christian Science church.

Christian Science services were conducted by William Schnerlin of Clinton and bearers were Charles Avery of Mansfield, Charles Howell, Lavern Pennington of Macon-Robert Howell and Charles Burleson of Dearborn and John Howell of Toledo. Burial was in Deerfield cemetery.

FIRE PREVENTION WEEK

This is fire prevention week, and Mayor J. Floyd Elliott has requested that store and home owners check their property in an effort to discover possible fire hazzards, and make necessary corrections. It is entirely likely that a check-up by firemen of stores and other places of business in the downtown area will be made within a few days.

CHILD STUDY CLUB WILL MEET MONDAY

The Child Study Club will meet Monday evening, October 26 at the home of Mrs. Hoyt Raymond, with Mrs. Hugh Andrews and Mrs. W. Winfield assisting in entertaining. The program topic is "Getting Ready to Read" and leaders are Mrs. Sam Sisson and Mrs. Keith Barrow.

This meeting was planned for October 12 but was postponed because of the P. T. A. reception for the teachers.

D. A. R. TO MEET

Abi Evans chapter, D.A.R., will meet Friday with Mrs. P. G. Heldenreich at her home on North Union street.

His Hobby as a Boy Recognized By Army

James Smith, son of Mr. and Mrs. Jack Smith, is now located at Langley Field, model aircraft division, at Hampton, Va.

Jim has always had a hobby for building model planes, beginning when he was nine years of age. Each model became more complex and last year he turned out several with gas motors which were constructed to scale. Some of his own design were made and about August 10 he was notified of a government appointment to a job at Langley Field.

Jim, who is now 18 years of age, was employed as print boy in the engraving department at Tecumseh Products Co., when his appointment was received.

Thomas McCann Buried Monday

VETERAN MERCHANT DIES IN HOSPITAL HERE FOLLOWING SEVERAL WEEKS ILLNESS

Thomas McCann, aged 78 years, Tecumseh's oldest merchant, died Thursday afternoon at Tecumseh hospital after several weeks illness. He had been a patient in the hospital since August 26.

Mr. McCann, who was Lenawee county's oldest clothier, was born December 5, 1864 at Bunker Hill, Michigan. In 1893 he came to Tecumseh and with his brother, James McCann, now deceased, bought the firm of Strong and McNair and operated a clothing store in the building now occupied by Wright's Drug Store. In 1915 James McCann sold his interest in the business to Percy Bowen and the firm was known as McCann and Bowen until 1932 when Mr. Bowen sold his interest to Wiley McCann and the firm became McCann and Son. Thomas McCann later retired from the business.

In 1899 he was married to Miss Anna Wiley of Jackson who survives. He also leaves the son Wiley F., and a daughter Mrs. James Tressler of Tecumseh, a brother Patrick McCann of Bunker Hill, three grandchildren and several nieces and nephews. A son, Harold, preceded his father in death in 1928.

The Rosary was recited in the home Sunday evening by the Altar Society of St. Elizabeth's Catholic church.

The funeral was held Monday morning at St. Elizabeth's church with a Requiem High Mass, Rev. Fr. Frank McQuillen, a nephew of the deceased, singing the Mass. Rev. Fr. J. A. McMillan, deacon and the Rev. Fr. John Ross, subdeacon were assisted by Rev. Fr. Joseph V. Pfeffer of Detroit, Rev. Fr. John Eppenbrock of Ida and Rev. Fr. Lambert LaVoy of Newport. Mrs. Edward O'Connor of Jackson, a niece of Mr. McCann's, was organist, and the singers were Mrs. O'Connor, Mrs. Bert Des Noyer of Jackson and Mrs. Don Blesing. Bearers were Russell Thurlby, Sr., F. S. Anderson, R. H. Russell, Frank Gruber, Richard Pouillard and James Mullaney and honorary bearers were Al. Helzerman, Marvin Watkins, George Rinehart, Leon Rosacrans, D. F. Wright, John R. Nyland, Harry Dewey, B. A. Lawrence, John Larsen, R. J. McCoy, J. J. Tressler and H. W. McClure. Burial was in St. Dominic's cemetery at Clinton.

Among those who attended from out of town were Patrick McCann and Aubrey McCann of Bunker Hill, Mrs. Emmet Berry of Stockbridge, Mrs. James McCann, Mrs. Catherine Decker, Mrs. Sidney Doyle, Cletus Berry, Mr. and Mrs. Eugene Berry and Mrs. Wm. Robison of Detroit; Mrs. Ed. O'Connor, Mrs. Bert Des Noyer, Ed Kearney, Mrs. Harry Spencer, Mrs. C. M. Russell, Mrs. Ella Tompkins, Mr. and Mrs. W. L. Gaebelin, Miss Helen Gaebelin, Mr. and Mrs. E. J. Kearney, Jr., and Mrs. Marie Havens of Jackson; and Kenneth Delp of Toledo.

WED IN FLORIDA

Friends here are receiving announcements of the recent marriage of Miss Helen Marguerite Berry, daughter of Mr. and Mrs. E. J. Berry of Stockbridge, to Earle E. R. Richardson, an Ensign of the U. S. Naval Reserve. The wedding occurred September 12 at St. Paul's church in Jacksonville, Fla.

The bride was at one time employed in Miss Mary Ivan's beauty shop here.

GRANGE TO MEET

Tecumseh Grange will meet tonight for annual election of officers. A potluck supper will precede the meeting.

The Reliable class of the Methodist church met Tuesday afternoon at the home of Mrs. T. Rentschler.

Scalp Clinton, Indian Worry

RIVALRY OF NEIGHBORING SCHOOLS TO SHOW UP IN GAME HERE, FRIDAY

The Tecumseh-Clinton annual football classic, originally scheduled for Clinton, has been transferred to the Tecumseh Recreation Center and will be played here under the lights, Friday evening, October 9. The kickoff will be at 8:30 p.m.

The beginnings of the traditional rivalry between the two schools are hidden in history, nor does anyone seem to know just how many years they have met in this annual clash. Records, as far back as they are available, show that since 1926 the teams have met 15 times. In these games Tecumseh has won 10 games to Clinton's 5. This margin in favor of Tecumseh will be hotly contested, Friday night.

Clinton, who defeated Dexter in their first game by a lopsided score of 19 to 0, also has won over Saline with a narrower 6 to 0 victory and then downed Hudson by a score of 33 to 12. It is said they are keyed for the Tecumseh game. The veteran team has nine of its first string squad back from last year. The line up, according to those who have seen them play, is a real threat to Tecumseh's two-year string of victories in the county conference. Malinowski is said to be a veritable speed merchant, lugging the pigskin around the end and off tackle for long gains. Marble doubles as passer and kicker and is always a threat in any formation. Van Tuyle at end is a veteran pass receiver with a reputation for snagging them out of the air, in mixed company Gainson, last year's all-county tackle, bolsters up a line that is strong from end to end. Feldkamp, playing safety as defense is noted for long returns of punts. Coach Bill Angiemeyer, it is believed, will put a team into the field that will give the Warriors an interesting evening.

The Tecumseh Warriors, smarting from their defeat at the hands of Michigan Center last Friday night can be expected to play heads up ball. Lane Atwood was out of the line up with a leg infection. His position at center will be filled by moving Osburn from the backfield to center. Don Smith will replace Osburn at half. Proctor at fullback, supplies the triple threat. His long passes can be relied on for several long gains and his accurate toe to put the ball in enemy territory when necessary. Jackson, last year's stellar guard, has been converted to the other half back position and has been doing a beautiful job as a blocking back and as a ball carrier. The line play of Tecumseh has been superb. Without exception they have learned the two essentials, hard charging and clean tackling. Snyder, a new aid on the squad of this year, has brought the crowd to their feet several times by pulling passes out of the air at unsuspected places.

Coach Hart has a well balanced squad this year. There are no outstanding stars or prima donnas, just eleven hard hitting plyaers, well grounded in the fundamentals. Their attack is versatile. On offense they seem to gain ground with equal ease around the ends and through the line, with a liberal sprinkling of razzle dazzle and aerial attack to liven up the game and keep their opponents guessing. On defense, they give ground grudgingly. No team that they have met so far has been able to uncork a sustained passing attack. On running plays, they have shown good defensive ability, knocking out the interference and throwing tackles.

SOME FOLK MUST LEARN

Today, by federal decree, a 35-mile speed limit is in effect thruout the United States. The need for conservation of tires and rubber for our war effort made such an order imperative. There are few exceptions to the ruling.

But after one observes some of the fast driving on Tecumseh's streets—speeds far, far in excess of the 35-mile limit—one can but wonder if the federal order included some exception for this Michigan village.

We have said before and we say it again that there are too many "smarty pants" behind steering wheels in Tecumseh. They use the boulevard as a testing ground for their motor cars. Scarcely a night goes by that there is not a speed race on the boulevard between Pearl street and Adrian street. And similar conditions exist in other sections of town.

This condition is going to exist so long as nothing is done about it. It's existed the entire summer, and fortunately there were no serious accidents.

Personally, we'd like to see the 35-mile law enforced within the village. Proper "home training" might be reflected on the highways outside the corporate limits.

STAY WELL

A recent headline in Newsweek said, "Services' call for doctors means U. S. must stay well." And the statistics back that up thoroughly.

This country has 176,000 physicians—of which 22,000 have been taken by the Army. If the goal of a 9,000,000-man Army is attained, about 58,000 doctors—one-third of the nation's total—will be in uniform. And the situation is about the same in the cases of nurses. We have 300,000 trained nurses—and 50,000 will be required for the Army and the Navy by the middle of next year.

No one can complain about this—America's fighting men will and must have the best medical attention possible. What it means is that all remaining doctors must work far harder and longer than ever before. The medical schools are stepping up the tempo of medical training as far as practical. And, in addition, civilians must help. Here is how Newsweek put it: "The civilian will also have to pull his oar in the boat. Instead of expecting punctual appointments and home visits, he will have to wait his turn in the doctor's waiting room. Preventative medicine will loom larger. Face-lifting operations will have to yield precedence to emergency appendectomies. By the war's end, hypochondriacs and the bedside manner alike may well have become part of America's past."

This is a small "sacrifice" indeed for the civilian to make in the interest of our soldiers' health—as well as the health of those who stay at home. Give our doctors this kind of sensible cooperation—and America's standards of medical care will remain the highest in the world.

OUR CALL TO DUTY

Duty is an old-fashioned word. We of today may talk glibly of rights, but it was the word "duty" that founded this country. Unit animated those who built it from the wilderness, that made from people drawn from all nations and all walks of life a united nation.

Duty has a simple meaning—merely to do what we ought to do. Not until we began to hedge it around with self will, did our people turn from the path of duty to the pleasanter road of "rights." And thereby came our period of weakness, the slackening of moral fibre, the days of self-interest that found us unprepared as a nation when the crisis came.

There is no privileged group in this country—no one who has the right to shirk his duty. There is no class above the power of this simple word. Neither worker nor employer is beyond it. Neither rich nor poor can avoid its tasks. Neither youth nor age deserves special consoideration. Race, color, creed—all are bound by the call of duty.

We are in the midst of a world war between the forces of those who want rights for themselves and for those who want rights for all men who accept their duty toward others. Hitler has stated the Axis case—the master race of Germans are to rule the world with all other peoples working for them. He has declared that there is to be no religion but the worship of the Nazi state. Our Secretary of State has stated our case when he said, "We have always believed—and we believe today—that all peoples, without distinction of race, color or religion, who are prepared and willing to accept the responsibilities of liberty, are entitled to its enjoyment."

Now we must retrace our steps and follow once more the path of duty. We must do what we ought to do. We must live up to what we know to be right, not stand on our rights.

What that duty is, we know. We are a free people, with a heritage of thinking for ourselves, not of servilely following the commands of a dictator. We know what is right and what is wrong. No matter what the religion to which we owe allegiance, we have learned as children from those in spiritual authority over us, what our duty is. We must put it into practice now.

We have a duty to perform—let us use that duty as our guides post in all our acts. If we do, the victory will be ours. "He that followeth after righteousness and mercy findeth life, righteouness and honour."

SELL YOUR TYPEWRITERS TO HELP WIN THE WAR

Today A. E. Buchenberg, district manager of the War Production Board, serving Lucas County, Ohio, and Monroe, Lenawee and Hillsdale counties in Michigan, expressed the opinion that in the offices of Doctors and Dentists who are entering the military service, and also in private homes, there are many typewriters whose use has been discontinued or used so little that they could be sold to the Government.

The Army and Navy need 500,000 typewriters. The normal equipment of a battleship calls for 59 typewriters. Today she is given only 30 typewriters. When a battleship arrives at a port, one-half of her typewriter equipment is taken off and used elsewhere. Every bomber must have one typewriter. The Army has cut its typewriter requirements by 60 percent and the Navy 50 percent.

A serious emergency exists due to the fact that the manufacturers of typewriters are now making munitions of war.

Many concerns, who, in July, reported to the Procurement Division, Treasury Department, Washington, D. C., that they could not spare even one of their typewriters (built since January 1, 1935), have, on a second appeal, decided to make the necessary sacrifice and sell some of their equipment to the Government.

The cooperation of everyone is being solicited so that this vital procurement may be accomplished by voluntary means.

Business concerns and all other sources using a number of typewriters are being asked to surrender 20 percent of the machines they own which fall within the prescribed age limit.

It may be necessary to TURN THEM IN before REPAIRS or REPLACEMENTS can be made!

If you need a new part for any domestic appliance, and if that part contains copper, brass, bronze, rubber or any other critical material, chances are that the old part will have to be turned in before a new part can be issued.

A nuisance? Yes, but a necessary one. The supply of critical materials is insufficient to meet all war and all civilian purposes. In order to make sure that the supply available for civilian use is stretched as far as possible, the manufacturers of many appliances, working in cooperation with the Government, now issue a replacement part only if the old part is turned in.

The purpose is two-fold: To make sure that the new part is actually used for replacement, and to assure the recovery of critical materials contained in the old part.

This rule applies not to a few items but actually to thousands of items. Even parts which contain a comparatively small percentage of copper, brass, bronze or rubber are included.

So if something breaks or wears out in your range, refrigerator or water heater or other appliance, you may save yourself disappointment if you keep the old part handy, ready to be turned in if necessary.

ATTENTION, USERS OF LUMILINE LAMPS!
New lumiline lamps will be sold only to those persons who return INTACT their old burned-out lamps. THEY MUST NOT BE BROKEN OR CRACKED. So handle with care those burned-out lumiline lamps and turn them in when you purchase new ones.

Two of the fiest teams in their class in Southern Michigan will take the field for the kickoff tomorrow night. Ardent supporters of both are predicting victory. At least, it will be one of the greatest games to watch on the Tecumseh gridiron this football season.

Michigan Center Wins

Last Friday night, a crowd of approximately 1,000 fans saw the Warriors lose their first game in the past two seasons to a heavy, fast Michigan Center eleven. During the first three quarters, the Tecumseh team could not get started. The heavy Michigan Center line was through, breaking up plays befose they could get started with the result that Tecumseh had their backs to the goal line most of the time. However, when their opponents got down near pay dirt, Tecumseh stiffened and the first half would have ended scoreless except for a lucky safety. One of the Tecumseh men intercepted an attempted touchdown pass in the end zone, intending to ground it for an automatic touchback. However, it was ruled that he attempted to advance the ball and it was ruled as a safety awarding two points to the opponents.

Michigan Center put on a sustained drive in the third quarter which resulted in a touchdown and the conversion from a place kick which followed accounted for their total of nine points.

In the last quarter, however, Tecumseh put on a brilliant passing attack, taking the ball from their own territory to the two yard line of Michigan Center from which point Proctor torpedoed for their only tally. The attempted point from placement was wide of the uprights.

The game ended without further scoring, Michigan Center 9, Tecumseh, 6.

Harvest Home Service Planned By Friends

The ninth annual harvest home day of the Tecumseh Friends churc will be held on Sunday, October 11, and it will be observed by two services: the morning service at 10 a.m. with Rev. Worthy A. Spring the president of Cleveland Bible College as the speaker, and the evening service at 7:30 p.m. with Millard Downing, a student at the college as the speaker.

As in previous years the church will be decorated with flowers, fruit, vegetables, and canned goods. This year all the contributions of farm and garden produce will be given to Cleveland Bible College. The motto of the harvest home day is "No offering too small—no offering too large."

All desiring to make a contribution are asked to bring it to the church as early as possible on Saturday, so that it may be used in the decorations. Harvest festival services with the churches so decorated are an English custom, and this custom is quite generally observed by churches and chapels in England. The public is invited to attend these services.

FARMERS MUST MAINTAIN THE STOREHOUSE OF VICTORY

Yes, Mr. Farmer, you are playing a mighty important part in this war effort,—it is your job to furnish food on the war front and on the home front.

Don't let your farm property deteriorate. It will only cost you more to repair or to rebuild later—and it will interfere with your production of food fof freedom.

If you need funds for necessary repairs, see us. We're happy to make loans in keeping with a sound banking practice.

80 Years of Experience Has Taught Us Many Things

Each day, 'tis true, you learn many things—and in the more than 80 years that this firm has been in existence we have amassed a world of knowledge and experience in the grocery business.

And today that experience is of great value to ourselves and to our customers. For example, we have learned where to buy and when to buy for the greatest quality and economy. And we have learned that passing these economies along to the housewife has increased our list of satisfied customers.

Each week, more and more people are finding that it pays them to shop here—where quality is never sacrificed for a few pennies.

Is Your June Bride an October Washwomen?

Of course, there are special garments that require home-washing, but what about the family linens—bed, table and bathroom—is she working one and two days each week doing the washing and the ironing?

Why not give the lady an opportunity to do the thousand and one jobs that have been forced upon her by speeded-up war production, and free her of the washing-ironing burden? Send the family bundle to us each week. We have modern equipment to do the work—cheaper than it can be done in your own home.

We'll be glad to quote you prices, and prove to you conclusively that there's a distinct advantage in sending your laundry work to us.

Last Day for General Registraton by Personal Application for said Election

From 8 o'clock a. m. until 8 o'clock p. m. on said day for the purpose of Revewing the Registration and Registering such of the qualified electors in said Township as shall Properly Apply therefor.

Notice is hereby further given that I will be at 106 W. Pottawatamie St. Oct. 3rd, 1942, from 1 o'clock p.m. to 6 o'clock p.m.

Oct. 10th, 1942, from 1 o'clock p.m. to 6 o'clock p.m. and any other day, from 5 o'clock p.m. to 7 o'clock p.m.

The name of no person but an ACTUAL Resident of the precinct at the time of said registration, and entitled under the Constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.

Registration On Election Day

Sec. 3. If any person whose name is not registered shall offer and claim the right to vote at any election or primary election, and shall, under oath, state that he is a resident of such precinct and has resided in the township or city 20 days next preceding such election, designating particularly the place of his residence, and that he possesses the other qualifications of an elector under the constitution, and that, owing to the sickness or bodily infirmity of himself or some member of his family, or owing to his absence from the township or city on public business or his own business, and without intent to avoid or delay his registration, he was unable to make application for registration on the last 2 days provided by law for the registering of electors preceding such election or primary election, then the name of such person shall be registered, and he shall then be permitted to vote at such election or primary election. If such statement shall in any matter, wilfully make any false statement, he shall be deemed guilty of perjury.

Provision In Case of Removal to Another Precinct

Any registered and qualified voter who has removed from one election precinct of a township or city to another election precinct of the same township or city, shall have the right, on any registration day, as in this act provided, on application to the township or city clerk, as the case may be, to have his name transferred from the registration of the precinct from which he has removed to the registration book of the precinct in which he then resides. Such elector shall have the right to have such transfer made on any election or primary election day, by obtaining from the board of inspectors of such election or primary election of the precinct from which he has removed, a certificate of transfer, and presenting the said certificate to the board of election inspectors of the precinct in which he then resides. In every such case of transfer the township or city clerk or the board of inspectors issuing such certificates shall cause opposite the name of such elector, to be entered in the column headed "Remarks" in such registration book, the words "transferred to precinct number..... (giving the number)," together with the initials of the said clerk or some member of the board of inspectors of election, as the case may be, and the date of the transfer: Provided, That any city may provide by its charter or by resolution duly approved by a majority of the members of its legislative body for the transfer of electors as herein provided on the last Saturday prior to any election or primary election at the several places of voting in the voting districts of such city instead of on election or official primary election day, and may in like manner further provide that no transfer of registration shall be received by the clerk of such city for a period not exceeding 10 days prior to any primary or election.

Dated Oct. 1, 1942.

H. H. HANNA,
Twp. Clerk.

The Finance Committee reported favorably on bills read. Moved and supported that report of Finance Committee be accepted and orders be drawn for several amounts. Ayes: Van Vleet, Turnbull, Winter, Truesdale, Marshall, Smith. Nays: Nones. Motion Carried.

Trustee Turnbull offered the following Ordinance as prepared by the Village Atotrney.

An Ordinance to Amend Sections 1, 2 and 3 of an Ordinance to provide for the keeping of the sidewalks of the Village free from Snow, Ice, Filth and other nuisances as passed January 15, 1912, and all amendments thereto and all ordinances and parts of ordinances inconsistent herewith of the Village of Tecumseh, Michigan in effect March 1st, 1941.

The Village of Tecumseh Ordians:

Section 1. That the owners and occupants of all lands in the Village shall, before ten o'clock in the forenoon of each day, clear away and remove from all sidewalks adjoining their respective premises all snow, ice, filth and other obstructions which shall have accumulated thereon during the preceding night.

Section 2. That in the case of failure or neglect of such owner or occupant to remove all snow, ice filth and other obstruction from the sidewalks adjoining the premises owned or occupied by them in the Village, within the time above provided, the Street Commissioner is hereby ordered to proceed and remove from all such sidewalks all snow, ice, filth and other obstruction thereof, keeping a separate account of the expense of such cleaning of the sidewalks adjoining each separately owned or occupied parcel of land, which expense, together with a description of such parcel and the name of the owner or occupant thereof, shall be forthwith reported by the street Commissioner to the Village Clerk, who shall keep a correct record of the same.

Section 3. All expense incurred by the Village in the keeping of the sidewalks clear and free from snow, ice, filth and other nuisances, as above provided, shall be computed at the rate of one and 25|100 (1.25) Dollars for each fifty (50) feet of sidewalk or fraction thereof, cleaned, which shall be paid by the property owner within twenty (20) days after the mailing of a bill therefor by the Village Clerk and unless so paid shall be assessed as a special assessment against the premises adjoining the sidewalk in connection with which said expenses are incurred, plus a penalty of ten (10) percent of such expense to be levied and collected upon the next assessment roll of the Village.

Motion made by Trustee Truesdale supported by Smith that above Ordinance be adopted. Ayes: Van Vleet, Turnbull, Winter, Truesdale, Marshall, Smith. Nays: None. Motion Carried.

Moved and supported reports of officers be accepted and and placed on file. Motion Carried.

Christmas Mail to Boys Overseas Should Be on its Way This Month

Arrangements have been made by the Post Office Department in cooperation with the War and Navy Departments to make a supreme effort to maintain Christmas traditions and retain or build the morale of our armed forces both in this country and overseas. In order that gifts and greetings may reach the addressees on time and in good condition mailers are requested to observe and comply with the following instructions.

Time of Mailing—Christmas parcels and cards to Military Forces overseas should be mailed during the month of October. Those directed to more distant places such as Australia, India etc. should be sent as early in October as possible.

Gifts intended for Christmas should be endorsed "CHRISTMAS PARCEL". Special effort will be made to deliver this mail in time for Christmas.

Size and Weight Permitted—In view of the urgent need for shipping space to transport materials directly essential to the war effort parcels are restricted to the following limitations:

Numer of parcels, 1 each week
Weight, 11 pounds
Length, 18 inches
Size, 42 inches in combined length and girth.

While these limits are permitted, mailers are urged by the War and Navy Departments to further cooperate by voluntarily restricting the size to that of an ordinary show box or smaller and to 6 pounds in weight.

Preparation—In consideration of the great distance this mail must be transported and the handling and storage it must undergo, it is absolutely necessary that all articles be packed in substantial outer containers of double faced corrugated board or material of similar strength. These parcels must not only withstand the pressure of other mail in the same sack but also the weight of other sacks that must necessarily be piled thereon. The articles should be arranged in a compact manner, fragile articles surrounded with cushioning material, liquids with absorbent material and sharp or pointed articles must have edges or points protected so they cannot cut through their coverings. All parcels are subject to censorship and easily opened parcels will minimize and expedite the necssary handling.

Prohibited Articles—Intoxicants, inflamble material (including matches and lighter fluid), and poisons or compositions liable to injure another or damage other matter are prohibited in the mails.

Perishable Matter—Mailers are urged not to send food or clothing. The forces are amply supplied with these articles and such matter sent in the mails only increases the burden of limited shipping facilities. Such articles as soft candy, cakes, cookies, pastries, meats not tinned, nuts and dried fruits are liable to become melted, mouldy, rancid, or otherwise spoiled and are not acceptable for the forces overseas, however, they may be sent to any destination within the United States. Among the food articles that may be mailed with reasonable assurance of receipt in good condition are hard candy, syrups, fruit, vegetables, meats, fish, potato chips, pop-corn, pretzels, cracker jack, peanut butter, jam, jelly and honey, all of which must be packed in sealed glass or metal containers.

Use of Money Order—Gifts of money should be sent in the form of Money Orders. In many foreign places where the boys are located United States currency is prohibited and could not be used if received.

Air Mail—Transportation facilities are such that air mail is limited to two ounces when addressed to military forces overseas and the rate for such matter is 6 cents per half ounce.

All mailers are urged to lend every possible aid to the Army, Navy and Post Office Departments in making a Merry Christmas for the forces serving their country and us.

22 Tons Scrap Collected Here

SCHOOLS COOPERATE IN NEWSPAPER SCRAP METAL WEEK; PUT TECUMSEH IN LEAD

The Michigan Newspapers Scrap Metal Drive, in which The Herald participated and which was staged here and throughout the state last week, was a complete success, in the opinion of the Rev. O. V. Robinson, chairman of Tecumseh's War Salvage Committee.

"As nearly as we can determine, and all weights are not yet in," the Rev. Mr. Robinson said, "Tecumseh contributed about 22 tons of scrap metal for victory during the Newspaper Drive. In my judgment the campaign locally was a big success in every way, and I feel very proud."

The public schools, under the direction of W. L. Berkhof, superintendent, cooperated in the campaign, and high school children were very active in the drive. On Thursday and Friday of last week there was a hous-to-house canvass and on Saturday and Monday of this week, trucks, donated by the village and F. S. Whelan were used to collect the metal. These high school boys gave their time to man the trucks: John and George Murdoch, Jack Puffer, Roy Baker, Glenn Socks, Ronald Goodacre, Norman Reinhart, John Hamilton, Charles Manley and J. Tressler.

"I am of the opinion that the school children collected between 21 and 22 tons of metal during the drive," Mr. Berkhof said. Already we have weighed 38,810 pounds of th scrap and we have about three tons that must go over the scales. The senior class won the $10 award for collecting the most metal and the junior class was second."

Mr. Berkhof said that the scrap collected locally would be sold and the money turned to the Lenawee County Patriotic League.

"I think Tecumseh's showing was excellent for the reason that in the City of Adrian I notice that only 40 tons of scrap were collected during the week. Adrian is nearly five times Tecumseh's population, and we collected 50 per cent as much scrap as was collected there. I'm not so sure that Tecumseh's record will not be first in Lenawee county," he concluded.

Since the first of August, Mr. Robinson said, Tecumseh has collected more than 125 tons of scrap for Victory. Of this amount about 50 tons came through drives staged by local implement dealers in late August and about 54 tons again in September.

"Tecumseh is cooperating excellent in the war salvage campaigns," the chairman declared, and we must continue to cooperate. The salvage drives are not at an end, there will be more and more of them. We must have metal for victory."

Time Biggest Problem For Hunters This Year

Small game hunters beginning their season in lower Michigan today have plenty of problems to plan for, but they concern mostly tires, probable gas rationing, ammunition and leisure time, and the game supply is not one of them.

Both rabbits and pheasants are plentiful, and in the north the abundance of grouse assures some of the best shooting in years, conservation department field men report. Distribution of squirrels is spotty, but they are abundant in some localities. Despite heavy frosts, heavy cover and foliage persist over much of the peninsula.

Unlike waterfowl hunters who may begin shooting at a "sunrise hour" that advances a little each day, hunters of pheasants, rabbits, woodchucks, squirrels, ruffed grouse, sharptailed grouse or prairie chickens begin their day's sport not earlier than 8 a.m. Eastern War Time each day of the open season.

DUNDEE REPORTER IS SOLD TO MILAN EDITOR

Announcement was made last week of the sale of the Dundee Reporter by Mrs. Clare Adams to Everett DeRyke, editor of the Milan Leader since the close of the first World war. Mrs. Adams will remain in the office where a complete printing service will be maintained. Because of the shortage of competent help, the Reporter will be printed in Milan but mailed from the Dundee office.

Rents Frozen As of March 1

ADMINISTRATOR FOR MONROE AND LENAWEE MAY BE NAMED THIS MONTH

Rents in Lenawee and Monroe counties have been "frozen" by the federal government, in an order issued October 12, and on November 1, rents now prevailing must be returned to the levels on March 1, 1942, according to dispatches from Washington.

Late yesterday, at the Lenawee County Price and Rationing Board offices in Adrian, it was said that they had no knowledge of a rent administrator being named either for Lenawee or Monroe, but that in all probability one would be named before the end of this month.

Wade L. Jones, secretary of the Chamber of Commerce here, said that his office had not been officially advised of the rent ceiling order, although Mr. Jones declared that he had known for some time that the "freezing" order was in the making.

"All that I know about the rent freezing now is what I have seen in the press," was Mr. Jones' comment. "However, I have been in touch with the county board at Adrian, and I will be notified as quickly as an administrator for Lenawee is named."

Mr. Jones said that it was his understanding that rents in Lenawee cannot now be raised, and that in the event of raises since last March 1 the rent charged after November 1 must not exceed the March 1 level.

Edward H. Winder Dies of Heart Attack

Edward H. Winder, aged 67 years, an employee of the Clinton Woolen Mills for nearly 50 years, was found dead in the mill yard Thursday night about 10:30 by an employee coming on night duty. Mr. Winder was employed at the mill for 22 years. The coroner was called and decided death was due to a heart attack. He had been in failing health for some time.

Indians Defeat Clinton 18 to 7

WARRIORS TO TRAVEL TO ADRIAN ON FRIDAY TO MEET THE ST. MARY'S HIGH

In a game that was not as lopsided as the score might make it appear, the Tecumseh high school Indians defeated their traditional rival, Clinton, on the gridiron at Recreation Center here last Friday evening by a score of 18 to 7. Some 1,500 persons watched the battle, about one-third of that number being fans from Clinton.

In the first quarter of the game both teams scored, the Clinton eleven crossing the goal line first. It was Malinowski who made the touchdown after a 10-yard run and D. Van Tuyle kicked the extra point. In the same stanza, after a 40-yard pass from Proctor to Bagshaw, bringing the ball to the 3-yard stripe, Jackson scored for the Indians on a line plunge. The point was not made and the score remained at 7 to 6 in favor of Clinton during the first half of the game.

It was not until the third quarter that Tecumseh got its second score. This was made by Proctor from the five-yard stripe after a hard and continuous drive from the Tecumseh ten line. In the fourth quarter Tecumseh scored its third touchdown on a pass from Proctor to Snyder for about 30 yards. The extra point was not made on either of the plays.

During the game Tecumseh made 11 first downs to Clinton's 6. The Indians received 40 yards in penalties to Clinton's 10. The Indians fumbled three times and recovered all of them to Clinton's twice. Tecumseh made 172 yards from scrimmage to Clinton's 55. The Indians attempted eight passes, completed three, one was intercepted and four were incomplete. Of Clinton's seven attempted passes, three were completed, two were intercepted and two were incomplete.

For the Indians, Jackson, Snyder and Jack Osburn played outstanding ball, as did Malinowski and D. Van Tuyle for Clinton.

Next Friday, October 16, the Indians travel to Adrian where they will play St. Mary's on the gridiron at Island City Park. St. Mary's has not been too successful this season, but scouters declare that they will give Coach Neville Hart's Warriors plenty of worries.

The line-up in the Clinton game was as follows:

Clinton	Pos.	Tecumseh
B. Van Tuyle	le	Snyder
Greenfield	lt	Laidlaw
Dresselhouse	lg	Sisson
Woodward	c	Underwood
Kennedy	rg	Winter
Garrison	rt	Brown

Slow Traffic Now The Rule

MOST MOTORISTS OBSERVING 35-MILE LIMIT; ORDER HAS BECOME LAW

Lansing, Oct. 15—Michigan motorists are in most cases observing the new 35-mile-per-hour speed limit, according to speed studies made by the State Highway Department.

State Highway Commissioner G. Donald Kennedy revealed this week that the average highway speed for passenger cars clocked at various stations on state trunklines was 36.5 miles per hour through the first week-end of October. The average automobile speed during September at these points was 42.9 miles per hour.

During September, the average truck speed recorded was 35.6 miles per hour while through the first week-end of October it dropped to 33.9.

Of all cars observed at stations during September, Kennedy said 80.7 per cent of the automobiles were traveling in excess of 35 miles per hour. Slightly over half of the cars observed, or 51.3 per cent, were traveling in excess of 35 miles per hour during the October check-up. Only 8.6 per cent of the cars observed were traveling over 45 miles per hour during the first few days after the new speed limit was announced. In September, 35.6 per cent exceeded this speed.

High-speed travel of over 60 miles per hour declined from 2.1 per cent during September to 0.1 per cent since last Thursday, Kennedy declared. Trucks traveling in excess of 35 miles per hour during September totaled 51 per cent of those observed while thus far in October the figure dropped to 39.8 per cent.

Commissioner Kennedy has signed the state-wide 35-mile-per-hour traffic control order and sent it immediately to Oscar G. Olander, commissioner, Michigan State Police, for his consideration.

The order states that effective October 12, it will be illegal to exceed 35 miles per hour on Michigan highways.

League Drive Opens Oct. 26

OFFICERS OF COUNTY ORGANIZATION TELL OF PLANS AT ROTARY CLUB

The Lenawee County Patriotic League—a non-profit organization that had its inception during World War No. 1 and which has been revived—will stage a drive in Lenawee county beginning on Monday, October 26, to raise some $70,000, the money to be used for the support of all patriotic enterprises except the Red Cross, during the coming 12 months. The reason that the Red Cross is not included in the campaign, it was pointed out, is that the national organization desires to stage its annual March campaign, independently.

The Lenawee League is headed by Harry A. Fee of Adrian as president, and he with Harry Bradley, chairman of the membership campaign, and Claude Porter, also of Adrian, campaign manager, were guests of the Rotary Club at its regular noon-day luncheon meeting here Tuesday, at Brees House. They were here at the invitation of Wade L. Jones, who heads the League's activities in Tecumseh village and township, and who is a member of the executive committee in the county.

Mr. Porter, who successfully directed Adrian's Community Chest Campaign last year, has been "drafted" to head the fund raising campaign for the League. Speaking to the Rotarians on Tuesday, Mr. Porter declared that it is the purpose of the League to make only one solicitation in the county annually, and the allocate the funds raised to the eleven organizations doing patriotic service throughout the nation.

"We estimate that some $35,000 will be needed to meet our quotas in the national funds," he said. "We also feel that about the same amount will be needed in Lenawee county to assist wives, mothers and families of soldiers and sailors in the armed service. There will be considerable of this work to be done locally during the coming year, and we can't afford to let our boys down.

"You may buy a membership and subscribe to the maintenance of the League," he said, "and know that you are doing your share in this worthy work. You also may know that you will not be solicited a dozen times a year in this drive. The League will make only one solicitation."

Mr. Jones, who is very active in the League's work, also spoke to the club, telling of the League's origin and of the work that is ahead. He declared that at least half of the money raised will remain in Lenawee county, and that 50 per cent of the other half will go directly to the U. S. O.

"It's going to be a real task to solicit everyone in the county for membership," Mr. Jones said, "and I wish that persons who are called upon to work would respond willingly. We must give of our time, if we are to make this patriotic enterprise a success."

Mr. Bradley, chairman of the county membership, also spoke briefly, outlining a few of his plans.

SHOOTS 2 PHEASANTS; DRAWS FINE OF $50

Although the hunting season did not officially open until this morning, Justice F. C. Hanna had his first case involving a game law violation in his court, last Monday.

The offender was Curtis Shilberg of Detroit, who was arrested in Raisin township on Sunday, charged with having two pheasants in his possession. Justice Hanna sentenced the violator to pay a fine of $50 and costs of $11.90. He arranged to pay.

SAVE STAMPS FOR COINS

The people of the country have been asked by the Treasury Department to buy War Savings Stamps rather than to save coins.

The Treasury reports that mints in Philadelphia, Denver and San Francisco are working twenty-four hours a day, trying to keep up with the demand for coins. Each coin that is "hoarded" adds to the strain upon the mints and keeps critical metals from the nation's war use.

The Treasury is particularly interested in reaching individuals who are saving pennies, nickels, dimes, quarters and half-dollars for the purpose of buying War Savings Bands. If these people will accumulate War Savings Stamps instead they will release metal that is badly needed for the war production effort.

The extent of the demand for coins is seen in figures showing that last year the mints turned out 263,830,000 dimes, compared with 35,800,000 in 1938. Nickels last year exceeded 300,160,000 as against 35,016,000 in 1938 and pennies reached the record total of 1,108,099,100 pieces, compared with the total of 191,866,734 in 1938.

4,500 GOOD IDEAS

The Inventors' Council, headed by Dr. Charles F. Kettering, of General Motors, has received more than 104,430 inventive suggestions.

The ideas of individuals, who think that their devices may win the war, have been carefully studied and considered by Army, Navy and other officials. More than 4,500 inventions were "worthy of serious consideration."

Dr. Kettering reports that the invention most often submitted as a war-winning device is he same for this war as in the last war—a net of screen to protect ships from torpedoes. Thousands of variations do not meet the problem and none has received the approval of the Navy Department or the Merchant Marine.

The Inventors' Council was established by Harry Hopkins, when he was Secretary of Commerce. It serves as a clearing house for ideas submitted by any individual, giving assurance that the "invention" submitted will not be stolen if it is practical.

There's An ARSENAL in that lower 40 of yours

That corn field of yours not only can be the means of satisfying the hunger of hundreds of soldiers—men, women, children, but it can be converted into vital rubber, and powerful explosives. Yes, your field of corn is truly a storehouse of food and ammunition, products that will win the War and the Peace. Your job is to raise more corn and it's the job of your neighborhood DeKalb Hybrid Seed Corn dealer to help you increase your yield—raise more and better corn on less land. Your local DeKalb farmer-dealer knows corn because he grows it—he knows your soil, your weather and can help you select the hybrid varieties that will do best on your farm. See him today.

Methodist Home Dedicates Unit

KRESGE HALL AT CHELSEA, OFFICIALLY OPENED BY BISHOP WADE ON SUNDAY

Kresge Hall, the new unit at the Methodist Home in Chelsea, was dedicated September 20 and services were conducted by Bishop Raymond F. Wade. The address of the afternoon was delivered by Dr. John G. Benson of Indianapolis and greetings were brought by Howard Baldwin representing the Kresge Foundation; W. J. Norton of the Rackham Foundation; F. F. Fauri of the State Bureau of Social Welfare and others. Music was furnished by the Fallis Trio of Dundale.

At six o'clock a buffet dinner was served the members of the Board and honored guests in the dining room, the ladies of the Philathea Circle of the Methodist church having charge of the dining room.

The new unit has a dining room with 150 seat capacity and a completely equipped kitchen; sun room; diet kitchen examining room and sick rooms; and additional family room. The basement has two stoker-fed boilers either of which can heat all the buildings; and kitchen storeroom with two large cold rooms.

The other three buildings have also been completely remodeled and made fire resistant with new metal lath and steel stairways.

The home was originally built 35 years ago and was made possible by a gift of land and $10,000 from the late Frank Glazier. This is the fourth building of the group. Others were added in 1915 and 1926. Many gifts have been received and the work will be completed without debt of any kind.

The gifts include a grand piano, a memorial mantle and fireplace equipment, new tables, chairs, china and silver and new furniture for the lounge.

The Home is now a complete modern and safe home for the aged.

Since the Home was founded in 1906, three hundred and sixty-five aged persons have enjoyed the security and loving care which the Home has offered for the last years of their lives. The length of residence has varied from one month to twenty- seven years, while the average has been 6.22 years. Mrs. Carrie Gowing, who has been in the Home for over twenty-seven years, occupied the place of honor during the ceremonies and received the congratulations of all present.

Within the current week twenty-three new people will enter the Home, ranging in age from sixty-six to eighty-three. This will bring the number in the Home family to the record total of ninety-six.

PUT UP CRIBS AS NEEDED
Save Corn - Save Money
But You Must Act NOW!

If you will act quickly, we have a small quantity of ROWE PICKET FENCING for corn cribs. We say act quickly, because we were able to get only 20 rolls of this fence, and we do not know where or when we will get any more.

Portable corn cribs, built of Rowe Fencing, are easy to build, and when not in use the fencing may be rolled up and stored in a small place. The fact that the "crib" is portable enables you to put it in any convenient place.

With from 50 to 65 feet of Rowe Fence you can build a crib that will be large enough to store from 400 to 600 bushels of corn. Think of this advantage when your corn crop exceeds permanent storage space.

WE URGE YOU TO ACT AT ONCE!

The Rowe Fencing is popular with the farmers in this area. To those of you who have inquired about this fencing we advise you to buy now. To you who have not inquired, but who are needing such an auxiliary crib for your corn, we urge you to act, also.

ENTERTAINS FEDERATION OF WOMEN'S CLUBS

The Macon Woman's Club entertained the Washtenaw County Federation of Women's Clubs at a co-operative dinner Thursday in the school auditorium. Before the dinner hour the visitors were conducted on a sight seeing tour through the different buildings connected with the high school and Ford activities here. All met at the auditorium at the dinner hour and when all were seated the invocation was given by Mrs. Ruby Bigelow. Following the dinner Mrs. Thomas Shurtz, president of the Federation took charge of the meeting. With Mrs. Maude Halladay at the piano the group sang "America" which was followed by a salute to the Flag. Mrs. Blanch Travis, president president of the Macon Woman's Club gave the greeting and Mrs. Albert Sutton, chairman of Social Welfare department gave the response. At the business session reports of the different departments of work were given and the roll call of the affiliated clubs was read. At the close of the business session the afternoon program was presented by the Macon club and included the following numbers: "Washtenaw County Federation March" an instrumental number played by Mrs. Maude Halladay, the composer, who responded to an encore with another musical number of her own composition; play, "Thursday At Home" by the Macon Woman's Club directed by Mrs. Ida Mehler; Address by Mr. Ivan Parker, principal of Macon high school; Address by Miss Pearl Haist, County Health Service; Song —"God be with you 'til we meet again" accompanied by Mrs. Halladay.

The regular meeting of the Macon Woman's club was held at the home of Mrs. Blanche Travis. A co-operative dinner was served to thirty-eight guests. After dinner the president called the meeting to order. Preceding group singing of "America, The Beautiful" led by Mrs. Lillian Bilby with Mrs. Helen Thomas at the piano, a sketch of the life of the author Miss Katherine Lee Bates was given by Mrs. Maude Halladay. Devotions were led by Mrs. Mary Spence. The secretary Mrs. Mable Burleson read her report which was accepted. Mrs. Daphne House, treasurer, read her report which was also accepted. Othe reports of flower and work committees were also given. The diversion of the afternoon was a contest of "jumbled words pertaining to the farm" conducted by Mrs. Enola Hall and won by Mrs. Lillian Bilby. The next meeting will be held at the home of Mr. and Mrs. R. A. Halladay.

The Community Club will be entertained Tuesday evening, October 20, in the home of Mr. and Mrs. Floyd Spence. Supper will be served at 7:30.

Callers Sunday of Mr. and Mrs. Almon Kuder were Miss Mary Morden and Mrs. Sumner Cotton of Saline.

Mr. and Mrs. Edward Miller of Mackinaw City are guests of Miss Addie Crittenden.

We've heard fish stories all summer, but here's one that just came to light, and while the tale seems large, the fisherman has photographic proof for is contention. The picture, taken in Tecumseh, shows 51 Great Northern Pike, caught below Sault Ste. Marie in the St. Mary's river during the week of September 6, this year. The pike had an average weight of six pounds, the largest weighing 12 pounds. The total weight of the fish in the picture exceeded 300 pounds.

Oh, yes, we nearly forgot to tell you who caught the fish. Every body in the picture participated. They are, left to right, Nancy Wolfe, Paul Wolfe, Tecumseh, Mrs. Martin Smith, Hudson. Mrs. H. W. Wolfe, Mrs. Paul Wolfe of Tecumseh, William Wolfe, Hudson, Mrs. W. E. Wolfe, Prattville, and H. W. Wolfe, Tecumseh.

M. W. Wilson, genial editor of the TP Broadcast, Tecumseh Products paper, unearthed the story and the picture.

Mr. and Mrs. Floyd Spence entertained at a family dinner Sunday with all their children and grandchildren present from Ann Arbor and Monroe and near Tecumseh.

Miss Ivadell Sones returned Friday to her home in Detroit following a two day visit with her cousin Miss Clara Hendershot.

Tecumseh To Join In Navy Day Celebration

Detroit, Oct. 15—Tecumseh will join in celebration of America's first war-time Navy Day October 27, according to plans announced today by Hugh O'Brien of Detroit, state chairman of Navy Day, and George Slocum, vice president of the Navy League for Michigan.

Charles Howe, commander of American Legion Post 34, has been appointed Navy Day chairman in Tecumseh. He will make local plans which will mark twin commemoration in Tecumseh of the birth of the Navy and the birth of President Theodore Roosevelt.

Throughout Michigan, American Legion posts are cooperating with civic organizations in Detroit in staging celebrations designed to make citizens " Navy conscious" and to make "The Navy—the First Line of Attack', a slogan in every Michigan home.

High ranking Navy officials are being sought to participate in Detroit's celebration. Secretary of the Navy Frank Knox was the speaker last year. Parades and ceremonies are being planned by American Legion post commanders throughout the state.

October 27 has been celebrated as Navy Day because it is the anniversary of the birth of President Theodore Roosevelt, so much of whose life was devoted to establishing a sound Naval policy for the United States. It also is celebrated because Oct. 27, 1775 was the date on which the first resolution to auhtorize American warships was introduced into the Continental Congress, which measure was passed three days later. Navy Day first was celebrated in 1922, making this the twenty-first celebration.

FRIENDS C. E. THEME TO BE "FISHING"

Three Junior Members of the Friends Christian Endeavor will direct the meeting this coming Sunday, Oct. 18 at 6:30 at the Friends church. The theme will be "Fishing." Marian Comfort will be song leader; Norman Rommel will conduct the scripture reading period; Martha Hayden will lead the prayer service. Mrs. Miriam Jeffers, of Indiana, Pennsylvania, who is assisting Rev. Charles Bailey in the revival meetings at the church will lead chorus singing, play the accordian, and give an object lesson. The public is invited.

PARTY AT CHURCH HOUSE HONORS NEIL F. JONES

Mr. and Mrs. Charles Jones gave a delightful party at St. Peters parish house Monday evening in honor of their son Neil F., who was inducted into army service September 30 and left Wednesday for Fort Custer.

Dinner was served to 22 guests seated at tables arranged in a V formation. An American flag at the point, patriotic candles in crystal holders and miniature flags decorated the table. All gave the pledge of allegiance to the flag and Rev. Thomas Rodda said grace.

Games and dancing were the diversions of the evening and Mr. Jones was presented with gifts suitable for army life.

The dinner was served by Mrs. Lynn Hubbard and Mrs. Clyde Barber.

Out-of-town guests were Mrs. Jones' brother Fred A. Rehfuss and daughter Mrs. Walter Corey and son of Cleveland, O., her sister Mrs. M. G. Gates and daughter, Miss Ola Gates, Miss Alice Green and Miss Eleanor Jones of Ann Arbor.

BRIDE-TO-BE IS HONORED AT SHOWER

Pearl Elaine Brown whose marriage to Lt. Charles Osburn of Camp Grant, Ill., is an event of October 24, was honored with a pre-nuptial shower Saturday evening at the home of Mrs. Ella Brown.

The Average Housewife Has A Defense Job, Too

Yes, running a home, budgeting the income, feeding a family and familiarizing herself with the many government regulations relative to purchasing makes the average housewife a busy woman. Not only must she be a cook—and a good one—she also must be a manager and a bookkeeper.

Our job is to remove a part of her burden by furnishing her with foodstuffs that are filled with quality, nourishment and vitamins, and at the same time sell them to her at a price she can afford to pay.

And that's the job we are doing, day after day. We're happy to be of service to our customers in any way that we can.

CLINTON

RECEPTION TONIGHT

A public reception will be held at the Congregational church this evening for the new pastor, Rev. O. E. Priest and family.

CHILD STUDY CLUB MEETS

The first meeting of the Child Study Club was held at the home of Mrs. Frank Ashton, president, in Bridgewater township. Guests were 23 Girl Scouts and their leader, Mrs. Charles Blackmer. A frankfurter roast was enjoyed. The members revealed their "capsule" friends. Mrs. Ashton conducted the business session and money was voted for military men's Christmas boxes. The club will meet with Mrs. Max Steffens Oct. 20.

AUXILIARY OFFICERS INSTALLED

At the regular meeting of the American Legion Auxiliary recently elected officers were installed by Mrs. John Feldkamp and Mrs. G. C. Collyns. The new president, Mrs. L. K. McIntyre, then appointed committee chairmen as follows: Mrs. W. H. Clack, membership; Mrs. J. R. Foreman, child welfare; Mrs. C. W. Way, Americanism and national defense; Poppy Day, Mrs. Clyde McDermott; Mrs. August Feldkamp, serving; and Mrs. W. F. Warner, flowers.

Corsages were given to the retiring and incoming officers. The auxiliary voted $35 to the community fund for Christmas boxes to men in military service.

Mrs. McIntyre and Mrs. John Feldkamp were named delegate and alternate to the district convention to be held Oct. 25 in Brooklyn.

Alma White, delegate to Wolverine Girls State in June gave her report.

HARRY F. KELLY

BROUGHT BUSINESS EFFICIENCY INTO THE DEPARTMENT OF STATE

When Harry F. Kelly first took office as Secretary of State, January 1, 1939, the department was obsolete in its methods, dilatory in its service, hog-tied with red tape! Before his first term was over, Harry F. Kelly had streamlined the entire department, upped its efficiency month after month, and brought its economy to a high point.

Today, the department, doing an annual business in excess of $80,000,000, is a model of ably directed operation. Its 9 divisions and 170 odd branches function with the precision of a fine watch. It operates 24 hours a day, 365 days a year, in its Registration and Title Division to benefit the police and public alike.

To Harry F. Kelly, and to him alone, goes the entire credit for this amazing transformation! You can depend on his achieving the same high degree of efficiency, in all state departments, when he is elected Governor of Michigan on November 3rd.

Last Day for General Registraton by Personal Application for said Election

From 8 o'clock a. m. until 8 o'clock p. m. on said day for the purpose of Revewing the Registration and Registering such of the qualified electors as said Township shall Properly Apply therefor.

Notice is hereby further given that I will be at 106 W. Pottawatamie St. Oct. 3rd, 1942, from 1 o'clock p.m. to 6 o'clock p.m.

Oct. 10th, 1942, from 1 o'clock p.m. to 6 o'clock p.m. and any other day, from 5 o'clock p.m. to 7 o'clock p.m.

The name of no person but an ACTUAL Resident of the precinct at the time of said registration, and entitled under the Constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.

Registration On Election Day

Sec. 9. If any person whose name is not registered shall offer and claim the right to vote at any election or primary election, and shall, under oath, state that he is a resident of such precinct and has resided in the township or city 20 days next preceding such election, designating particularly the place of his residence, and that he possesses the other qualifications of an elector under the constitution, and that, owing to the sickness or bodily infirmity of himself or some member of his family, or owing to his absence from the township or city on public business or his own business, and without intent to avoid or delay his registration, he was unable to make application for registration on the last 2 days provided by law for the registering of electors preceding such election or primary election, then the name of such person shall be registered, and he shall then be permitted to vote at such election or primary election. If such applicant shall, in said matter, wilfully make any false statement, he shall be deemed guilty of perjury.

Provision in Case of Removal to Another Precinct

Any registered and qualified voter yho has removed from one election precinct of a township or city to another election precinct of the same township or city, shall have the right, on any registration day, as in this act provided, on application to the township or city clerk, as the case may be, to have his name transferred from the registration of the precinct from which he has removed to the registration book of the precinct in which he then resides. Such elector shall have the right to have such transfer made on any election or primary election day, by obtaining from the board of inspectors of such election or primary election of the precinct from which he has removed, a certificate of transfer, and presenting the said certificate to the board of election inspectors of the precinct in which he then resides. In every such case of transfer the township or city clerk or the board of inspectors issuing such certificates shall cause opposite the name of such elector, to be entered in the column headed "Remarks" in such registration book, the words "transferred to precinct number..... (giving the number)," together with the initials of the said clerk or some member of the board of inspectors of election, as the case may be, and the date of the transfer: Provided, That any city may provide by its charter or by resolution duly approved by a majority of the members of its legislative body for the transfer of electors as herein provided on the last Saturday prior to any election or primary election at the several places of voting in the voting districts of such city instead of on election or official primary election day, and may in like manner further provide that no transfer of registration shall be received by the clerk of such city for a period not exceeding 10 days prior to any primary or election.

Dated Oct. 1, 1942.

H. H. HANNA,
Twp. Clerk.

AN ORDINANCE

An Ordinance to Amend Sections 1, 2 and 3 of an Ordinance to provide for the keeping of the sidewalks of the Village free from Snow, Ice, Filth and other nuicances as passed January 15, 1912, and all amendments thereto and all ordinances and parts of ordinances inconsistent herewith of the Village of Tecumseh, Michigan in effect March 1st, 1941.

The Village of Tecumseh Ordians:

Section 1. That the owners and occupants of all lands in the Village shall, before ten o'clock in the forenoon of each day, clear away and remove from all sidewalks adjoining their respective premises all snow, ice, filth and other obstructions which shall have accumulated thereon during the preceding night.

Section 2. That in the case of failure or neglect of such owner or occupant to remove all snow, ice filth and other obstruction from the sidewalks adjoining the premises owned or occupied by them in the Village, within the time above provided, the Street Commissioner is hereby ordered to proceed and remove from all such sidewalks all snow, ice, filth and other obstruction thereof, keeping a separate account of the expense of such cleaning of the sidewalks adjoining each separately owned or occupied parcel of land, which expense, together with a description of such parcel and the name of the owner or occupant thereof, shall be forthwith reported by the street Commissioner to the Village Clerk, who shall keep a correct record of the same.

Section 3. All expense incurred by the Village in the keeping of the sidewalks clear and free from snow, ice, filth and other nuisances, as above provided, shall be computed at the rate of one and 25|100 (1.25) Dollars for each fifty (50) feet of sidewalk, or fraction thereof, cleaned, which shall be paid by the property owner within twenty (20) days after the mailing of a bill therefor by the Village Clerk and unless so paid shall be assessed as a special assessment against the premises adjoining the sidewalk in connection with which said expenses are incurred, plus a penalty of ten (10) percent of such expense to be levied and collected upon the next assessment roll of the Village.

Motion made by Trustee Truesdale supported by Smith that above Ordinance be adopted. Ayes: Van Fleet, Turnbull, Winter, Truesdale, Marshall, Smith. Nays: None. Motion Carried.

Warns Storage Of Gas Illegal

COMMISSIONER OLANDER OF STATE POLICE SAYS DON'T TRY TO BEAT RATIONING

East Lansing, Oct. 15—Law violation and risk of insurance cancellation hang over the head of the motorist who undertakes the storage of gasoline, Commissioner Oscar G. Olander of the Michigan State Police warned this week.

To supplement the four-gallons-per-week supply in prospect when rationing is effective, many motorists are requesting special deliveries and storages of gasoline, state police have learned.

Commissioner Olander, as fire marshal of the state, declared such practice constituted a violation of state laws. Further, such action invalidates fire insurance contracts, he said.

"Michigan should profit by the experiences of the east, where gasoline rationing has been in effect several months," Commissioner Olander said. "Many accidents and explosions have resulted from the attempt there of a few motorists to hoard a supply of motor car fuel. In one instance, several barrels of gasoline were found in a residence where a explosion occurred, causing two fatalities and injuring several firemen.

"Any quantity of gasoline that might be reasonably stored after all represents but a few additional miles of travel. The safety of one's family and property should be a greater consideration."

Arnold Kenner, chief of the state police fire division, pointed out provisions of the state law involved in attempting storage. In the first place, he said that placing gasoline in any container other than a metal container painted red and having the word "gasoline" plainly lettered upon it was a violation of regulations drafted March 12, 1942, upon authority of the state legislature, to control storage of flammable liquids.

A provision of these regulations, he said, is that no gasoline can be stored in excess of five gallons in any dwelling or in any other building not used exclusively for the storage of flammable liquids. In some instances, he said, city ordinances limit the amount to one gallon that can be stored.

Up to five gallons, storage of gasoline is legal only in a safety can properly painted, safeguarded and passed by the Underwriters Laboratories.

Stiff penalties are provided under the law for violations.

In connection with the warning of the state police, William Palmer, secretary of the Michigan Petroleum Industries Committee, said that the petroleum industry, recognizing the fire hazards involved in the storage of gasoline in private homes and garages, was taking steps through its distribution facilities to acquaint the public with the danger of fire and explosion in the promiscuous storage and handling of gasoline.

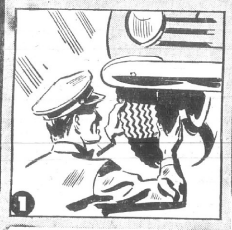
with the New Firestone

TIRE INSPECTION and EXTRA MILEAGE PLAN

Here's what we do



1 We Will Inspect and Rotate Your Tires from Wheel to Wheel and Help You Get Extra Mileage

First, we inspect each tire, removing glass, tacks and other foreign particles imbedded in the tread. The tires will then be rotated scientifically from wheel to wheel to assure more even wear. This service helps increase tire mileage.

2 We Will Apply Firestone Extra Mileage Tire Preservative

Next, the tread and sidewalls of each tire will be thoroughly treated with Firestone Extra Mileage Tire Preservative. This is an entirely new process that seals the cracks in the rubber and protects against oxidation. This service helps protect tire mileage.

3 We Will Apply Firestone Extra Mileage Puncture Seal

Finally, we apply Firestone Extra Mileage Puncture Seal to each of your inner tubes. This sensational new development automatically seals leaks and punctures caused by nails, tacks or small pieces of glass, thereby minimizing the danger of flat tires. It helps maintain correct inflation. This service assures increased tire mileage.

W. M. Jeffers, Rubber Administrator, Urges You to Have Your Tires Inspected Immediately

The rubber on YOUR car is actually more precious than gold. And it is your patriotic duty to conserve your tires *Now*. Don't wait for compulsory tire inspection. Help America conserve rubber by having your tires inspected today at your nearby Firestone Dealer or Firestone Store.

Use Our New Firestone Tire Inspection and Extra Mileage Plan

Firestone Dealers and Firestone Stores are equipped to expertly inspect the tires on your car, to inflate them properly and to switch them from wheel to wheel. In addition, we will apply Firestone Extra Mileage Tire Preservative to your tires and Firestone Extra Mileage Puncture Seal to your tubes. These two new amazing products, developed by Firestone engineers, are designed to help you protect the mileage in your tires. And we will advise you when it is time to have your tires inspected again.

This Plan Assures You of Extra Mileage from Your Tires

Whether you can buy new tires or not — you want to get the most miles out of the tires now on your car. And that's what our Inspection and Extra Mileage Plan gives you.

Don't put off your inspection. Drive in today! You have a real opportunity to save money and get our expert service that will help you get more mileage out of your tires.

Registration For Gasoline Begins Nov. 9

RULES FOR MTORISTS ARE MADE KNOWN; SCHOOLS AND TEACHERS TO AID

Tentative plans, announced today by the Lenawee county war price and rationing board, call for the registration of all motorists for gasoline beginning on Monday, November 9, and the actual rationing of the fuel on Sunday, November 22. The registration is to take place in the schools in Adrian and in some 44 other strategically located schools throughout the county including Tecumseh. Teachers will do most of the work, assisted by a few volunteers.

While official notice of the gasoline registration has not yet been received by the Adrian board, it was declared that printed supplies an other necessary equipment for the work would arrive soon from Lansing. The board expects that seven days will be allowed to complete the registration, but believes that it can be finished in much less time. Mrs. E. T. Armstrong, county school commissioner, said that rural schools will be closed during the registration for a two-day period, if necessary, and that teachers in schools that are not accepting registrations will be asked to assist other schools where the registration is in progress. Two district schools in teach township likely will receive the registrations.

The basic ration of gasoline will be issued in the form of "A" booklets. At the time of registration car owners must give their certificate of motor vehicle registration and the serial numbers of their five tires. They must give the serial numbers of their automobile use tax stamp and provide the registrar with the model, make, body type and vehicle license number. The rules and procedure were outlined today by Edward T. Broadwell, state gasoline raioning czar.

To obtain the "A" booklet, the motorist must obey the following five rules: drive no faster than 35 miles an hour; possess no more than five tires for his car; list the numbers and other data listed above; have a tire inspection at a regular inspection station before a date set tentatively as Dec. 31; and avoid any abuse of tires.

The "A" booklet will be good for eight months. It will contain 48 stamps, each good for four gallons of gasoline or 192 gallons in all. On a basis of 15 miles per gallon, the ration will be good for 2,880 miles of travel a year.

Those who show a need for more gasoline to drive to and from work will be given in addition to the "A" book. The "B" book is good for 150 miles of travel to and from work, plus 90 miles of so-called non-essential travel a month. To obtain the "B" book the motorist must prove that he has to drive more than 150 miles a month to get to and from work; and that he belongs to a ride-sharing club to carry other persons to and from work. He must show that he regularly carries three or more persons in connection with their occupations under some ride-sharing plan, or that he cannot carry three or more persons and that alternate means of transportation are inadequate.

"B" books are issued for periods of from three to 12 months. They contain 10 coupons good for four gallons each or a total monthly mileage of 320. Holders of both "A" and "B" books will have gasoline to permit a maximum mileage of 470 miles a month.

The "C" books are issued only to larger users of gasoline, but they are not granted to car owners until their application has been approved by the county rationing board. The "C" books will permit additional driving of 5,760 miles a year.

"D" books are issued for motor-

New Memorial Organ In St. Peter's Church

The installation of the new memorial pipe organ in St. Peter's Episcopal church was completed last Tuesday. The instrument, manufactured by the Wicks Organ Company, Highland, Illinois, is a direct-electric pipe organ with thirty stops. The two manual detached console is finished in white and walnut to harmonize with the interior of the church.

This new pipe organ is being financed by the members and friends of the parish who are giving their gifts in memory of friends and relatives.

Tentative plans are to have the Rt. Rev. Frank W. Creighton, D.D., Bishop of Michigan, consecrate this memorial when he makes his annual visitation on All Saints Day, November 1.

Dutchmen Wait Hart's Indians

TO MEET MANCHESTER THERE, ON FRIDAY; WARRIORS TIED FOR LEAGUE LEAD

Defeating St. Mary's high school in an out-of-the league game at Island Park, Adrian, last Friday evening, by a score of 45 to 0, the Tecumseh high school Indians were preparing today to meet the Dutchmen eleven at Manchester, tomorrow afternoon in a battle that may decide the Lenawee County League leadership. The game at Manchester is called for 3:30 p.m.

Today, Blissfield is tied with Tecumseh for first place in the League, each of the schools having won two games. Neither has tasted defeat. Manchester and Hudson have lost both of the games they have played and Clinton and Morenci have each won one and lost oe. Should Blissfield lose its game tomorrow, and if Tecumseh is successful, the Indians will have the undisputed first position in the League.

The Dutchmen have been showing a marked improvement in their game since they played Blissfield for a 7 to 6 defeat and lost to Morenci by a 19 to 0 score and it is understood that they are gunning for the Indians in an effort to check their championship race. Coach Neville Hart, however, does not appear too worried about tomorrow's game, except that he has warned his team not to become over-confident.

The Indians have two more home games after the Manchester battle, playing Morenci here on October 30 and a week later meeting Blissfield at Recreation Center. Both will be evening games.

In the game at Adrian on Friday, the Indians rolled up a 20 to 0 lead in the first quarter with powerful running plays functioning perfectly. The second quarter brought two more touchdowns were made in the third quarter.

Jack Osburn scored the first touchdown for Tecumseh on a five-yard smash through the line after the Indians had made a continued drive from their own 40-yard stripe. The other two scores in the first quarter were made by Jim Osburn, one on a sweep around the left end for 30 yards and the other on a 40-yard run after interception of a pass.

Harvey Proctor accounted for both of the second quarter touchdowns, scoring one himself on a run and tossing the second to John Snyder, end.

In the third stanza, another pass from Proctor to Snyder widened the margin and the final score came when Proctor raced off his own left tackle and scored standing up.

Jack and Jim Osburn each scored a point after touchdowns on smashed and Proctor scored one on a place kick.

Tecumseh made 13 first downs to St. Mary's three. Coach Hart substituted freely throughout the game, the reserves playing nearly half of the battle. Every man on the Tecumseh squad saw action.

SPENCER BISHOP DIES

Spencer C. Bishopp, aged 63 years, an employee of Tecumseh Products Company, died Saturday at the home of Mr. and Mrs. Frank Chase on West Logan street where he was a roomer. He had been ill for three weeks. Mr. Bishopp came here from Hillsdale about three years ago.

He leaves a sister Mrs. H. D. Dealey of Lubbock, Texas. His wife preceded him in death.

Funeral services were held Tuesday afternoon at Belding Funeral Home with William Schnerlia, Christian Science reader, in charge of services. The body was taken to Hillsdale for burial.

MACABEES MEET

The Maccabees met Monday evening at the home of Mrs. Ed. Everett on East Kilbuck street. During the business meeting plans were made for a card party to be held Wednesday afternoon, October 28, at the home of Mrs. Guy E. Belding. A social hour followed the meeting.

8th Grade Girl Slogan Winner

GETS $25 WAR BOND FOR BEST SLOGAN FOR THE LENAWEE PATRIOTIC LEAGUE

"Some give all, we must all give some."

That slogan, in the Lenawee County Patriotic League's contest in the schools of Lenawee, won first honors and a $25 War Savings Bond for Dorothy Bailey, Adrian, Route 3. Dorothy is in the eighth grade of the Adrian District No. 1 school and Mrs. Olga Ganun is her teacher.

Second honors in the League contest, $10 in War Savings Stamps, went to Henry Sneyd, jr., in the eighth grade at the Franklin Center school, Tipton. His slogan was, "Give for those who have given so much for us." The third place, $5 in War Stamps, went to Richard Miller, 305 Dennis, Adrian, a junior high student there. His slogan was, "Once—and for all."

Dorothy Bailey's slogan is the one that will be used by the League for the duration of the war, and it will appear on all League literature and prominently in the drive for some $70,000 in funds, to be launched in the county next Monday.

Locally, Wade L. Jones, Tecumseh chairman, said that Tecumseh's quota of the $70,000 total is $6,400. The campaign here, as throughout Lenawee, will be launched on Monday and every man, woman and child is urged to join the League, and to become a regular contributor. About $12 per family per year is needed here if Tecumseh is to put its quota over the top.

"That means about a $1 contribution a month for every family in town," was Mr. Jones' comment. "I feel sure that we will get our quota and oversubscribe it. We all want to do our share and more to win this war, and Tecumseh has never failed her civic duty. A $1 League membership should be taken for every member of the family, and in addition each family should be a regular monthly contributor."

The "Vickeys", a group of women whose sons, husbands or relatives are serving in the military, will launch the League campaign on Monday in the industries of the county. They will receive their final instructions at a dinner to be held this evening at the Masonic Temple in Adrian. On Monday the women will begin the visitation of all industrial plants in the county and urge League subscriptions and memberships.

In the county, some 80 women are members of the "Vickeys." Women from Tecumseh who are members, and who will solicit in the local factories are: Mrs. Harry Tuckey, Mrs. Maurice Tuckey, Mrs. Allen French, Miss Geraldine French, Mrs. Verdi Skinner, Mrs. Lyman Curtiss, Mrs. Irvin Raymond, Mrs. Ralph Oliver and Miss Emily Todd. The women will be dressed in tailored white uniforms and caps and will wear these uniforms on all industrial visitations.

Miss Wilma J. Meads Weds C. H. Randolph

Miss Wilma Jean Meads, daughter of Mr. and Mrs. Oscar W. Meads, and Pvt. Clarence H. Randolph, son of Mr. and Mrs. David Randolph of Milan, weremarried last Wednesday evening at the home of her parents. Rev. Edward Escolme read the single ring service and the attendants were Miss Marguerite Stuart of Tecumseh and Robert Herbison of Milan.

The bride, who was given in marriage by her father, wore a street length dress of blue crepe with a shoulder bouquet of red roses. Miss Stuart wore brown velvet with yellow bebe chrysanthemums.

Following the ceremony refreshments were served to guests from, Ann Arbor and Tecumseh.

Mr. Randolph left Tuesday for Boston, Mass., where he is stationed with the U. S. Army and Mrs. Randolph plans to join him in a few weeks.

WED IN NAPOLEON

Miss Jane Dowling, daughter of Mr. and Mrs. Clare Dowling of Onsted, and Pvt. Raymond Bird, son of Mr. and Mrs. Walter Bird of Britton, were married October 8 in Napoleon, O. They were attended by Miss Dorothy Dowling, sister of the bride and LeRoy Roberts of Brooklyn. Mr. Bird left last week for his army camp at San Diego, Calif., after a two weeks furlough. Mrs. Bird is employed in Adrian.

REGISTRATION OPEN

Registrations for the Red Cross Home Nursing Course will be held open until Wednesday, October 28. Any one interested may call Mrs. Carl Cederquist at 215-R.

TO MEET TODAY

The Missionary group of the Woman's Society of Christian Service will meet this afternoon at 2:30 in the Methodist church parlors.

Daily Flag Display Ordered by Mayor

The daily display of the American flag in downtown Tecumseh was ordered today by Mayor J. Floyd Elliott in a brief proclamation, which reads as follows:

"I, J. Floyd Elliott, mayor of Tecumseh, hereby request all retail establishments to display their flags for the Duration of the Dar, daily except Sundays, from this date, and thereby show our patriotism for our country."

Time of School To be Changed

BERKHOF ACTS ON NEW SCHEDULE AND PUTS TIME CHANGE INTO EFFECT NOV. 2

A new time schedule for the Tecumseh public schools, effective on Monday, November 2, was announced today by W. L. Berkhof, superintendent of schools. The new schedule advances the opening time of school in all buildings here 45 minutes, and fixes the adjournment time in the Central building at 4:30 p.m.

The reason for the time change, W. L. Berkhof, superintendent, said, is to make it possible for the children to go to school in the morning in the daylight.

"With the new war time in effect," Mr. Berkhof said, "we find that it will not be daylight at 8 o'clock in the morning, during the winter months. The children would be making the morning trip to school in the dark and it would be necessary for us to burn our lights for an hour or more to light the classrooms."

Under the new schedule, Central Building classes will start at 9 o'clock in the morning and continue until 12 o'clock noon. The afternoon session will begin at 1 o'clock and continue to 4:30. The new schedule is 45 minutes later in the morning, cuts off 15 miutes of the noon recess, and continues the afternoon session 30 minutes longer.

In the branch buildings, the morning sessions will start at 9:30 and continue until 12, noon, reopening at 1:15 in the afternoon and continuing until 3:45.

Wade L. Jones, secretary of the Chamber of Commerce, said today that some merchants here are considering a change in the store hours, because of the late morning darkness. He said that it is possible that a meeting will be held soon to discuss the opening of downtown stores at 9 o'clock in the morning instead of 8 o'clock, during this winter months.

Mr. and Mrs. Frank Poley Celebrate Anniversary

Mr. and Mrs. Frank Poley celebrated their golden wedding anniversary Sunday, October 18, at their home on West Patterson street, where a pot luck dinner was served at noon to over 100 relatives and friends. Guests were seated at three long tables and two anniversary cakes were featured.

Miss Jennie Miller and Frank Poley were married October 20, 1892, in Henry County, O., where they made their home until 1906, when they moved to Onsted. In 1908 they moved to Tecumseh, and have since made this village their home. Mr. Poley is 76 years of age and Mrs. Poley is 67. They have 10 children, 38 grandchildren and five great-grand children, and nine children and their families attended the anniversary celebration.

It was also the wedding anniversary of their son and wife, Mr. and Mrs. Orson Poley of Sturgis, who were present. Other relatives attended from Monroe, Dundee, Sylvania, Hamler, Fostoria and Toledo, O.

MOTHER DIES

Mr. and Mrs. Sam Richards of Tecumseh have returned from Marshall where on Sunday they attended the funeral of Mr. Richard's mother, Mrs. Dorothy J. Richards, who died at her home there, October 15.

Mrs. Richards was born August 7, 1861. A 10-day illness preceded her death. Interment was at Marshall. She is survived by two sons, Sam of Tecumseh and Charles of Battle Creek, and a daughter, Mrs. Zola Butler of Marshall.

MOTHERS MEET TEACHERS

The teachers and mothers of the later elementary grades will meet Wednesday afternoon, October 28, at 3:30 in Room 6 at the high school building. Mrs. Vincent Haight and Mrs. Harold Sisson are hostesses and Mrs. W. Winfield and Mrs. J. S. Spafford, leaders. Year books will be distributed at this meeting.

GRANGE TO MEET

Tecumseh Grange will hold a regular meeting tonight when recently elected officers will be installed. Potluck supper at 7 o'clock will precede the meeting.

Pays Tribute To U. S. Navy

MAYOR ELLIOTT ISSUES PROCLAMATION, SETTING ASIDE OCTOBER 27 AS NAVY DAY

The people of Tecumseh were called upon to pay fitting tribute to the United States Navy—the first line of attack in the present war—by Mayor J. Floyd Elliott who this week issued a proclamation, setting aside Tuesday, October 27, as Navy Day. The proclamation was issued in accordance with similar drafts by President Roosevelt and Governor Van Wagoner.

Mayor Elliott's proclamation follows:

Though an inland state, Michigan early contributed her quota to the glorious history of the American Navy when, in the War of 1812, her cities manned the ships of Commodore Perry to his glorious victory in the memorable battle of Lake Erie, as he left his burning and sinking flagship, the USS LAWRENCE.

Today our American Navy sails side by side with that of its former for of 1812 in the same cause of democratic liberty for which she then fought.

In the growth of the modern American Navy to world-wide eminence, men from the middle-west have constituted more than half of our Navy personnel, and Tecuseh takes just pride when the role of her Navy heroes is heard. Today, in a peculiar sense, the turn of the war tide rests upon the success of our Navy and its aerial support. It is therefore peculiarly fitting to give our Navy some evidence of its united civilian support.

Therefore, in conformity with the proclamations of the President of these United States and the Governor of Michigan, I, J. Floyd Elliott, Mayor of Tecumseh do hereby proclaim Tuesday, the twenty-seventh day of October, one thousand nine hundred and forty-two, as NAVY DAY, and call upon Tecumseh citizens on that day in their homes or places of assemblance, to make appropriate salute to our NAVY—FIRST LINE OF ATTACK.

Given at Tecumseh, Michigan, this 19th day of October, in the year of our Lord one thousand nine hundred and forty-two.

J. FLOYD ELLIOTT.
Mayor.

Extra Car Tires Must Go to the Government

If you own more than five tires for your automobile, you must turn the extras over to the government before you will be allowed a gasoline rationing book, it has been announced by the war rationing board at Adrian.

The tires, depending upon their size and value, are being purchased by the government, or, if you desire, you may give them to the government.

Persons locally having extra tires —more than five for each car they own—may deliver them to the American Railway Express office, (Gaston Jewelry Store), to be turned over to proper officials. Railway express offices are acting as government receiving agents in Michigan.

Today, it was announced that only one tire had been turned over to the express company here.

Two Farm Barns Razed by Fire

ONSTED BUILDINGS DESTROYED ON MONDAY; SPARKS FROM ONE IGNITES OTHER

Fire of unknown origin destroyed two barns near Onsted Monday afternoon, the second fire caused by sparks from the first.

The Onsted fire department was called to Lapham farm just west of the Onsted school house, where the blaze had started in some straw in the barn. The barn 38 x 40, and a new barn 18 x 20, were both destroyed and the loss included 50 tons of hay, 300 bushels of grain and 175 bushels of oats owned by Paul Harwood and about $450 worth of tools and grain owned by Cecil Pawson, who lives on the farm. The building loss was partly covered by insurance but Mr. Pawson had no insurance on the contents.

While the two trucks were fighting the Lapham fire, the barn on the John Wilkins farm south of the schoolhouse, caught fire from sparks carried by the high wind. One truck went to the Wilkins farm and a rural truck was called for from Adrian. The fire was discovered by Mrs. Wilkins, whose husband was away from home, but was beyond control and the firemen devoted their time to saving the other buildings. The barn 36 x 70 contained 250 bushels of grain, a ton of corn, three tons of loose hay, 265 bales of hay, a ton of straw, two barrels of beans, a tractor, apickup truck, three heifers and four pigs. The loss is covered by insurance.

Mrs. Barbard Brosamer, Holloway Resident, Dies

Mrs. Barbard Brosamer, aged 85 years, widow of the late Charles Brosamer, and a resident of Holloway for many years, died Saturday in Adrian where she had made her home since the death of her husband. She had been ill for two years.

She leaves two sons Joseph Brosamer of Holloway and George of Tacoma, Wash., four daughters Mrs. Lena Clauda and Mrs. Alvina Hintz of Adrian, Mrs. Tillie Behan of Toledo and Miss Cecelia Brosamer of Ypsilanti, one brother William Keasel of Deerfield, 33 grandchildren and 20 great grandchildren. Paul Clauda of Tecumseh is a grandson.

Mrs. Clauda was a member of St. Joseph's Catholic church in Adrian. The Rosary was recited in the home Monday evening and funeral services were held Tuesday morning at the church, Rev. Fr. A. C. Schneider officiated and burial was in the parish cemetery.

ANOTHER FIRST AID CLASS

Another first aid class for the women of Tecumseh will be started on Wednesday, November 4, at 8 p.m., in the classroom on the second floor of the Ford building. E. M. Campbell, instructor, announced today. The new class is available to any interested woman. This is the sixth class that Mr. Campbell has taught, some 175 women having previously taken the instructions. No charge is made for the course.

RED CROSS NEEDS CUPBOARD, CABINET

Do you own a cupboard or cabinet that can be painted and locked? If you do, are you willing to loan it for the duration. The surgical department of the Red Cross would like to use it. Mrs. F. C. Hanna, telephone 247, should be contacted by persons willing to make the loan.

TO MEET IN TIPTON

The Lenawee County Pythian Sisters Friendship Association will meet Friday evening, October 23, at Tipton with the Tipton temple as hostesses. A potluck supper will be served at 6:30 preceding the meeting.

Oil Rationing Begins Today

CONSUMERS MUST REGISTER AND FILL OUT BLANKS TO GET FUEL FOR HEATING

Persons who use fuel oil, Diesel oil and kerosene for any purpose will begin today to register for rationing certificates, the Lenawee county war price and rationing board has announced. The registration will continue through October 28.

The system which will be used calls for the assistance of the schools, but registrants will not go to the schools themselves to register. Oil and kerosene users will obtain their application blanks thru the dealers from whom they make their purchases, and will mail the application form to the high school nearest them. The schools which will accept the mailed forms are Adrian, Addison, Blissfield, Britton, Clinton, Deerfield, Hudson, Morenci, Onsted, Sand Creek and Tecumseh.

Teachers of the various schools will pass on the applications and the consumer will be advised when to call at the high school for his rationing coupons.

Four different types of application forms are available from the dealers:

1. Form OPA R-1100—Application for fuel oil, (including kerosene) ration for heat and domestic hot water for private dwellings.

2. Form OPA R-1101—Application for fuel oil (including kerosene) ration for heat and hot water for all premises other than private dwellings.

3. Form OPA R-1102—Application for fuel oil, Diesel oil and kerosene ration for industrial, commercial and governmental uses.

4. Form OPA R-1103—Application for fuel oil, Diesel oil, and kerosene ration for domestic, institutional and agricultural uses.

Mrs. Escolme To Speak To The Monday Club

Tecumseh Garden Club presented the program at this week's meeting of Tecumseh Monday Club, held in the Methodist church parlors.

Mrs. R. R. Moore opened the program by singing "The Gardener", for which words were arranged by Mrs. R. S. Moore for this year's Victory gardens; Mrs. Maynard Mulvaney sang "The Daisy" and "The Pansy" and was accompanied by Mrs. Neville Hart. Mrs. Nell Pearson, president of the Garden Club, gave an interesting talk on "Gardening: Floriculture, Conservation and Victory Gardens."

Mrs. Edward Escolme will be speaker at next week's meeting. Her topic will be "England" and every citizen of Tecumseh is urged to attend. She will exhibit a collection of mugs which are put out in the event of the crowning of a king or queen and also a collection of English coins. Miss Mary Jane Hayden will sing a group of English songs and each member may bring a guest. Fruits and vegetables for the Starr Commonwealth will be brought to this meeting.

MISS ELLEN BAILEY DIES IN HOSPITAL

Miss Ellen Bailey, aged 76 years, died this morning at 6:15 at Tecumseh hospital where she had been a patient for 13 days after a long illness.

Miss Bailey was born April 14, 1866, in Macon township and was a daughter of James G. and Mary E. Gould Bailey. She was a dressmaker by trade. For the past 13 years she had made her homes with her sister and husband. Mr. and Mrs. Martin Frayer. She was a member of the Baptist church.

Survivors are the sister Mrs. Frayer and a brother Frank Bailey of Tipton.

Funeral services will be held Sunday afternoon at 2:30 at the Frayer residence, 511 West Kilbuck street. Rev. O. V. Robinson will officiate and burial will be in Ridgeway cemetery.

The body will remain at the Collins Funeral Home until Saturday afternoon.

MRS. RALPH DIBBLE DIES SUDDENLY

Mrs. Ralph Dibble died suddenly last night soon after midnight at her home on the Macon-Clinton road after only little more than an hour's illness.

She leaves her husband and five children. A small daughter drowned a few months ago near Newburg.

Funeral arrangement are not yet completed.

P. E. O. INSPECTION

Chapter A. J. P.E.O., will meet with Mrs. Dorothy Keener at Tipton for the regular luncheon meeting Tuesday, October 27 at 12:30 p.m. Two officers of the state chapter, Mrs. Nina Dahlstrom, organizer, of Ann Arbor, and Mrs. Laura Newman, president, of Grand Rapids, will be present for the biennial inspection.

RETAILERS AND PRICE LAWS

Reports indicate that the Office of Price Administration is now starting to crack down on violators of price ceilings. In the words of Leon Henderson, "We propose to enforce price regulations wherever it is necessary to enforce them . . . Every willful violator of price regulations, every landlord who seeks to evade rent control, every trader in black markets of goods—whatever his motive or station—challenges the war effort of the nation."

The duty of the OPA in this vital matter is clear, and the public will support strict and fair enforcement of the price rulings. At the same time, it is to be hoped that OPA enforcement officers will refrain from trying to make "examples" out of merchants who inadvertently violate the law. The price regulations are extremely complicated. As one authority on retailing has said, "It seems probable that some unintentional errors, minor violations, might be found on a minute inspection of any type of establishment." Many merchants are definitely confused, and simply don't know what price can be legally charged for certain kinds of goods.

The past record of retail merchandising has reserved and won public confidence. Both chain stores and independent stores have been aggressive fighters against price-inflation. Both have protected the interest of the consumer in every possible way—and they did that long before price ceilings were established by the OPA. It is a matter of record that very few cases of willful profiteering have been discovered. In the light of this fine record, there must be no effort or attempt to make accidental price violations appear as willful and criminal violations. The OPA must be scrupulously fair and just.

RUBBER AND GAS

The Brauch report on the rubber question marked an intelligent and forthright approach to the country's Number 1 domestic problem. The most important recommendations concern national gasoline rationing, a 35-mile speed limit, compulsory tire inspection, production of synthetic rubber at the rate of 1,100,000 tons a year—and the suggestion that more rubber be made available to the public for retreading and recapping tires in order to maintain necessary civilian driving.

No one can deny that the elimination of unessential driving is now necessary. But we must not make the mistake of establishing an arbitrary rationing system which would cripple production in many parts of the country. In the West, for instance, thousands of people must drive 20, 50 or 100 miles a day in the course of their farming and business operations. If this part of the country was too severely limited in auto use, there would be a catastrophic slow-down in activity in all lines.

The big thing now is to make unprecedented efforts to increase synthetic rubber production—as well as to conserve what rubber we have in all practical ways. The appointment of William M. Jeffers as chief of the rubber drive, is a step in the right direction. Mr. Jeffers is a business man of distinction, and he is a man who is used to getting results.

The American car owner will cooperate fully in any program laid down by the government. And it is the duty of the government to place in effect a wise and flexible system of rationing and conservation which will permit necessary driving for civilians, according to location and activity.

There's An ARSENAL in that lower 40 of yours

That corn field of yours not only can be the means of satisfying the hunger of hundreds of soldiers—men, women, children, but it can be converted into vital rubber, and powerful explosives. Yes, your field of corn is truly a storehouse of food and ammunition, products that will win the War and the Peace. Your job is to raise more corn and it's the job of your neighborhood DeKalb Hybrid Seed Corn dealer to help you increase your yield—raise more and better corn on less land. Your local DeKalb farmer-dealer knows corn because he grows it—he knows your soil, your weather and can help you select the hybrid varieties that will do best on your farm. See him today.

Garden Club Holds Final Meet of Year

Tecumseh Garden Club held its final meeting of the season Friday afternoon at the home of Mrs. Neil Pearson on West Kilbuck street when officers were chosen for the coming year. Mrs. Pearson was re-elected prsident and Mrs. Roy Cadmus, secretary. Other officers elected were Mrs. C. H. Giltner, vice president; Mrs. E. E. Berry, treasurer, and Mrs. Charles Kempf, corresponding secretary.

Members responded to roll call with "something new and interesting in this year's garden." Annual reports were given and the club voted to allow five members to become honorary members at their discretion. Mrs. George Parsons was voted to membership and Mrs. Pearson appointed Mrs. H. H. Hammel, Mrs. A. Helzerman, Mrs. C. C. Ruppel, Mrs. Wade L. Jones and Mrs. Lewis Lent as program committee for next year's meetings.

The program consisted of an interesting and instructive talk on "The History and Growng of Chrysanthemums" by A. A. Wooten. He said the growing of chrysanthemums traced back 2000 years and that China is the real home of the "mums" instead of Japan, as is popularly believed. The plant was introduced in this country in the 18th century. Mr. Wooten learned of the care of the plant from Elmer D. Smith of Adrian.

Refreshments were served and included a decorated cake presented to Mrs. Pearson in honor of her birthday anniversary. Cider and daughnuts were also served.

Guests at the meeting were Mr. and Mrs. Wooten, Mrs. Alfred James of Detroit and Mrs. Muriel Bradley Muchler of Bad Axe.

The Old Yankee Spirit Still Lives

BY GENE ALLEMAN
Special to The Herald

Lansing, Oct. 22—Yes, the old Yankee spirit still lives.

This observation is prompted by the shortage of labor on Michigan farms. It is a serious situation.

The other week a newspaper in the Thumb married an item as follows: "Four thousand acres of sugar beets in ——— county are without labor to harvest them. If means are not found at once to harvest this valuable crop, more than 12,000,000 pounds of sugar will be lost forever."

Here was the realistic crisis. Twelve million pounds of sugar! Not enough farm labor to harvest the crop!

"Well, what happened?" you ask.

No, the sugar isn't going to spoil in the ground.

American resourcefulness, plus the spirit of sacrifice to win this war, are getting in the crops. Here is a story which makes you proud you are an American. It should be duplicated in scores of smaller towns in Michigan today.

Next week's newspaper carried an answer to the challenge. The school principal telephoned the editor, and the news story went like this: "Any farmer who needs help may ask for a battalion of four or more boys. They will come out to his farm and work any day of the week. Payment is left to the discretion of the farmer. 'The idea of this isn't money, it's getting the crops in,' said the principal by the name of Alfred Zink. 'It's our boys' contrbution to the great war effort.'"

In the present scrap metal drive, sponsored by the newspapers at the request of Donald Nelson, chairman of the War Production Board, entire towns have closed their stores, dismissed schools—all to get scrap!

Merchants man the trucks. School children canvass the homes. At night the whole town turns out for a community party . . . doughnuts and cider . . . music and dancing . . . and $25 war bond is awarded to some lucky donor of scrap metal.

This isn't fiction. It happened in Tekonsha the other day. Where is the publisher? Meredith Clark is an officer in the United States army; his wife is running the paper, the Tekonsha Patriot, and getting scrap to boot. No wonder the town turned out to help her!

Some communities are using their human resources to help win the war. Others are not.

It's a question of utilizing manpower, a general word for the workpower of men and women and even children. This manpower is put to work WHEN individuals are inspired to self-sacrifice.

When a farmer's wife goes into the field to pitch hay, that's the best proof in the world to us that she is doing her part to help win the war.

We wish we could honestly say the same thing about some industrial workers who quit work because they can't smoke. The smoke of a cigarette, enjoyed in comparative safety and at high pay, is a sordid contrast to the smoke of battle at Bataan where it was a matter of "too little and too late."

A Detroit C. I. O. Union the other day got out a little bulletin to its new members.

The news-letter went on to say: "The new employees should be told that the union stands for a fair day's work for a fair day's pay and that in the present crisis we expect to cooperate for all-out production for victory, BUT we don't want any single individual trying to produce all the implements of war all by themselves."

This C. I. O. bulletin accused new workers of "working all out of proportion to what we consider a fair day's work."

You can write the finish to this. We're too downright disgusted to do it.

High school boys leave their classes to harvest crops for farmers.

And the school principal says, "The idea of this isn't money, it's getting the crops in."

Merchants lock the doors to their stores and man trucks to collect scrap. School is dismissed; children canvass the homes.

A woman carries on as publisher of a country newspaper when her husband goes to war.

This is the real spirit of America.

Some industrial workers will have much to answer when the prisoners of Bataan return, if they do. And a hearty shout of approval will go up from the throats of the Michigan veterans when they hear the astounding news of this Michigan revival of Yankee resourcefulness, courage and sacrifice.

Do You Do Your Own Washing?

We know of no harder job in any home than the family washing and ironing. Long, tedious hours over a wash tub and ironing board soon bring tell-tale lines of tiredness in the most youthful faces.

Why not free yourself of this hard work by bringing your laundry to us each week? We are equipped to do both the washing and the ironing, or, if you wish, the washing alone.

And we have figures to prove that it is cheaper to send your laundry to us than it is to do it at home. Ask us. We'll be glad to explain.

Tecumseh's Two Bobbys Make Good at Albion

Bobby Wilson and Bobby Mohr who last year were winning the plaudits of Tecumseh audiences as captain of their undefeated basketball and football teams respectively, are now drawing the eyes of the football crowds at Albion College games.

Wilson's father, Melbourne Wilson, formerly coach of Tecumseh high and now personnel manager of Tecumseh Products Company, must follow with interest the performance his Bobby is giving on the Briton's gridiron. A letter man in both track and tennis in high school, and a member of the state finals double team in tennis, young Bobby, though the smallest back on the Albion roster, is fast and good in spinner back position around which most of Albion's plays revolve. Coach Dale R. Sprankle took him to Lake Forest, Ill., for last week's game between the Britons and the Jaybirds.

Bobby Mohr also gets his measure of praise from Sprankle who sees in him the makings of an outstanding gridiron man. Mohr is the only freshman who has recently crashed into back field and played in the first three football games of the season. He did all of the punting in these and is, according to both of Albion's coaches, Sprankle and Sprandel, one of the best blockers and defensive men on the squad.

Next Saturday, Octobr 24th, both boys will journey to Holland for the Albion-Hope game.

MICHIGAN'S *War* GOVERNOR

Murray D. Van Wagoner during his present term as Governor and during his eight-year term as State highway Commissioner, has gained the experience that is needed to serve his State and Nation in peace time as well as in war. He gets things done—and RIGHT. This experience—plus the vigor to follow through on a tough job—is important to you and the Nation NOW! In these fast-changing times, your best interests are served by a man whose performance is proved.

STATE DEBT PAID OFF!

$27,000,000 is a lot of money for the State to owe. Governor Van Wagoner promised when you elected him before to pay at least half of the State's debt. He did a lot better—today the debt is paid in full and there is an $8,000,000 surplus in the Treasury to ease your tax burden in the days to come.

PERFORMANCE PROVES HE GETS THINGS DONE!

YOU CAN'T SHUT OUT THAT HUM!

IT'S THE HUM of American men and machines at work—24 hours a day.

Free men and women—working hard and fast because they want to *stay* free.

Superb machines—*turned by the world's greatest supply of electric power*—pouring out weapons of war in thundering quantities.

Your people toil with bayonets at their backs—your machines are worn with years of war—your power production is far less than ours.

Sure, you got the jump on us, Adolf. But you can't win a mechanized war against the most highly mechanized nation on earth. Your system of state slavery can't compete with a way of life that respects the rights of individuals.

What have your folks got to fight for? Goebbels, Goering & Gang get all the gravy. Over here, men know they'll be rewarded for initiative.

That's a powerful incentive. It has helped all our great industries to grow. It has helped the electric industry, for example, to give folks about *twice as much electricity for their money* as they got 10 to 15 years ago. That's *our* system of practical business management under public regulation.

American business management is behind that electric hum, Adolf—that insistent hum that will rise and roll and beat upon your brain—until you hardly hear our bombers overhead!

It's the hum of fate, Adolf!

IT'S TRUE . . .

that no planes roar down upon your home . . . no shells plow up your fields . . . no armies trample your crops and fields. Yet in this war, victory begins on your farm—by producing more Food for Freedom—and by saving more in War Bonds and Stamps.

Here indeed is an opportunity every American will welcome. For by saving your money, you help save for yourself as well as your country. What's more, your money invested in War Bonds helps keep down the prices of the things you buy; helps make the money you spend go further—now. By putting your money into War Bonds and keeping it up regularly, month after month, you will be sure of having the money when you can use it best. And if you need the money, you can get it back any time after 60 days from issue date of the Bond. Don't delay—your "fighting dollars" are needed now.

Make Every Market Day "Bond Day"—Invest At Least 10%.

"FIRE-EATER" BURNED

Marion, Ohio.—While "eating" flames, Sidney Brown, billed as a carnival "fire-eater," accidentally spilled some of his meal—gasoline—down the front of his shirt. The gasoline ignited and, to the amusement of the spectators who thought it was only a part of his act, the fire-eater leaped from the platform and rolled on the ground. He was taken to a hospital badly burned about the face, head, hands and chest.

Tecumseh Leads in Grid League

GAME HERE TOMORROW NIGHT WITH MORENCI MAY ASSURE COUNTY CHAMPIONSHIP

With Hudson's defeat of Blissfield and Clinton's victory over Morenci last Friday—coupled with Tecumseh's win over the Manchester Dutchmen by a 19 to 0 score—Coach Neville Hart's Indians will be in undisputed first place in the Lenawee County Gridiron League when they enter the playing field at Recreation Center here tomorrow evening to clash with the Morenci eleven. The game will start at 8:15 p.m., under the lights.

To date, Tecumseh has not lost a League ball game and has not been scored upon. The Indians have won all three of the games they have played. Blissfield and Clinton, tied for second honors, have each won two games and lost one. Morenci and Hudson are tied for the third position, having each won one and lost two and the Dutchmen are in the cellar position with three losses.

On paper, the Indians' chances for victory in the game tomorrow evening look excellent, as do their desires for the League championship. However, both Morenci and Blissfield can put strong teams on the playing field and the Indians will have no walk-away. Both Morenci and Blissfield are gunning for Tecumseh, as a win over the Hartmen would raise the chances of either team considerably. The Indians meet Blissfield in the final game of the season here one week from tomorrow night, and in the event that they win that game and become county champs they will play the USO game with Adrian high at Island Park, Adrian, on Armistice Day.

"Both Blissfield and Morenci are out to give us a trimming," was Coach Hart's comment. "We don't intend to let them do it, but one can never tell. Our boys must not be over-confident. They must fight every inch of the line."

The game against Manchester last Friday afternoon was a walk-away for the Tecumseh boys as the lop-sided score—19 to 0—would indicate.

Tecumseh kicked off to Manchester and on the first play the Dutchmen fumbled, Tecumseh recovering on Manchester's one yard line. Proctor smashed over for the touchdown and Snyder missed the extra point by placement.

Tecumseh again kicked off to Manchester and after three plays the Dutchmen punted. Tecumseh blocked the kick and recovered on the Manchester 20 yard stripe. In three plays, Proctor smashed the ball over for the second touchdown and Snyder converted by placement. The score at the half was 13 to 0, in the Indians' favor.

In the fourth quarter on a long pass from Proctor to Snyder, Tecumseh scored again and Snyder missed the extra point from placement. The Indians made 11 first downs to Manchester's 5, and suffered 35 yards of penalties to the Dutchmen's 30.

The line-up was as follows:

Tecumseh	Pos.	Manchester
Snyder	le	Knause
Laidlaw	lt	Mohrley
Sisson	lg	Arnold
Underwood	c	Cushman
Winter	rg	Sutton
Brown	rt	Marx
Bagshaw	re	Hough
Proctor	qb	Roller
Jim Osburn	lhb	Tilden
Jack Osburn	rhb	Wurster
Jackson	fb	Krzyaniak

Substitutes: Tecumseh — Murdoch, Smith, Taylor, Collins.

Patience Urged for All Buyers

PUBLIC MUST REMEMBER THAT BUSINESS MEN ARE WORKING UNDER HANDICAPS

"If your gasoline station attendant is not as free with his service as he was six months ago; and if your fuel oil delivery man seems a bit arbitrary at times regarding your order, don't blame the service men, just remember that we are at war and that everybody is doing his best to give all of the attention possible to his customers," was the plea of F. M. Blough, division manager of the Standard Oil Company, when he addressed the noon-day luncheon meeting of the Rotary club here, Tuesday at Brees House.

"You should all bear in mind that few of us are running our own business today, that we are working under difficulties such as we never before experienced, and that all of us are attempting to serve our customers, whom we prize very highly, to the best of our ability," the speaker said. "This statement goes for everybody in business, whether its the oil business or something else."

Mr. Blough pointed out that business men are operating under handicaps as a result of a labor shortage, and that many businesses are unable to supply their customers with goods because of priority orders and rationing. Discussing fuel oil rationing, he said that temperatures in most homes must fall to an average of 65 degrees, and that the fellow who heats his home warmer than that is only "kidding himself."

Regarding both gasoline and motor oil, Mr. Blough declared that the "finest oils ever made" are now going to our government in the war effort, and he said that the oil companies have made steady advancement in refining during the past months.

"Your motor may ping a bit on the gas you are now burning," he sai, "but just remember, you are not buying the best gas your company has to offer. The good gas is going for our war effort, and when the war is over all of the oil companies will have a much better product for your car."

Lack of Blanks Slows Rationing

FUEL OIL CONSUMERS MAY SEND CERTIFICATES TO SCHOOL HERE FOR ANOTHER WEEK

The registration of consumers of oil in Tecumseh has been "slowed down to a walk," W. L. Berkhof, superintendent of schools said today, because oil companies are experiencing difficulties in obtaining the necessary government forms to permit detailed reports. The rationing of fuel oil here is in the hands of the school superintendent, and, supposedly, Wednesday was the final date for registration.

Because of the delay in receiving forms, Mr. Berkhof said, he has extended the time here for the registration another week, making next Wednesday the final day. By that time, he hopes he will be in receipt of all of his instructions, and will be able to proceed with the rationing program.

Under the law, consumers must file the necessary government forms with Mr. Berkhof, and he then will apply the rule laid down by the government and issue coupons to consumers, that they may purchase their winter's fuel supply.

"A few companies have furnished local customers with forms and these have been filed at our office," Berkhof said. "Other companies are experiencing difficulties. That is why we are extending the time. Consumers of fuel oil should bring or mail their applications to us. After we have had an opportunity to check them, we will advise consumers that coupons permitting the purchase of oil, are ready to be issued. Whether we will do this by mail or in the newspapers we do not know, as yet."

Under the rationing orders of the government, the temperature in the average homes of the nation heated with fuel oil must dropped to not more than 65 degrees throughout the winter.

League Gifts Generous Here

INDUSTRIAL WORKERS AND BUSINESS MEN FIRST TO SUBSCRIBE IN CAMPAIGN

With the Lenawee County Patriotic League's drive for funds now in its third day, and with a large per centage of Tecumseh's industrial and business district areas canvassed, it was announced this morning that this village was expected to go "over the top" on its allotted $6,400 quota—less than 10 per cent of the $70,000 goal set for Lenawee county.

"It's a bit early to predict, but there is every indication that Tecumseh will do its share and more in the League drive," Wade L. Jones, chairman in this township, eclared. "The Vickeys are working in the local industries, and workers are subscribing willingly and freely. Another corps of workers is canvassing the business district, and they, too, are meeting with success. Although the campaign is little more than two days old, I'd say that we are doing well here, and that public support of the League will put Tecumseh 'over the top.'" Mr. Jones continued.

The League drive for funds will end on November 12, one week from next Thursday. Before that date it is planned to contact every resident of the county, and to make him or her a member of the League. League memberships sell for $1 each, and the campaign goal is a sustaining subscription from every family of at least $12 a year. Many are giving far in excess of this amount, Jones declared.

From the League's headquarters at Adrian, Claude Porter, the campaign manager, declared that the drive for funds is meeting with success in industrial Adrian, where workers are averaging $12.90 with each subscription. The house to house canvass of the cities, villages and rural areas will start later in the week.

The League drive combines into a single campaign the solicitation of funds for all war relief purposes, except the Red Cross. Thus, in a single campaign, funds for all needs are raised and allocated for the next 12 months.

A similar Patriotic League functioned in the county during World War No. 1 and the success of the first league spurred patriotic residents to reestablish it to meet the needs of the present war.

Dr. Hammel Ordered To Active Army Duty

Dr. H. H. Hammel, colonel M.C., U. S. Army, has been ordered to active duty the first of November. Colonel Hammel received his first commission in July, 1915. Heavy Vote is Seen for Nov. 3

NATIONAL, STATE AND COUNTY CONTESTS EXPECTED TO ATTRACT ELECTORS

With bitter contests on national and state tickets, and keen competition for election to county offices between Democrats and Republicans, political observers in Michigan today were predicting the heaviest "off year" balloting in the last decade, when electors go to the polls next Tuesday, November 3. And in addition to the party ballots that go to the voters there also is a referendum ballot, containing three propositions, one of these the milk-marketing act, which is expected to attract a heavy farm vote.

Each voter this year will receive three ballots when he visits the polls. One of these is the customary party ballot, containing the three tickets, Democratic, Republican and Prohibition. The second is the non-partisan ballot, containing the names of judges and circuit court commissioners. The third is the referendum ballot, containing three proposals. The latter ballot is 22 inches by 35 inches—one of the largest over handed to Michigan voters.

In Tecumseh, voting will take place at the council building on South Evans street, and the polls will be open from 7 a.m. to 6 p.m.

Candidates for the several offices and their party are as follows: Governor, Harry Kelly, R, Murray Van Wagoner, D, F. S. Goodrich, P; Lieut. Gov., Eugene Keyes, R, Frank Murphy, D, E. H. Munn, P; Secretary of State, Herman L. Sherman, R, Beatrice Eveland, D, Olla Marshall P; Attorney General, Herbert Rushton, R, John Babcock, D, Fred Piatt, P; State Treasurer, D, H. Brake, R, Theodore Fry, D, J. L. Ward, P; Auditor General, Vernon J. Brown, R, Carl Brandenburg, D, Leo Chaney, P; United States Senator, Homer Ferguson, Prentiss Brown, D, Leroy Lowell, P; Representative in Congress, Earl C. Michener, R, Redmond Burr, D, Adelaide Sewell, P; State Senator, Elmer Porter, R Edward C. Hellman D; State Representative, Fred Rodesiler, R, Earl Dryer, D; Prosecuting Attorney, L. J. Hammond, R, Bernard Williamson, D; Schriff, Elmer Bringman, R, Everett Seeley D; County Clerk, Robert King, R, Edwin Morden, D; County Treasurer, Harry Bradley, R, Theodore Glaser D; Register of Deeds, Leonard Warner, R, Harold Clark, D; Drain Commissioner, Archie Bruce, R; Coroners, E. M, Braun and Paul Mott, R; Surveyor, Walter Frazier, R.

On the referendum ballot, the first proposal is that granting revision of the constitution of the State of Michigan. The second is the so-called Wayne county home rule proposal, and the third the milk-marketing act.

On the non-partisan ballot, Raymond W. Starr and Earl C. Pugsley are seeking election to the state supreme bench, and George W. Bean and John R. Zeigler as circuit court commissioners.

GIVE LIBERALLY

The Lenawee County Patriotic League, an organization that brings together all of the worthwhile war relief distributing agencies, except the Red Cross, and combines in a single drive Lenawee countys effort to raise funds for these needed and essential enterprises, has launched its campaign to raise, between now and November 12, some $70,000. Tecumseh's share of this amount is $6,400.

There is not a single American in Lenawee county who should not give and give liberally to this worthy cause. Every family should contribute to the Patriotic League and contribute willingly.

We know of no more worthwhile enterprise on the home front than the League. It is Lenawee's effort to answer the financial call of every worthy war relief organization, and to do it promptly, with the least amount of work, worry and effort. Instead of having a drive this week for the USO—which organization incidentally received 39 per cent of all the money raised in the county—and next week for another relief organization and so on down through the moths, the Patriotic League has combined all of these efforts in a single campaign —you give once, you give for all.

This week or next week, when the League solicitor visits you, be it in your office or your home, receive him or her gladly, willingly. It is your opportunity to help to support our boys on the war front, or allies who are fighting, giving their lives that Hitler's way may be crushed and perish from the earth.

And it is your way, too, of helping the families of these men—your friends and neighbors—whose father, husband, or brother has paid with his life that your right to freedom, to life, to liberty, to happiness might continue to endure.

Tecumseh and Lenawee county MUST support the Patriotic League. Give what you can and all you can.

And remember the slogan: "Some give so much. We must all give some."

Storm Windows Will Cut Your Fuel Bill

Do you know that you can save as much as 25 per cent of the fuel that you use, by installing storm windows and doors that work efficiently?

If you have them, but they're old, perhaps they've loosened up. Need slight repairs.

Why not consider storm sash for your home this winter. Place your order AT ONCE that they may be installed before zero-blasts hit Tecumseh.

You'll be surprised how economically storm sash for your entire house can be made and installed. Some of our customers say that they pay for themselves in two or three winters in coal saving.

It's Action That Counts

MURRAY D. VAN WAGONER
Governor

Here are definite accomplishments of Governor Van Wagoner which warrant his re-election;

Consolidated state revenue agencies to bring Michigan most efficient tax collection service in the nation with but 1.2 per cent collection cost.

Eliminated politics from state purchasing and saved state millions of dollars.

Wiped out state deficit of $27,000,000 and built cash surplus of $8,000,000. This is the first time in 20 years the state has been without a deficit.

Provided adequate funds for care of crippled children, opened state hospitals, and wiped out waiting lists for old age assistance and mother's aid.

Energetically worked with labor, industry and the federal government to promote the war effort. Michigan is committed to make one sixth of the nation's total armament.

Served as Chairman of State Defense Council in organizing a protective service taken as a model by many states. As one example, when Chicago held its first blackout, August 12th, more than 200 practice blackouts had been held in Michigan.

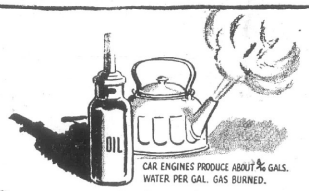
Speaking of GAS RATIONING



CAR ENGINES PRODUCE ABOUT ½ GALS. WATER PER GAL. GAS BURNED.

WITH MINIMUM DRIVING, ANY MOTOR OIL CONTAMINATES FASTER, BECAUSE THE MOTOR DOESN'T RUN HOT ENOUGH TO EVAPORATE THE WATER THAT CONDENSES IN THE CRANKCASE.

EVEN WITH DRIVING LIMITED, UNDER SLOPPY WINTER CONDITIONS GREASE IS WASHED OFF LUBRICATION POINTS. PROTECT FROM RUST BY KEEPING POINTS GREASE-FILLED. LUBRICATE EVERY 2 MONTHS OR AT 1000 MILES WHICHEVER COMES FIRST.

Your car needs better care now!

● A little better care per mile is the safe car service program for gas rationing. Your Standard Oil Dealer offers expert help, now very important with winter coming up. See the list of vital services below. You'll want the complete protection they insure. And you'll also want to use top quality Iso-Vis, first choice of midwest motorists. High in protective qualities, Standard's Iso-Vis (10-W) is the fastest starting winter motor oil you can buy.

√ Radiator—drain and flush. √ Anti-freeze—get yours today. √ Battery—inspect and test. √ Battery Cables—clean and grease. √ Spark Plugs—clean and regap. √ Front Wheel Bearings—repack with grease. √ Body—polish and wax. √ Lights—check for safety. √ Air Cleaner—clean. √ Tires—inspect, switch. √ Transmission and Differential—drain, clean and refill √ Chassis—lubrication. √ Crankcase—drain, flush and refill with Standard's Iso-Vis, Quaker State, Polarine or Stanolind. √ Oil Filter—check, replace if necessary.

NIGHT AND DAY IT RAGED!
Do you remember? It was November 11, 1940!

This picture shows how completely a windstorm can destroy a fine building in a moment. This is a Livingston County loss of May 29, 1942.

Consternation and destruction were left in the wake of Michigan's worst windstorm — Armistice Day — Nov. 11, 1940 — Hardly a county in the State was missed. The losses sustained by the policyholders of this company were enormous and terrifying —

Approximately 30,000 claims were adjusted just as quickly as was humanly possible, and checks were sent to our members, covering their losses which totaled well over a $1,000,000.

About this time of year there is ever this question in mind — WIll another such windstorm ever visit Michigan and when?

You answer it — and then write this company about your windstorm insurance.
